

Federal Subsistence Management Program

2026-27 Fisheries

Student Art Contest

Jaci McKindy, McGrath (2020-2021 contest submission)

The Federal Subsistence Management Program is sponsoring a subsistence art contest for Alaskan students in grades K-12. **Entries should focus on subsistence fisheries.**

The winner's artwork will be published on the cover of the 2027-2029 *Federal Subsistence Management Regulations for the Harvest of Fish and Shellfish* book, distributed statewide. Other select entries will be featured inside the books or may be used in informational materials published by the Office of Subsistence Management.

- Entries must be 8.5 inches by 11 inches
- Must have a fisheries subsistence theme
- All artwork must be original
- Entries must be postmarked by November 12, 2026*

For questions or to obtain the official rules & guidelines and entry form contact:

Office of Subsistence Management, (800) 478-1456 / subsistence@ios.doi.gov / www.doi.gov/subsistence/art-contest
