SECTION G – CONTRACT ADMINISTRATION DATA

G.1 Contracting Officer's Representative (COR)

The COR for this effort is as follows:

Office of the Deputy Undersecretary of Defense (ODUSD)
Military Community & Family Policy (MC&FP)

Primary:

Winifred (Windi) Swinson
Office of Deputy Secretary of Defense,
Resource & Oversight, MC&FP,
Contracting Officer Representative
Military Family Life Counseling Program
Winifred.d.swinson.civ@mail.mil
(703)693-5685 (Desk)
(703) 697-7191 (Main Line)
(703) 697-2519 (Fax)
(703)362-1892 (Blackberry)

The OSD Program Manager for this effort is as follows:

Edward R. Brown
Director Non-Medical Counseling Program Office
OASD(P&R)/MC&FP
4800 Mark Center Drive, Ste 14E08
Alexandria, VA 22350-2300
COMM: 571-372-5317
Non-Medical Counseling Office: 571-372-4530

The COR is the individual within the Program Management function who has overall technical responsibility for this effort. The COR supports the CO/CA during administration of this effort by:

- 1) Making final decisions regarding any recommended rejection of deliverables;
- 2) Providing technical clarification relative to overall workload matters;
- 3) Providing advice and guidance to the Contractor in the preparation of deliverables and services;
- 4) Providing acceptance of deliverable products to assure compliance with requirements.

The COR, Program Manager, or CO also provide technical direction to the Contractor, i.e., shifting work emphasis between areas of work; fills in details, or otherwise serves to accomplish the purposes of this effort. Technical direction shall be within the general PWS for this effort. Neither the COR nor the Program Manager has the authority to and may NOT issue any technical direction which:

- 1) Constitutes an assignment of work outside the general scope of this effort;
- 2) Constitutes a change as defined in the "Changes" clause;

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN HEALTHCARE, INC.

- 3) In any way causes an increase or decrease in cost or the time required for performance;
- 4) Changes any of the terms, conditions, or other requirements of this effort; and
- 5) Suspends or terminates any portion of this effort.

All technical direction shall be issued in writing by the COR, Program Manager, or CO or will be confirmed by the COR, Program Manager, or CO in writing within 10 calendar days after verbal issuance. An electronic copy of the written technical direction shall be furnished to the CO and the CA monthly for invoice verification purposes.

In addition to providing technical direction, the COR will:

- 1) Monitor the Contractor's technical progress, including surveillance and assessment of performance, and recommend to the CO and CA, any changes in the requirement;
- 2) Assist the Contractor in the resolution of technical problems encountered during performance; and
- 3) Perform inspection and acceptance or recommendation for rejection of Contractor deliverables and identify deficiencies in delivered items. This does not replace any other quality assurance inspection requirements that are specified elsewhere within the PWS.

If in the opinion of the Contractor, any instruction or direction issued by the COR is outside of their specific authority, the Contractor shall not proceed but shall notify the CO in writing within 5 working days after receipt of any instruction or direction, with an informational copy to the CA.

G.2 Contracting Officer (CO) Authority

The CO for this contract is:

Anita Tolliver
Acquisition Services Directorate-Herndon (AQD-Herndon)
Interior Business Center (IBC)
Department of the Interior (DOI)
381 Elden St., Suite 4000
Herndon, VA 20170
Voice: 703-964-3687
Email: Anita_Tolliver@ibc.doi.gov

In no event shall any understanding or agreement between the Contractor and any Government employee other than the CO on any contract, modification, change order, letter or verbal direction to the Contractor be effective or binding upon the Government. All such actions must be formalized by a proper contractual document executed by an appointed CO. The Contractor is hereby put on notice that in the event a Government employee other than the CO directs a change in the work to be performed or increases the scope of the work to be performed, it is the Contractor's responsibility to make inquiry of the CO before making the deviation. Payments will not be made without being authorized by an appointed CO with the legal authority to bind the Government.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN HEALTHCARE, INC.

G.3 Government Representatives

This contract will be administered by an authorized representative of the CO, designated as the Contract Specialist (CS). In no event, however, will any understanding or agreement, modification, change order, or other matter deviating from the terms and conditions of the contract between the Contractor and any person other than the CO be effective or binding upon the Government, unless formalized by proper contractual documents executed by the CO prior to completion of this contract.

The COR will be designated by the CO as the authorized representative of the CO. The COR is responsible for monitoring performance and the technical management of the effort required hereunder, and should only be contacted regarding issues of a technical nature.

G.4 Submission of Invoices – IPP

The Contractor shall bill no more than once monthly. Invoices must include, as a minimum, the following information for each individual:

- Name
- Labor Category(s) and Hourly Rate
- Time Period Covered
- Productive Direct Labor Hours for the current billing period and cumulative to date (for Labor Hours CLINs)
- Any Travel or Other Direct Costs (ODCs) incurred (with supporting documentation / receipts for all charges) for the current billing period and cumulative to date
- The CLIN being invoiced

Invoices shall be submitted electronically through the Internet Payment Platform (IPP), the U. S. Department of the Treasury's Internet Payment Platform System, at <https://www.ipp.gov/>. Please direct all IPP inquiries to the IPP Production Helpdesk at (866) 973-3131 or ippgroup@bos.frb.org.

Hardcopy invoices shall not be accepted, unless requested by the CO or the IPP Team.

IPP Electronic Invoicing Requirements

Payment requests must be submitted electronically through the U. S. Department of the Treasury's Internet Payment Platform System (IPP).

"Payment request" means any request for contract financing payment or invoice payment by the Contractor. To constitute a proper invoice, the payment request must comply with the requirements identified in the applicable Prompt Payment clause included in the contract, or the clause 52.212-4 Contract Terms and Conditions – Commercial Items included in commercial item contracts. The IPP website address is: <https://www.ipp.gov/>.

The Contractor must use the IPP website to register, access, and use IPP for submitting requests for payment. The Contractor Government Business Point of Contact (as listed in CCR) will receive enrollment instructions via email from the Federal Reserve Bank of Boston (FRBB) within 3 – 5 business days of the contract award date. Contractor assistance with enrollment can be obtained by contacting the IPP Production Helpdesk via email ippgroup@bos.frb.org or phone (866) 973-3131.

If the Contractor is unable to comply with the requirement to use IPP for submitting invoices for payment, the Contractor must submit a waiver request in writing to the contracting officer with its proposal or quotation.

SECTION B – SUPPLIES OR SERVICES AND PRICES/COSTS

B.1 Consideration and Payment

This contract is comprised of Firm-Fixed Price (FFP) and Labor Hour (LH) Contract Line Items (CLINs). At the conclusion of the Base Period (and any exercised option periods thereafter) the Government may request to convert the LH CLINs to FFP CLINs. This may be accomplished by increasing the baseline quantity (and correspondingly decreasing the baseline augmentation of counselors); the associated fixed price management cost may also increase, thereby reducing the LH portion of program management associated with the decrease of counselors for baseline augmentation.

The CLIN structure and funding information is located in Section J, Attachment 1, CLIN Structure. All CLINs for all METs are subject to the availability of funding, including FFP CLINs. The contractor **shall not** perform work in excess of the funded total **per CLIN**. The funded total for each individual CLIN is reflected in Section J, Attachment 1, and will be updated with each contract modification that involves quantities and/or funding. The contractor is responsible for notifying the Contracting Officer (CO) and Contracting Officer's Representative (COR) if work is requested or required that would exceed the available funding level for any individual CLIN.

B.2 Other Direct Costs

The CO shall determine the allowability of ODCs in accordance with subpart 31.2 of the Federal Acquisition Regulation (FAR).

B.3 Travel

All travel must be approved in advance and in writing by the COR, Program Manager, or CO, prior to travel. Once approved, the contractor shall be reimbursed for the actual costs of transportation, lodging, meals, and incidental expenses during the authorized travel in accordance with the current Federal Travel Regulations (FTR).

B.4 Overtime

In the event the Government determines overtime to be necessary, it shall be negotiated and approved in advance and in writing by the CO.

B.5 Holidays

The following is a list of Government holidays:

New Year's Day
Inauguration Day*
Martin Luther King Day
President's Day
Memorial Day
Independence Day
Labor Day
Columbus Day
Veterans Day
Thanksgiving Day
Christmas Day

*Every 4th year, following the Presidential Election cycle

B.7 Optional CLINS

Optional CLINS are designed to accommodate additional needs of service members and their families, which cannot be fully anticipated at the time of award. Optional CLINS may be activated as often as necessary, but will not exceed the total quantity as specified within the CLIN structure (Reference Section J, Attachment 1). Any quantities not exercised in any performance period may be carried forth to any subsequent exercised option period. If additional capacity is required after the exhaustion of all optional quantities in the current period of performance, optional quantities from future option periods may be transferred to the current period. Any quantities carried from other than the current period of performance shall be exercised at the rate(s) for the current performance period.

SECTION C – DESCRIPTION AND SPECIFICATIONS

PERFORMANCE WORK STATEMENT

Mission Execution Tasks:

- 1. General Military & Family Life Counseling Program (MFLC)**
- 2. Child and Youth Behavioral Program (CYB)**

1.0 INTRODUCTION

On behalf of the U.S. Military Departments, including the National Guard and Reserve Components, the Department of Defense (DoD) requires a contractor(s) to provide general MFLC and CYB-MFLC counseling services. These counseling services are intended to augment other DoD support services/programs available for active military as well as Guard and Reserve service members and their families. This non-medical counseling services are intended to provide private and confidential, short term, situational, problem-solving counseling services, which are targeted to ensure that personal and family issues of military service members do not detract from military operational readiness. These services also serve to strengthen the confidence and increase the competencies of military service members and their families in dealing with the stressors of military life. The counseling services will be provided world-wide on an as needed basis for all military active duty as well as Guard and Reserve service members and their families.

The counseling services shall be delivered face-to-face using a “walk-around/coaching” approach, usually at or near participating duty stations, but also within the civilian communities. Typically, counselors will provide these services via a highly flexible 40 hour work week.

1.1 BACKGROUND

Due to unprecedented high levels of past and present deployments of U.S. military service members to locations such as Iraq, Afghanistan and other areas of world conflict, military members/families have experienced extreme stress. The stresses of military life have become increasingly complex, requiring a wide range of problem solving skills in areas such as: single parenting; child care; financial stability; spousal employment; fluctuating family income; frequent relocations; isolation from other extended family members, child education, and children coping with the absence of a parent. The DoD recognizes these difficulties and is committed to providing the necessary support.

Active participation in stress prevention and counseling programs by military service members and their families is highly encouraged by DoD. In order to satisfy this widely recognized and unmet need, DoD created the MFLC Program, facilitating private and confidential services outside the chain of command.

Other military family life issues of a medical nature requiring a medical diagnosis, including but not limited to those disorders found in the latest Diagnostic and Statistical Manual of Mental Disorders – currently the Fourth Edition (DSM-IV, TR) - are not provided under the MFLC services. Issues of a medical nature will be referred to a Military Medical Treatment Facility (MTF), TRICARE or other civilian medical treatment facility.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

Situations encountered that involve domestic violence, child abuse, and duty to warn (harm to self or others.), are not provided for under the MFLC Program, and therefore, must be reported, as mandated, to the respective military (Reference Section J, Attachment 5), federal and state authorities.

2.0 SCOPE OF WORK

The contractor will assist the DoD in the following tasks: provide private and confidential non-medical, problem-solving, counseling services, in support of the MFLC Program on an as-needed basis, to support all active and Reserve component military service members and their families, including severely injured service members and their families. MFLC services are meant to augment, not replace, other existing DoD military support services or programs. The MFLC services will be provided by licensed or certified counselors. The counseling support will not be associated with any Military Medical Treatment Facility, mental health counseling service, TRICARE, or any other medical providers.

Counseling sessions (which may vary in duration from a few minutes to 2 hours) shall be provided on an as needed basis. Counseling is limited to defined problem areas that address situational "problems-in-living" – most conditions listed as V Codes in the DSM-IV, TR. V Code exceptions include those listed in the DSM IV, TR, "Problems related to Abuse and Neglect" (child physical abuse/neglect, physical abuse of an adult (domestic violence), and sexual abuse and assault. Counseling shall be non-medical, short-term, solution-focused, and is intended to address issues, which are amenable to brief intervention. For issues not amenable to intervention via brief/short term interaction, counseling shall be referred to behavioral health, TRICARE, or other providers of professional mental health services as appropriate.

Installations receiving counseling services are located throughout the Continental United States (CONUS), overseas (OCONUS), and are comprised of all military branches as well as National Guard and Reserve Components (Reference Section J, Attachment 8).

3.0 OBJECTIVE

To provide private, confidential non-medical counseling/coaching program for service members and their families. The counseling support is intended to augment, but not replace, existing military/civilian support services or Service funded staff positions/programs. The counseling program should remain flexible to ensure services are provided when and where they are needed, and to service National Guard and Reserve Component service members federally activated in accordance with U.S.C. Title 10 as well as their families who often feel isolated and do not live near military installations. The counseling program will consist of an as needed, short-term, situational, problem-solving counseling service for service members and their families which addresses the stressors of military life. The counseling service will assist service members and their families in dealing with deployments, effects of war, relationships, crisis intervention, stress management, family issues, parent-child communications, family separations, reunions and reintegration due to deployments. This counseling service is an integral part of military and family support programs that are targeted to ensure personal and family issues do not detract from operational readiness; to strengthen individuals by assisting them in the problem-solving process and to increase individual and family member competencies and confidence.

4.0 MINIMUM REQUIREMENTS FOR ALL MISSION EXECUTION TASKS

- 4.1. The contractor must recruit, retain, train, and maintain a deployable network of counselors, which meet all credentialing requirements in this PWS. The Offeror's network shall assure access to face-to-face counseling.
- 4.2. The contractor shall have the capacity to fulfill and manage all task requirements to deploy the required number of counselors to accommodate the baseline, baseline fluctuation, and short term surge and on demand support requirements approved by the Office of the Secretary of Defense (OSD). MFLCs and CYB-MFLCs may provide short term surge support for planned and unplanned events, JFSAP, military contingencies and/or disasters.
- 4.3. The contractor shall establish and utilize a comprehensive financial management system, processes, and procedures to manage all aspects of tracking costs associated with performing all aspects of this requirement. The contractor shall establish and implement audit trail capabilities, internal controls, corrective action procedures, and reporting capabilities. The contractor shall dedicate personnel for financial management, including the assignment of management functions, authority and responsibility.
- 4.4. CREDENTIALING
 - a. All counselors and supervisors must have submitted required documentation and have undergone credentials review/verification by the contractor of all items in this section prior to performing under this contract. The Contractor will not send a counselor to any location at any time during the performance of this contract until verification of Criminal History background check is initiated. All counselors will undergo a criminal history background check in accordance with DoD Instruction No. 1402.5, Criminal History Background Checks on Individuals in Child Care Services (Reference Section J, Attachment 4).

For all mission execution tasks, the contractor shall annually certify and be able to demonstrate (at any time) to OSD or the CO, in writing, that the counselors and supervisors licensure, credentials, required experience and background checks are current and proper for performance under this contract. This certification shall verify that the counselor has not experienced any terminations of performance under any other government contract or any license suspensions or any investigations. Counselors, who have experienced any of the aforementioned actions, will not perform services under this contract (under particular limited circumstances, the Government may consider an exception on a case-by-case basis). The contractor shall certify, upon award and the exercise of each option period, that all counselors and supervisors are properly licensed or certified, comply with the appropriate background check requirements, and possess all other qualifications as indicated in the PWS prior to beginning an assignment. The contractor shall maintain all counselor/supervisor certifications and background check documentation for the life of this contract, and make them available for government review at any time during performance.

The Contractor will complete a Secret Clearance on counselors determined by the Government to need such a clearance. Currently there are 36 General MFLC positions which require a Secret clearance, however it is anticipated that the number may increase to 60 or more.

b. Specialized Work Experience (MFLC and CYB Counselors)

The counselors shall possess a broad range of Specialized Work Experience including, but not limited to: working with family programs and/or advocacy services, military or civilian social service agencies, and/or are a military family member with full understanding of the military lifestyle. In addition, CYB counselors must have proven experience and qualifications in working with children.

MFLC and CYB counselors shall have at least a Masters degree from an accredited graduate program in a mental health related field such as social work, psychology, marriage/family therapy, or counseling; a valid unrestricted counseling license/certification from a State, the District of Columbia, a U.S. Commonwealth, or a U.S. Territory that grants authority to provide counseling services as an independent practitioner in their respective fields; and demonstrated counseling competence preceding their employment with the MFLC program.

In addition to meeting the above requirements, the non-medical counselor supervisors must have a minimum of two years full-time counseling experience post-licensure; documented counseling supervision, oversight, and management experience; and demonstrated current counseling competence through at least periodic, direct service counseling experience during the two years preceding hire.

Advocacy Knowledge, Skills and Abilities

MFLC and CYB counselors shall possess advocacy knowledge, skills, and abilities listed below:

- Working knowledge of military, state, federal, and local resources.
- Understanding, sensitivity, and empathy for service members and their families. Ability to develop trusting helping relationships. Ability to work effectively with individuals and families from diverse racial, ethnic, and socioeconomic backgrounds.
- Ability to intervene in crisis situations, using sound professional judgment, ethical practice, and common sense. Counselors must work independently to develop, implement, and evaluate safety and intervention plans to meet individual and family needs. Contractor must agree to operate within established guidelines of the military services family support and quality of life programs.
- Ability to work cooperatively with military and civilian medical, social service, law enforcement, and legal personnel on behalf of service members and their families.

5.0 REQUIREMENTS APPLICABLE TO ALL MISSION EXECUTION TASKS

A. STANDARDS OF SERVICE

- (1) Counselors must adhere to commercial and professional standards of practice set forth by, federal, state, and local laws, as well as relevant DoD/Military Branch of Service policies. All counselors must be licensed, certified, properly credentialed to perform this requirement and be compliant with industry accepted standards for the performance of non-medical counseling. For all types of counseling, experience with military family programs is preferred and an understanding of the military lifestyle is required.
- (2) Counselors must demonstrate sound professional judgment and the highest ethical standards in executing their responsibilities. All Counselors shall have strong skills in written and verbal communication, and assessment.
- (3) All contractor personnel performing this requirement must be a U.S. citizen, and must speak English.
- (4) Counselors will not represent the government at any federal, state, or military meeting or event.
- (5) OSD is the approval authority for all service delivery. Once approved by OSD, the Contractor will coordinate all program management and service delivery with the Service HQ, installation point of contact (POC), the National Guard Bureau (NGB), Reserve Affairs, and local education agencies when indicated.
- (6) Counselors will verify, at some point during the session, eligibility for services, which may include requesting to view a military identification card (Reference Section J, Attachment 10) and other sensitive methods at the discretion of the counselor. For counselors working with children under the age of 18 years old (Reference Section J, Attachment 4), the contractor must comply with DoD Instruction No. 1402.5, Criminal History Background Checks on Individuals in Child Care Services. In addition to this instruction, when providing counseling services, counselors shall always remain in the line of sight of a child's parent, guardian, or an individual with purview over the child (such as a school Principal, YMCA Director, CDC Director, Teacher) who has successfully completed a background check. Except for duty to warn situations, parental/guardian approval is required prior to rendering counseling services (Reference Section J, Attachment 9).
- (7) The contractor shall comply with, and all future updates of (Reference Section J, Attachment 4):
 - DoDD No. 5200.02, Subject: DoD Personnel Security Program, dated: April 19, 1999, paragraph 3.9.3
 - DoD Instruction No. 6490.06, Counseling Services for DoD Military, Guard and Reserve,
 - Certain Affiliated Personnel, and Their Family Members, April 2009.
 - DoD Instruction No. 6400.06, Domestic Abuse Involving DoD Military and Certain Affiliated Personnel, August 21, 2007.
 - DoD Instruction No. 6495.01 Sexual Assault Prevention and Response (SAPR) Program, October 6, 2005.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

B. POST TRAUMATIC STRESS DISORDER (PTSD) AND TRAUMATIC BRAIN INJURY (TBI)

PTSD, TBI, and any mental disorders identified in the Diagnostic and Statistical Manual (DSM IV, TR latest version) are NOT authorized for support, but will be referred (via a warm handoff) to the appropriate MTF, or TRICARE. The procedures for all hand-offs/referrals will ensure, as much as possible, that the client does not have to repeat their story or issue when the third party agency is engaged in the conversation.

C. IMMINENT RISK/DUTY TO WARN

The Contractor shall implement, document, and maintain Duty to Warn procedures, in accordance with DoD/Military Branch of Service regulations and established protocols, to address events wherein a Service or family member reveals a threat to self or others. Notifications of Duty to Warn incidents are sent to the installation POC and contractor chain of command immediately.

Duty to Warn monthly report logs shall be compiled and sent to both the OSD Program Manager and the Military Branch of Service Headquarters POCs, and be reported as mandated (Reference Section J, Attachment 5), to the respective, federal and state authorities. This report log shall include, at a minimum: date of event, installation name, state, name of the unit, status (new vs. recurring), category (domestic violence, child abuse, harm to self/others), branch of service, summary of events, action taken and any other pertinent information. This report log shall not include any personally identifiable information. The reporting procedures will be reviewed quarterly with each military service headquarters POC and OSD program management.

D. INFORMED CONSENT

In accordance with DoD Instruction No. 6490.06, Counseling Services for DoD Military, Guard and Reserve Certain Affiliated Personnel and Their Family Members (Reference Section J, Attachment 4), counselors shall provide informed consent to the individual and/or family member during the initial meeting covering information about their role as counselors, a description of what non-medical counseling can cover, the short-term solution focused approach, the scope of care, and the ability to make appropriate referrals as needed.

Informed consent must cover the counselor's mandated reporting requirements for this confidentiality statement shall be provided to all eligible individuals seeking counseling services: "Information you provide to me or other counselors will be kept confidential, except to meet legal obligations or to prevent harm to self or others. Legal obligations include requirements of law and DoD or military regulations. Harm to self or others include suicidal thoughts or intent, a desire to harm oneself, domestic violence, child abuse or neglect, violence against any person, and any present or future illegal activity."

E. GUARD/RESERVE

(1) Joint Family Support Assistance Program (JFSAP)

Counselors are provided for DoD and/or legislatively mandated programs (e.g. JFSAP). JFSAP counseling positions may be staffed with MFLCs or CYB-MFLC. Typically, counselors deliver these services in a non-rotational (full time) manner.

The JFSAP, implemented by Sec. 675 of the FY-07 Defense Authorization Act, augments existing family programs to provide a continuum of support and services based on member and family strengths, needs, and available resources. The primary focus of support is families who are geographically dispersed from a military installation. Services are delivered in local communities through collaborative partnerships with Federal, State, and local resources.

After receiving OSD authority to proceed, JFSAP counselors may receive additional guidance on Guard and Reserve general mission support needs from the respective State Family Program Director, Wing Family Program Director, or Reserve Component Coordinator.

(2) Short Term On-Demand Support

a. Background

MFLCS and CYB-MFLCs may be deployed to support Guard and Reserve events such as Yellow Ribbon Reintegration Program events and family events, which may occur during the weekdays/weekends, and drill weekends. Section J, Attachment 8 has been provided to demonstrate the approximate magnitude of this requirement. These events, typically lasting 1-3 days, are held primarily in the 50 united states and US territories.

b. Specific Tasks

OSD will determine the staffing levels required for each event. At each event, the contractor shall perform the traditional walk-around counseling/coaching services and establish a visible and easily accessible location to distribute educational materials. The contractor shall distribute a variety of educational materials, both created by the contractor (approved by OSD) and also provided by OSD, to address the wide range of needs. The contractor may also be asked to develop additional educational materials for adults and children depending on the requirements of OSD. Counselors (MFLC, CYB-MFLC) may be asked to provide support at all events in support of the active and Reserve components.

F. Counselors must be knowledgeable of the resources available through the MOS (www.MilitaryOneSource.com) to make referrals for counseling and access additional capabilities through MOS when circumstances warrant. Counselors must also be knowledgeable of family advocacy and support programs both on and off the installations.

G. Additional Service Delivery Requirements

1. The Contractor shall ensure that all personnel maintain the highest degree of sensitivity, compassion, and respect for service members and their families. The Contractor shall remain free of any political bias and shall ensure consistency of service regardless of installation, location, or any other factor.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

2. The contractor must provide counseling/coaching services both on and off the military installations within the civilian community. Counselors shall also be available by telephone, enabling counseling participants to schedule an appointment for MFLC services, and facilitating coordination with installation POCs.
3. Counseling services must be provided on a face-to-face basis.
4. The contractor will adhere to existing written protocols for each type of service delivery.
5. For service continuity purposes, it is unacceptable to the Government if all personnel rotate simultaneously. The Government requires a seamless and transparent overlap between the individual outgoing and incoming counselors. During this overlap, the outgoing counselor shall, at a minimum, convey pertinent data such as installation points of contact (POC) and procedures, critical issues, and status of the installations current counseling needs.
6. The counselors must identify themselves by name and the MFLC Program. Counselors are not to wear name tags or other items identifying them as an employee of the contractor.

