Good morning-

I just cleared the letters out of my DTS, but I do think an additional sentence explaining WHY revenue generation by the project is an issue, with regard to federal grant funds, would be useful to add. It will help the conversation of next week start in the right place.

Glenda/Steve are there some times that would work for you that we can offer to the Chairman next week? Thanks so much all!

Hi Drew and Morgan,

Circling back on this as we haven't heard more about setting this up with Chairman Manchin, although we've heard OSM is already meeting with the State and potentially Senator Capito, too. We received OSM's response letter regarding Western Pocahontas Properties' Timber Tech AMLER project from WVDEP and have concerns about the impact these decision points might mean for the Timber Tech Project and other AMLER projects that have previously been approved. Based on this letter, it appears that any project that receives a form of income must return funding back to OSM, which would not only impact the timber tech project but several other AMLER projects that have received approval. Issues with the Timber Tech project (long wait time, lack of communication) was one of the reasons we initially requested a meeting with Deputy Director Owens and we would like to get that meeting scheduled as soon as possible given the issues raised in the letter. I spoke with Tommy a few weeks ago to make sure he knew the Chairman had concerns about certain Department views on AMLER that we're hearing about and that we were seeking more information and a conversation.

Thanks,
Renae

Hi Drew and Morgan-

We've received some outreach from the Governor's office and AMLER applicants with some concerns about long approval wait times and potential changes to the AMLER program so the Senator would like to request a meeting with Deputy Director Owens and her team along with folks from the Governor's office to discuss the AMLER program. Attaching a formal written request here.

Please let us know what else we can provide to get this in the works.

Subject: Infra/IRA: Small deputies on Friday

Polly, Tommy, Robert, Dave, Don, and Janet,

In lieu of our usual deputies meeting, we'd like to hold a small deputies meeting with you to discuss Inflation Reduction Act (IRA) implementation on Friday from 4-4:30pm. We'll be joined by Kristina Costa, who is John Podesta's incoming deputy. The goal of the meeting will be to introduce Kristina, share some preliminary thinking on how we'll get organized for IRA implementation, and hear any questions/thoughts from you all as we continue our planning. We'll keep this to a small group so that we can have an open conversation. I'll send an invite shortly.

Thanks,

Asma Mirza
Deputy for Implementation Management
