

Draft Wildlife Closure Review
WCR26-25

ISSUE: Wildlife Closure Review WCR26-25 reviews the Federal public lands closure in Unit 26C to the harvest of muskox, except by residents of Kaktovik hunting under Federal regulations. It is the Federal Subsistence Board's (Board) policy that Federal public lands should be reopened when closures are no longer necessary, and that closures will be reviewed at least once every four years. The purpose of this review is to determine if these closures are still warranted.

Closure Location and Species: Unit 26C– Muskox

Closure Dates: Year-round

Should this closure be retained, rescinded, or modified? Please provide as much supporting information as possible.
