<b>TOTAL.....</b>	<b>1,442,854</b>	<b>1,539,434</b>	<b>1,631,514</b>

<sup>1/</sup> Payments include Mineral Leasing Associated Payments; National Petroleum Reserve—Alaska; National Forest Fund Payments to States; Payments to States from Lands Acquired for Flood Control, Navigation and Allied Purposes; estimated receipts from lease sales in Area 1002, split 50/50 with Alaska; royalty payments to Oklahoma; and late interest payments. Payments in all years above are reduced by the Net Receipts Sharing provision made permanent in the Bipartisan Budget Act of 2013, except for receipts from leasing activity in Area 1002 set out in the Tax Cuts and Jobs Act of 2017 (P.L. 115-97, Section 20001). Amounts in all years reflect payments after sequestration adjustments required by the Budget Control Act of 2011. All years exclude payments made to Coastal States and counties under Section 8(g) of the Outer Continental Shelf Lands Act and the Gulf of Mexico Energy Security Act of 2006; BLM Rights-of-Way Payments; and Geothermal Revenue Sharing Payments to Counties under the Energy Policy Act of 2005.

<sup>2/</sup> The Department is conducting a comprehensive review of Federal oil and gas permitting and leasing practices, with an interim report expected this summer. The Administration will reassess its leasing assumptions and update receipt estimates as necessary as findings from this review are available.