6.0 SPECIFIC TASK REQUIREMENTS PER MISSION EXECUTION TASK

6.1 MISSION EXECUTION TASK 1; GENERAL MFLC SUPPORT

OBJECTIVE

Counseling modalities include individual, family, couples, and groups. Military and family member counseling services are intended to be solution-focused, short term for defined problem areas amenable to brief intervention. Services are not delivered in the traditional manner of 50 minute sessions in an office setting, but rather vary in duration from a few minutes to 2 hours. Services are provided "just in time," when and where they are needed using a "walk around/coaching" approach. Counselors go to where the people are instead of waiting for people to schedule an appointment to see them, but an appointment can be made if desired. For example, counselors may meet with family readiness groups; meet service members returning from deployments (including welcome events at respective airports), be available in reintegration orientations, meet with rear detachment commanders and other community agency staff upon request, brief commanders and leadership, and work with children and youth.

General MFLC counseling may also require MFLCs to provide services outside the gates of installations nearest to where families live and socialize. This may include placing counselors in housing areas and/or community agencies (Red Cross, Boys and Girls Clubs, YMCAs and others) frequented by families.

Counselors may also be assigned to solely support various levels of the command structure (i.e. Army brigades).

Counselors will rotate at locations world-wide. Duration of rotations shall be no less than one month and no longer than six months. The baseline requirements may fluctuate periodically for counseling services that vary in length of time. Counselors may be required individually or in teams.

CONTRACT NUMBER:
 CONTRACTOR:

D12PC00480
 MAGELLAN BEHAVIORAL HEALTH, INC.

Counselors should be easily identifiable and approachable, operate in a manner that maximizes accessibility, including availability on the installation common areas and family support centers. Sessions may vary in duration, depending on the circumstances of the situation, with some lasting from a few minutes to 2 hours.

General MFLC Counseling may assist service members and their families with issues including, but not limited to:

Situational/Problem Solving Counseling	Military Lifestyle Issues	Psycho-education
<ul style="list-style-type: none"> -Relationships -Deployment Stress -Marital/Couples issues -Family Relationships -Making Friends -Serious Illness -Parenting -Child Care -Parent-Child Communications -Loss and Grief -Conflict Resolution -Self Esteem/Independence -Decision Making -Anxiety -Stress -Assertiveness -Work Life Balance -Anger 	<ul style="list-style-type: none"> -Mobilization -Deployment -Reunion -Relationship Issues -Homesickness -Frequent Relocations -Relocation adjustment 	<p>Teaches service members and their families how to anticipate and to deal with challenges/problems. Family psycho-education includes teaching coping strategies and problem-solving skills to families, friends, and/or caregivers to help them deal more effectively. Psycho-education topics will include, but are not limited to, topics in the Situational/Problem Solving Counseling column.</p> <p>When behavioral or psychological difficulties arise during or following deployments or other stresses of military life, it is important for service members and their families to have specific information about what is happening, the meaning of specific symptoms, what is known about the causes, effects, the implications of their issues, and how to find treatment and/or resources.</p> <p>Families need help in understanding why an individual's behavior has changed and may be frightening and different, why the person may be saying that nothing is wrong, and why they may be fearful or reluctant to get help. Families benefit from timely, basic education in order to alleviate painful and long-term effects if deployment stress is not identified and addressed.</p>

		<p>Individuals and families need help to understand the dynamics of deployment and its effect on emotion management and coping skills.</p>
--	--	--

EDUCATIONAL MATERIALS AND PRESENTATIONS

Contractor shall develop (after OSD approval) or modify (provided by OSD as government furnished property) a variety of educational materials and presentations on specific subject areas herein including, but not limited to, deployment and reintegration, coping with separation, loss and grief, effects of deployment on children, communication, compassion fatigue/caring for the caregiver, and financial readiness/planning. The OSD Program Manager shall review/approve all materials prior to dissemination.

SCHEDULING AND LOGISTICS

The counselors shall establish a schedule that allows for regular contact with agency staff during office hours yet is flexible enough to be responsive to family needs after hours. Designated Service installation POCs will coordinate work schedule with counselors. Normal work schedule is a highly flexible 40 hours per week. Situations and/or meetings, briefings and appointments may extend the daily work schedule that counselors must attend, as requested by the installation POC. Counselors' hours will be flexible to meet the needs of the organization and families which will include evenings and weekends as needed for meeting with families and overall outreach. Counselors should take into account the unique nature of work, which may require operating on extended hours. These periods may require hours of operation beyond normal hours in accordance with mission requirements, and may also include performance on Federal holidays. For example, a counselor may meet with a family group at 1800 hours and meet a returning plane on the tarmac at 0200 hours. Under these extended hours, start times may be adjusted to accommodate the workload. This reduction of work schedules will equal the time required to perform work during special operating hours.

6.2 MISSION EXECUTION TASK 2; CHILD AND YOUTH BEHAVIORAL PROGRAMS

OBJECTIVES

The Government's objective is to provide support to staff, parents, and with parental consent, children in military Child Development Centers (CDCs) located on or near the installations, Department of Defense Education Activity (DoDEA) schools, local education agencies (LEA), Youth Centers, National Military Family Association (NMFA) Operation Purple Camps, and DoDEA Child and Youth Program (CYP) Summer Enrichment Programs which operate during the summer months to support summer school, camps, and summer child and youth programs DoD-wide. When providing counseling services to children, counselors shall always remain in the line of sight of a child's parent, guardian,

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

or an individual with purview over the child (such as a school Principal, YMCA Director, CDC Director, Teacher) who has successfully completed a background check. Support topics may include, but are not limited to, problem solving with staff about how to engage/intervene with children displaying behavioral difficulties, bullying, self-esteem, coping with deployment, peer relationships, managing anger, separation from a deployed parent, and divorce.

Counselors will rotate at locations world-wide. Duration of rotations shall be no less than one month and no longer than six months. The baseline requirements may fluctuate periodically for counseling services that vary in length of time.

In CDCs, CYB-MFLCs receive guidance from the CDC Director, or their designee, on the support needed by children in the respective CDC. In Youth Centers, CYB-MFLCs receive guidance from the Youth Center Director. In DoDEA and LEAs, CYB-MFLCs receive guidance from the principal, or their designee, on support needed by children in the respective school.

In NMFA Operational Purple Camps, CYB-MFLCs receive guidance from the camp director on support needed by children at the respective camp. CYB-MFLCs will deploy to camps two days prior to the start of the camps, unless given other technical direction by OSD, to be briefed by the staff about the respective camp. CYB-MFLCs may support Short Term Summer program events which may last 1- 3 days, or up to 3 months.

In the DoDEA and CYP summer program, the CYB-MFLCs receive guidance from the principal concerning the needs of students attending summer school and from the CYP Director concerning the needs of children attending CYP summer activities. During the summer, the same CYB-MFLC may support the DoDEA summer school in the morning and the CYP activities in the afternoon.

The following is a list of potential activities engaged in by the CYB-MFLCs. The list is not exhaustive and meant only to provide examples of potential activities CYB-MFLCs may conduct:

- Consulting with teachers, CDC providers, parents, and children regarding disruptive class behaviors.
- Working with teachers and youth in the classrooms in order to get to know the needs of teachers and students.
- Interacting with children and parents during special events, field days, award luncheons, sports events.
- Using OSD approved journals with younger children to address deployment issues.
- Helping children prepare for life while the parent is gone.
- Visiting the cafeteria during lunch hours, interacting with children out on the playground; interacting with children and teachers at the front office or in other common areas around the school.
- Support students exhibiting challenging classroom behavior who are referred by school guidance counselors.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

- Conducting presentations for teachers and parents in small and large groups on topics such as Time Management, Maintaining your Marriage during Deployments, Teaching Children Problem Solving skills, Compassion Fatigue, and Anger Management.
- Provide outreach to parents during parent/teacher conferences.
- With teacher invitation, conducting classroom observations.
- Providing support to teachers, families, and students regarding deployment and reintegration.
- Addressing school behavior problems in one-on-one meetings.
- Supporting teachers in managing their stress levels.
- Participating in student conflict resolution sessions:
- Provide support to families during transition periods to help with adjustments to new settings/locations and help manage the normal stress as a reaction to this process.
- Work closely with wounded warrior transition programs to help children/families cope with stressors and experiences as a result of a service members' injury or disability.
- Provide staff consultations for both work-related and child issues.
- Interacting with children and parents from the larger military community and Child and Youth Services (CYS), registered families during special events, family dinners, parent groups, and center activities (such as weekend basketball or soccer at the youth center).
- Work with children in classroom settings and in group activities or individually in Child Development Centers, Family Childcare Homes, Chapel Youth Groups, Youth Centers and Teen groups.
- Observe children and provide concrete support to caregivers and trainers to address and redirect challenging behaviors.
- Provide outreach to parents and meet for formal consultations to provide feedback and support.
- Activities with Chaplains

7.0 PROGRAM MANAGEMENT

OBJECTIVE

The contractor shall develop and implement a comprehensive management plan, including a dedicated program management team, to ensure the delivery of high quality services, effective financial/travel management controls and processes; organizational resources; and management controls to meet the cost, performance, schedule requirements, report requirements, record keeping requirements and quality control for this effort. The contractor shall detail the services, methods for obtaining and delivering the services, allocation of staff, means of vetting staff education and certification/licensure requirements, staff/counselor training plan and other resources necessary to produce the services and a timeline for delivering the services.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

REQUIREMENTS FOR PROGRAM MANAGEMENT AND OVERSIGHT

The contractor shall develop and implement a management plan. The management plan shall define a management team including, at a minimum, the following positions which are all considered Key Positions: Program Director, with the authority to speak and act on behalf of the contractor with DoD and work directly with the COR, Deputy Program Director, Contract Administrator, Quality Assurance Manager, Financial Manager, and all Subcontractor Managers within the prime contractor's organization, the primary subcontractor manager within the subcontractor's organization (for subcontractors proposed to perform major or critical aspects of this requirement). This team shall also include, as Non-Key Personnel, Non-Medical Counseling supervisors (supervisors pertain to all Mission Execution Tasks). The contractor shall maintain clear lines of authority and responsibility. This team shall be responsible for all service delivery, management of subcontractors, and the development/implementation of the MFLC Program.

The contractor shall develop and implement processes and procedures to support the warm hand-off of clients to other providers and community/DoD resources, such as MOS, ensuring that the client does not have to repeat their story/issue when the third party agency is engaged in the conversation.

7.1 TRAVEL MANAGEMENT

The contractor shall develop and implement an approach and processes to manage travel of counselors, ensuring timeliness and efficiency and avoiding disruption or degradation of services. This approach shall account for the logistical complexities of counselors providing rotational services in both CONUS and OCONUS locations, and shall also account for short notice or immediate requirements that require expedient response and accommodations. Processes shall provide for tracking of travel costs by counselor and specific services provided location, and duration of rotation.

The Government's objective is to maximize the duration of each rotation, as well as the overall quantity of longer duration rotations. The contractor will approach deployment of counselors in a manner to minimize travel costs, which may include local/regional hiring of counselors and other innovative approaches.

Local and long-distance travel, to include overnight accommodations, will be required in the performance of this contract. All travel must be approved in advance by the COR.

The Government will not pay for any travel that is not approved in advance. All travel will conform to the current Federal Travel Regulations (FTRs). Expenditures that exceed the FTR will not be reimbursed by the Government.

7.2 QUALITY ASSURANCE AND CONTROL

OBJECTIVE

To ensure military service members and their families receive the highest quality services possible.

REQUIREMENTS FOR QUALITY ASSURANCE

The Contractor shall develop a Quality Assurance Surveillance Plan (QASP) describing the methods of inspection, required reports, and resources to be used, including estimated work hours. At a minimum, this plan will detail the methods of surveillance for each contract requirement, the evaluation procedures to be used for each surveillance method, and the approach for implementation of the QASP.

The Contractor shall develop and implement a Quality Control Plan (QCP) to ensure that the performance standards and thresholds contained within the QASP are met or exceeded. This self-inspection plan will describe the internal staffing and procedures that will be used to monitor contract compliance, quality, quantity, timeliness, responsiveness, customer satisfaction, and other delivery requirements, compliance of all counselors with required credentialing, licensure, and background checks, and all services provided under this contract.

The contractor shall use the standards of the QCP to measure performance of counseling services, and report the results to the government on a monthly basis. The contractor shall follow the approved quality procedures to identify, prevent, and ensure non-recurrence of defective services.

The Government reserves the right to inspect for contract compliance and quality by following various methods which include but are not limited to random sampling, periodic inspection, customer satisfaction surveys/discussions, and data calls via ad hoc reports. This formal/informal sampling may take place at any location and at any time during performance of this contract.

7.3 RECORD KEEPING

Formal counseling case records including personally identifiable information are not maintained. Daily activity reports shall be collected and maintained by the contractor to account for utilization.

When the military chain of command requests information concerning a service member, they are reminded of the confidential nature of the service. If the chain of command wishes to send a service member for counseling to a MFLC and have the MFLC report back to the commander, they are informed that this is not possible due to the confidential nature of the program, however, they are informed that if they sent a service member to see a MFLC, they may follow up with the service member to ensure that they followed through.

7.4 REPORTING

- a. The contractor must be highly responsive, flexible, and timely in providing all required reports as well as ad hoc and other requested reports. Such reports are critical for program decision-making, high-level government inquiry and reporting. For example, an ad hoc report may be required within a few hours of the request while more comprehensive reports may take

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

longer to obtain but are still needed in a timely manner. OSD will prescribe the desired timeline for submittal for each ad hoc report. The Contractor will not provide Service requested reports or data calls. All requests for reports must come from the Service POC to OSD. OSD will make requests to the contractor as appropriate.

The contractor will provide several types of reports to the Government on the services provided to include an Executive Summary and Monthly Utilization Report (MUR) separated by military branches and installations, service categories as well as a Contract Financial Status Report. Additional monthly Ad Hoc reports will be submitted to include an Executive Summary and a Duty to Warn Log separated by military branches and installations. These reports shall not include any personally identifiable information. During the performance of the contract, the Government may require the submittal of additional reports/elements encompassing various topics/subjects of interest. The format and method of submittal for the additional reports will vary and will be prescribed by the Government as performance continues. Reports will be submitted no later than 15 days following the end of the monthly reporting period.

Weekly Report:

The OSD Program Manager weekly report will consist of a list by state (CONUS) and country (OCONUS), each installation that is authorized to have an MFLC or CYB-MFLC, the number of MFLCs and CYB-MFLCs authorized, and the number of MFLCs and CYB-MFLCs on the ground. This report will consist of regions designated by OSD and be able to be sorted by each data variable and include the average daily contacts by category of MFLCs at the installation.

Monthly utilization reports (MUR):

Each report will cover all relevant program areas by category of MFLC (MFLC, CYB-MFLC). Each report will include an executive summary. Data collection forms will be developed for each report.

The Ongoing Rotational MFLC report section will include: Utilization reported by installation along with a per day average of MFLC contacts for each installation per month by category of MFLC (i.e. 6 contacts per day per MFLC). Number of face-to-face counseling sessions provided, number of attendees at face-to-face counseling sessions, number of briefings and presentations provided, number of attendees at briefings and presentations. MFLCs embedded within the Army Brigades, supporting Special Operations, Child Development Centers, and schools will be able to be identified. Example is contained in the template titled MFLC Executive Dashboard and MFLC MUR.

The Non-rotational full time (JFSAP) report section will include: Utilization reported by state along with a per day average per month by category of MFLC. Number of face-to-face counseling sessions provided, number of attendees at face-to-face counseling sessions, number of briefings and presentations provided, number of attendees at briefings and presentations. Number of on-demand events supported by JFSAP MFLCs and the number

CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

of JFSAP MFLCs supporting them. Example is contained in the template titled JFSAP Executive Dashboard and JFSAP MUR.

The Short Term On-Demand report section will include: Locations and number of on-demand events and number of MFLCs deployed by category of MFLC. Utilization levels will also be reported for each event for each MFLC. Example is contained in the template titled JFSAP Executive Dashboard and JFSAP MUR.

The Short Term Surge report section will include: Brigade supported, utilization along with a per day average of MFLC contacts for each surge by category of MFLC. The template titled MFLC Executive Dashboard and MFLC MUR may serve as an example.

The Short Term Summer Program support section will include: Number of camps supported, number of children supported, and number of MFLCs supporting camps. The template titled MFLC Executive Dashboard and MFLC MUR may serve as an example.

All reports will include, but not be limited to, the demographics of client utilization, i.e., military service and duty status and rank, family member's status (spouse, child or other legal dependent), geographic location and type of service delivery (individual, group, meeting, psycho-educational presentation). The report shall be provided to the respective Services Headquarters, NGB and Reserve Affairs POC, and OSD and will also include:

- The primary reason for counseling support;
- The number of referrals for counseling to include type, status of recipient (i.e., active-duty, family member, Guard, Reserve, etc.);
- The number of service members and their family members seen for the first time by type of counseling, i.e., face-to-face counseling, education, group, and financial counseling;
- The number of service members and their family members seen for follow-up sessions by type of counseling, i.e., individual/family counseling, education, outreach, and financial counseling;
- The total number of counseling sessions provided by type of counseling, i.e., face-to-face, education, outreach, and financial counseling;
- The total number of meetings and/or group sessions specifying the topic and approximate number of attendees.

b. FINANCIAL STATUS REPORT

The Monthly Contract Financial Status Report shall be detailed and reflect the activities, staffing, and travel that have occurred that month. Any exceptions should be noted. For example, if specific costs were not included to wait for an invoice, it should be explained (i.e. receipts for air travel to OCONUS for the June DoDEA/CYS program have not been received and will be included in the July invoice).

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

The Report shall specify the individual counselor, location where they worked, and hours worked that month. This report shall be itemized by the type of counseling services provided pursuant to the PWS task areas.

- 7.5 The contractor will provide training and orientation for counselors and supervisors that include all requirements of this contract, Service specific and general military culture and customs, structure and chain of command, ranks and insignia, and other specialized subject areas before beginning an assignment, and renewed on an annual basis. The contractor shall design and implement a method for regularly updating personnel on current/emerging issues pertaining to military life. Counselors shall be familiar with evolving issues that affect military members and their families. Contractor shall participate, as appropriate in locally available specialized training to maintain up-to-date knowledge and skills related to the military and civilian resources. Attendance must be approved in advance by the Contracting Officer Representative (COR). The contractor shall annually certify and be able to demonstrate (at any time) to OSD or the CO, in writing, that the counselors and supervisors have comprehensive/current knowledge of the overall military culture, issues affecting military families, and all requirements of this contract.

8.0 OTHER DIRECT COSTS (ODCs)

All ODCs shall receive written COR approval prior to funds being expended, and shall be itemized and invoiced accordingly.

9.0 TRANSITION IN

The contractor shall implement a 2 month transition in period to transfer services from the current contractor. During the transition in period, the contractor shall obtain the appropriate security clearances, become familiar with standard operating procedures (SOPs), and assume the full execution of the requirements of this contract. During the transition in period, the contractor shall work closely with the current contractor to ensure a smooth transition of service and perform a joint inventory and audit of the transferred equipment and documentation/data. The successful offeror shall work closely with the incumbent contractor and coordinate to address the status and issues of transition. The contractor's program management structure, organization, and facilities shall be in place and fully operational at the end of the 2 month transition in period. At completion of the transition in period, the contractor shall have full responsibility for all requirements covered under this contract.

During the transition period, the contractor shall provide a weekly report, in contractor format, detailing the status of implementation. A face-to-face update meeting may take place at the request of the CO.

SECTION E – INSPECTION AND ACCEPTANCE

E.1 FAR 52.252-2, Clauses Incorporated by Reference (FEB 1998)

The following contract clauses pertinent to this section are hereby incorporated by reference in accordance with the clauses at FAR “52.252-2 Clauses Incorporated by Reference” in Section I of this contract. This contract incorporates one or more clauses by reference, with the same force and effect as if they were given in full text. The full text of a clause may be accessed electronically at this address:

<http://farsite.hill.af.mil/vffar1.htm>

FAR 52.246-4, Inspection of Services--Fixed Price (AUG 1996)

FAR 52.246-6, Inspection--Time-And-Material and Labor-Hour (MAY 2001)

E.2 Inspection and Acceptance - Services

Inspection, acceptance, and rejection will be based upon compliance with the contract Performance Work Statement (PWS) requirements. Payment will be made in accordance with FAR 52.232-25, Prompt Payment.

Inspection of services to be furnished hereunder shall be performed by the COR in accordance with FAR clauses 52.246-4 and 52.246-6 above, and any other FAR, DFARS (Defense), or DIAR (Interior) clauses specified in this contract. The Government reserves the right to conduct any inspection and tests it deems reasonably necessary to assure that the services provided conform to all aspects of the PWS and the contract requirements.

E.3 Inspection and Acceptance Criteria

Final inspection and acceptance of all work performed, reports and other deliverables will be performed by the COR, Program Manager, or CO at the place of delivery.

All work performed shall be done in accordance with the accepted technical proposal dated May 8, 2012, updated as of July 2, 2012, and subsequently clarified July 25, 2012.

All invoicing shall be in accordance with Attachment J-1, CLIN Structure, as included at the time of contract award. The Government also accepts the Magellan price proposal dated July 2, 2012, clarified July 25, 2012 and subsequently corrected August 8, 2012. Individual labor categories and rates from the price proposal, along with any pricing related to Other Direct Costs (ODCs), will be modified into Attachment J-1 within 30 days of contract award. The basis for acceptance shall be in compliance with the requirements, terms and conditions of the contract. Deliverable items and services that are rejected shall be corrected in accordance with applicable clauses.

General quality measures as set forth below will be applied to each work product and service received from the contractor under the PWS:

- Work products shall be clear and concise. Any/all diagrams shall be easy to understand and be relevant to the supporting narrative.
- All text and diagrammatic files shall be editable by the Government.
- Work products shall be submitted on or before the due date specified in the PWS/deliverables table or submitted in accordance with a later scheduled date determined by the Government.

SECTION F – DELIVERIES OR PERFORMANCE

F.1 FAR 52.252-2, Clauses Incorporated by Reference (FEB 1998)

This contract incorporates one or more clauses by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. Also, the full text of a clause may be accessed electronically at this address: <http://farsite.hill.af.mil/>

FAR 52.242-17, Government Delay of Work (APR 1984)

F2. Period of Performance

The term of this contract is 5 years, including a Base Period and 4 Option Periods:

Base Period*:	Date of award thru 12 Months
Option Period I:	End of Base Period thru 12 Months
Option Period II:	End of Option Period I thru 12 Months
Option Period III:	End of Option Period II thru 12 Months
Option Period IV:	End of Option Period III thru 12 Months

*The Base Period includes 2 months to Transition In and 10 months of full performance

F.3 Place of Performance

The places of performance for this contract may include contractor site(s) and/or sites identified (through ongoing assessments of client needs) by the contractor, with concurrence from the COR. These may include locations both in the Continental United States (CONUS) as well as Outside the Continental United States (OCONUS).

F.4 FAR Clauses Incorporated by Full Text

52.242-15 – Stop Work Order (Aug 1989)

- (a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either-
- (1) Cancel the stop-work order; or
 - (2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.
- (b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if-

CONTRACT NUMBER: D12PC00480
 CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

- (1) The stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and
- (2) The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.
- (c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.
- (d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

F.5 Notice to the Government of Delays

In the event the Contractor encounters difficulty in meeting performance requirements, or when it anticipates difficulty in complying with the contract delivery schedule or date, or whenever the Contractor has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this contract, the Contractor shall immediately notify the CO and the COR, in writing, giving pertinent details, provided however, that this data shall be informational only in character and that this provision shall not be construed as a waiver by the Government of any delivery schedule or date or of any rights or remedies provided by law or under this contract.

F.6 Contract Deliverables

Deliverables constitute all documentation and verification as required within all sections of this contract. Performance deliverables will be finalized during the Transition In period and may be added to the following table via modification.

