DOI-OS-2024-000457	(b) (6)	-	-	I believe myself to be a US government torture victim. I only know bits and pieces of information. I apologize, I don't know the way to properly format a FOIA request. What I'm looking for is any documentation referring to my creation, experimentation, and torture. I was being too jokey last time, I apologize. Sleep deprivation, physical harm, emotional violence, threats. I believe I may have remote viewing capabilities, and the point of the torture is to activate my powers and learn governments secrets. The problem with that is, it goes both ways. Now, there is a huge defamation of character/misinformation campaign and I need help. Yesterday, June 3rd, I made a decision to buy a chocolate bar of 4 g of psilocybin cubensis. It was not that. Cubensis isn't a very strong species of mushroom, and 4 g isn't enough to trip that hard. This felt like something much stronger, akin to government grade LSD. That was what I came to the conclusion, based on all of the events that have added up in my life, that I may be some form of experiment. My believe I may be a DARPA experiment. A clone of my mother's body with alien DNA added and a cyborg brain. A device built to process and understand space-time because the physicist at the time weren't making any progress and wanted to build a computer to discover the secrets of the universe. It was too much data for the human brain to comprehend, but the computer also couldn't make sense of or process the information. They needed a biological interface with emotions to understand and describe what they were seeing. I believe I had codenames: Sleeping Giant Comedic acrobat Duality of nature; part cackling hyena part reality bending psycho witch This sounds really crazy, though so does three police cruisers chowing up at my door after typing in mif on my	Simple	-	6/4/2024	6/5/2024	Other Reasons - Records not Reasonably Described	6/6/2024

We note 44 U.S.C. 2911 which states, in pertinent part, "The term 'electronic messages' means electronic mail and other electronic messaging systems that are used for purposes of communicating between individuals." Also, text and direct messaging, like email and another alternative to email, instant messaging, produces transcripts that are unquestionably records. On June 30th, the Antitrust's Division Security Office determined I failed to meet the suitability requirements for the position of Paralegal Specialist, GS-0950-07. The position was for the Washington DC office. I want to request information about the specific details from the Security Office that explain which specific requirements I did not meet. I apologize, but the letter informing me of my rescinded offer did not specify which part of the preemployment process I did not complete. I know the list of requirements I needed to meet, but I don't know what in my file prevented my hiring. It would be helpful for me to have this information so I can be better prepared for other jobs in the future. Thank you very much! DOI-OS-2024-000611	Fitzpatrick, James	Center to Advance Security in America		<p>June 16, 2024 U.S. Department of Interior Office of the Secretary RE: FREEDOM OF INFORMATION ACT REQUEST BACKGROUND: Dear FOIA Officer: This letter constitutes a request under the federal Freedom of Information Act (FOIA), 5 U.S.C. § 552. Impartial application of justice is an integral part of the American justice system. Recently, former president and Republican presidential candidate Donald Trump was convicted in Manhattan. Public officials' discussions of this verdict are of interest to the American people given the potential impact on the 2024 Presidential election. The information obtained is necessary to provide oversight of public officials' communications regarding reactions to an unprecedented criminal trial. RECORDS REQUEST: CASA requests records created from May 30, 2024, through May 31, 2024: 1. Communications to, from, or received by Deb Haaland, Laura Daniel-Davis, Joan Mooney, Tyler Cherry, Bryan Newland, Steve Feldgus, Shannon A. Estenoz, Michael Brain, Carmen Cantor, Robert Anderson, Rachael Taylor, Katherine Kelly, Lynn Trujillo, Mili Gosar, Melissa Schwartz, Shantha Ready Alonso, Heidi Todacheene, Elizabeth (Liz) Klein, and Maggie Thompson containing the following phrases and/or words: "Trump", "convicted", and "felon". For purposes of this request, we are only interested in email and text message communications. We prefer to receive the report and all records in electronic format. To the extent practicable, we seek electronic copies of the records in native file format, or, if that is not practicable, with full metadata for all fields. 5 U.S.C. § 552(a)(3)(B) (agency shall provide records in any form or format if the record is readily reproducible in that form or format). The Center to Advance Security in America (CASA) is a nonpartisan organization dedicated to improving the safety and security of the American people. CASA educates and informs the American people about the actions of their government and its officials that impact their safety; peace and security; democracy, civil rights, and civil liberties; and privacy. CASA is focused on public education, and all materials and information requested will be disseminated to the public for this purpose. Thus, the disclosure of the requested records would not be to our primary benefit but would be to the primary benefit of the general public. Further, these records focus on an issue of widespread public interest: communications by and between Department of Interior officials regarding a high-profile conviction of former President Donald J. Trump. For these reasons, we request a fee waiver pursuant to the FOIA Act, which provides for fee waivers when: (1) "disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of</p>	Simple	Normal	6/16/2024	6/17/2024
