Holding this time each week to coordinate on land & water conservation, climate, and jobs actions outlined in the early EOs. We likely won't need the full hour each week but blocking the time in case. Hoping to keep the group relatively small: 1-3 key people per agency/office.

Thanks,
Matt

Holding this time each week to coordinate on land & water conservation, climate, and jobs actions outlined in the early EOs. We likely won't need the full hour each week but blocking the time in case. Hoping to keep the group relatively small: 1-3 key people per agency/office.

Thanks,
Matt

Holding this time each week to coordinate on land & water conservation, climate, and jobs actions outlined in the early EOs. We likely won't need the full hour each week but blocking the time in case. Hoping to keep the group relatively small: 1-3 key people per agency/office.

Thanks,
Matt