Deliverables		Delivery

SECTION G – CONTRACT ADMINISTRATION DATA

G.1 Contracting Officer's Representative (COR)

The COR for this effort is as follows:

Office of the Deputy Undersecretary of Defense (ODUSD)
Military Community & Family Policy (MC&FP)
Janice Atkinson, Program Analyst
Voice: (703) 697-7191
Fax: (703) 695-1977
Janice.atkinson@osd.mil

The OSD Program Manager for this effort is as follows:

Office of the Deputy Undersecretary of Defense (ODUSD)
Military Community & Family Policy (MC&FP)
Michael Hoskins
Voice: (703) 602-4991
Fax: (703) 695-1977
Mike.Hoskins@osd.mil

The COR is the individual within the Program Management function who has overall technical responsibility for this effort. The COR supports the CO/CA during administration of this effort by:

- 1) Making final decisions regarding any recommended rejection of deliverables;
- 2) Providing technical clarification relative to overall workload matters;
- 3) Providing advice and guidance to the Contractor in the preparation of deliverables and services;
- 4) Providing acceptance of deliverable products to assure compliance with requirements.

The COR, Program Manager, or CO also provide technical direction to the Contractor, i.e., shifting work emphasis between areas of work; fills in details, or otherwise serves to accomplish the purposes of this effort. Technical direction shall be within the general PWS for this effort. Neither the COR nor the Program Manager has the authority to and may NOT issue any technical direction which:

- 1) Constitutes an assignment of work outside the general scope of this effort;
- 2) Constitutes a change as defined in the "Changes" clause;
- 3) In any way causes an increase or decrease in cost or the time required for performance;
- 4) Changes any of the terms, conditions, or other requirements of this effort; and
- 5) Suspends or terminates any portion of this effort.

All technical direction shall be issued in writing by the COR, Program Manager, or CO or will be confirmed by the COR, Program Manager, or CO in writing within 10 calendar days after verbal issuance. An electronic copy of the written technical direction shall be furnished to the CO and the CA monthly for invoice verification purposes.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

In addition to providing technical direction, the COR will:

- 1) Monitor the Contractor's technical progress, including surveillance and assessment of performance, and recommend to the CO and CA, any changes in the requirement;
- 2) Assist the Contractor in the resolution of technical problems encountered during performance; and
- 3) Perform inspection and acceptance or recommendation for rejection of Contractor deliverables and identify deficiencies in delivered items. This does not replace any other quality assurance inspection requirements that are specified elsewhere within the PWS.

If in the opinion of the Contractor, any instruction or direction issued by the COR is outside of their specific authority, the Contractor shall not proceed but shall notify the CO in writing within 5 working days after receipt of any instruction or direction, with an informational copy to the CA.

G.2 Contracting Officer (CO) Authority

The COs for this contract are:

Sharon Hallinan
Acquisition Services Directorate-Herndon (AQD-Herndon)
National Business Center (NBC)
Department of the Interior (DOI)
381 Elden St., Suite 4000
Herndon, VA 20170

Email: William_galvin@nbc.gov

In no event shall any understanding or agreement between the Contractor and any Government employee other than the CO on any contract, modification, change order, letter or verbal direction to the Contractor be effective or binding upon the Government. All such actions must be formalized by a proper contractual document executed by an appointed CO. The Contractor is hereby put on notice that in the event a Government employee other than the CO directs a change in the work to be performed or increases the scope of the work to be performed, it is the Contractor's responsibility to make inquiry of the CO before making the deviation. Payments will not be made without being authorized by an appointed CO with the legal authority to bind the Government.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

G.3 Government Representatives

This contract will be administered by an authorized representative of the CO, designated as the Contract Specialist (CS). In no event, however, will any understanding or agreement, modification, change order, or other matter deviating from the terms and conditions of the contract between the Contractor and any person other than the CO be effective or binding upon the Government, unless formalized by proper contractual documents executed by the CO prior to completion of this contract.

The COR will be designated by the CO as the authorized representative of the CO. The COR is responsible for monitoring performance and the technical management of the effort required hereunder, and should only be contacted regarding issues of a technical nature.

G.4 Submission of Invoices – IPP

The Contractor shall bill no more than once monthly. Invoices must include, as a minimum, the following information for each individual:

- Name
- Labor Category(s) and Hourly Rate
- Time Period Covered
- Productive Direct Labor Hours for the current billing period and cumulative to date (for Labor Hours CLINs)
- Any Travel or Other Direct Costs (ODCs) incurred (with supporting documentation / receipts for all charges) for the current billing period and cumulative to date
- The CLIN being invoiced

Invoices shall be submitted electronically through the Internet Payment Platform (IPP), the U. S. Department of the Treasury's Internet Payment Platform System, at <https://www.ipp.gov/>. Please direct all IPP inquiries to the IPP Production Helpdesk at (866) 973-3131 or ippgroup@bos.frb.org.

Hardcopy invoices shall not be accepted, unless requested by the CO or the IPP Team.

IPP Electronic Invoicing Requirements

Payment requests must be submitted electronically through the U. S. Department of the Treasury's Internet Payment Platform System (IPP).

"Payment request" means any request for contract financing payment or invoice payment by the Contractor. To constitute a proper invoice, the payment request must comply with the requirements identified in the applicable Prompt Payment clause included in the contract, or the clause 52.212-4 Contract Terms and Conditions – Commercial Items included in commercial item contracts. The IPP website address is: <https://www.ipp.gov>.

The Contractor must use the IPP website to register, access, and use IPP for submitting requests for payment. The Contractor Government Business Point of Contact (as listed in CCR) will receive enrollment instructions via email from the Federal Reserve Bank of Boston (FRBB) within 3 – 5 business days of the contract award date. Contractor assistance with enrollment can be obtained by contacting the IPP Production Helpdesk via email ippgroup@bos.frb.org or phone (866) 973-3131.

If the Contractor is unable to comply with the requirement to use IPP for submitting invoices for payment, the Contractor must submit a waiver request in writing to the contracting officer with its proposal or quotation.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

SECTION H – SPECIAL CONTRACT REQUIREMENTS

H.1 Transition Requirements

At contract award, the contractor shall implement a 2-month Transition In period to transfer the Military and Family Life Counseling contract from the predecessor contractor to the incoming Contractor.

H.2 Clause Modifications

Due to potential unforeseen circumstances attributable to the requirements solicited under this contract, the Government reserves the right to add, delete or modify clauses to facilitate specific conditions.

H.3 Conflict of Interest

It is the Department of the Interior's policy to avoid situations in the procurement process where, by virtue of work or services performed for DOI or DoD, or as the result of data acquired from DOI, DoD, or from industry, a particular company:

- a. Is given unfair competitive advantage over the companies in respect to future DOI or DoD business;
- b. Is placed in a position to affect Government actions under circumstances in which there is danger that the company's judgment may be biased; or
- c. Otherwise finds that a conflict exists between the performance of work or devices for Government in an impartial manner and the company's self-interest.
- d. If the Contractor has reason to believe that a task assigned by the CO or a task being performed by the Contractor violates this policy, the Contractor shall promptly notify the CO in writing and state the reasons why a conflict of interest exists, or may appear to exist. After receiving such notice the CO shall promptly inform the Contractor whether it should begin, or continue, the assigned task.
- e. Further, the contractor shall ensure that all personnel maintain the highest degree of sensitivity, compassion, and respect for service members and their families. The offeror shall remain free of any political bias and shall ensure consistency of service regardless of installation, location, or any other factor.

H.4 Organizational and Consultant/Counselors Conflict of Interest

The Contractor shall insert the substance of this clause in all subcontracts.

- a. It is recognized by the parties hereto that the effort performed by the contractor under this contract is of a nature that it creates a potential organizational conflict of interest as contemplated under FAR Subpart 9.5.
- b. In the performance of this contract, the contractor may have access to data which is procurement sensitive or is proprietary to other companies, Government consultants or advisors, or the Government. The contractor agrees that it will not utilize such procurement sensitive or proprietary data in performance of future competitive contracts, for studies in the same field. The contractor further agrees not to act as a subcontractor or consultant to any other prime contractor or subcontractor seeking to utilize such data.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

- c. The Contractor warrants that, to the best of its knowledge and belief, there are no relevant facts or circumstances, which would give rise to an organizational conflict of interest, as defined in FAR Subpart 9.5, or that the Contractor has disclosed all such relevant information.
- d. The Contractor agrees that if an actual or potential organizational conflict of interest is discovered after award, the Contractor shall make a full disclosure in writing to the CO. This disclosure shall include a description of actions which the Contractor has taken or proposes to take to avoid or mitigate the actual or potential conflict.
- e. If the Contractor was aware of a potential organizational conflict of interest prior to award or discovered an actual or potential conflict after award and did not disclose or misrepresented relevant information to the CO, the Government may terminate the Contract.
- f. The Contractor/counselors shall remain free of any conflicts of interest when issuing referrals to service members or families. All personnel performing under this contract are expressly prohibited from self-referrals and referring service members and their families to any counseling practice for which the counselor may have a personal, financial or other interest.

H.5 Supervision of Contractor Personnel

- a. All personnel assigned to render services under this contract shall be at all times under the direction and control of the Contractor. Notwithstanding any other provisions of this contract, the Contractor shall at all times be responsible for the supervision of its employees and all personnel performing under this contract (including all subcontractors, counselors, and independent consultants) in the performance of the services required under this contract.
- b. If the Contractor finds clarification necessary with respect to the scope of the services, which are non-personal services, to be performed hereunder, he/she shall request in writing such clarification from the CO.
- c. Any and all personnel performing work under this contract shall not, at any time during the contract period of performance, represent themselves as employees of the U.S. Government.

H.6 Removal of Contractor/ Counselor Personnel

It is understood that all personnel assigned by the Contractor to the performance of work hereunder must be acceptable to the Government in terms of personal and professional conduct and must successfully initiate a full background investigation before obtaining access to the premises. Any person in the Contractor's organization, or in any subcontractor's organization, who is deemed by the CO or the COR to conflict with the interest of the Government, shall be immediately removed from this contract. The reason for removal shall be fully documented in writing by the CO. Any security violations, denials or revocations of security clearance may be construed as grounds for immediate removal from the premises and the contract. Further, the Government shall have the right to cause the contractor to replace any individual who is determined by the Government to be a security risk, under the influence of alcohol or drugs, physically or mentally impaired (or otherwise unable to fulfill their rotation) to the extent that they cannot perform the tasks established by the contract, or performing in any way that appears to be inconsistent with commercial standards of ethics

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

and/or practice. Such determinations will be made in collaboration with the CO, COR and/or Government Program Manager. These determinations shall not relieve the contractor from meeting the performance requirements of the contract.

H.7 Non-Payment for Additional Work

Any additional services or a change to the work specified which may be performed by the Contractor, either at his/her own volition or at the request of an individual other than a duly appointed CO except as may be explicitly authorized in the contract, is not authorized and will not be paid for by the DOI. Only a duly appointed CO is authorized to change the specifications, terms and conditions of this contract.

H.8 Key Positions and Personnel

- (a) The contractor agrees to assign to the contract those key persons whose resumes were submitted as required to fill the key position requirements. Key positions, as defined by the Government (Section C, 7.0); include the Program Director, Deputy Program Director, all Subcontractor Managers within the prime contractor's organization, the primary subcontractor manager within the subcontractor's organization (for subcontractors proposed to perform major or critical aspects of this requirement), Contract Administrator, Quality Assurance Manager, and Financial Manager. The offeror may propose additional key positions to be fulfilled by key personnel. No substitution or addition of key personnel or addition/deletion of key positions will be made except in accordance with this clause.
- (b) The contractor agrees that to ensure continuity, personnel will remain on the project as long as they are employed with the company and performing satisfactorily. Personnel substitutions will be permitted in the event of illness, death, or termination of employment. Substitution may be made for a person receiving a professional promotion during contract performance as long as they remain performing as key personnel under this contract. In any of these events, the contractor must promptly notify the CO or COR in writing and provide the information required by paragraph (d) below.
- (c) If key personnel, for whatever reason, become unavailable to work under this contract for a continuous period exceeding 30 working days, or are expected to devote, or are currently performing less effort to the work than indicated in its proposal, the contractor must propose a substitution or reduction of effort of such personnel, in accordance with paragraph (d) below.
- (d) All proposed key personnel substitutions or key position additions/deletions must be requested, in writing, to the CO and COR at least 15 days prior to the proposed change. Each request must provide a detailed explanation of the circumstances necessitating the proposed change, a complete resume from the proposed substitute and personnel to be replaced, and any other information required by the CO to approve or disapprove the proposed change. Resumes for key personnel substitutions or additions must be submitted in contractor format, no longer than three pages, and signed by the individual and an authorized company representative certifying the accuracy of the information contained therein. All proposed substitutes (no matter when they are proposed during the performance period) must have qualifications that are equal or higher than the qualifications of the person being replaced. No change in fixed unit prices may occur as a result of key personnel substitution.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

- (e) The CO will evaluate requests for substitutions and additions of personnel or positions and notify the contractor, in writing, whether a request is approved or disapproved.
- (f) The persons named below are considered to be key contractor's personnel and essential for the successful completion of all work assigned under the contract:
 - See Attachment J-17, List of Magellan Key Personnel

H.9 Permits and Licenses

In performance of work under this contract, the contractor must, without additional expense to the Government, be responsible for obtaining any necessary license(s), permits, background checks, and for complying with all Federal, State, and municipal laws, codes, and regulations applicable to the performance of work. The contractor shall verify all licensing, certification and/or compliance with industry accepted standards for the performance of counseling services.

H.10 Travel

The Government anticipates that travel may be required in the performance of this contract. Total travel costs will have a Not to Exceed (NTE) ceiling. No travel expenses submitted in excess of the NTE ceiling will be reimbursed without approval from the DOI CO.

Travel by the Contractor's staff, including subcontractors, in support of this project will be reimbursed by DOI provided:

- 1) The specific travel is authorized in advance and in writing by the COR, Program Manager, or CO. The contractor's staff and subcontractors shall provide the COR adequate time to review and approve travel plans. Note: all travel must be approved in advance. The Government will not pay for any travel that is not approved in advance.
- 2) All travel costs and per diem costs must conform to the current Federal Travel Regulations (FTR) in effect at the time of travel authorization, including but not limited to, daily per diem and lodging rates in effect for the area at the time of the travel. Expenses not in conformity with the FTR will not be reimbursed and should not be submitted.
- 3) Approval of Foreign Travel. The cost of foreign travel is allowable only when the specific written approval of the COR, Program Manager, or CO is obtained prior to commencing the trip. Approval shall be requested at least 90 calendar days before the scheduled departure date in order that all necessary clearances may be processed. Each individual trip must be approved separately, even though it may have been included in a previously approved budget. Foreign travel under this contract is defined as any travel outside of the United States and its territories and possessions.
- 4) Costs incurred by contractor personnel on official company business, whether foreign travel and/or domestic/local travel, are allowable, subject to the limitations contained in the Federal Acquisition Regulations (FAR) 31.205-46 – Travel Costs Receipts and other written evidence to support submitted travel expenses shall be retained by the Contractor for the duration of the contract plus one year, and made available to the CO or COR upon request. Travel not supported by receipts or other evidence will not be reimbursed and should not be submitted.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

The contractor shall state on all invoices that include claims for travel reimbursement that those claims are fully supported by proper documents, that the documents are available for audit, and that the claims confirm to the FTR.

H.11 Security

U.S. Citizenship: All contractor personnel performing the work as outlined in the PWS must be a U.S. citizen.

Security Requirements: The offeror is responsible for safeguarding information of a confidential or sensitive nature. Failure to safeguard any classified/privileged information, which may involve the contractor's personnel or to which they may have access to, may subject the contractor's employees to criminal liability under Title 18, section 793 and 7908 of the United States Code. Provisions of the Privacy Act apply to all records and reports maintained by the contractor. All programs and materials developed at government expense during the course of this contract are the property of the government. As needed, contractor personnel shall be required to obtain and maintain security badges. Contractors will adhere to the security requirements of the different installation(s).

The Common Access Card (CAC): The Common Access Card (CAC) will be issued only when appropriate, in accordance with current guidance, and approved or requested by OSD.

Section 508 Compliance Requirements: All electronic and information technology (EIT) procured through this effort must meet the applicable accessibility standards at 36 CFR 1194. 36 CFR 1194 implements Section 508 of the Rehabilitation Act of 1973, as amended, which is viewable at <http://www.section508.gov>.

National Industrial Security Program: The contractor shall not require access to national security information at the time of initial contract award; however, a future requirement may involve an operation that will require access to national security information. At that point, specific requirements shall be defined which will include, but not be limited to, contractor personnel being able to obtain a SECRET Security Clearance.

Access to DoD Information Systems: Select individuals who require access to DoD information systems regardless of CLASSIFICATION level must be U.S. Citizens and be determined trustworthy as a result of a favorable completion of a National Agency Check (NAC).

Operations Security (OPSEC): The contractor, to include subcontractors, shall use the OPSEC process to protect FOR OFFICIAL USE ONLY and Privacy Act information under this contract. This information is defined as controlled, unclassified information obtained or generated as a result of Military and Family Life Counseling business operations. The contractor/subcontractor shall not disclose controlled, unclassified information to the public or any other organization outside of the Military and Family Life Counseling contract framework of providers without the written approval from the COR or the CO.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

H.12 Standards

Services must adhere to standards of practice set forth by relevant Service/DoD policies, federal, state, and local laws.

The Contractor must demonstrate sound professional judgment and highest ethical standards in executing contract responsibilities.

The Contractor must be able to operate independently to assess a variety of family needs.

H.13 Representation

The Contractor will not represent the government at any state, federal, or military meeting or event.

H.14 Coordination and Communication

The Contractor will coordinate all program management, communication and service delivery through the COR.

H.15 Contractor Attire

Contractor shall wear professional appropriate apparel, i.e., dresses, skirts, pants or slacks, shirt or blouse with collar and sleeves, shoes and socks. Tank-top shirts, cut-offs, shower shoes or similar items of apparel are prohibited. Clothing shall be clearly distinguishable from all U.S. Military Uniforms. Contractor shall maintain a neat well-groomed appearance at all times to facilitate credibility with clients, staff, and command.

H.16 Small Business Participation Reporting and Compliance

It is the Government's expectation that the successful offeror will strive to meet or exceed the DOD's Ability One, Small Business, Woman Owned Small Business (WOSB), Historically Underutilized Business Zone (HubZone), Veteran Owned Small Business (VOSB), Service Disabled Veteran Owned Small Business (SD-VOSB), and Small Disadvantaged Business (SDB) subcontracting goals proposed in response to this solicitation and throughout the period of performance of the resulting contract. The Government will audit compliance with the subcontracting goals proposed.

H.17 Subcontracting Compliance

The contractor's subcontracting plan, with a minimum subcontracting requirement of at least 25% of this effort, will remain in effect through the life of this contract. Annually, upon the exercise of any option period, the contractor will provide a letter report to the CO showing how this requirement was met during the preceding 12 months. The contractor understands and acknowledges that this requirement is a material part of the contract, and that failure to meet this requirement is a breach of contract, which may subject the contractor to a termination for cause action.

The Subcontracting Plan submitted by Magellan is hereby incorporated into this contract, and can be found in Section J, Attachment 14.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

H.18 Electronic Transmission of Data

The contractor shall be fully capable and willing to electronically transmit data (i.e. proprietary data, deliverables, pricing data) to the Government.

H.19 Data Use, Disclosure of Information, and Handling of Sensitive Information:

The contractor shall maintain, transmit, retain in strictest confidence, and prevent the unauthorized duplication, use, and disclosure of client information. The contractor shall provide information only to the government, employees, contractors, and subcontractors having a need to know such information in the performance of their duties.

All information regarding military operations information, particular matters disclosed by servicemembers which may be of a sensitive military nature, and any other similar information under this contract must be regarded as sensitive information by the contractor and not to be disclosed to anyone outside the contractor's organization without the written authorization from the CO.

- 19.1. The contractor shall establish appropriate administrative and physical safeguards to ensure the security and confidentiality of client information and to protect against any anticipated threats or hazards to their security or integrity which could result in substantial harm, embarrassment, inconvenience, or unfairness to the client.
- 19.2. All employees, contractors, and subcontractors who will have access to client information will be advised of the confidential nature of the information, that the information is subject to the requirements of the Privacy Act of 1974, and that unauthorized disclosures of client information may result in the imposition of possible criminal penalties.
- 19.3. The contractor agrees to assume responsibility for protecting the confidentiality of Government records, clients or otherwise, which are not public information.
- 19.4. Information made available to the contractor by the Government for the performance or administration of this effort shall be used only for those purposes and shall not be used in any other way without the written agreement from the CO.
- 19.5. If public information is provided to the contractor for use in performance or administration of this effort, the contractor except with the written permission from the CO may not use such information for any other purpose. If the contractor is uncertain about the availability or proposed use of information provided for the performance or administration, the contractor will consult with the COR/CO regarding use of that information for other purposes.
- 19.6. The contractor agrees to assume responsibility for protecting the confidentiality of Government records which are not public information. Each employee of the contractor to whom information may be made available or disclosed shall be notified in writing by the contractor that such information may be disclosed only for a specific purpose and extent authorized herein.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

- 19.7. Performance of this effort may require the contractor to access and use data/information proprietary to a Government agency or Government contractor which is of such a nature that its dissemination or use, other than in performance of this effort, would be adverse to the interests of the Government and/or others.
- 19.8. Contractor personnel shall not divulge or release data or information developed or obtained in performance of this effort, until made public by the Government, except to authorize Government personnel or upon written approval from the CO. The contractor shall not use, disclose, or reproduce proprietary data that bears a restrictive legend, other than as required in the performance of this effort. Nothing herein shall preclude the use of any data independently acquired by the contractor without such limitations or prohibit an agreement at no cost to the Government between the contractor and the data owner that provides for greater rights to the contractor.
- 19.9. All data received, processed, evaluated, loaded, and/or created shall remain the sole property of the Government unless specific exception is granted by the CO.

H.20 Government Furnished Information (GFI) / Government Furnished Property (GFP)

- 20.1. **Government Furnished Information:** The contractor shall be furnished project descriptions, program briefing material and other pertinent information as well as other documentation or material required to carry out the tasks requested in the PWS.
- 20.2. **Government Furnished Property:** For most locations, counselors will need limited computer access. In lieu of providing a CAC for computer access, alternate locations for computer access is recommended. If it is necessary for the contractor to perform duties in government space, the contractor shall have full access to GFP and software to perform the duties of the project. The government (installation) shall furnish the computer hardware, software, and supporting GFP materials and facilities, as required, in support of the tasks required in the PWS.

H.21 Services for this Commercial Agreement

Any function, task or responsibility not specifically described in this contract but nevertheless considered an inherent part of the commercial services described and required for the proper performance and provision of services shall be deemed included for the purposes of this contract.

H.22 Performance Assessment

The Government will evaluate the contractor's performance under this contract in accordance with the Quality Assurance Surveillance Plan. In addition, the government reserves the right to inspect for contract compliance and quality by following various methods which include but are not limited to random sampling, periodic inspection, customer satisfaction surveys/discussions, and data calls via ad hoc reports. This formal/informal sampling may take place at any location and at any time during performance of this contract. The Quality Assurance Surveillance Plan (QASP) submitted by Magellan is hereby incorporated into this contract, and can be found in Section J, Attachment 15.

H.23 Requirement for International Health Insurance

Counselors who provide services under this contract in an overseas capacity (OCONUS) must obtain and maintain a valid international health insurance policy which covers catastrophic incidents for the entire duration that they provide services in the OCONUS locale. Counselors must understand the limitations of their policies, as well as local customs for payment, to ensure that all payments are reconciled with medical treatment facilities for any services rendered. Counselors must be able to provide their insurance policy number in the event it is required by U.S. Installation access request procedures.

H.24 Post Award Evaluation of Contractor Performance

a) Contractor Performance Evaluations

Interim and final evaluations of contractor performance will be prepared on this effort in accordance with FAR Subpart 42.1500. A final performance evaluation will be prepared, by the COR and the CO, at the time of completion of work. In addition to the final evaluation, interim evaluations may be prepared, by the COR and/or CO, prior to the exercise of any option period of this effort.

Interim and final evaluations will be provided to the Contractor as soon as practicable after completion of the evaluation. The Contractor will be permitted thirty (30) calendar days to review the document and to submit additional information or a rebutting statement. Any disagreement between the parties regarding an evaluation will be referred to an individual one level above the CO, whose decision will be final.

Copies of the evaluations, Contractor responses, and review comments, if any, will be retained as part of the contract file, and may be used to support future award decisions.

b) Electronic Access to Contractor Performance Evaluations

Contractors that have Internet capability may access evaluations through a secure Web site for review and comment by completing the registration form that can be obtained at the following address: <http://www.cpars.csd.disa.mil/cparsmain.htm>

The registration process requires the contractor to identify an individual that will serve as a primary contact and who will be authorized access to the evaluation for review/comment. In addition, the Contractor will be required to identify an alternate contact that will be responsible in the event the primary contact is unavailable to process the evaluation within the required thirty (30) calendar day time frame.

