¹ Does not include funding transferred from USDA Forest Service in support of suppression operations.

² Does not include funding available under Section 102 transfer authority.

³ Includes enacted funding transferred; does not reflect carryover funding transferred to the Wildland Fire Management account for suppression operations.

⁴ Does not reflect enacted funding, which was reduced by an across-the-board reduction of 2 percent and 5 percent sequestration.

⁵ Enacted funding was \$65 million; however, \$50 million was transferred to the USDA Forest Service in support of suppression operations.
