Hi everyone,

I have to attend an in-person offsite event this afternoon that conflicts with our Alaska Policy Meeting, so I am changing this to a *Paper* Check-in. This means that we won't convene on Teams, however, I'm including below and attached all of the agenda items in need of your attention. If you wouldn't mind holding part of your Alaska calendar time to individually review this paper meeting, it would be much appreciated.

In particular, there are a few updates requested from NPS, FWS, BLM, and Winnie's team. The attachments to this email accompany the updates in the paper. Please let me know if you have any questions. I will plan to follow up with folks over the coming week to touch base on these items.

Task Force Leadership (on behalf of Deputy Secretary Tommy Beaudreau),

Per my email (attached) that I sent to this group on June 17, 2022 I am providing this calendar invite.

There are two options for attending this session:

- You can attend in-person at the National Conservation Training Center (NCTC) in Shepherdstown, West Virginia. **If you are attending in-person, we will need your name to provide to the security staff at the front gate for entry.**
- You can attend virtually via MS Teams. This invite contains that link.

We look forward to engaging with you in this important conversation. If your schedule does not allow for participation in both meeting sessions (10am-12pm & 1pm-3pm) on the agenda (attached), it is recommended that you join us for the earlier session.

A second opportunity to engage in person will take place in Washington, D.C. from September 19-23, 2022.

Hi, just the DOI folks here.

I think we've had a few conversations about this (PRIMNM) in the past couple weeks/months, but wanted to pull all the DOI folks onto a call to discuss our position on this and address the request below.

If that sounds good to everyone, may I ask for everyone to work with Grace, cc'd here, to find a time for us to meet next week or the week after? Also please include anyone else I may have forgotten here.

Thanks!
Keone

Hi Monica, thanks for the info and introduction (I was actually fortunate enough to have already met Amy in Palau!).

Looping in some other relevant folks from Interior, and we will follow up with Amy separately.

Thanks!
Keone

Keone - I hope you are well. I'm writing to connect you with Amy Kenney, who leads the National Ocean Protection Coalition. She is working with a group of Native Hawaiians who have petitioned to request that the President expand the remaining two segments of the Pacific Remote Islands monument out to the full extent of their EEZ. <https://www.protectpri.com/> The group is also petitioning to rename the islands/monument to reflect their traditional names. She would love to tell you more about it. They have political support from all the key players in Hawaii. Ideally they would love to meet with Secretary Haaland (virtual is fine) to tell her about it. The best part is that with this expansion the US would get to the POTUS promise of protecting 30% of the US ocean.

I've copied Maxine Burkett here, she is familiar with the proposal too.

Amy - I'll let you take it from here.

Thanks!!! Monica

All,
Please join us for quick final sync before tomorrow's wildfire event. We will talk through final run of show and topics, and will ask DOE (b) (5). If unable to attend, please send an appropriate rep who can help shape your prep and content for tomorrow.

Scheduling for this afternoon so we will hopefully be in a position to share detailed run of show before then.

Thanks,