H.25 Authorized Changes only by the CO

- (a) No order, statement, or conduct of Government personnel who visit the contractor's facilities or in any other manner communicates with contractor personnel during the performance of this contract shall constitute a change under the "Changes" clause of this contract.
- (b) The contractor shall not comply with any order, direction or request of Government personnel unless it is issued in writing and signed by the CO, or is pursuant to specific authority otherwise included as a part of this contract.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

- (c) The CO is the only person authorized to approve changes in any of the requirements of this contract, notwithstanding provisions contained elsewhere in this contract, the said authority remains solely the CO's. In the event the contractor effects any change at the direction of any person other than the CO, the change will be considered to have been made without authority and no adjustment will be made in the contract price to cover any increase in charges incurred as a result thereof.

H.26 Contracts to be Performed in the Federal Republic of Germany

- (a) In accordance with the exchange of notes (dated 27 Mar 98) implementing the Provisions of Articles 72 and 73 of the German Supplementary Agreement (SA) to the North Atlantic Treaty Organization (NATO) Status of Forces Agreement (SOFA), non-German citizens of a NATO member country who perform services on US Government contracts shall not start work in Germany without meeting one of the following criteria:
 - (1) Technical Expert Status accreditation (TESA)
 - (2) Troop Care Status accreditation (TCSA)
 - (3) Analytical Support Status accreditation (ASSA)
 - (4) Military Exigency (ME) via TESA or ASSA
 - (5) TESA/ASSA TDY
 - (6) Exemption from German work permit ("fax back")
 - (7) German work permit or compliance with European Union member nation exchange laws and regulations
 - (8) Certificates of limited tax liability and a German work permit
- (b) In order to request status under paragraph (a) (1) through (a) (5) above, immediately after contract award, the contractor shall submit to the contracting officer a Contract Notification package. The contractor shall submit Technical Expert Status (TES)/ Troop Care Status (TCS)/ Analytical Support Status (ASS) application packages for any employees for which TES/TCS/ASS accreditation is sought within three business days of the individual being hired.
- (c) The packages/applications cited in paragraph (b) above shall be submitted through the contracting officer (or the contracting officer's appointed representative) to DOCPER. DOCPER's contact information is available at the DOCPER Internet site <http://www.chrma.hqusaureur.army.mil/>
- (d) A 10-week temporary TES or ASS may be granted by the US Government for purposes of Military Exigency (ME). ME is granted for time sensitive, mission critical positions for the purpose of permitting individual contract employees, who upon initial review of the application appear to meet the requirements of TES or ASS, to begin working in Germany prior to TES/ASS accreditation.
- (e) The contractor shall notify the contracting officer within three days in writing of TES/TCS/ASS accreditation duties or when a TES/TCS/ASS employee is no longer assigned to the position for which TES/TCS/ASS accreditation was granted.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

- (f) The contractor shall ensure that identification cards and/or other logistics support documents pertinent to, or peculiar to, TES/TCS/ASS are turned over to the issuing office upon termination or transfer of individual contractor employees. Within three days of completion, the contractor shall provide written proof to the contracting officer that all identification cards and other logistics support documents have been returned to the government.
- (g) The contractor shall allow German government authorities to visit the contractor's work areas for the purpose of verifying the status of positions and personnel as Technical Expert (TE)/Troop Care (TC)/Analytical Support (AS) employees. Such visits will not excuse the contractor from performance under this contract or result in increased costs to the Government.
- (h) The contract price shall not be subject to an economic adjustment with regard to TES/TCS/ASS in the event that:
 - (1) the contract and any or all positions identified in the contractor's proposal are disapproved for TES/TCS/ASS accreditation; or
 - (2) any or all positions submitted for TES/TCS/ASS consideration during the life of the contract are disapproved for TES/TCS/ASS accreditation; or
 - (3) any or all contractor employees are denied TES/TCS/ASS; or
 - (4) TES/TCS/ASS accreditation is rescinded during the life of the contract.
- (i) If the contractor's employees will be performing in the Federal Republic of Germany under the conditions identified in paragraphs (a) (6) through (a) (8) of this clause, DOCPER is not involved in the process.

(End of Clause)

H.27 SOFA Clause: Invited Contractor or Technical Representative Status Under U.S. – Republic of Korea (ROK)

Invited Contractor (IC) and Technical Representative (TR) status shall be governed by the U.S.-ROK Status of Forces Agreement (SOFA) as implemented by United States Forces Korea (USFK) Reg 700-19, which can be found under the "publications" tab on the US Forces Korea homepage <http://www.usfk.mil>

(a) Definitions. As used in this clause—

"U.S. – ROK Status of Forces Agreement" (SOFA) means the Mutual Defense Treaty between the Republic of Korea and the U.S. of America, Regarding Facilities and Areas and the Status of U.S. Armed Forces in the Republic of Korea, as amended

"Combatant Commander" means the commander of a unified or specified combatant command established in accordance with 10 U.S.C. 161. In Korea, the Combatant Commander is the Commander, United States Pacific Command.

"United States Forces Korea" (USFK) means the subordinate unified command through which US forces would be sent to the Combined Forces Command fighting components.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

“Commander, United States Forces Korea” (COMUSK) means the commander of all U.S. forces present in Korea. In the Republic of Korea, COMUSK also serves as Commander, Combined Forces Command (CDR CFC) and Commander, United Nations Command (CDR UNC).

“USFK, Assistant Chief of Staff, Acquisition Management” (USFK/FKAQ) means the principal staff office to USFK for all acquisition matters and administrator of the U.S.-ROK SOFA as applied to US and Third Country contractors under the Invited Contractor (IC) and Technical Representative (TR) Program (USFK Reg 700-19).

“Responsible Officer (RO)” means a senior DOD employee (such as a military E5 and above or civilian GS-7 and above), appointed by the USFK Sponsoring Agency (SA), who is directly responsible for determining and administering appropriate logistics support for IC/TRs during contract performance in the ROK.

- (b) IC or TR status under the SOFA is subject to the written approval of USFK, Assistant Chief of Staff, Acquisition Management (FKAQ), Unit #15237, APO AP 96205-5237.
- (c) The contracting officer will coordinate with HQ USFK/FKAQ, IAW FAR 25.8, and USFK Reg 700-19. FKAQ will determine the appropriate contractor status under the SOFA and notify the contracting officer of that determination.
- (d) Subject to the above determination, the contractor, including its employees and lawful dependents, may be accorded such privileges and exemptions under conditions and limitations as specified in the SOFA and USFK Reg 700-19. These privileges and exemptions may be furnished during the performance period of the contract, subject to their availability and continued SOFA status. Logistics support privileges are provided on an as-available basis to properly authorized individuals. Some logistics support may be issued as Government Furnished Property or transferred on a reimbursable basis.
- (e) The contractor warrants and shall ensure that collectively, and individually, its officials and employees performing under this contract will not perform any contract, service, or other business activity in the ROK, except under U.S. Government contracts and that performance is IAW the SOFA.
- (f) The contractor’s direct employment of any Korean-National labor for performance of this contract shall be governed by ROK labor law and USFK regulation(s) pertaining to the direct employment and personnel administration of Korean National personnel.
- (g) The authorities of the ROK have the right to exercise jurisdiction over invited contractors and technical representatives, including contractor officials, employees and their dependents, for offenses committed in the ROK and punishable by the laws of the ROK. In recognition of the role of such persons in the defense of the ROK, they will be subject to the provisions of Article XXII, SOFA, related Agreed Minutes and Understandings. In those cases in which the authorities of the ROK decide not to exercise jurisdiction, they shall notify the U.S. military authorities as soon as possible. Upon such notification, the military authorities will have the right to exercise jurisdiction as is conferred by the laws of the U.S.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

- (h) Invited contractors and technical representatives agree to cooperate fully with the USFK Sponsoring Agency (SA) and Responsible Officer (RO) on all matters pertaining to logistics support and theater training requirements. Contractors will provide the assigned SA prompt and accurate reports of changes in employee status as required by USFK Reg 700-19.
- (i) Theater Specific Training. Training Requirements for IC/TR personnel shall be conducted in accordance with USFK Reg 350-2 Theater Specific Required Training for all Arriving Personnel and Units Assigned to, Rotating to, or in Temporary Duty Status to USFK. IC/TR personnel shall comply with requirements of USFK Reg 350-2.
- (j) Except for contractor air crews flying Air Mobility Command missions, all U.S. contractors performing work on USAF classified contracts will report to the nearest Security Forces Information Security Section for the geographical area where the contract is to be performed to receive information concerning local security requirements.
- (k) Invited Contractor and Technical Representative status may be withdrawn by USFK/FKAQ upon:
 - (1) Completion or termination of the contract.
 - (2) Determination that the contractor or its employees are engaged in business activities in the ROK other than those pertaining to U.S. armed forces.
 - (3) Determination that the contractor or its employees are engaged in practices in contravention to Korean law or USFK regulations.
- (l) It is agreed that the withdrawal of invited contractor or technical representative status, or the withdrawal of, or failure to provide any of the privileges associated therewith by the U.S. and USFK, shall not constitute grounds for excusable delay by the contractor in the performance of the contract and will not justify or excuse the contractor defaulting in the performance of this contract. Furthermore, it is agreed that withdrawal of SOFA status for reasons outlined in USFK Reg 700-19, Section II, paragraph 6 shall not serve as a basis for the contractor filing any claims against the U.S. or USFK. Under no circumstance shall the withdrawal of SOFA Status or privileges be considered or construed as a breach of contract by the U.S. Government.
- (m) Support:
 - (1) Unless the terms and conditions of this contract place the responsibility with another party, the COMUSK will develop a security plan to provide protection, through military means, of Contractor personnel engaged in the theater of operations when sufficient or legitimate civilian authority does not exist.
 - (2)
 - (i) All Contractor personnel engaged in the theater of operations are authorized resuscitative care, stabilization, hospitalization at level III military treatment facilities, and assistance with patient movement in emergencies where loss of life, limb, or eyesight could occur. Hospitalization will be limited to stabilization and short-term medical

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

treatment with an emphasis on return to duty or placement in the patient movement system.

- (ii) When the Government provides medical or emergency dental treatment or transportation of Contractor personnel to a selected civilian facility, the Contractor shall ensure that the Government is reimbursed for any costs associated with such treatment or transportation.
- (iii) Medical or dental care beyond this standard is not authorized unless specified elsewhere in this contract.
- (3) Unless specified elsewhere in this contract, the Contractor is responsible for all other support required for its personnel engaged in the theater of operations under this contract.
- (n) Compliance with laws and regulations. The Contractor shall comply with, and shall ensure that its personnel supporting U.S Armed Forces in the Republic of Korea as specified in paragraph (b)(1) of this clause are familiar with and comply with, all applicable—
 - (1) United States, host country, and third country national laws;
 - (2) Treaties and international agreements;
 - (3) United States regulations, directives, instructions, policies, and procedures; and
 - (4) Orders, directives, and instructions issued by the COMUSK relating to force protection, security, health, safety, or relations and interaction with local nationals. Included in this list are force protection advisories, health advisories, area (i.e. "off-limits"), prostitution and human trafficking and curfew restrictions.
- (o) Vehicle or equipment licenses. IAW USFK Regulation 190-1, Contractor personnel shall possess the required licenses to operate all vehicles or equipment necessary to perform the contract in the theater of operations. All contractor employees/dependents must have either a Korean driver's license or a valid international driver's license to legally drive on Korean roads, and must have a USFK driver's license to legally drive on USFK installations. Contractor employees/dependents will first obtain a Korean driver's license or a valid international driver's license then obtain a USFK driver's license.
- (p) Evacuation.
 - (1) If the COMUSK orders a non-mandatory or mandatory evacuation of some or all personnel, the Government will provide assistance, to the extent available, to United States and third country national contractor personnel.
 - (2) Non-Combatant Evacuation Operations (NEO).
 - (i) The contractor shall designate a representative to provide contractor personnel and dependents information to the servicing NEO warden as required by direction of the Responsible Officer.
 - (ii) If contract period of performance in the Republic of Korea is greater than six months, non emergency essential contractor personnel and all IC/TR

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

dependents shall participate in at least one USFK sponsored NEO exercise per year.

- (q) Next of kin notification and personnel recovery.
- (1) The Contractor shall be responsible for notification of the employee-designated next of kin in the event an employee dies, requires evacuation due to an injury, or is missing, captured, or abducted.
 - (2) In the case of missing, captured, or abducted contractor personnel, the Government will assist in personnel recovery actions in accordance with DOD Directive 2310.2, Personnel Recovery.
 - (3) IC/TR personnel shall accomplish Personnel Recovery/Survival, Evasion, Resistance and Escape (PR/SERE) training in accordance with USFK Reg 525-40, Personnel Recovery Procedures and USFK Reg 350-2 Theater Specific Required Training for all Arriving Personnel and Units Assigned to, Rotating to, or in Temporary Duty Status to USFK.
- (r) Mortuary affairs. Mortuary affairs for contractor personnel who die while providing support in the theater of operations to U.S. Armed Forces will be handled in accordance with DOD Directive 1300.22, Mortuary Affairs Policy and Army Regulation 638-2, Care and Disposition of Remains and Disposition of Personal Effects.
- (s) USFK Responsible Officer (RO). The USFK appointed RO will ensure all IC/TR personnel complete all applicable training as outlined in this clause.

(End of Clause)

H.28 Contract Performance in Japan – (In accordance with the “Agreement Under the Treaty of Mutual Cooperation and Security Between the United States of America and Japan, Regarding Facilities and Areas and the Status of United States Armed Forces in Japan”)

- I. GENERAL: The Status of Forces Agreement between the U.S. and Japan (SOFA) governs the rights and obligations of the U.S. armed forces in Japan. Contractor employees and their dependents accorded privileges under SOFA Article I(b) remain subject to all the laws and regulations of Japan unless expressly exempted by the SOFA. Commander, United States Forces Japan is primarily responsible for interpreting the SOFA and local law for U.S. Forces in Japan, to include determining the applicability of Article I (b) to a specific U.S. forces requirement in Japan.
- II. SOFA ARTICLE I(b):
- a. SOFA Article I (b) status: Individuals including, but not limited to, technical advisors, consultants, entertainers serving under contracts with the United States for the provision of services in support of U.S. armed forces in Japan, and whose presence is required in Japan to provide such services, may acquire SOFA status in Japan as part of the civilian component under Article I (b) of the SOFA. Note SOFA Article I (b) does not create a lawful status in Japan for any entity other than individuals (e.g., the corporation employing the individual). To qualify for SOFA status under SOFA Article I(b), such individuals must be:

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

1. U.S. nationals;
 2. not ordinarily resident in Japan;
 3. present in Japan at the invitation of, and solely for the purpose of executing contracts with the United States for the benefit of the United States armed forces (including Foreign Military Sales contracts); and
 4. not contractors, employees of a contractor whose presence in Japan is solely for the purpose of executing contracts within the definition of SOFA Article XIV, or dependents of such contractors or contractor employees.
- b. SOFA Article I (b) procedures. Contractor personnel must obtain authority to enter Japan under SOFA Article I (b) through their employer and the KO. After determining that the personnel meet the requirements for SOFA Article I (b) status, the KO may issue a Letter of Identification. The Letter of Identification should include a statement that the individual is entering Japan under SOFA Article I (b).
- c. SOFA Article I (b) privileges and benefits. Persons granted authority to enter Japan under SOFA Article I(b) and their dependents (defined as spouse, children under 21, and, if dependent for over half their support upon an individual having SOFA Article I(b) status, parents and children over 21) shall be accorded the following benefits of the SOFA. These privileges are personal to the employee/dependent and do not inure to the employer.
1. Access to and movement between facilities and areas in use by the United States armed forces and between such facilities and areas and the ports or airports of Japan as provided for in SOFA Article V, paragraph 2;
 2. Entry into Japan and exemption from Japanese laws and regulations on the registration and control of aliens as provided for in SOFA Article IX;
 3. Acceptance as valid by Japan, without a driving test or fee, a U.S. Forces, Japan Operator's Permit for Civilian Vehicle as provided for in SOFA Article X. Issuance of such permit shall be subject to applicable military regulation;
 4. Exemption from customs duties and other such charges on materials, supplies, and equipment which are to be incorporated into articles or facilities used by the U.S. armed forces furniture, household goods for private use imported by person when they first arrive to work in Japan, vehicles and parts imported for private use, and reasonable quantities of clothing and household goods for everyday private use which are mailed into Japan through U.S. military post offices as provided for in SOFA Article XI, paragraphs 2 and 3;
 5. Exemption from the laws and regulations of Japan with respect to terms and conditions of employment as provided for in SOFA Article XII, paragraph 7, except that such exemption shall not apply to the employment of local nationals in Japan;
 6. Exemption from Japanese taxes to the Government of Japan or to any other taxing agency in Japan on income received as a result of their service with the U.S. armed forces as provided for in SOFA Article XIII. The provisions of Article XIII do not exempt such persons from payment of Japanese taxes on income derived from Japanese sources;

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

7. If authorized by the installation commander or designee, the right to use Navy exchanges, post exchanges, base exchanges, commissaries, messes, social clubs, theaters, newspapers and other non-appropriated fund organizations regulated by U.S. military authorities as provided for in SOFA Article XV;
 8. The transmission into or outside of Japan of U.S. dollar or dollar instruments realized as a result of contract performance as provided for in SOFA Article XIX, paragraph 2;
 9. The use of postal facilities as provided for in SOFA Article XXI;
 10. Exemption from taxation in Japan on the holding, use transfer by death, or transfer to person or agencies entitled to tax exemption under the SOFA, of movable property, tangible or intangible, the presence of which in Japan is due solely to the temporary presence of these persons in Japan, provided such exemption shall not apply to property held for the purpose of investment or the conduct of other business in Japan or to any intangible property registered in Japan.
 11. Japan authorities have the right to exercise jurisdiction over SOFA personnel in relation to offenses committed in Japan and punishable by the law of Japan. In those cases in which the Japanese authorities have the primary right to exercise jurisdiction but decide not to do so, the U.S. shall have the right to exercise such jurisdiction as is conferred on it by the law of the U.S.
- III. Logistic Support: Logistic support, including but not limited to, the items below shall be provided on a reimbursable basis to the contractor employees and their dependents granted SOFA Article I (b) status under this contract, subject to availability as determined by the installation commander or designee.

H.29 Corporate and Performance Guarantees

The Government hereby accepts and incorporates the Corporate Guarantee offered by Magellan. The Corporate Guarantee can be found in Section J, Attachment 16.

The Government also accepts the following additional performance guarantees offered by Magellan as follows:

1. Travel:

“Ninety percent of all CONUS (Alaska and Hawaii) MFLC rotational counselor positions will incur no travel costs;

Magellan will reimburse DoD up to \$1 million for failure to achieve this target

Calculation is as follows:

Total number of rotational position days with travel expenses divided by the total number of rotational positions multiplied by 365 days

Failure to achieve 90 percent results in penalty calculation

Each 1 percent below 90 percent results in a \$100,000 penalty to Magellan

Maximum penalty is at 80 percent or \$1M.”

b. Non-Medical Consulting/Counseling, Page 7

c. Reporting, Page 8

d. Credentialing, Page 9

e. Transition in Performance, Page 9

H.30 Performance Locations

Performance locations have been assigned a primary and secondary provider of services, as listed in Section J, Attachment 13. Magellan is required to perform at its designated primary locations. However, these designations may be adjusted unilaterally by the Government based on the ability or inability of the designated primary provider to support its locations with local counselors. In addition, support may be requested from the secondary provider for any location, without a change in the primary and secondary provider designations.

52.203-14 – Display of Hotline Poster(s) (Dec 2007)

(a) *Definition.*

“United States,” as used in this clause, means the 50 States, the District of Columbia, and outlying areas.

(b) *Display of fraud hotline poster(s).* Except as provided in paragraph (c)—

(1) During contract performance in the United States, the Contractor shall prominently display in common work areas within business segments performing work under this contract and at contract work sites—

(i) Any agency fraud hotline poster or Department of Homeland Security (DHS) fraud hotline poster identified in paragraph (b)(3) of this clause; and

(ii) Any DHS fraud hotline poster subsequently identified by the Contracting Officer.

(2) Additionally, if the Contractor maintains a company website as a method of providing information to employees, the Contractor shall display an electronic version of the poster(s) at the website.

(3) Any required posters may be obtained as follows:

Poster(s) Obtain from:

1-800-424-9098 or e-mail: hotline@dodig.mil

http://www.dhs.gov/xoig/about/gc_1163703329805.shtm

(c) If the Contractor has implemented a business ethics and conduct awareness program, including a reporting mechanism, such as a hotline poster, then the Contractor need not display any agency fraud hotline posters as required in paragraph (b) of this clause, other than any required DHS posters.

(d) *Subcontracts.* The Contractor shall include the substance of this clause, including this paragraph (d), in all subcontracts that exceed \$5,000,000, except when the subcontract—

This does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(e)

(1) Notwithstanding the requirements of the clauses in paragraphs (a), (b), (c) and (d) of this clause, the Contractor is not required to flow down any FAR clause, other than those in this paragraph (e)(1) in a subcontract for commercial items. Unless otherwise indicated below, the extent of the flow down shall be as required by the clause—

(i) 52.203-13, Contractor Code of Business Ethics and Conduct (Apr 2010) (Pub. L. 110-252, Title VI, Chapter 1 (41 U.S.C. 251 note)).

(ii) 52.219-8, Utilization of Small Business Concerns (Dec 2010) (15 U.S.C. 637(d)(2) and (3)), in all subcontracts that offer further subcontracting opportunities. If the subcontract (except subcontracts to small business concerns) exceeds \$650,000 (\$1.5 million for construction of any public facility), the subcontractor must include 52.219-8 in lower tier subcontracts that offer subcontracting opportunities.

(iii) [Reserved]

(iv) 52.222-26, Equal Opportunity (Mar 2007) (E.O. 11246).

- (2) While not required, the contractor may include in its subcontracts for commercial items a minimal number of additional clauses necessary to satisfy its contractual obligations.

(End of Clause)

52.217-6 -- Option for Increased Quantity (Mar 1989)

The Government may increase the quantity of supplies called for in the Schedule at the unit price specified. The Contracting Officer may exercise the option by written notice to the Contractor within 7 days. Delivery of the added items shall continue at the same rate as the like items called for under the contract, unless the parties otherwise agree.

52.217-7 -- Option for Increased Quantity -- Separately Priced Line Item (Mar 1989)

The Government may require the delivery of the numbered line item, identified in the Schedule as an option item, in the quantity and at the price stated in the Schedule. The Contracting Officer may exercise the option by written notice to the Contractor within 7 days. Delivery of added items shall continue at the same rate that like items are called for under the contract, unless the parties otherwise agree.

52.217-8 – Option to Extend Services (Nov 1999)

The Government may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within 30 days.

52.217-9 – Option to Extend the Term of the Contract (Mar 2000)

- (a) The Government may extend the term of this contract by written notice to the Contractor within 5 days prior to contract expiration provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 30 days before the contract expires. The preliminary notice does not commit the Government to an extension.
- (b) If the Government exercises this option, the extended contract shall be considered to include this option clause.
- (c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 5 years.

52.245-2 – Government Property Installation Operation Services (April 2012)

- (a) This Government Property listed in paragraph (e) of this clause is furnished to the Contractor in an “as-is, where is” condition. The Government makes no warranty regarding the suitability for use of the Government property specified in this contract. The Contractor shall be afforded the opportunity to inspect the Government property as specified in the solicitation.
- (b) The Government bears no responsibility for repair or replacement of any lost Government property. If any or all of the Government property is lost or becomes no longer usable, the Contractor shall be responsible for replacement of the property at Contractor expense. The Contractor shall have title to all replacement property and shall continue to be responsible for contract performance.
- (c) Unless the Contracting Officer determines otherwise, the Government abandons all rights and title to unserviceable and scrap property resulting from contract performance. Upon notification to the Contracting Officer, the Contractor shall remove such property from the Government premises and dispose of it at Contractor expense.
- (d) Except as provided in this clause, Government property furnished under this contract shall be governed by the Government Property clause of this contract.
- (e) Government property provided under this clause:
Office space and general office equipment as available at the installation

252.204-7000 Disclosure of Information (Dec 1991)

- (a) The Contractor shall not release to anyone outside the Contractor's organization any unclassified information, regardless of medium (e.g., film, tape, document), pertaining to any part of this contract or any program related to this contract, unless—
 - (1) The Contracting Officer has given prior written approval; or
 - (2) The information is otherwise in the public domain before the date of release.
- (b) Requests for approval shall identify the specific information to be released, the medium to be used, and the purpose for the release. The Contractor shall submit its request to the Contracting Officer at least 45 days before the proposed date for release.
- (c) The Contractor agrees to include a similar requirement in each subcontract under this contract. Subcontractors shall submit requests for authorization to release through the prime contractor to the Contracting Officer.

