Hello IWG Colleagues,

This appointment is for a Deputies Committee (DC) meeting of the Energy Communities IWG.

As you will see from the attached agenda, we'll kick off with a timely update on implementation of the Inflation Reduction Act, then spend the bulk of our time together focusing on the Rapid Response Teams (RRTs) – both where we are today and where we need to go next with additional agency commitments. With that in mind, we are also attaching the DRAFT RRT Charter Agreement and look forward to gaining your input.

If there are any questions, please reach out to the IWG's Deputy Executive Director, Briggs White: Briggs.White@netl.doe.gov.

Hi – putting this time on calendars today to discuss this topic, as OMB moves forward with FY24 business. If you absolutely cannot make this time and need to be present, please reach out to Bianca Majumder (b) (6) ASAP. The manifest is below – aside from the names specified, each agency can bring up to 2 additional people. We’d like to keep this conversation small and fairly quick given that it is time-sensitive, so very much appreciate any flexibility. Thanks to everyone for their ongoing work on this super important issue!

Hi,

Attaching read ahead materials for the discussion tomorrow.

Thank you.

Jalonne and Candace

The purpose of this meeting is to brief Deputies (+1) on the Phase One Environmental Justice Scorecard data request.

Please respond to Bianca Majumder ((b) (6)) and Christina Bowman (Christina.A.Bowman@ceq.eop.gov) with the name of your Deputy and their +1 by COB Tuesday 10/25. If your Deputy cannot make it, please reply with their alternate.

Paper will be circulated before the meeting.

Thank you!

BACKGROUND:

- OMB, CEQ, and USDS have been working together with your agencies and outside partners (WHEJAC) to develop metrics for that Environmental Justice Scorecard. We would like to brief you on the upcoming data request OMB will be sending out to collect information regarding your Agencies' and Departments' accomplishments and progress to advance environmental justice since the start of the Biden-Harris Administration.

- In EO 14008, the Biden-Harris Administration prioritized and advanced environmental justice in historic ways. It also specifically requires the Director of OMB, in coordination with the Chair of CEQ, the Administrator of USDS, and relevant agency heads "to publish on a public website an annual Environmental Justice Scorecard detailing agency environmental justice performance measures."

Because we are hoping to give your Agencies/Departments several weeks to provide this data, and because the Scorecard must be published early next year, we are looking to do this briefing as soon as possible.

Hi there,

Bianca Majumder (she/her) - OMB is inviting you to a scheduled ZoomGov meeting.
