10,000 years in our Traditional Homeland, Prince William Sound, the Copper River Delta, and the Gulf of Alaska

---

**Proponent:**

The Native Village of Eyak  
110 Nicholoff Way, Cordova, AK 99574-1388

**Issue:** The subsistence needs of federally qualified users from the Cordova community are unmet for Sitka Blacktail Deer.

**Existing Federal Regulations:**

Unit 6 – Deer  
All rural residents  
5 deer; however, antlerless deer may be taken only from Oct 1 – Jan 31  
Only 1 of the 5 deer harvest limit may be taken between Jan 1 – 31  
Aug. 1<sup>st</sup> – Jan. 31

**Proposed Federal Regulations:**

Unit 6 – Deer  
All rural residents  
5 deer; however, antlerless deer may be taken only from Oct 1 – Jan 31  
Only 1 of the 5 deer harvest limit may be taken between Jan 1 – 31  
Aug. 1<sup>st</sup> – Jan. 31

*Federal public lands on Hawkins Island and Hinchinbrook Island in unit 6D are closed to deer hunting except by federally qualified subsistence users hunting under these regulations.*

**Justification:** The unmet subsistence needs of federally qualified subsistence users result from increased harvest pressure on the eastern side of Prince William Sound from non-qualified users expanding their area of hunting in search of deer, combined with a consistent downward trend in documented deer density on Hawkins Island and Hinchinbrook Island in unit 6D.