252.225-7043 Antiterrorism/Force Protection Policy for Defense Contractors Outside the United States (Mar 2006)

- (a) Definition. United States, as used in this clause, means, the 50 States, the District of Columbia, and outlying areas.
- (b) Except as provided in paragraph (c) of this clause, the Contractor and its subcontractors, if performing or traveling outside the United States under this contract, shall--
 - (1) Affiliate with the Overseas Security Advisory Council, if the Contractor or subcontractor is a U.S. entity;
 - (2) Ensure that Contractor and subcontractor personnel who are U.S. nationals and are in-country on a non-transitory basis, register with the U.S. Embassy, and that Contractor and subcontractor personnel who are third country nationals comply with any security related requirements of the Embassy of their nationality;
 - (3) Provide, to Contractor and subcontractor personnel, antiterrorism/force protection awareness information commensurate with that which the Department of Defense (DoD) provides to its military and civilian personnel and their families, to the extent such information can be made available prior to travel outside the United States; and
 - (4) Obtain and comply with the most current antiterrorism/force protection guidance for Contractor and subcontractor personnel.
- (c) The requirements of this clause do not apply to any subcontractor that is--
 - (1) A foreign government;
 - (2) A representative of a foreign government; or
 - (3) A foreign corporation wholly owned by a foreign government.
- (d) Information and guidance pertaining to DoD antiterrorism/force protection can be obtained from **PGI 225.7403-1**.

CONTRACT NUMBER: D12PC00480
CONTRACTOR: MAGELLAN BEHAVIORAL HEALTH, INC.

PGI 225.7403-1 General.

Information and guidance pertaining to DoD antiterrorism/force protection policy for contracts that require performance or travel outside the United States can be obtained from the following offices:

- (1) For Army contracts: HQDA-AT; telephone, DSN 222-9832 or commercial (703) 692-9832.
- (2) For Navy contracts: Naval Criminal Investigative Service (NCIS), Code 21; telephone, DSN 288-9077 or commercial (202) 433-9077.
- (3) For Marine Corps contracts: CMC Code POS-10; telephone, DSN 224-4177 or commercial (703) 614-4177.
- (4) For Air Force and Combatant Command contracts: The appropriate Antiterrorism Force Protection Office at the Command Headquarters. Also see <https://atep.dtic.mil>.
- (5) For defense agency contracts: The appropriate agency security office.
- (6) For additional information: Assistant Secretary of Defense for Special Operations and Low Intensity Conflict, ASD(SOLIC); telephone, DSN 227-7205 or commercial (703) 697-7205.

252.232-7007 Limitation of Government's Obligation (May 2006)

- (a) Contract line item(s) ALL CLINS are incrementally funded. For these item(s), the sum of REFERENCE SECTION J, ATTACHMENT 1 of the total price is presently available for payment and allotted to this contract. An allotment schedule is set forth in paragraph (j) of this clause.
- (b) For item(s) identified in paragraph (a) of this clause, the Contractor agrees to perform up to the point at which the total amount payable by the Government, including reimbursement in the event of termination of those item(s) for the Government's convenience, approximates the total amount currently allotted to the contract. The Contractor is not authorized to continue work on those item(s) beyond that point. The Government will not be obligated in any event to reimburse the Contractor in excess of the amount allotted to the contract for those item(s) regardless of anything to the contrary in the clause entitled "Termination for Convenience of the Government." As used in this clause, the total amount payable by the Government in the event of termination of applicable contract line item(s) for convenience includes costs, profit, and estimated termination settlement costs for those item(s).
- (c) Notwithstanding the dates specified in the allotment schedule in paragraph (j) of this clause, the Contractor will notify the Contracting Officer in writing at least ninety days prior to the date when, in the Contractor's best judgment, the work will reach the point at which the total amount payable by the Government, including any cost for termination for convenience, will approximate 85 percent of the total amount then allotted to the contract for performance of the applicable item(s). The notification will state (1) the estimated date when that point will be reached and (2) an estimate of additional funding, if any, needed to continue performance of applicable line items up to the next scheduled date for allotment of funds identified in paragraph (j) of this clause, or to a mutually agreed upon substitute date. The

CONTRACT NUMBER: D12PC00480

notification will also advise the Contracting Officer of the estimated amount of additional funds that will be required for the timely performance of the item(s) funded pursuant to this clause, for a subsequent period as may be specified in the allotment schedule in paragraph (j) of this clause or otherwise agreed to by the parties. If after such notification additional funds are not allotted by the date identified in the Contractor's notification, or by an agreed substitute date, the Contracting Officer will terminate any item(s) for which additional funds have not been allotted, pursuant to the clause of this contract entitled "Termination for Convenience of the Government."

- (d) When additional funds are allotted for continued performance of the contract line item(s) identified in paragraph (a) of this clause, the parties will agree as to the period of contract performance which will be covered by the funds. The provisions of paragraphs (b) through (d) of this clause will apply in like manner to the additional allotted funds and agreed substitute date, and the contract will be modified accordingly.
- (e) If, solely by reason of failure of the Government to allot additional funds, by the dates indicated below, in amounts sufficient for timely performance of the contract line item(s) identified in paragraph (a) of this clause, the Contractor incurs additional costs or is delayed in the performance of the work under this contract and if additional funds are allotted, an equitable adjustment will be made in the price or prices (including appropriate target, billing, and ceiling prices where applicable) of the item(s), or in the time of delivery, or both. Failure to agree to any such equitable adjustment hereunder will be a dispute concerning a question of fact within the meaning of the clause entitled "Disputes."
- (f) The Government may at any time prior to termination allot additional funds for the performance of the contract line item(s) identified in paragraph (a) of this clause.
- (g) The termination provisions of this clause do not limit the rights of the Government under the clause entitled "Default." The provisions of this clause are limited to the work and allotment of funds for the contract line item(s) set forth in paragraph (a) of this clause. This clause no longer applies once the contract is fully funded except with regard to the rights or obligations of the parties concerning equitable adjustments negotiated under paragraphs (d) and (e) of this clause.
- (h) Nothing in this clause affects the right of the Government to terminate this contract pursuant to the clause of this contract entitled "Termination for Convenience of the Government."
- (i) Nothing in this clause shall be construed as authorization of voluntary services whose acceptance is otherwise prohibited under 31 U.S.C. 1342.
- (j) The parties contemplate that the Government will allot funds to this contract in accordance with the following schedule:

Maximum Response Time	30 Days	60 Days	24 Hours to 21 Days	7 Days to 30 Days	30 Days	7 Days to 30 Days

* **Note:** Typically, requirements for Short Term Surge Support are known in advance and the contractor would have 21 days to fulfill the requirement. However, in rare instances, the surge requirement(s) must be fulfilled in as little as 24 – 72 hours.

- Ongoing Rotational Support:** Support provided by a MFLC, CYB-MFLC, or a PFC on an ongoing basis on a military installation or in a state to augment the JFSAP. Although support is ongoing, the MFLC, CYB-MFLC, and PFC rotate in accordance with the requirements of the contract.
- Non-Rotational (Full Time) Support:** Support provided to the JFSAP by a non-rotational (full time) MFLC, CYB-MFLC or a PFC. The United States Special Operations Command (USSOCOM) Care Coalition is authorized one full time MFLC.
- Short Term Surge Support:** Support provided to a unit for a specified period of time. A typical surge involves a group of 5 to 30 MFLCs and/or PFCs deployed for 30-90 days to support a Brigade Combat Team returning from combat.
- Short Term On-demand Support:** Support provided to units during drill weekends, family events, pre/during/post deployment events, Yellow Ribbon Reintegration Program events, and two week annual training. MFLCs, CYB-MFLCs, and PFCs may support on-demand events which usually last 1- 3 days.
- Rotational Short Term School Support:** Support provided to Department of Defense Education Activity (DoDEA) and Local Education Activity (public) schools during the academic school year.
- Short Term Summer Program Support:** Support provided to children during summer programs such as DoDEA/Child and Youth Summer Programs; National Military Family Association, Operation Purple Camps, Operation Military Kids Camps; and Guard/Reserve Camps. CYB-MFLCs and PFCs may support Short Term Summer program events which may last 1- 3 days, or up to 3 months.

7. **Military and Family Life Consultant (MFLC):** A counselor who provides non-medical counseling support in accordance with (IAW) this contract. MFLCs shall have at least a masters degree from an accredited graduate program in a mental health related field such as social work, psychology, marriage and family therapy, or counseling; a valid unrestricted counseling license or certification from a State, District of Columbia, a U.S. commonwealth, or a U.S. Territory that grants authority to provide counseling services as a independent practitioner in their respective fields; and demonstrated current counseling competence preceding their employment with the MFLC program.
8. **Child and Youth Behavioral-MFLC (CYB):** A counselor who meets the definition of MFLC and has specialized experience and qualifications in working with children up to age 18 gained through training and/or direct work experience.
9. **Local Education Agency (LEA):** A school in a public school district that may be located on or off a military installation. CYB-MFLCs may support LEAs with at least 300 military children.
10. **Department of Defense Education Activity (DoDEA) schools:** DoD Domestic Dependent Elementary and Secondary Schools (DDESS) and the DoD Dependents Schools (DoDDS), which provide instruction from preschool through grade 12 to eligible dependents.
11. **Child Development Center (CDC):** A facility on a military installation at which child care services are provided or any other facility at which such child care services are provided that is operated by the Secretary of a Military Department.
12. **Personal Financial Counselor (PFC):** A financial counselor in good standing who is certified or accredited in good standing as an Accredited Financial Counselors (AFC), Certified Financial Planner (CFP), Chartered Financial Consultant (ChFC), or holds a national certification with the National Foundation for Credit Counseling (NFCC).
13. **Youth Center:** A facility, or part of a facility, located on a military installation or in military family housing, the primary purpose of which is to provide youth programs for children ages K-18 of military members of the Armed Forces and DoD civilians.
14. **Family Childcare Home:** Home-based child care services that are provided for members of the Armed Forces and DoD civilian personnel by an individual who is certified by the Secretary of the Military Department concerned or Defense Agency Director and/or Commander concerned as qualified to provide those services, and provides those services for 10 hours or more per week per child on a regular basis for compensation.

1. REISSUANCE AND PURPOSE

This Directive:

1.1. Reissues reference (a) to update the policy and responsibilities for the DoD Personnel Security Program under references (b) through (h).

1.2. Continues to authorize the publication of DoD 5200.2-R (reference (i)) in accordance with DoD 5025.1-M (reference (j)).

2. APPLICABILITY

This Directive applies to:

2.1. The Office of the Secretary of Defense, the Military Departments (including the Coast Guard when it is operating as a Military Service in the Navy), the Chairman of the Joint Chiefs of Staff, the Combatant Commands, the Inspector General of the Department

of Defense, the Defense Agencies, and the DoD Field Activities (hereafter referred to collectively as "the DoD Components").

2.2. DoD civilian personnel, members of the Armed Forces (excluding the Coast Guard in peacetime), contractor personnel and other personnel affiliated with the Department of Defense. Except that the unfavorable administrative action procedures pertaining to contractor personnel requiring access to classified information are contained in DoD 5220.22-R (reference (k)) and in DoD Directive 5220.6 (reference (l)).

3. POLICY

It is DoD policy that:

3.1. The objective of the personnel security program is that military, civilian, and contractor personnel assigned to and retained in sensitive positions, in which they could potentially damage national security, are and remain reliable and trustworthy, and there is no reasonable basis for doubting their allegiance to the United States.

3.2. No person shall be appointed or retained as a civilian employee in a sensitive position of the Department of Defense, as provided in reference (e), accepted for entrance into the Armed Forces of the United States, or assigned to duties that require a personnel security investigation as provided in 3.9., below, unless such appointment, acceptance, or assignment is clearly consistent with the interests of national security.

3.3. No person shall be deemed to be eligible for access to classified information unless such access is clearly consistent with the interests of national security as provided for in reference (b). Eligibility for access shall not be granted merely by reason of Federal service or contracting, licensee, certificate holder, or grantee status, or as a matter of right or privilege, or as a result of any particular title, rank, position, or affiliation.

3.4. Except as provided in 3.6., below, eligibility for access to classified information or assignment to sensitive duties shall be granted only to individuals who are United States citizens for whom an appropriate investigation has been completed and whose personal and professional history affirmatively indicates loyalty to the United States, strength of character, trustworthiness, honesty, reliability, discretion, and sound judgment, as well as freedom from conflicting allegiances and potential for coercion, and willingness and ability to abide by regulations governing the use, handling, and protection of classified information. However, in exceptional circumstances where official functions must be performed prior to completion of the investigative and adjudication process, temporary eligibility for access to classified information may be granted to an individual.

3.5. A determination of eligibility for access to classified information or assignment to sensitive duties is a discretionary security decision based on judgments by appropriately trained adjudicative personnel.

3.6. As an exception, a non-U.S. citizen may be assigned to sensitive duties or granted a Limited Access Authorization for access to classified information in support of a specific DoD program, project, or contract that cannot be filled by a cleared or clearable U.S. citizen provided it is approved by an authorized official (as specified in DoD 5200.2-R, reference (i)).

3.7. In determining eligibility for access to classified information, the Department of Defense may investigate and consider any matter that relates to the determination of whether access is clearly consistent with the interests of national security. No inference concerning the standard in paragraph 3.4., above, may be raised solely on the basis of the sexual orientation of the individual.

3.8. No negative inference may be raised solely on the basis of mental health counseling. Such counseling can be a positive factor in eligibility determinations. However, mental health counseling, where relevant to the adjudication of access to classified information, may justify further inquiry to determine whether the standards of paragraph 3.4., above, are satisfied, and mental health may be considered where it directly relates to those standards.

3.9. DoD 5200.2-R (reference (i)) shall identify those positions and duties that require a personnel security investigation (PSI). A PSI is required for:

3.9.1. Appointment to a sensitive civilian position.

3.9.2. Entry into military service.

3.9.3. The granting of a security clearance or approval for access to classified information.

3.9.4. Assignment to other duties that require a personnel security or trustworthiness determination.

3.9.5. Continuing eligibility for retention of a security clearance and approval for access to classified information or for assignment to other sensitive duties.

3.10. Reference (i) shall contain personnel security criteria and adjudicative guidance to assist in determining whether an individual meets the clearance and sensitive position standards referred to in paragraphs 3.2. and 3.4., above.

3.11. No unfavorable personnel security determination shall be made except in accordance with procedures set forth in reference (i); Director of Central Intelligence Directive 1/14 (DCID 1/14) (reference (m)); DoD Directive 5220.6 (reference (l)) or as otherwise authorized by law.

4. RESPONSIBILITIES

4.1. The Assistant Secretary of Defense for Command, Control, Communications, and Intelligence shall:

4.1.1. Serve as the Department of Defense Senior Agency Official for the Personnel Security Program under Section 6.1(a) of E.O. 12968, reference (b) and Special Access Programs under Section 5.6(c)(1) of E.O. 12958, reference (f).

4.1.2. Direct, administer, and oversee the DoD Personnel Security Program to ensure that the program is consistent, cost-effective, and efficient, and balances the rights of individuals with the interests of national security.

4.1.3. Approve, when appropriate, requests for exceptions to the DoD Personnel Security Program, except for access to NATO classified information. Requests for exceptions, which involve access to NATO classified information shall be sent to the Deputy Undersecretary of Defense (Policy) for Policy Support.

4.1.4 Issue and maintain reference (i), consistent with DoD 5025.1-M (reference (j)).

4.1.5. Ensure that research is conducted to assess and improve the effectiveness of the DoD Personnel Security Program (DoD Directive 5210.79 (reference (n))).

4.1.6. Ensure that the Defense Security Service (DSS) is operated pursuant to DoD Directive 5105.42 (reference (o)).

4.1.7 Ensure that the DSS provides the education, training, and awareness support to the DoD Personnel Security Program under DoD Directive 5200.32 (reference (p)).

4.1.8 Ensure that the personnel security program at the National Security Agency is consistent with the requirements of 50 U.S.C. Sections 831-835 (reference (d) and reference (m)).

4.2. The General Counsel of the Department of Defense shall:

4.2.1. Be responsible for providing advice and guidance as to the legal sufficiency of procedures and standards implementing the DoD Personnel Security Program.

4.2.2. Exercise oversight of personnel security program appeals procedures to verify that the rights of individuals are being protected consistent with the Constitution, laws of the United States, Executive orders, Directives, or Regulations that implement the DoD Personnel Security Program, and with the interests of national security.

4.2.3. Perform such functions relating to the DoD Personnel Security Program in accordance with DoD Directive 5145.1 (reference (q)) as the Secretary or Deputy Secretary of Defense may assign.

4.3. The Heads of the DoD Components shall:

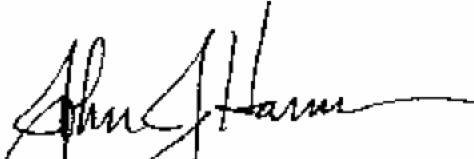

4.3.1. Designate a senior official who shall be responsible for implementing the DoD Personnel Security Program within their DoD Components.

4.3.2. Ensure that the DoD Personnel Security Program is properly administered under this Directive within their DoD Components.

4.3.3. Ensure that information and recommendations on any aspect of this Directive and the DoD Personnel Security Program are provided to the Assistant Secretary of Defense for Command, Control, Communications, and Intelligence.

5. EFFECTIVE DATE

This Directive is effective immediately.

John J. Hamre
Deputy Secretary of Defense

DIRECTIVE

NUMBER 6495.01

USD(P&R)

SUBJECT: Sexual Assault Prevention and Response (SAPR) Program

References: See Enclosure 1

1. PURPOSE. This Directive reissues DoD Directive (DoDD) 6495.01 (Reference (a)), pursuant to section 113 of title 10, United States Code (U.S.C.) (Reference (b)), to implement DoD policy and assign responsibilities for the SAPR Program on prevention, response, and oversight to sexual assault.

2. APPLICABILITY. This Directive:

a. Applies to:

(1) OSD, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff and the Joint Staff, the Combatant Commands, the Inspector General of the DoD (IG, DoD), the Defense Agencies, the DoD Field Activities, and all other organizational entities within the DoD (hereafter referred to collectively as the "DoD Components").

(2) National Guard and Reserve Component members who are sexually assaulted when performing active service, as defined in section 101(d)(3) of Reference (b), and inactive duty training. Refer to DoD Instruction (DoDI) 6495.02 (Reference (c)) for additional SAPR and medical services provided to such personnel and eligibility criteria for Restricted Reporting.

(3) Military dependents 18 years of age and older who are eligible for treatment in the military healthcare system, at installations in the continental United States (CONUS) and outside of the continental United States (OCONUS), and who were victims of sexual assault perpetrated by someone other than a spouse or intimate partner. The Family Advocacy Program (FAP) provides the full range of services to victims of domestic violence who are sexually assaulted, in violation of Articles 120 (Rape and Sexual Assault) and 125 (Sodomy) of chapter 47 of Reference (b) (also known as and hereinafter referred to as "The Uniform Code of Military Justice (UCMJ)"), by someone with whom they have an intimate partner relationship.

(4) The following non-military personnel who are only eligible for LIMITED medical services in the form of emergency care (see Glossary), unless otherwise eligible to receive treatment in a military medical treatment facility. They will also be offered the LIMITED SAPR services of a Sexual Assault Response Coordinator (SARC) and a SAPR Victim Advocate (VA) while undergoing emergency care OCONUS. Refer to Reference (c) for any additional SAPR and medical services provided. These limited medical and SAPR services shall be provided to:

(a) DoD civilian employees and their family dependents 18 years of age and older when they are stationed or performing duties OCONUS and eligible for treatment in the military healthcare system at military installations or facilities OCONUS. Refer to Reference (c) for reporting options available to DoD civilians and their family dependents 18 years of age and older.

(b) U.S. citizen DoD contractor personnel when they are authorized to accompany the Armed Forces in a contingency operation OCONUS and their U.S. citizen employees (See DoDI 3020.41 (Reference (f))). Refer to Reference (c) for reporting options available to DoD contractors.

(5) Service members who are on active duty but were victims of sexual assault prior to enlistment or commissioning. They are eligible to receive full SAPR services and either reporting option.

b. Supersedes all policy and regulatory guidance within the DoD not expressly mandated by law that is inconsistent with its provisions, or that would preclude execution.

3. DEFINITIONS. See Glossary.

4. POLICY. It is DoD policy that:

a. This Directive and Reference (c) implement the DoD SAPR policy.

b. The DoD goal is a culture free of sexual assault, through an environment of prevention, education and training, response capability (defined in Reference (c)), victim support, reporting procedures, and appropriate accountability that enhances the safety and well being of all persons covered by this Directive and Reference (c).

c. The SAPR Program shall:

(1) Focus on the victim and on doing what is necessary and appropriate to support victim recovery, and also, if a Service member, to support that Service member to be fully mission capable and engaged. The SAPR Program shall provide care that is gender-responsive, culturally-competent, and recovery-oriented (see Glossary).

(2) NOT provide policy for legal processes within the responsibility of the Judge Advocates General of the Military Departments provided in Chapter 47 of Reference (b) and the Manual for Courts-Martial (Reference (g)) or for criminal investigative matters assigned to the Judge Advocates General of the Military Departments and IG, DoD.

d. Standardized SAPR requirements, terminology, guidelines, protocols, and guidelines for instructional materials shall focus on awareness, prevention, and response at all levels as appropriate.

e. The terms “Sexual Assault Response Coordinator (SARC)” and “SAPR Victim Advocate (VA),” as defined in this Directive and the Reference (c), shall be used as standard terms throughout the DoD to facilitate communications and transparency regarding SAPR capacity. For further information regarding SARC and SAPR VA roles and responsibilities, see Reference (c).

(1) SARC. The SARC shall serve as the SINGLE POINT OF CONTACT for coordinating appropriate and responsive care for sexual assault victims. SARCs shall coordinate sexual assault victim care and sexual assault response when a sexual assault is reported. The SARC shall supervise SAPR VAs, but may be called on to perform victim advocacy duties.

(2) SAPR VA. The SAPR VA shall provide non-clinical crisis intervention and ongoing support, in addition to referrals for adult sexual assault victims. Support will include providing information on available options and resources to victims.

f. Command sexual assault awareness and prevention programs, as well as law enforcement and criminal justice procedures that enable persons to be held accountable for their actions, as appropriate, shall be established and supported by all commanders.

g. An immediate, trained sexual assault response capability (defined in Reference (c)) shall be available for each report of sexual assault in all locations, including in deployed locations. The response time may be affected by operational necessities, but will reflect that sexual assault victims shall be treated as emergency cases.

h. Victims of sexual assault shall be protected from coercion, retaliation, and reprisal in accordance with DoDD 7050.06, (Reference (h)).

i. Victims of sexual assault shall be protected, treated with dignity and respect, and shall receive timely access to comprehensive medical treatment, including emergency care treatment and services, as described in this Directive and Reference (c).

j. Emergency care shall consist of emergency medical care and the offer of a sexual assault forensic examination (SAFE) consistent with the Department of Justice protocol (Reference (i)) and refer to DD Form 2911, “DoD Sexual Assault Medical Forensic Examination Report” and accompanying instructions. The victim shall be advised that even if a SAFE is declined, the victim is encouraged (but not mandated) to receive medical care, psychological care, and victim advocacy.

(1) Sexual assault patients shall be given priority, and shall be treated as emergency cases. A sexual assault victim needs immediate medical intervention to prevent loss of life or suffering resulting from physical injuries (internal or external), sexually transmitted infections, pregnancy, and psychological distress. Individuals disclosing a recent sexual assault shall, with their consent, be quickly transported to the exam site, promptly evaluated, treated for serious injuries, and then, with the patient's consent, undergo a SAFE, pursuant to "Victim Centered Care" of Reference (i) and refer to DD Form 2911 and accompanying instructions.

