Hi folks, adjusting the time for Friday's surprise!

SH's birthday is Friday, December 2nd. As some of you know she does her best to make us all feel special on our birthdays by baking a cake, so I thought it would be fun to surprise her with cakes from all of us!

She is very hard to surprise so I am hoping we can really surprise her this year.

Here is the plan:

- If you would like to make or bring a cake, we will have a cake drop off at the Secretary's kitchen (Room 5145, similar to how we did for our Thanksgiving potluck) from 8:00-10:00 AM on Friday, December 2nd
- **We invite folks to come upstairs to SH office between 11:30-11:45 AM**
- **At 11:45 AM**, we yell "Surprise!" and enjoy cake until noon

Please feel free to teams me if you have any questions/comments. I will send a calendar invite-- looking forward to it!

Orphan Wells Director and Office Meeting

Fri 12/9/2022 10:00 AM - 10:25 AM

Location: Microsoft Teams Meeting

Organizer: Mooney, Joan M

Required Attendees: Mooney, Joan M <joan_mooney@ios.doi.gov>; Beaudreau, Tommy P <tommy_beaudreau@ios.doi.gov>; Taylor, Rachael S <rachael_taylor@ios.doi.gov>; Kelly, Katherine P

<Kate_Kelly@ios.doi.gov>; Schwartz, Melissa A <melissa_schwartz@ios.doi.gov>; Greenberger, Sarah D <Sarah_Greenberger@ios.doi.gov>; Wallace, Andrew G <andrew_wallace@ios.doi.gov>; Feldgus, Steven H <steve_feldgus@ios.doi.gov>; Stachelberg, Winnie <winnie_stachelberg@ios.doi.gov>; Tucker, Sally S <sally_tucker@ios.doi.gov>; Currie, Katherine P <katherine_currie@ios.doi.gov>; Bledsoe Downes, Ann M <ann.bledsoedownes@sol.doi.gov>; Werwa, Eric <eric_werwa@ios.doi.gov>;
Optional Attendees: Murphy, Timothy E <Timothy.Murphy@sol.doi.gov>; Irish, Tony C <Tony.Irish@sol.doi.gov>;

The two objectives of the meeting will be:

- a discussion of the vehicle by which the orphaned wells office is established – a Departmental Manual chapter or SO (currently predecisional draft) and
- what, if any comms strategy, is needed (whether internal or external).

Anne Marie Bledsoe Downs will lead the discussion on the vehicle and will be accompanied at this meeting by the SOL team who wrote the predecisional deliberative draft.

On strategic comms: at a minimum, we need to have an “if asked” comms strategy – on the office or program she is directing because the Orphaned Wells Director Kimbra Davis will begin work and outreach a week from Monday.

Background

This is a distinct orphaned wells remediation program that has been in the process of being established for several months and is currently within OECP; this would move it out from under Steve Tryon. On November 10, Kimbra Davis (SES) was approved by the ERB to head the Orphaned Wells program. The selection had been run through senior leadership in October before it was approved by the ERB. Per leadership request, it is a separate office within PMB. It will remain under DAS PEM Eric Werwa. SOL was consulted, and determined that an SO or DM chapter was necessary to establish an office in a Departmental level office. That was reaffirmed this morning on a call with Anne Marie Bledsoe Downs and the SOL team who worked on an SO that is currently in draft form. That draft will accompany the calendar invite.

Instead of our usual PMC Internships Working Group meeting format, we will be hearing from a panel of CEOs/Presidents from third party internship organizations on how they effectively recruit students for Federal internships, and their ideas for partnering effectively with us to increase internships in government:

- *Shaima Ahmad, Managing Director, Conference on Asian Pacific American Leadership (CAPAL)*
- *Sarah EchoHawk, CEO, American Indian Science and Engineering Society (AISES)*
- *Dr. Antonio Flores, Hispanic Association of Colleges and Universities (HACU)*
- *Max Stier, Partnership for Public Service*

This special session is open to all PMC members as well as CHCOs and other members of your agency talent teams, so please feel free to share the calendar invite with other Federal colleagues. This will be a great conversation, and we look forward to seeing you there!

PRE-BRIEF ahead of briefing the Secretary at 1:30pm. Thank you.

On Monday December 12, OMB provided USDA, OPM, and DOI Joint 2024 Passback Investments for Federal Firefighter Workforce Reform (attached), embracing the suite of proposals from the agencies. The compensation reform and increased capacity investment provided in the passback fully funds the DOI request submitted in September, but requires some adjustments. Since Monday afternoon, our team from PMB, OWF and POB has engaged in discussions with USDA and OPM to analyze, coordinate, and raise issues – and engaged with OMB this afternoon to get more information and provide suggestions. **We will work with the 6th FI team on a Thursday or Friday leadership brief of passback and a draft joint appeal that must be submitted in writing and signed by the Secretaries of DOI and USDA no later than 5:00 pm on Monday, December 19.**

In summary:

- The passback version would establish a new base rate table for firefighters to achieve parity with wage levels provided in 2022 and 2023 with the BIL supplemental pay increase, and premium pay components including portal-to-portal pay. Proposal for the base salary table and portal-to-portal will include 100% compensation for all hours during mobilization, a big win for firefighters.
- OMB includes a pay cap that can be waived by each Department's Secretary using specific criteria that includes all premium pay. That criteria would be developed by the agencies and does not need to be included in the appeal. They plan to propose legislation for this; we jointly still have minor point of contention here as this contradicts Title 5 USC 5547.
- A joint mental health program is funded at (b) (5).

We continue working on a proposed joint appeal to include a request for distribution of compensation and capacity funding to non-suppression activities. The passback guidance proposes a distribution of (b) (5) of the increase to Preparedness and (b) (5) to Suppression for compensation reforms, and half Preparedness and half Suppression for capacity increases, with which both Departments have issues. OMB is (b) (5)

(b) (5) Our DOI team already has this information, as it was the calculation for our September request.

Passback guidance requested the joint mental health and wellbeing program to be administered by only one of the Departments, suggesting contract admin only. However, we propose requesting to continue as a joint program by both agencies, working together on administration efficiencies.

USDA has an additional appeal for housing. DOI includes housing such as fire crew quarters repair and crew quarters construction in DOI Fire Facilities funding. Both the DOI Fire Facilities funding and leasing funding were included in the

We can share and brief the proposed joint appeal with leadership on Thursday initially and Friday for final review, and will work with your offices to schedule. Passback states the appeal must be prepared jointly between DOI and USDA and must be submitted in writing and signed by the Secretaries of DOI and USDA no later than 5 pm on Monday, December 19.
