Inc. I am making this request on behalf of Fieldnotes, a media requestor, and I agree to pay all applicable fees. Fieldnotes seeks the above listed records for noncommercial use as a representative of the news media. Fieldnotes qualifies as a news media organization under the definition provided by Congress in the OPEN Government Act because it "gathers information of potential interest to a large segment of the public, and uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience." Specifically, Fieldnotes is seeking this FOIA request because the information in it is of interest to a large portion of the public, including the many concerned citizens that regularly acquire information through our extensive range of publications. These publications include websites, blogs, newsletters, reports, press statements, social media networks such as facebook, and twitter. In addition, Documented reaches out to many traditional news media outlets that regularly broadcast our publications through television, radio, print and electronic articles and interviews. Fieldnotes plans to compile the information from this request into a distinct, original work that will be released to the public through the publications listed above. The requested documents will be made available to the general public, and this request is not being made for commercial purposes. In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filed electronically, by e-mail attachment if available or CD-ROM if not. Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires. | DOI-2025-000903 | Holsinger, Kent | Holsinger Law, LLC | - | Dear FOIA Officer: Pursuant to the Freedom of Information Act ("FOIA," codified at 5 U.S.C. § 552), Trails Preservation Alliance ("TPA"), hereby requests the following documents: • Any and all pleadings, orders, or other filings in IBLA-2021-0016 (San Juan Citizens Alliance and Board of County Commissioners of San Juan), between the dates of June 3, 2021 up to and including the date of this request, and • Any and all pleadings, orders, or other filings in IBLA-2021-017 (Colorado Backcountry Hunters and Anglers), between the dates of June 3, 2021 up to and including the date of this request (the "Requested Documents"). TPA is a Colorado-based 501(c)(3) non-profit public charity organization composed of Colorado motorcycle trail riders dedicated to protecting and enhancing single track motorcycle trail riding. The organization seeks to preserve single track trails in Colorado and to inform the public about issues facing the sport. TPA has been deeply involved in every step of the U.S. Bureau of Land Management's ("BLM") National Environmental Policy Act ("NEPA") process for the Silverton Travel Management Plan Environmental Assessment (DOI-BLM-CO-F070-2019-0008-EA) (the "Project") which is the subject of the above-referenced IBLA pending appeals ("Appeals"). TPA has an organizational interest in the Appeals. TPA has consulted with the BLM on numerous aspects of the Project, submitted comments throughout the NEPA process, participated in agency meetings, conducted on-the-ground site visits, and submitted a proposal to the BLM regarding motorized access. TPA poured much time, effort, and expense into the Final EA and the Decision Record to ensure the Travel Management Plan will protect wildlife and resources and prevent degradation of the public lands, while still allowing multiple forms of responsible recreation. To date, TPA has expended organization funds on the Project. Furthermore, TPA's individual members have a recreational interest in the Appeals. They will benefit from the increased motorized recreational opportunities afforded by the Project thanks to TPA's work. The Final EA and the Decision Record for the Project reflect the collaborative efforts of the BLM and TPA, in addition to other stakeholders to the NEPA process, and embody the outcomes and goals the parties have worked towards for the past two years. The interests of both TPA and its members in the Project will be substantially and negatively affected if the Board reverses, vacates, sets aside, or modifies the Decision Record. Therefore, both TPA and its members have legally cognizable interests in the Appeals and are thus entitled to obtain the Requested Documents. TPA does not seek expedited processing of this FOIA request. TPA hereby authorizes charges of up to \$200.00 to process this request. If the anticipated charges will be in excess of \$200.00, or if your office requires payment for copies, please contact me first. | Simple | - | 10/22/2024 | 10/22/2024 | - | - |