(2) Sexual assault patients shall be treated as emergency cases, regardless of whether physical injuries are evident. Patients' needs shall be assessed for immediate medical or mental health intervention pursuant to "Victim Centered Care," and "Triage and Intake" of Reference (i). Sexual assault victims shall be treated uniformly, consistent with "Victim Centered Care" of Reference (i) and DD Form 2911 and accompanying instructions, regardless of their behavior because when severely traumatized, sexual assault patients may appear to be calm, indifferent, submissive, jocular, angry, emotionally distraught, or even uncooperative or hostile towards those who are trying to help.

k. Service members and their dependents who are 18 years of age or older covered by this Directive (see subparagraph 2a.(4)) and Reference (c)) who are sexually assaulted have two reporting options: Unrestricted or Restricted Reporting. Complete, Unrestricted Reporting of sexual assault is favored by the DoD. See Reference (c) for additional information on the DoD sexual assault reporting options and exceptions as they apply to Restricted Reporting. Consult DoDD 5400.11 (Reference (j)) and DoD 6025.18-R (Reference (k)) for protections of personally identifiable information solicited, collected, maintained, accessed, used, disclosed, and disposed during the treatment and reporting processes. The two reporting options are as follows:

(1) Unrestricted Reporting allows an eligible person who is sexually assaulted to access medical treatment and counseling and request an official investigation of the allegation using existing reporting channels (e.g., chain of command, law enforcement, healthcare personnel, the SARC). When a sexual assault is reported through Unrestricted Reporting, a SARC shall be notified as soon as possible, respond, assign a SAPR VA, and offer the victim medical care and a SAFE.

(2) Restricted Reporting allows sexual assault victims (see eligibility criteria in Reference (c)) to confidentially disclose the assault to specified individuals (i.e., SARC, SAPR VA, or healthcare personnel), in accordance with Reference (j), and receive medical treatment, including emergency care, counseling, and assignment of a SARC and SAPR VA, without triggering an official investigation. The victim's report to healthcare personnel (including the information acquired from a SAFE Kit), SARCs, or SAPR VAs will NOT be reported to law enforcement or to the victim's command, to initiate the official investigative process, unless the victim consents or an established EXCEPTION applies in accordance with Reference (c). When a sexual assault is reported through Restricted Reporting, a SARC shall be notified as soon as possible, respond, assign a SAPR VA, and offer the victim medical care and a SAFE.

(a) Eligibility for Restricted Reporting. The Restricted Reporting Program applies to Service members and their military dependents 18 years of age and older. For additional persons who may be entitled to Restricted Reporting, see eligibility criteria in Reference (c).

(b) DoD Dual Objectives. The DoD is committed to ensuring victims of sexual assault are protected; treated with dignity and respect; and provided support, advocacy, and care. The DoD supports effective command awareness and prevention programs. The DoD also strongly supports applicable law enforcement and criminal justice procedures that enable persons to be held accountable for sexual assault offenses and criminal dispositions, as appropriate. To achieve these dual objectives, DoD preference is for complete Unrestricted Reporting of sexual assaults to allow for the provision of victims' services and to pursue accountability. However, Unrestricted Reporting may represent a barrier for victims to access services, when the victim desires no command or law enforcement involvement. Consequently, the DoD recognizes a fundamental need to provide a confidential disclosure vehicle via the Restricted Reporting option.

(c) Designated Personnel Authorized to Accept a Restricted Report. Only the SARC, SAPR VA, or healthcare personnel are designated as authorized to accept a Restricted Report.

(d) SAFE Confidentiality Under Restricted Reporting. A SAFE and its information shall be afforded the same confidentiality as is afforded victim statements under the Restricted Reporting option. See Reference (c) for additional information.

(e) Disclosure of Confidential Communications. In cases where a victim elects Restricted Reporting, the SARC, assigned SAPR VA, and healthcare personnel may not disclose confidential communications or SAFE Kit information to law enforcement or command authorities, either within or outside the DoD, EXCEPT as provided in Reference (c). In certain situations when information about a sexual assault comes to the commander's or law enforcement official's attention from a source independent of the Restricted Reporting avenues and an independent investigation is initiated, a SARC, SAPR VA, or healthcare personnel may NOT disclose confidential communications if obtained under Restricted Reporting (see exceptions to Restricted Reporting in Reference (c)). Improper disclosure of confidential communications under Restricted Reporting, improper release of medical information, and other violations of this policy are prohibited and may result in discipline pursuant to the UCMJ, or other adverse personnel or administrative actions.

l. Enlistment or commissioning of personnel in the Military Services shall be prohibited and no waivers are allowed when the person has a qualifying conviction (see Glossary) for a crime of sexual assault.

m. The focus of this Directive and Reference (c) is on the victim of sexual assault. The DoD shall provide support to an active duty Service member regardless of when or where the sexual assault took place.

5. RESPONSIBILITIES. See Enclosure 2.

6. INFORMATION REQUIREMENTS. The sexual assault reporting requirements in this Directive have been assigned Report Control Symbol (RCS) DD-P&R(A) 2205 and RCS DD-P&R(AR) 2383 in accordance with DoD 8910.1-M (Reference (I)).

7. RELEASABILITY. UNLIMITED. This Directive is approved for public release and is available on the Internet from the DoD Issuances Website at <http://www.dtic.mil/whs/directives>.

8. EFFECTIVE DATE. This Directive is effective upon its publication to the DoD Issuances Website.

ENCLOSURE 2

RESPONSIBILITIES

1. UNDER SECRETARY OF DEFENSE FOR PERSONNEL AND READINESS

(USD(P&R)). In accordance with the authority in DoDD 5124.02 (Reference (m)), the USD(P&R) shall:

a. Develop overall policy and provide oversight for the DoD SAPR Program, except legal processes in the UCMJ and criminal investigative matters assigned to the Judge Advocates General of the Military Departments and IG, respectively.

b. Develop strategic program guidance, joint planning objectives, standard terminology, and identify legislative changes needed to ensure the future availability of resources in support of DoD SAPR policies.

c. Develop metrics to measure compliance and effectiveness of SAPR training, awareness, prevention, and response policies and programs. Analyze data and make recommendations regarding the SAPR policies and programs to the Secretaries of the Military Departments.

d. Monitor compliance with this Directive and Reference (c), and coordinate with the Secretaries of the Military Departments regarding Service SAPR policies.

e. Collaborate with Federal and State agencies that address SAPR issues and serve as liaison to them as appropriate. Strengthen collaboration on sexual assault policy matters with U.S. Department of Veterans Affairs on the issues of providing high quality and accessible health care and benefits to victims of sexual assault.

f. Oversee the DoD Sexual Assault Prevention and Response Office (SAPRO). Serving as the DoD single point of authority, accountability, and oversight for the SAPR program, SAPRO provides recommendations to the USD(P&R) on the issue of DoD sexual assault policy matters on prevention, response, and oversight. SAPRO is responsible for:

(1) Implementing and monitoring compliance with DoD sexual assault policy on prevention and response, except for legal processes in the UCMJ and Reference (g), and criminal investigative matters assigned to the Judge Advocate General of the Military Departments and IG respectively.

(2) Providing technical assistance to the Heads of the DoD Components in addressing matters concerning SAPR.

(3) Acquiring quarterly and annual SAPR data from the Military Services, assembling annual congressional reports involving persons covered by this Directive and Reference (c), and consulting with and relying on the Judge Advocate General of the Military Departments in questions concerning disposition results of sexual assault cases in their respective departments.

(4) Establishing reporting categories and monitor specific goals included in the annual SAPR assessments of each Military Service, in their respective departments.

(5) Overseeing the creation, implementation, maintenance, and function of the Defense Sexual Assault Incident Database (DSAID), an integrated database that will meet congressional reporting requirements, support Service SAPR Program management, and inform DoD SAPRO oversight activities.

2. ASSISTANT SECRETARY OF DEFENSE FOR HEALTH AFFAIRS (ASD(HA)). The ASD(HA), under the authority, direction, and control of the USD(P&R), shall advise the USD(P&R) on DoD sexual assault healthcare policies, clinical practice guidelines, related procedures, and standards governing DoD healthcare programs for victims of sexual assault. The ASD(HA) shall direct that all sexual assault patients be given priority, so that they shall be treated as emergency cases.

3. DIRECTOR, DEPARTMENT OF DEFENSE HUMAN RESOURCES ACTIVITY (DoDHRA). The Director of DoDHRA, under the authority, direction, and control of USD(P&R), shall provide operational support to the USD(P&R) as outlined in paragraph 1.f. of this enclosure.

4. GENERAL COUNSEL OF THE DoD (GC, DoD). The GC, DoD, shall provide advice and assistance on all legal matters, including the review and coordination of all proposed issuances and exceptions to policy and the review of all legislative proposals, affecting mission and responsibilities of the DoD SAPRO.

5. IG, DoD. The IG, DoD, shall:

a. Develop and oversee the promulgation of criminal investigative and law enforcement policy regarding sexual assault and establish guidelines for the collection and preservation of evidence with non-identifiable personal information on the victim, for the Restricted Reporting process, in coordination with the ASD(HA).

b. Oversee criminal investigations of sexual assault conducted by the DoD Components.

c. Collaborate with the DoD SAPRO on sexual assault matters.

6. SECRETARIES OF THE MILITARY DEPARTMENTS. The Secretaries of the Military Departments shall:

a. Establish departmental policies and procedures to implement the SAPR Program consistent with the provisions of this Directive and Reference (c), to include the military academies within their cognizance; monitor departmental compliance with this Directive and Reference (c).

b. Coordinate all Military Service SAPR policy changes with the USD(P&R).

c. In coordination with the USD(P&R), implement recommendations regarding Military Service compliance and effectiveness of SAPR training, awareness, prevention, and response policies and programs.

d. Align Service SAPR strategic plans with the DoD SAPR strategic plan.

e. Align Service prevention strategy with the Spectrum of Prevention consistent with the DoD Sexual Assault Prevention Strategy (Reference (n)), which consists of six pillars:

(1) Influencing Policy

(2) Changing Organizational Practices

(3) Fostering Coalitions and Networks

(4) Educating Providers

(5) Promoting Community Education

(6) Strengthening Individual Knowledge and Skills

f. Require commanders to ensure that medical treatment (including emergency care) and SAPR services are provided to victims of sexual assaults in a timely manner unless declined by the victim.

g. Utilize the terms “Sexual Assault Response Coordinator (SARC)” and “SAPR Victim Advocate (VA),” as defined in this Directive and Reference (c), as standard terms to facilitate communications and transparency regarding sexual assault response capacity.

h. Establish the position of the SARC to serve as the SINGLE POINT OF CONTACT for ensuring that sexual assault victims receive appropriate and responsive care. The SARC should be a Service member, DoD civilian employee, or National Guard technician.

i. Provide program-appropriate resources to enable the Combatant Commanders to achieve compliance with the policies set forth in this Directive and Reference (c).

j. Establish and codify Service SAPR Program support to Combatant Commands and Defense Agencies, either as a host activity or in a deployed environment.

k. Provide SAPR Program and obligation data to the USD(P&R), as required.

l. Submit quarterly reports to the USD(P&R) that include information regarding all sexual assaults reported during the quarter, until DSAID becomes fully operational for each individual Service. Require confirmation that a multi-disciplinary case management group tracks each open Unrestricted Report and that a multi-disciplinary case management group meetings are held monthly for reviewing all Unrestricted Reports of sexual assaults.

m. Provide annual reports of sexual assaults involving persons covered by this Directive and Reference (c) to the DoD SAPRO for consolidation into the annual report to Congress in accordance with section 577 of Public Law 108-375 (Reference (o)).

n. Provide data connectivity, or other means, to authorized users to ensure all sexual assaults reported in theater and other joint environments are incorporated into the DSAID, or authorized interfacing systems for the documentation of reports of sexual assault, as required by section 563 of Public Law 110-417 (Reference (p)).

o. Ensure that Service data systems used to report case-level sexual assault information into the DSAID are compliant with DoD data reporting requirements, pursuant to section 563 of Reference (p).

p. Require extensive, continuing in-depth SAPR training for DoD personnel and specialized SAPR training for commanders, senior enlisted leaders, SARCs, SAPR VAs, investigators, law enforcement officials, chaplains, healthcare personnel, and legal personnel in accordance with Reference (c).

q. Oversee sexual assault training within the DoD law enforcement community.

r. Direct that Service military criminal investigative organizations require their investigative units to communicate with their servicing SARC and participate with the multi-disciplinary Case Management Group convened by the SARC, in accordance with this Directive and Reference (c).

s. Provide commanders with procedures that:

(1) Establish guidance for when a Military Protective Order (MPO) has been issued, that the Service member who is protected by the order is informed, in a timely manner, of the member's option to request transfer from the command to which that member is assigned in accordance with section 567(c) of Public Law 111-84 (Reference (q)).

(2) Ensure that the appropriate civilian authorities shall be notified of the issuance of a MPO and of the individuals involved in the order, when an MPO has been issued against a Service member or when any individual addressed in the MPO does not reside on a military installation at any time when an MPO is in effect. An MPO issued by a military commander shall remain in effect until such time as the commander terminates the order or issues a replacement order. (See section 561 of Reference (p).) The issuing commander also shall notify

the appropriate civilian authorities of any change made in a protective order covered by chapter 80 of Reference (b), and the termination of the protective order.

(3) Ensure that the person seeking the MPO shall be advised that the MPO is not enforceable by civilian authorities off base and that victims desiring protection off base are advised to seek a civilian protective order. (see section 561 of Reference (p) and section 567 of Reference (q)).

7. CHAIRMAN OF THE JOINT CHIEFS OF STAFF. The Chairman of the Joint Chiefs of Staff shall:

a. Assess SAPR as part of the overall force planning function of any force deployment decision, and periodically reassess the SAPR posture of deployed forces.

b. Monitor implementation of this Directive, Reference (c), and implementing instructions, including during military operations.

c. Utilize the terms “Sexual Assault Response Coordinator (SARC)” and “SAPR Victim Advocate (VA),” as defined in this Directive and Reference (c), as standard terms to facilitate communications and transparency regarding sexual assault response capacity.

d. Review relevant documents, including the Combatant Commanders’ joint plans, operational plans, concept plans, and deployment orders, to ensure they identify and include SAPR Program requirements.

8. COMMANDERS OF THE COMBATANT COMMANDS. The Commanders of the Combatant Commands, in coordination with the other Heads of the DoD Components and through the Chairman of the Joint Chiefs of Staff, shall:

a. Establish policies and procedures to implement the SAPR Program and oversee compliance with this Directive and Reference (c) within their areas of responsibility and during military operations.

b. Formally document agreements with installation host Service commanders, component theater commanders, or other heads of another agency or organization, for investigative, legal, medical, counseling, or other response support provided to incidents of sexual assault.

c. Direct that relevant documents are drafted, including joint operational plans and deployment orders, that establish theater-level requirements for the prevention of and response to incidents of sexual assault that occur, to include during the time of military operations.

d. Require that sexual assault response capability information be provided to all persons within their area of responsibility covered by this Directive and Reference (c), to include

reporting options and SAPR services available at deployed locations and how to access these options.

e. Ensure medical treatment (including emergency care) and SAPR services are provided to victims of sexual assaults in a timely manner unless declined by the victim.

f. Direct subordinate commanders coordinate relationships and agreements for host or installation support at forward-deployed locations to ensure a sexual assault response capability is available to members of their command and persons covered by this Directive and Reference (c) as consistent with operational requirements.

g. Direct that sexual assault incidents are given priority so that they shall be treated as emergency cases.

h. Direct subordinate commanders provide all personnel with procedures to report sexual assaults.

i. Require subordinate commanders at all levels to monitor the command climate with respect to SAPR, and take appropriate steps to address problems.

j. Require that SAPR training for DoD personnel and specialized training for commanders, senior enlisted leaders, SARCs, SAPR VAs, investigators, law enforcement officials, chaplains, healthcare personnel, and legal personnel be conducted prior to deployment in accordance with Reference (c).

k. Direct subordinate commanders to develop procedures that:

(1) Establish guidance for when an MPO has been issued, that the Service member who is protected by the order is informed, in a timely manner, of the member's option to request transfer from the command to which that member is assigned in accordance with section 567(c) of Reference (q).

(2) In OCONUS areas, if appropriate, direct that the appropriate civilian authorities be notified of the issuance of an MPO and of the individuals involved in an order when an MPO has been issued against a Service member or when any individual involved in the MPO does not reside on a military installation when an MPO is in effect. An MPO issued by a military commander shall remain in effect until such time as the commander terminates the order or issues a replacement order. (See section 561 of Reference (p).) The issuing commander also shall notify the appropriate civilian authorities of any change made in a protective order covered by chapter 80 of Reference (b) and the termination of the protective order.

(3) Ensure that the person seeking the MPO is advised that the MPO is not enforceable by civilian authorities off base, and victims desiring protection off base should be advised to seek a civilian protective order in that jurisdiction pursuant to section 562 of Reference (p).

PART II. DEFINITIONS

Unless otherwise noted, these terms and their definitions are for the purpose of this Directive.

confidential communication. Oral, written, or electronic communications of personally identifiable information concerning a sexual assault victim and the sexual assault incident provided by the victim to the SARC, SAPR VA, or healthcare personnel in a Restricted Report. This confidential communication includes the victim's SAFE Kit and its information. See <http://www.archives.gov/cui>.

consent. Words or overt acts indicating a freely given agreement to the sexual conduct at issue by a competent person. An expression of lack of consent through words or conduct means there is no consent. Lack of verbal or physical resistance or submission resulting from the accused's use of force, threat of force, or placing another person in fear does not constitute consent. A current or previous dating relationship or the manner of dress of the person involved with the accused in the sexual conduct at issue shall not constitute consent. There is no consent where the person is sleeping or incapacitated, such as due to age, alcohol or drugs, or mental incapacity.

crisis intervention. Emergency non-clinical care aimed at assisting victims in alleviating potential negative consequences by providing safety assessments and connecting victims to needed resources. Either the SARC or SAPR VA will intervene as quickly as possible to assess the victim's safety and determine the needs of victims and connect them to appropriate referrals, as needed.

culturally-competent care. Care that provides culturally and linguistically appropriate services.

DSAID. A DoD database that captures uniform data provided by the Military Services and maintains all sexual assault data collected by the Military Services. This database shall be a centralized, case-level database for the uniform collection of data regarding incidence of sexual assaults involving persons covered by this Directive and Reference (c). DSAID will include information when available, or when not limited by Restricted Reporting, or otherwise prohibited by law, about the nature of the assault, the victim, the offender, and the disposition of reports associated with the assault. DSAID shall be available to the SAPRO and the DoD to develop and implement congressional reporting requirements. Unless authorized by law, or needed for internal DoD review or analysis, disclosure of data stored in DSAID will only be granted when disclosure is ordered by a military, Federal, or State judge or other officials or entities as required by a law or applicable U.S. international agreement. This term and its definition are proposed for inclusion in the next edition of Joint Publication 1-02 (Reference (r)).

emergency. A situation that requires immediate intervention to prevent the loss of life, limb, sight, or body tissue to prevent undue suffering. Regardless of appearance, a sexual assault victim needs immediate medical intervention to prevent loss of life or undue suffering resulting from physical injuries internal or external, sexually transmitted infections, pregnancy, or psychological distress. Sexual assault victims shall be given priority as emergency cases regardless of evidence of physical injury.

emergency care. Emergency medical care includes physical and emergency psychological medical services and a SAFE consistent with Reference (i).

gender-responsive care. Care that acknowledges and is sensitive to gender differences and gender-specific issues.

healthcare personnel. Persons assisting or otherwise supporting healthcare providers in providing healthcare services (e.g., administrative personnel assigned to a military medical treatment facility, or mental healthcare personnel). Healthcare personnel also includes all healthcare providers.

Military Services. The term, as used in the SAPR Program, includes Army, Air Force, Navy, Marines, Reserve Components, and their respective Military Academies.

non-identifiable personal information. Non-identifiable personal information includes those facts and circumstances surrounding the sexual assault incident or that information about the individual that enables the identity of the individual to remain anonymous. In contrast, personal identifying information is information belonging to the victim and alleged assailant of a sexual assault that would disclose or have a tendency to disclose the person's identity.

official investigative process. The formal process a commander or law enforcement organization uses to gather evidence and examine the circumstances surrounding a report of sexual assault.

personal identifiable information. Includes the person's name, other particularly identifying descriptions (e.g., physical characteristics or identity by position, rank, or organization), or other information about the person or the facts and circumstances involved that could reasonably be understood to identify the person (e.g., a female in a particular squadron or barracks when there is only one female assigned).

qualifying conviction. A State or Federal conviction, or a finding of guilty in a juvenile adjudication, for a felony crime of sexual assault and any general or special court-martial conviction for a UCMJ offense, which otherwise meets the elements of a crime of sexual assault, even though not classified as a felony or misdemeanor within the UCMJ. In addition, any offense that requires registration as a sex offender is a qualifying conviction.

recovery-oriented care. Focus on the victim and on doing what is necessary and appropriate to support victim recovery, and also, if a Service member, to support that Service member to be fully mission capable and engaged.

Restricted Reporting. Reporting option that allows sexual assault victims to confidentially disclose the assault to specified individuals (i.e., SARC, SAPR VA, or healthcare personnel), in accordance with Reference (i), and receive medical treatment, including emergency care, counseling, and assignment of a SARC and SAPR VA, without triggering an official investigation. The victim's report provided to healthcare personnel (including the information acquired from a SAFE Kit), SARCs, or SAPR VAs will NOT be reported to law enforcement or to the command to initiate the official investigative process unless the victim consents or an established EXCEPTION applies in accordance with Reference (c). The Restricted Reporting Program applies to Service members and their military dependents 18 years of age and older. For additional persons who may be entitled to Restricted Reporting, see eligibility criteria in Reference (c). Only a SARC, SAPR VA, or healthcare personnel may receive a Restricted Report, previously referred to as Confidential Reporting. This term and its definition are proposed for inclusion in the next edition of Reference (r).

SAFE Kit. The medical and forensic examination of a sexual assault victim under circumstances and controlled procedures to ensure the physical examination process and the collection, handling, analysis, testing, and safekeeping of any bodily specimens and evidence meet the

requirements necessary for use as evidence in criminal proceedings. The victim's SAFE Kit is treated as a confidential communication when conducted as part of a Restricted Report. This term and its definition are proposed for inclusion in the next edition of Reference (r).

SAPRO. Serves as the DoD's single point of authority, accountability, and oversight for the SAPR program, except for legal processes and criminal investigative matters that are the responsibility of the Judge Advocates General of the Military Departments and the IG, respectively. This term and its definition are proposed for inclusion in the next edition of Reference (r).

SAPR Program. A DoD program for the Military Departments and the DoD Components that establishes SAPR policies to be implemented worldwide. The program objective is an environment and military community intolerant of sexual assault. This term and its definition are proposed for inclusion in the next edition of Reference (r).

SAPR VA. A person who, as a victim advocate, shall provide non-clinical crisis intervention, referral, and ongoing non-clinical support to adult sexual assault victims. Support will include providing information on available options and resources to victims. The SAPR VA, on behalf of the sexual assault victim, provides liaison assistance with other organizations and agencies on victim care matters and reports directly to the SARC when performing victim advocacy duties. Personnel who are interested in serving as a SAPR VA are encouraged to volunteer for this duty assignment. This term and its definition are proposed for inclusion in the next edition of Reference (r).

SARC. The single point of contact at an installation or within a geographic area who oversees sexual assault awareness, prevention, and response training; coordinates medical treatment, including emergency care, for victims of sexual assault; and tracks the services provided to a victim of sexual assault from the initial report through final disposition and resolution. This term and its definition are proposed for inclusion in the next edition of Reference (r).

senior commander. An officer, usually in the grade of O-6 or higher, who is the commander of a military installation or comparable unit and has been designated by the Military Service concerned to oversee the SAPR Program.

Service member. An active duty member of a Military Service. In addition, National Guard and Reserve Component members who are sexually assaulted when performing active service, as defined in section 101(d)(3) of Reference (b), and inactive duty training.

sexual assault. Intentional sexual contact characterized by use of force, threats, intimidation, or abuse of authority or when the victim does not or cannot consent. Sexual assault includes rape, forcible sodomy (oral or anal sex), and other unwanted sexual contact that is aggravated, abusive, or wrongful (including unwanted and inappropriate sexual contact), or attempts to commit these acts.

Unrestricted Reporting. A process that an individual covered by this policy uses to disclose, without requesting confidentiality or Restricted Reporting, that he or she is the victim of a sexual

assault. Under these circumstances, the victim's report provided to healthcare personnel, the SARC, a SAPR VA, command authorities, or other persons is reported to law enforcement and may be used to initiate the official investigative process. Additional policy and guidance are provided in Reference (c). This term and its definition are proposed for inclusion in the next edition of Reference (r).

victim. A person who asserts direct physical, emotional, or pecuniary harm as a result of the commission of a sexual assault. The term encompasses all persons 18 and over eligible to receive treatment in military medical treatment facilities; however, the Restricted Reporting Program applies to Service members and their military dependents 18 years of age and older. For additional persons who may be entitled to Restricted Reporting, see eligibility criteria in Reference (c).

