

Federal Wildlife Proposal

Proponent:

Eastern Interior Alaska Regional Advisory Council

Issue:

Increase the harvest limit for brown bear in Unit 25B to two bears

Existing Federal Regulation:**Unit 25– Brown Bear**

Units 25A and 25B—1 bear.

Aug. 10-June 30

Proposed Federal Regulation:**Unit 25– Brown Bear**

Units 25A ~~and 25B~~—1 bear.

Aug. 10-June 30

Unit 25B—2 bears.

Aug. 10-June 30

Why Should this regulation be changed?

This would provide additional opportunity for federally qualified subsistence users. There are no conservation concerns for brown bear in Unit 25B, and it is one of the least inhabited areas of the state.
