DOI-OS-2024-000340	Stratton, John-Thomas	-	-	Dear F.O.I.A fulfillment officer for these respective parties. This is a request under the Freedom of Information Act from one of the American people. I hereby request that a true copy of the following official documents, or documents containing the following information, be provided to me: 1) The official United States government document that contains the express lawful repeal of the organic Homestead Act of May 20th, 1862, by an official act of Congress. Allegedly found within the FLPMA of 1976. If possible, provide a certified true copy. 2) A true copy of the exact section and page(s) containing the express lawful repeal of the organic Homestead Act of May 20th, 1862, by an official act of congress. Allegedly found within the FLPMA of 1976. If possible, provide a certified true copy. 3) If no factual documentation or evidence of the lawful repeal of the Homestead Act of May 20th, 1862, by official act of congress exists, then I hereby request a statement affirming such by a public. Officer authorized to make affirmation that no records of the lawful repeal of the Homestead Act of 1862 by official act of congress could be found. To help to determine my political status to assess fees, you should know that I am one of the people of Colorado seeking this information for personal and public knowledge and not for any commercial use whatsoever, but for the general knowledge and understanding of we the American people regarding the Homestead Act and its alleged repeal. As one of the people, I hereby request a waiver of all fees for this request from my public servants and trustees. Disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not for any commercial interest whatsoever. It is in the public interest, because it is posted on multiple government websites (BLM, DOI, US Congress) that the Homestead Act of May 20, 1862, was lawfully repealed, yet I have been unable to locate any exact and express evidence of this alleged repeal within the FLPMA of 1976, the Act which allegedly lawfully repeals the Homestead Act. The production of evidence of the lawful Congressional repeal of the Homestead Act ( or lack thereof) will serve to clear up any misunderstandings and potential criminal or nefarious activity (such as fraud) committed by the people's public servants and trustees under color of law and authority. DOI-OS-2024-000347	Hart, Peter	Wilderness Workshop	-	On behalf of Wilderness Workshop and pursuant to the Freedom of Information Act (FOIA) of 1966, 5 U.S.C. § 552, and implementing regulations, 43 C.F.R. Part 2, we request copies of all records [including but not limited to handwritten and electronic mail messages, spreadsheets, maps, draft and final documents, inter- and intra-agency consultations, photos, GIS data, GPS data, handwritten notes, meeting or phone conversation notes, correspondence (including, but not limited to communications between any office or staff of the Office of Natural Resources Revenue and any lessees) or any other records] generated, modified, or acquired by the Office of Natural Resources Revenue concerning, relating, or pertaining to the categories listed below. 1. Any and all correspondence between the Office of Natural Resources Revenue (ONRR) and any lessee of the these federal oil and gas leases: COC069071, COC069072, COC069075, COC069076, COC069077, COC069078, COC069079, COC069080, COC069081, COC069082, COC069083, COC069084, COC069085, COC069086, COC069087, and COC069088; and 2. Any and all correspondence between ONRR and any other agency regarding the foregoing leases, including (but not limited to) the Bureau of Land Management, and/or the U.S. Forest Service. We request that ONRR identify and produce all responsive records from any ONRR offices where such records may be found. We explicitly exclude from this request any documentation produced in response to our previously submitted FOIA request: ONRR FOIA 2024-0002000. We request that responsive records be released as soon as they are available. To the extent that some subset of the requested records is readily available, we would be happy to receive them while ONRR searches for other records. Please note that if it is more convenient for the agencies, we would be happy to accept electronic copies of the requested records (on a CD, for example). If the agency intends to make records available electronically, we request that the records be made available in a searchable "pdf" format. We also note that federal courts have held that any record exchanged between a federal government agency and another party cannot be withheld under Exemption 5 of the FOIA. See 5 U.S.C. § 552(b)(5) (2009); see also Mead Data Cent., Inc. v. Dep't of the Air Force, 566 F.2d 242, 253 (D.C. Cir. 1977); Senate of Puerto Rico v. Dep't of Justice, 823 F.2d 574, 587 (D.C. Cir. 1987); Dep't of Interior v. Klamath Water Users Protective Ass'n, 532 U.S. 1, 1 (2001) (Exemption 5 applies to "inter-agency or intra-agency" communication). Further, any comments from or to other agencies on the environmental impact of any activities may not be withheld as interagency documents. See 40 C.F.R. § 1506.6(f) (2009).