Department of Defense **INSTRUCTION**

NUMBER 1342.22

July 3, 2012

USD(P&R)

SUBJECT: Military Family Readiness

References: See Enclosure 1

1. **PURPOSE.** In accordance with the authority in DoD Directive (DoDD) 5124.02 (Reference (a)), this Instruction:

a. Reissues DoD Instruction (DoDI) 1342.22 (Reference (b)) and establishes policy, assigns responsibilities, and establishes procedures for the provision of military family readiness services.

b. Sets requirements for financial education and counseling, relocation assistance, family readiness in the Reserve Components (RCs), and emergency family assistance (EFA).

c. Cancels DoDD 1342.17, DoDIs 1342.27, 1338.19, and 1342.23, and Directive-Type Memorandum 10-023 (References (c) through (g)).

2. **APPLICABILITY.** This Instruction:

a. Applies to OSD, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff and the Joint Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities within the DoD (hereinafter referred to collectively as the "DoD Components").

b. Applies to all Military Service members and their families and, when authorized by law or the Secretary of the Military Department concerned, and other designated populations such as civilian personnel. Additional detail regarding eligibility for services is outlined in this Instruction.

c. Where it addresses EFA, applies to DoD personnel, including Active Components, RCs, DoD civilians, DoD families, DoD and non-DoD tenants, transient DoD and U.S. Government personnel, and DoD contractors living or working on DoD installations worldwide.

(1) Where Defense Agencies, DoD Field Activities, and other DoD Components are tenant organizations on an installation hosted by a DoD entity that provides family support for the tenant organizations, a separate EFA plan is not required to be developed by such tenant organizations. If the tenant organizations have unique circumstances that are not addressed in the host installation EFA plan, the tenant organization shall develop and maintain an appropriate contingency plan that addresses the gaps in the host installation EFA plan.

(2) Where Defense Agencies, DoD Field Activities, and other DoD Components are tenant organizations hosted by non-DoD entities, appropriate contingency plans are required.

d. Is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any person, organization, or other entity against the United States, its departments, agencies, officers, employees, or agents, or any other person.

3. DEFINITIONS. See Glossary.

4. POLICY. It is DoD policy that:

a. The role of personal and family life shall be incorporated into organizational goals related to the recruitment, retention, morale, and operational readiness of the military force.

b. Service members and their families have primary responsibility for their well-being. Family readiness services enhance members' and families' abilities to fulfill that responsibility.

c. The type and level of family readiness services provided to Service members and their families shall be correlated to needs resulting from the unique challenges associated with military service across three domains of family readiness:

(1) Mobilization and deployment readiness.

(2) Mobility and financial readiness.

(3) Personal and family life readiness.

d. Family readiness services shall be provided through a system that maximizes the network of agencies, programs, services, and individuals in a collaborative manner to promote military family readiness, hereinafter referred to as the family readiness system (FRS). The FRS shall:

(1) Be allocated resources to accomplish its mission.

(2) Be designed, funded, and managed:

(a) Using results obtained from a performance management strategy that includes assessment of needs as well as reporting on family readiness fiscal, manpower and program information, and evaluation of family readiness services.

(b) To enable services, staff, and resources to be surged, drawn down or evolved, as needed, to respond swiftly and effectively to the changing needs of Service members and their families during peacetime, war, periods of force structure change, relocation of military units, base realignment and closure, crisis, natural disaster, and other emergency situations.

(c) To maximize diverse forms of service delivery including, but not limited to, the Internet, telephone, outreach, and co-location of services in an easily accessible environment.

(d) To address the varied composition, cultural diversity, and demographics of Service members and their families.

(3) Promote military recruitment and retention, and support commanders' ability to maintain a mission-ready force consistent with DoDI 4001.1 (Reference (h)).

(4) Link formal and informal networks to promote a sense of community and optimize Service member and family strengths and capacity to demonstrate resilience.

(5) Involve Service members, their families, and DoD leadership in FRS performance management efforts, as appropriate.

(6) Promote interagency collaboration and service coordination within and among Federal and non-Federal entities to identify and achieve common family readiness goals and improve communication among service providers and with Service members and their families.

(7) Provide compassionate, coordinated assistance and support to DoD personnel and their families in the event of an all-hazards incident.

(8) Use joint program standards and standardized assessment tools to ensure that the services outlined in this Instruction are available, accessible, and have the intended impact.

(9) Work collaboratively with public affairs offices to create uniform and comprehensive communication strategies targeted to Service members, their families, service providers, commanders, and communities.

5. RESPONSIBILITIES. See Enclosure 2.

6. PROCEDURES. See Enclosure 3.

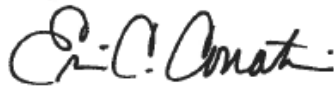

7. INFORMATION COLLECTION REQUIREMENTS. The Annual Report on Family Readiness Programs referred to in paragraphs 7.d. of Enclosure 2 and 6.e. of Enclosure 3 of this Instruction has been assigned Report Control Symbol (RCS) DD-P&R(A) 1910 in accordance with DoD 8910.01-M (Reference (i)).

8. RELEASABILITY. UNLIMITED. This Instruction is approved for public release and is available on the Internet from the DoD Issuances Website at <http://www.dtic.mil/whs/directives>.

9. EFFECTIVE DATE. This Instruction:

a. Is effective July 3, 2012.

b. Must be reissued, cancelled, or certified current within 5 years of its publication in accordance with DoDI 5025.01 (Reference (j)). If not, it will expire effective July 3, 2022 and be removed from the DoD Issuances Website.

1. UNDER SECRETARY OF DEFENSE FOR PERSONNEL AND READINESS (USD(P&R)). The USD(P&R) shall:

- a. Monitor compliance with this Instruction.
- b. Establish partnerships, in accordance with applicable laws and regulations, with Federal and non-Federal entities to enhance family readiness services.
- c. Pursuant to section 1781 of title 10, United States Code (U.S.C.) (Reference (k)), maintain the Office of Family Policy, which shall:
 - (1) Coordinate programs and activities of the Military Departments to the extent that they relate to military families.
 - (2) Make recommendations to the Secretaries of the Military Departments with respect to programs and policies regarding military families.

2. ASSISTANT SECRETARY OF DEFENSE FOR READINESS AND FORCE MANAGEMENT (ASD(R&FM)). The ASD(R&FM), through the Office of the Deputy Assistant Secretary of Defense for Military Community and Family Policy (ODASD(MC&FP)) under the authority, direction, and control of the USD(P&R) shall:

- a. Provide direct oversight of family readiness services through the regular collection and analysis of fiscal, manpower, facility, and program information from the Military Services. In collaboration with the Secretaries of the Military Departments, develop a standard format and common elements for the Annual Report on Family Readiness Programs required in paragraph 6.e. of Enclosure 3 to facilitate such oversight.
- b. Provide dedicated staff to oversee implementation of this Instruction.
- c. In collaboration with the Military Departments, establish a FRS performance management strategy pursuant to section 6 of Enclosure 3.
- d. Initiate, coordinate, and track research activities related to military family readiness, and ensure that such research and promising practices are catalogued and made available to stakeholders. Use research to inform programmatic decisions. Provide guidance and technical assistance to the DoD Components in applying research findings to program management.
- e. Establish requirements for family readiness service provider training and coordinate joint-Service training programs based on research and the results of program evaluation.

f. Coordinate with the Assistant Secretary of Defense for Reserve Affairs (ASD(RA)) to ensure:

(1) Access to family readiness services by members of the RCs and their families consistent with Service regulations.

(2) Involvement of the RCs in family readiness planning, implementation, and evaluation.

(3) Coordination among Reserve Regional Headquarters, State Joint Forces Headquarters, installation commanders, and community leaders through inter-Service family assistance committees, as appropriate.

(4) Access to training for the RCs.

g. Share lessons learned related to family readiness services with the Deputy Assistant Secretary of Defense for Civilian Personnel Policy for application to the Civilian Expeditionary Workforce in accordance with DoDD 1404.10 (Reference (1)).

h. In collaboration with the Secretaries of the Military Departments, establish a family readiness communication plan to:

(1) Promote consistency in family readiness messages provided to Service members and their families.

(2) Educate the broader military, federal, and civilian communities about the relationship between family readiness and operational readiness and the family readiness system.

(3) Promote referrals by those who have direct contact with Service members and their families (including health care providers, school personnel, legal personnel, chaplains, and child care providers) to the family readiness services outlined in paragraph 3 of Enclosure 3, as appropriate.

i. Appoint a representative to the DoD Emergency Management Steering Group consistent with DoDI 6055.17 (Reference (m)).

3. DEPUTY ASSISTANT SECRETARY OF DEFENSE FOR WOUNDED WARRIOR CARE AND TRANSITION POLICY (DASD(WWCTP)). The DASD(WWCTP), under the authority, direction, and control of the USD(P&R), shall provide oversight for transition assistance services.

4. ASD(RA). The ASD(RA), under the authority, direction, and control of the USD(P&R), shall:

a. Ensure compliance with this Instruction within the RCs.

b. In collaboration with the ASD(R&FM), provide oversight of family readiness fiscal, manpower, facility, and program elements through the regular review of information from the Military Services in accordance with paragraph 6.e. of Enclosure 3.

5. ASSISTANT SECRETARY OF DEFENSE FOR HEALTH AFFAIRS (ASD(HA)). The ASD(HA), under the authority, direction, and control of the USD(P&R), shall establish requirements for education and training on the FRS for Military Health System (MHS) personnel to ensure appropriate referrals between the MHS and the FRS, when indicated.

6. HEADS OF THE DOD COMPONENTS. The Heads of the DoD Components shall:

a. Establish implementing guidance in accordance with the EFA requirements of this Instruction.

b. Ensure that every DoD installation has a written plan for the provision of EFA that addresses the requirements of this Instruction and is integrated into overarching installation emergency management plans in accordance with Reference (m).

7. SECRETARIES OF THE MILITARY DEPARTMENTS. The Secretaries of the Military Departments, in addition to the responsibilities in section 6 of this enclosure, shall:

a. Establish implementing Departmental guidance in accordance with this Instruction and forward a copy of implementing guidance to the ASD(R&FM) within 120 days. To the extent possible, the Services should encourage use of terminology, e.g., program labels, consistent with this Instruction to minimize confusion for end users.

b. Allocate adequate resources to implement the requirements of this Instruction, ensuring that family readiness services are available to all Service members and their families regardless of geographic location or proximity to military installations.

c. Ensure integration of the RCs in all aspects of FRS development and management. Identify and address needs that are unique to the RCs.

d. Collaborate with the ASD(R&FM) to develop and implement a family readiness performance management strategy in accordance with section 6 of Enclosure 3, including submission of:

(1) The Annual Report on Family Readiness Programs to the Deputy Assistant Secretary of Defense for Military Community and Family Policy no later than 15 February annually.

(2) Triennial assessments of military family needs.

e. Coordinate family readiness programming with the RCs, other Military Services, and other Federal and non-Federal entities to avoid redundancy and maximize the use of existing resources to the greatest extent possible.

f. Assist Service members in fulfilling their responsibility to prepare their families for their mission-related absence(s).

g. Ensure that local military communities, including military families, commanders, medical personnel, chaplains, child and youth services personnel, school personnel, and community-based service providers, as appropriate, are educated about:

(1) The rewards and challenges of military service.

(2) The relationship between family readiness and operational readiness.

(3) The system of support available to military families in managing the challenges of daily living experienced in the context of military service.

h. Ensure monitoring of banks and credit unions on military installations for compliance with financial education requirements in paragraphs 340307(h) and 340409 (Volume 5, Chapter 34) of DoD 7000.14-R (Reference (n)) and DoDI 1344.07 (Reference (o)).

i. Ensure establishment of a Family Readiness Coordinating Committee (FRCC) on every military installation in accordance with section 7 of Enclosure 3.

j. Direct commanders to:

(1) Encourage the use of family readiness services by Service members and their families.

(2) Leverage the FRS to help them identify potentially challenging family issues and mitigate the impact of such issues on operational readiness, including:

(a) Consult regularly with family readiness leadership and service providers to keep families informed of family readiness services and address family readiness-related challenges.

(b) Refer Service members in their commands for personal financial management (PFM) services when notified of such members' financial difficulty or indebtedness.

(3) Support Total Force Joint-Service family readiness efforts to maximize regional cooperation, planning, and information sharing. Capabilities resident in the Military Services and other Federal, State, and local entities should be maximized to assist with family readiness efforts.

ENCLOSURE 3

PROCEDURES

1. OVERVIEW OF THE FRS

a. The FRS is composed of DoD-operated and community-based family readiness services that are delivered through a variety of access points, e.g., Military and Family Support Centers (MFSCs) and Military OneSource (MOS). (See paragraph 4.b. of this enclosure for detailed information on family readiness access points.)

(1) Section 3 of this enclosure provides requirements for the family readiness services that represent the foundation of the FRS.

(2) Other services provided by DoD entities and through collaboration with other Federal and non-Federal entities shall be engaged as contributors to the overall mission of the FRS as described in paragraph b. of this section. Such services include, but are not limited to, religious or spiritual support; medical services; child and youth services; psychological services; sexual assault prevention and response services; suicide prevention services; and children's educational services.

b. The mission of the FRS is to help Service members and their families manage the challenges of daily living experienced in the unique context of military service. The FRS performs the critical roles of:

(1) Assisting commanders in preventing, identifying, and addressing family readiness-related challenges in order to maintain unit cohesion and operational readiness. Family readiness service providers serve as consultants to commanders in this effort.

(2) Providing a network of high-quality integrated services and support that mitigate the challenges of daily living and those associated with the military lifestyle.

c. Family readiness services shall emphasize personal growth, positive development, and improved individual and family functioning.

d. Except where otherwise required by law, DoD regulation or command authority, accessing family readiness services is voluntary.

2. FUNDING. Family readiness services shall be operated using appropriated funds, unless the Secretary of the Military Department has elected to operate them as a Category A morale, welfare, and recreation (MWR) activity per the guidance in DoDI 1015.10 (Reference (p)).

3. SERVICES. The following services shall be made available to Service members and their families.

a. Relocation Assistance. In accordance with section 1056 of Reference (k), relocation assistance shall be available to Service members who are ordered to make a permanent change of station (PCS) and dependents of such members who are authorized to move in connection with the PCS.

(1) Services shall include:

(a) Information, education, and referrals related to destination area preparation and settling-in, with emphasis on information regarding moving costs; housing options and home-finding assistance; child care; services for family members with special needs; spouse employment opportunities; schools; cultural adaptation; immigration issues; and community orientation.

(b) Workshops and counseling and, as requested and in coordination with other family readiness service providers, about financial management; home buying and selling; renting; stress management related to moving; property management; and shipment and storage of household goods (including motor vehicles and pets).

(c) Sponsorship training services to facilitate cost-effective and efficient transition to a new community and unit.

(2) Relocation information and resources shall be available via a secure DoD-maintained computerized information system (CIS).

(a) Relocation information shall be continuously updated in the CIS by installation relocation service providers.

(b) Relocation information shall be certified quarterly in the CIS by installation relocation service providers.

(c) Relocation assistance staff shall inform military personnel offices about the CIS so they may access information on locations of possible future duty assignments.

b. Non-Medical Individual and Family Counseling. The FRS shall provide non-medical counseling services that are short-term and solution focused, and address topics related to personal growth, development, and positive functioning. Such services are governed by DoDI 6490.06 (Reference (q)).

c. Personal and Family Life Education. The FRS shall offer:

(1) Education and enrichment services that focus on helping families build and maintain healthy relationships, strengthen interpersonal competencies and problem-solving skills, and master respective roles, tasks, and responsibilities throughout the family life cycle.

(2) When possible and in collaboration with other family readiness service providers, education and resources related to health, fitness, wellness, and nutrition.

d. PFM Services. The FRS shall offer proactive personal life cycle financial management services that provide Service members and their families with the tools and information they need to develop individual strategies to achieve financial goals and address financial challenges. Information shall address the effects of financial decisions on personal and professional lives, resources needed to make prudent consumer decisions, and related services and support.

(1) Service members are responsible for their personal finances, and are expected to pay their just financial obligations in a proper and timely manner pursuant to DoDI 1344.09 (Reference (r)).

(2) PFM services shall:

(a) Support commanders in maintaining unit financial readiness to sustain mission readiness.

(b) Promote personal readiness and retention in the military.

(c) Include:

1. Education and training.

a. Education and training shall be designed as a continuum of service, provided as a component of Service members' initial entry orientation training and of periodically recurring training across the military lifecycle as outlined in Section 992 of Reference (k).

b. At a minimum, training on basic PFM skills shall be provided to Service members within 3 months of arriving at the first permanent duty station.

c. Service members assuming a leadership role with responsibility for supervision of others (officers and noncommissioned officers) shall be provided with information on policies and practices designed to protect junior military members, including those governing commercial solicitation as outlined in Reference (o).

2. Counseling.

a. One-on-one assistance in the evaluation of individual or family income and expenditures and recommendations for short- and long-term actions to achieve the financial goals and contribute to individual and operational readiness shall be provided.

b. Prior to deployment, Service members shall be encouraged to establish an extended absence financial plan, and support will be offered in the development of such plans.

3. Consumer advocacy and complaint resolution and reporting assistance in coordination with appropriate authorities.

4. Information and referrals (I&Rs) made in accordance with Reference (o).

(d) At a minimum, address:

1. Money management, which includes information on topics such as savings and banking; budgeting; credit management; debt management; and making prudent consumer purchases.

2. Financial management planning, which includes basic information on topics such as investing; taxes; insurance; education; wills and trusts; transition/retirement, and information on how to evaluate and select assistance with in-depth financial planning needs.

3. Legal affairs information and referral (I&R) on topics such as estate planning; power of attorney; predatory lending and compliance with sections 501-596 of the appendix to title 50, U.S.C. (also known as “The Servicemembers Civil Relief Act”) (Reference (s)).

(3) Outreach to children, youth, and spouses (or service providers serving these groups) shall encourage family member participation in PFM services.

(4) Where applicable, PFM services shall incorporate the following DoD Financial Readiness Campaign pillars to help Service members reach their financial goals and achieve financial freedom:

(a) Maintain good credit.

(b) Achieve financial stability.

(c) Establish routine savings.

(d) Participate in the Thrift Savings Plan and Savings Deposit Program.

(e) Sustain the Service member’s Group Life Insurance and other insurance.

(f) Encourage low-cost loan products as an alternative to payday lending and predatory loans.

(g) Use low-cost MWR programs.

(h) Preserve security clearances.

(5) The provision of PFM services shall maximize existing DoD assets, including command-based financial readiness service providers and other DoD-sponsored financial readiness assets approved by the installation commander.

(a) When banks and credit unions operating on DoD installations and other non-governmental organizations are used to provide financial education, they shall comply with the conditions set forth in Reference (o).

(b) When services from a non-governmental organization are utilized, DoD service providers shall monitor them throughout the duration of instruction.

(6) At a minimum, one staff member within the installation-based MFSC shall be designated and trained to organize and execute financial management services for the military community. Service providers hired, contracted, or serving part-time as the primary expert on personal finances for the installation or region shall:

(a) Possess a baccalaureate degree from an accredited college or a combination of education and experiences, which equips such service providers to serve as a PFM counselor.

(b) Obtain and maintain a nationally recognized financial counselor certification in accordance with Service implementing guidance.

e. I&R Services. I&R services shall embody a continuum of service that links individuals with the information or service that meets an identified need. Such services include:

(1) Familiarizing Service members and their families with the range of services available through the FRS.

(2) Making referrals to DoD-operated and community-based resources.

(3) Working closely with Service members and their families to identify their needs and locate services not readily available through the FRS.

(4) Advocating for Service member and family access to needed services.

f. Deployment Assistance. The FRS shall offer services and support to Service members and their families before, during, and after deployment to promote positive adjustment to deployment, family separation, and family reunion. Such services shall:

(1) Be provided for mobilizations, activations, and deployments lasting longer than 30 days and those happening as a unit or individually.

(2) Educate Service members and their families about deployment-related challenges that they may face, and the services available to them to cope with such challenges.

(3) Be initiated early enough that Service members and their families have adequate time to participate and respond to the information that they receive.

(4) Ensure ongoing outreach, communication, activities, and events with deploying and deployed units, Service members and their families throughout all phases of deployment to

promote prevention and early identification of family problems that may compromise military or family readiness.

(5) As requested by commanders or Service members, provide assistance in developing family care plans in accordance with DoDI 1342.19 (Reference (v)).

g. Spouse Education and Career Opportunities (SECO). The FRS shall provide services that strengthen the education and career opportunities of military spouses.

(1) In accordance with sections 1784 and 1784a of Reference (k), education and career opportunity services shall include:

(a) Career exploration opportunities to help military spouses understand their skills, interests, and goals in order to discover available opportunities that are aligned with these personal characteristics.

(b) Education and training to help military spouses identify academic, licensing, or credentialing requirements that can help them reach career goals and access sources of financial assistance for such requirements.

(c) Employment readiness assistance to optimize self-marketing skills such as resume writing and interview techniques.

(d) Employment connections that promote the hiring of military spouses through the Military Spouse Employment Partnership and other partnerships, online career networks, job fairs, and Federal appointment authorities, as appropriate.

(2) When assessing the need for SECO services, family readiness service providers shall identify opportunities to refer military spouses to other services that support their well-being, e.g., health and fitness; family life education; and PFM services.

h. Exceptional Family Member Services. In accordance with section 1781c of Reference (k), family support services shall be provided to assist family members with special needs in accessing services as part of the overall Exceptional Family Member Program (EFMP). Family support services shall include, but are not limited to:

(1) Provision of assistance to military families with family members with special needs, regardless of the sponsor's enrollment status in the EFMP.

(2) Provision of non-clinical case management, including the development and maintenance of an individualized services plan that identifies the family's current needs and the services they require.

(3) Provision of information about and referral to appropriate local military and community resources.

(4) Provision of information to leadership in identifying and addressing the needs of military families with special needs.

(5) Collaboration with installation providers and Federal, State, and local agencies to share and exchange information in developing a comprehensive program.

(6) Provision of relocation support, including coordination with the gaining installation's EFMP community support program, consistent with paragraph 3.a. of this enclosure.

(7) Education and provision of assistance to Service members and their families about the EFMP enrollment and assignment coordination process, resources, and other topics as deemed appropriate.

i. Child Abuse Prevention and Response Services. Child abuse prevention and response services are provided as governed by DoDD 6400.1 (Reference (u)).

j. Domestic Violence Prevention and Response Services. Domestic violence prevention and response services are provided as governed by Reference (u) and DoDI 6400.06 (Reference (v)).

k. MWR Services. MWR services are provided as governed by Reference (p)).

l. EFA. Requirements for EFA were developed using recommendations from the Report of the DoD Independent Review (Reference (w)) and the DoD After Action Report (Reference (x)).

(1) EFA Plans. Every DoD installation shall develop and maintain a written statement of policy that establishes, implements, and sustains EFA under the authority of the installation emergency management plan in accordance with Reference (m). At a minimum, such plans shall include:

(a) Mission. Plans shall describe the mission of the Emergency Family Assistance Center (EFAC) as promoting short- and long-term recovery and the return to a stable environment and mission ready status for DoD personnel and their families following an all-hazards incident, and in accordance with Joint Publication 3-68 (Reference (y)), delivery of noncombatant repatriation assistance for DoD/non-DoD civilian employees and DoD/non-DoD family members affected by an authorized/ordered departure from an overseas country throughout the entire safe haven period. The EFAC shall be the central point for:

1. Delivery of the services outlined in subparagraph 3.1.(1)(c)5. of this section, which address the practical and emotional needs of families arising from the incident.

2. Coordination of family assistance services from governmental and non-governmental entities.

3. Continuous, authoritative, and factual family assistance information for Service members, families, service providers, leadership, and other stakeholders.

(b) Concept of Operations. The concept of operations shall describe the general sequence and scope of the family assistance response effort, and shall include:

1. The sequence of activities for activating, sustaining, and deactivating an EFAC, including criteria for assessing the types of services required based on the type of incident.
2. Organizational responsibilities and plans for coordination among organizations supporting the family assistance response effort.
3. Execution of the EFA plan, including plans for synchronization of services across the functional areas in subparagraphs 3.1.(1)(c)4. and 3.1.(1)(c)5. of this section.
4. Plans for assessing the need for community support.
5. Integration of the EFA plan as part of the installation emergency management plan.
6. An equipment and materials checklist to activate the EFAC.

