DOI-2025-001969	Elsaharf, Lama	CREW	-	Dear FOIA Officer: Citizens for Responsibility and Ethics in Washington ("CREW") submits this request for records pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, and Department of Veteran Affairs ("VA") regulations. Specifically, CREW requests the following records: We request copies of all delegations of authority to authorize, approve, or initiate a reduction in force; to implement a reduction in force; to define, establish, or identify one or more competitive areas; or to define, establish, or identify one or more competitive levels. These records may take the form of agency policies, individual delegations of authority, or other formats. The term "competitive area" has the same meaning applicable to the term "competitive area" in 5 C.F.R. § 351.402. The term "competitive level" has the same meaning applicable to the term "competitive level" in 5 C.F.R. § 351.403. Please search for responsive records regardless of format, medium, or physical characteristics. We seek records of any kind, including paper records, electronic records, audiotapes, videotapes, photographs, data, and graphical material. Our request includes without limitation all correspondence, letters, emails, text messages, facsimiles, telephone messages, voice mail messages, and transcripts, notes, or minutes of any meetings, telephone conversations, or discussions. Our request also includes any attachments to emails and other records, and anyone who was cc'ed or bcc'ed on any emails. If it is your position any portion of the requested records is exempt from disclosure, CREW requests that you provide it with an index of those documents as required under Vaughn v. Rosen, 484 F.2d 820 (D.C. Cir. 1973). If some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. See 5 U.S.C. § 552(b). If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. See Mead Data Central v. U.S. Dep't of the Air Force, 366 F.2d 242, 261 (D.C. Cir. 1977). Please be advised that CREW intends to pursue all legal remedies to enforce its rights under FOIA. Accordingly, because litigation is reasonably foreseeable, the agency should institute an agency wide preservation hold on all documents potentially responsive to this request.
