Task Force Leadership (on behalf of Deputy Secretary Tommy Beaudreau),

Per my email (attached) that I sent to this group today (October 19, 2022), I am providing this calendar invite.

There are two options for attending this session:

- You can attend in-person at the Stewart Lee Udall Interior Building in Washington, DC (Room TBD)
- You can attend virtually via MS Teams. This invite contains that link.

We look forward to engaging with you in this important conversation.

This is the final in-person meeting prior to submitting final recommendations to the LETF for review and finalization.

Hi everyone,

We're excited to see all who can make it next Wednesday to our kick-off event to the holiday season; the DOI Appointee Potluck!

 [Here is the sign-up sheet](#) for any and all sweet or savory items you wish to bring. We're requesting folks list their items so that we can make name cards with allergen information for dishes. We have also included a list of requested items to make this potluck a success.

Be on the look-out in the next couple of days for instructions on when and where to drop off your items next Wednesday. If you have any questions, please reach out to myself or Emmie.

P.S. don't forget to bring your own reusable container for any leftovers we might have!

Thanks!

The White House Domestic Policy Council will convene a Deputies Committee meeting on the Puerto Rico Economic Dialogue. The meeting is scheduled for Thursday, November 17 (10AM – 11AM ET) and will take place via Zoom. Read-ahead paper is attached.

Participation is requested at the Deputy Secretary level + 1.

BACKGROUND:

In August, U.S. Commerce Deputy Secretary Don Graves and Puerto Rico Governor Pedro Pierluisi publicly announced their intent to hold an Economic Dialogue between the federal government and government of Puerto Rico in Washington, DC this fall. The purpose of the dialogue is to launch a comprehensive plan for economic growth that aligns the policy priorities of both governments and leverages unprecedented federal funding coming into Puerto Rico. The dialogue will announce interagency commitments to advance Puerto Rico's economic development in 2023 and kick off a year-long workstream between the two governments to implement them. On the federal side, this work will be spearheaded Deputy Secretary Graves, who serves as the Puerto Rico Economic Growth Coordinator, and supported by the efforts of the White House Working Group on Puerto Rico, which has been working with over 15 federal agencies to develop policy commitments.

The Principals-level Economic Dialogue will take place on Tuesday, December 6, including Gov. Pierluisi and key members of his cabinet. Therefore, we are convening Deputies next Thursday, November 17 to go over the proposed plan for the dialogue and review the deliverables developed by agencies to announce at the dialogue. This will also be an opportunity to raise any outstanding questions or issues to ensure Principals are well-prepared to stand behind strong deliverables on Dec. 6. We will distribute additional background paper ahead of the meeting next week.