(c) Organizational Structure. EFA plans shall describe the organizational structure for the EFAC and organizational and functional responsibilities. The organizational structure of the EFA plan shall be captured in the installation emergency management plan. The EFAC organizational structure shall:

1. Include the EFAC staffing structure, including lines of succession for key management and staff positions.
2. Provide for the development and updating of contact rosters.
3. Include any memorandums of agreement, memorandums of understanding, or any other agreements with emergency responders; relevant service providers (installation-based and community-based); other Service component commands; and local, State, and Federal emergency management institutions. These documents define the lines of communication and working relationship between the EFAC and other emergency responders.
4. Address, at a minimum, responsibilities of the EFAC functional areas and the staff positions that comprise:
 - a. Management, which includes the EFAC director, a legal advisor, and a casualty and mortuary affairs advisor.
 - b. Administration, which includes volunteer coordination, documentation and reporting, communication, and registration functions.
 - c. Public affairs.

5. Address the EFAC operational component, including the types of services to be provided to families, personnel requirements for such services, and coordination among service providers. At a minimum, plans shall address requirements for the provision of:

- a. Identification of medical needs and information on available medical services.
- b. Coordination with casualty and mortuary affairs.
- c. Religious and pastoral care.
- d. Psychosocial services, including assessment, non-medical counseling (inclusive of crisis intervention, stress counseling, and debriefs), and referrals to military or community medical providers for persons requiring clinical mental health services.
- e. Housing or temporary lodging services.
- f. Transportation.
- g. Translation and interpreter services.
- h. Child and youth services.
- i. Legal services.
- j. Financial services, including assistance with insurance, entitlements, and benefits.
- k. I&R services.
- l. Shelter management.
- m. Personnel locator assistance.

6. Address measures to provide security, access control, and protection of privacy in accordance with DoDD 5400.11 (Reference (z)) and DoDI 6025.18 (Reference (aa)); privacy and security rules with respect to documentation of any medical services provided; and any casualty- and mortuary-related information, including media-neutral life cycle management (i.e., creation, maintenance, use, and disposition) of associated records (electronic or paper).

7. Address measures to ensure media-neutral life cycle management (i.e., creation, maintenance, use, and disposition) of EFA program records (paper and electronic) in accordance with DoDD 5015.2 (Reference (ab)).

8. Address coordination with installation family readiness groups, as appropriate.

(d) Administration and Logistics. This section of the plan shall address:

1. Site and Facility. The EFA plan shall list multiple site options for the delivery of EFA in the event of an all-hazards incident. Site options shall:

- a. Include installation- and community-based options.
- b. Identify primary and secondary locations.
- c. Be accessible, convenient, and secure. Proper security measures, which shall be in place throughout the duration of the emergency response, shall ensure the safety and comfort of individuals served and be coordinated with local law enforcement efforts.
- d. Have adequate space to accommodate an intake area; private areas for the provision of services to families; a briefing room; work centers for EFAC staff; space for the provision of child and youth services; a command center with private meeting space; donation collection area; and space to visually display information for families.

2. Equipment and Technology. The EFA plan shall include equipment and technology requirements, including those that:

- a. Enable the operation of a 24 hours a day, 365 days a year telephone hotline.
- b. Support accountability, assessment, communication, and reporting functions.

3. Supplies. The EFA plan shall include a supply list and actions for accessing required supplies in the event of an all-hazards incident.

4. Transportation. The EFA plan shall include requirements for various types of transportation support.

5. Communications. The EFA plan shall include requirements for regular communication with:

- a. Persons affected by the incident.
- b. EFAC staff, volunteers, and other organizations supporting the emergency response effort.
- c. Installation emergency operations center.
- d. Military Service headquarters.

(e) Procedures. The EFA plan shall include guidelines and procedures for:

1. Referral of individuals for emergency relief supplies and donations.
2. Collection and protection of information obtained from individuals served by the EFAC.
3. Documentation of EFA activities and preparation of an after-action report as required in paragraph 6.e. of this enclosure.

(2) Training. Those responsible for functions in subparagraph 3.1.(1)(c)4. and providers of the services listed in subparagraph 3.1.(1)(c)5. of this section shall be regularly trained on installation EFA plans and procedures.

(3) Education. DoD personnel and their families shall be provided with information on installation emergency response procedures, including location(s) of the EFAC in the event of an incident.

(4) EFA Exercises. EFA plans shall be:

(a) Tested annually as part of installation emergency management exercises in accordance with Reference (m).

(b) Updated annually to address recommendations made in response to installation emergency management exercises, if any.

m. Transition Assistance. Transition assistance services that prepare separating Service members and their families to reenter the civilian work force shall be provided in accordance with DoDD 1332.35 (Reference (ac)).

4. SERVICE DELIVERY

a. Principles. Family readiness service delivery models shall be configured in accordance with the following principles.

(1) Senior military and civilian personnel with direct oversight of family readiness services shall encourage collaboration among family readiness service providers and integrate services provided through available access points to facilitate Service member and family ability to navigate the FRS.

(2) Family readiness service providers may contact military family members with or without the Service member sponsor's consent when relaying official information to a family member pertaining to their readiness. Personally identifiable information shall be protected in accordance with Reference (z).

(3) Family readiness service providers shall conduct regular outreach to command representatives, family readiness unit liaisons, Service members and their families, and civilian service providers to:

(a) Maximize opportunities to work with the command to regularly share official family readiness information (e.g., program and event schedules; family readiness points of contact; location and availability of services) with military families.

(b) Promote awareness of family readiness services and encourage proactive engagement with the FRS by family readiness unit liaisons, Service members, family members, and civilian service providers.

(c) Enhance individuals' ability to easily navigate among the various access points within the FRS.

(d) Ensure access to services by geographically-dispersed and socially-isolated Service members and their families.

(4) Service delivery shall optimize military-civilian, inter-department and interagency partnership opportunities to:

(a) Augment services, as appropriate.

(b) Provide family readiness services to geographically-dispersed and socially-isolated Service members and their families.

(c) Identify and eliminate duplication of service.

(d) Promote timely and appropriate referrals of Service members and families to services.

(5) Service delivery shall accommodate an array of service modalities, effectively using technology to improve the capacity of the FRS to provide Service members and their families with easy and rapid access to high-quality information and resources, wherever they reside.

(6) The FRS shall deliver services in a manner consistent with military families' needs, as indicated through needs assessments in accordance with paragraph 6.a. of this enclosure.

b. Access Points. Family readiness access points may include, but are not limited to:

(1) MFSCs. MFSCs shall:

(a) Be visually conspicuous and conveniently accessible by active duty Service or Reserve Service members and their families and, in accordance with Service implementing guidance, other populations designated by the Secretaries of the Military Departments.

(b) Be designed and furnished in a way that welcomes Service members, their families, and other clients in accordance with Service implementing guidance.

(c) Comply with Unified Facilities Criteria 4-730-01 (Reference (ad)).

(2) RC Family Programs. RC family programs shall be:

(a) Knowledgeable about DoD-operated and community-based services to link RC families to such services in a timely manner.

(b) Accessible by Service members and their families regardless of activation status.

(3) Joint Family Support Assistance Program (JFSAP). In accordance with section 675 of Public Law 109-364 (Reference (ae)), the JFSAP shall:

(a) Augment family readiness services provided by the Military Departments by providing services to Service members and their families from all components in all domestic states and territories.

(b) Deliver services through a State or territory-based team that includes a combination of military and family life counselors, child and youth behavioral counselors, personal financial counselors, and MOS consultants.

(c) Target outreach efforts towards Service members and their families who are geographically dispersed from a military installation.

(d) In accordance with applicable law and regulations, collaborate and build relationships with community organizations to enhance the availability of high-quality community-based family readiness services.

(e) Be accessible by all Service members and their families in accordance with Reference (p).

(4) MOS. MOS shall:

(a) Augment family readiness services provided by the Military Departments by providing information, referrals, and confidential non-medical counseling services.

(b) Be available to Service members and their families 24 hours a day, 365 days a year.

(c) Be accessible by Service members and their families in accordance with Reference (p).

(5) Military and Family Life Counselor (MFLC) Program. MFLCs shall:

(a) Augment counseling provided by the Military Departments.

(b) Provide confidential non-medical, short-term, solution-focused counseling and briefings that augment counseling provided by the Military Services.

(c) Be accessible to Service members and their families in accordance with Reference (p).

(6) Medical Command. In accordance with Service implementing guidance, child abuse and domestic abuse prevention and response services may be delivered through the medical command.

5. SERVICE PROVIDERS. FRS providers shall be qualified to provide DoD-operated family readiness services in accordance with standards required in paragraph 6.b. of this enclosure.

a. Training. Family readiness service providers shall receive training, as necessary and in accordance with Service implementing guidance, for the performance of their job responsibilities.

(1) Ongoing employee training and professional development requirements shall be established and monitored to ensure that such requirements are met.

(2) Initial and ongoing training shall include training about the variety of services and supports available to families across the FRS and family readiness service providers' shared responsibility for the readiness of families served.

b. Supervision. Family readiness service providers shall receive the support and supervision necessary to effectively perform their job responsibilities.

c. Volunteers. Programs to recognize volunteers for their efforts in support of family readiness programs shall be encouraged. Volunteers shall be used in accordance with section 1588 of Reference (k) and DoDI 1100.21 (Reference (af)).

6. PERFORMANCE MANAGEMENT. A FRS performance management strategy that balances the need for overarching consistency and Service-specificity shall be developed jointly by the ODASD(MC&FP and the Military Services to assess elements of cost, quality, effectiveness, utilization, accessibility, and customer satisfaction. The strategy shall include:

a. Assessment of Needs. Except where services are mandated by law or other regulation, the content and delivery of family readiness services shall be based on the needs of Service members and their families.

(1) Assessments of needs shall be designed to determine:

- (a) The types of services needed and who needs them.
- (b) The level at which there is a need, e.g., local, regional, Service-wide, DoD-wide.
- (c) How Service members and families are accessing or prefer to access services.

(2) Service-wide assessments of needs shall be conducted at least every 3 years pursuant to section 1782 of Reference (k), and a copy of the results shall be forwarded to the ODASD(MC&FP).

b. Quality Assurance. To ensure the family readiness services in section 3 of this enclosure meet national standards of quality, they shall be accredited or certified using standards developed by a national accrediting body not less than once every 4 years.

c. Monitoring. Personnel from the Military Service Headquarters and the ODASD(MC&FP) shall periodically visit family readiness access points to ensure compliance with this Instruction. These visits may be part of the accreditation and certification process in accordance with paragraph b. of this section and will be coordinated with the Services.

d. Evaluation. The impact of family readiness services shall be measured through program evaluation that uses valid and reliable outcome, customer satisfaction, cost, and process measures that are linked to specific and measurable performance goals. Evaluation shall produce both qualitative and quantitative data that are used to inform decisions regarding sustainment, modification or termination of family readiness services.

e. Reporting. In accordance with Reference (ab) and paragraphs 2.a. and 7.d(1). of Enclosure 2, the Annual Report on Family Readiness Programs shall be provided by the Military Departments to the ASD(R&FM) through DASD(MC&FP) no later than 15 February annually.

(1) The ASD(R&FM) and the Services shall identify common reporting elements. In accordance with paragraph b. of this section, accreditation results shall be included in the annual report.

(2) In the event of an all-hazards incident, EFA activities and lessons learned shall be documented in an after-action report in accordance with Service implementing guidance, and forwarded to the ASD(R&FM).

7. GOVERNANCE. Every military installation shall have a FRCC, which shall serve as a forum for cross-organizational review and resolution of individual, family, and installation community issues that impact military family readiness.

a. FRCC Chair. The FRCC shall be chaired by the installation commander or deputy. This responsibility shall not be delegated below the second highest ranking commander. The FRCC is not necessary if an installation committee or council already performs this function, a similar function or whose function could be expanded to cover the FRCC's responsibilities.

b. FRCC Membership. FRCC members shall include representatives who are full-time or permanent part-time Federal officers or employees from:

- (1) Leadership with oversight of the service areas in section 3 of this enclosure.
- (2) Psychological health.
- (3) DoD Education Activity when there is a DoD-school on the installation and school liaison representatives.
- (4) Chaplaincy.
- (5) Child and youth services.
- (6) Sexual assault prevention and response services.
- (7) Medical.
- (8) Other installation organizations as requested by the installation commander.

c. FRCC Role. The FRCC shall:

- (1) Recommend changes in policy or procedures related to family readiness services outlined in section 3 of this enclosure.
- (2) Facilitate pooling of resources for cross-organizational activities to enhance military family readiness
- (3) Review the results of needs assessments and program evaluations to assign appropriate follow-up actions, including making recommendations on the sustainment, modification, and termination of services, as appropriate.
- (4) Promote collaboration among helping agencies to identify gaps in service, reduce duplication of effort, and develop and implement internal and external cross-organizational solutions to problems that cannot be resolved by individual organizations or programs.
- (5) Collaborate with other components and participate in State boards or coalitions whose mission is to collaborate in support of Service members and their families.
- (6) Prioritize and forward, at least semi-annually, to their Service Headquarters, issues that cannot be resolved at the installation level. Promising practices related to the resolution of issues shall be captured by Service Headquarters and shared with the ASD(R&FM) for dissemination to the other Services, as appropriate.

PART II. DEFINITIONS

Unless otherwise noted, these terms and their definitions are for the purposes of this Instruction.

access point. A vehicle through which Service members and their families can access family readiness information, services and referrals.

accredited. Verification that family readiness services have been assessed by a national accrediting body and meet the standards of quality established by that body.

all-hazards. Defined in Reference (m).

certified. Verification that family readiness services have been internally assessed by the organization providing such services and meet the standards of quality established by a national accrediting body.

dependent. Defined in section 401 of title 37, U.S.C. (Reference (ag)).

deployment. Defined in Joint Publication 1-02 (Reference (ah)).

extended absence financial plan. A plan developed by a Service member prior to deployment, specifying the following for the period of the absence: legal power of attorney to accomplish personal and financial requirements, a plan for meeting financial obligations, disposition of car and auto insurance, allotments by appropriate monthly expenditures, and disposition of other financial issues that might occur during the period of absence.

family member with special needs. A family member with special medical or educational needs who meets the criteria established in DoDI 1315.19 (Reference (ai)).

family readiness. The state of being prepared to effectively navigate the challenges of daily living experienced in the unique context of military service. Ready individuals and families are knowledgeable about the potential challenges they may face; equipped with the skills to competently function in the face of such challenges; aware of the supportive resources available to them; and make use of the skills and supports in managing such challenges. Includes mobility and financial readiness, mobilization and deployment readiness, and personal and family life readiness. This term and its definition are proposed for inclusion in the next edition of Reference (ah).

family readiness unit liaison. An official command-sponsored individual, who provides liaison between Service members and their families and the command, promoting a culture of mutual support and communication.

formal network. A network that reflects the policies and systems operating under military or civilian authority as instruments of socialization and support.

FRCC. An installation-level coordinating body that meets to conduct cross-organizational review and resolution of individual, family, and installation community issues that impact military family readiness.

FRS. The network of agencies, programs, services, and individuals, and the collaboration among them, that promotes the readiness and quality of life of Service members and their families.

FRS director. The individual at the local level who is responsible for the management of the FRS.

informal network. The associations, interactions, exchanges, and connections that people and families make in everyday life, including group associations and less organized networks of personal and collective relationships.

MFSC. An installation based facility that provides family readiness services at installations with 500 or more Service members assigned.

military family. A group composed of one Service member and spouse; Service member, spouse and such Service member's dependents; two married Service members; or two married Service members and such Service members' dependents. To the extent authorized by law and in accordance with Service implementing guidance, the term may also include other nondependent family members of a Service member.

military community. Service members, military families, military leadership, and military and civilian family readiness service providers.

mobility and financial readiness. The state of being prepared to successfully meet financial obligations and manage the challenges of the mobile military lifestyle.

mobilization and deployment readiness. The state of being prepared for the challenges of mobilization and deployment, to cope with changes in operational tempo, to address personal and family emergencies and stress in the absence of a deployed family member and to access appropriate services and support in the event of military service-related injury, illness, or death.

non-clinical case management. The provision of I&R to families and individuals to assist them in making informed decisions and navigating the resources they need to improve their quality of life. This may include I&R for medical, educational, social, community, legal, and financial services. This does not involve coordination and follow-up of medical treatments.

non-medical counseling. Defined in Reference (q).

operational readiness. Defined in Reference (ah).

outreach. Systematic efforts to make contact with members of the military and civilian communities outside of established family readiness access points.

personal and family life readiness. The state of being prepared to cope with the stressors of daily living and manage the competing demands of work life and personal and family life.

sense of community. The degree to which Service members and their families feel positively attached to the military as an organization and view the military community as a source of support and connection to others.

Service member. Any member of a Military Service in the Active Component or RC.

INSTRUCTION

NUMBER 1344.07
March 30, 2006

USD(P&R)

SUBJECT: Personal Commercial Solicitation on DoD Installations

- References:
- (a) DoD Directive 1344.7, "Personal Commercial Solicitation on DoD Installations," February 13, 1986 (hereby canceled)
 - (b) Deputy Secretary of Defense Memorandum, "DoD Directives Review – Phase II," July 13, 2005
 - (c) DoD Directive 5124.2, "Under Secretary of Defense for Personnel and Readiness (USD(P&R))," February 11, 2006
 - (d) Section 577 of Public Law 109-163, "The National Defense Authorization Act For Fiscal Year 2006, January 6, 2006
 - (e) through (s), see Enclosure 1

1. REISSUANCE AND PURPOSE

This Instruction:

- 1.1. Reissues Reference (a) as a DoD Instruction according to guidance in References (b) and (c).
- 1.2. Implements Section 577 of Public Law No. 109-163 (2006) Reference (d) and establishes policy and procedures for personal commercial solicitation on DoD installations.
- 1.3. Continues the established annual DoD registration requirement for the sale of insurance and securities on DoD installations overseas.
- 1.4. Identifies prohibited practices that may cause withdrawal of commercial solicitation privileges on DoD installations and establishes notification requirements when privileges are withdrawn.
- 1.5. Establishes procedures for persons solicited on DoD installations to evaluate solicitors.
- 1.6. Prescribes procedures for providing financial education programs to military personnel.

2. APPLICABILITY AND SCOPE

2.1. This Instruction applies to the Office of the Secretary of Defense, the Military Departments, the Chairman of the Joint Chiefs of Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities in the Department of Defense (hereafter referred to collectively as the "DoD Components").

2.2. This Instruction does not apply to services furnished by residential service companies, such as deliveries of milk, laundry, newspapers, and related services to personal residences on the installation requested by the resident and authorized by the installation commander.

2.3. This Instruction applies to all other personal commercial solicitation on DoD Installations. It includes meetings on DoD installations of private, non-profit, tax-exempt organizations that involve commercial solicitation. Attendance at these meetings shall be voluntary and the time and place of such meetings are subject to the discretion of the installation commander or his or her designee.

3. DEFINITIONS

Terms used in this Instruction are defined in Enclosure 2 or in Joint Publication 1-02, "DoD Dictionary of Military and Associated Terms" (Reference (e)).

4. POLICY

4.1. It is DoD policy to safeguard and promote the welfare of DoD personnel as consumers by setting forth a uniform approach to the conduct of all personal commercial solicitation and sales to them by dealers and their agents. For those individuals and their companies that fail to follow this policy, the opportunity to solicit on military installations may be limited or denied as appropriate.

4.2. Command authority includes authority to approve or prohibit all commercial solicitation covered by this Instruction. Nothing in this Instruction limits an installation commander's inherent authority to deny access to vendors or to establish time and place restrictions on commercial activities at the installation.

5. RESPONSIBILITIES

5.1. The Principal Deputy Under Secretary of Defense for Personnel and Readiness (PDUSD(P&R)), under the Under Secretary of Defense for Personnel and Readiness, shall:

5.1.1. Identify and publish policies and procedures governing personal commercial solicitation on DoD installations consistent with the policy set forth in this Instruction.

5.1.2. Maintain and make available to installation commanders and appropriate Federal personnel the current master file of all individual agents, dealers, and companies who have their privileges withdrawn at any DoD installation.

5.1.3. Develop and maintain a list of all State Insurance Commissioners' points of contact for DoD matters and forward this list to the Military Services.

5.2. The Heads of the DoD Components shall:

5.2.1. Ensure implementation of this Instruction and compliance with its provisions.

5.2.2. Require installations under their authority to report each instance of withdrawal of commercial solicitation privileges.

5.2.3. Submit lists of all individuals and companies who have had their commercial solicitation privileges withdrawn at installations under their authority to the PDUSD(P&R) in accordance with this Instruction.

6. PROCEDURES

6.1. General

6.1.1. No person has authority to enter a DoD installation to transact personal commercial solicitation as a matter of right. Personal commercial solicitation may be permitted only if the following requirements are met:

6.1.1.1. The solicitor is duly licensed under applicable Federal, State, or municipal laws and has complied with installation regulations.

6.1.1.2. A specific appointment has been made for each meeting with the individual concerned. Each meeting is conducted only in family quarters or in other areas designated by the installation commander.

6.1.1.3. The solicitor agrees to provide each person solicited the personal commercial solicitation evaluation included in Enclosure 5 during the initial appointment. The person being solicited is not required to complete the evaluation. However, completed evaluations should be sent by the person who was solicited to the office designated by the installation commander on the back of the evaluation form.

6.1.1.4. The solicitor agrees to provide DoD personnel with a written reminder, prior to their making a financial commitment, that free legal advice is available from the Office of the Staff Judge Advocate.

6.1.2. Solicitors on overseas installations shall be required to observe, in addition to the above, the applicable laws of the host country. Upon request, the solicitor must present documentary evidence to the installation commander that the company they represent, and its agents, meet the applicable licensing requirements of the host country.

6.2. Life Insurance Products and Securities

6.2.1. Life insurance products and securities offered and sold to DoD personnel shall meet the prerequisites described in Enclosure 3 of this Instruction.

6.2.2. Installation commanders may permit insurers and their agents to solicit on DoD installations if the requirements of paragraph 6.1. are met and if they are licensed under the insurance laws of the State where the installation is located. Commanders will ensure the agent's license status and complaint history are checked with the appropriate State or Federal regulators before granting permission to solicit on the installation.

6.2.3. In addition, before approving insurance and financial product agents' requests for permission to solicit, commanders shall review the list of agents and companies currently barred, banned, or limited from soliciting on any or all DoD installations. This list may be viewed via the *Personal Commercial Solicitation Report* "quick link" at www.commanderspage.com. In overseas areas, the DoD Components shall limit insurance solicitation to those insurers registered under the provisions of Enclosure 4 of this Instruction.

6.2.4. The conduct of all insurance business on DoD installations shall be by specific appointment. When establishing the appointment, insurance agents shall identify themselves to the prospective purchaser as an agent for a specific insurer.

6.2.5. Installation commanders shall designate areas where interviews by appointment may be conducted. The opportunity to conduct scheduled interviews shall be extended to all solicitors on an equitable basis. Where space and other considerations limit the number of agents using the interviewing area, the installation commander may develop and publish local policy consistent with this concept.

6.2.6. Installation commanders shall make disinterested third-party insurance counseling available to DoD personnel desiring counseling. Financial counselors shall encourage DoD personnel to seek legal assistance or other advice from a disinterested third-party before entering a contract for insurance or securities.

6.2.7. In addition to the solicitation prohibitions contained in paragraph 6.4., the DoD Components shall prohibit the following:

6.2.7.1. The use of DoD personnel representing any insurer, dealing directly or indirectly on behalf of any insurer or any recognized representative of any insurer on the installation, or as an agent or in any official or business capacity with or without compensation.

6.2.7.2. The use of an agent as a participant in any Military Service-sponsored education or orientation program.

6.2.7.3. The designation of any agent or the use by any agent of titles (for example, "Battalion Insurance Counselor," "Unit Insurance Advisor," "Servicemen's Group Life Insurance Conversion Consultant,") that in any manner, states, or implies any type of endorsement from the U.S. Government, the Armed Forces, or any State or Federal agency or government entity.

6.2.7.4. The use of desk space for interviews for other than a specific prearranged appointment. During such appointment, the agent shall not be permitted to display desk signs or other materials announcing his or her name or company affiliation.

6.2.7.5. The use of an installation "daily bulletin," marquee, newsletter, webpage, or other official notice to announce the presence of an agent and/or his or her availability.

6.3. Supervision of On-Base Commercial Activities

6.3.1. All pertinent installation regulations shall be posted in a place easily accessible to those conducting and receiving personal commercial solicitation on the installation.

6.3.2. The installation commander shall make available a copy of installation regulations to anyone conducting on-base commercial solicitation activities warning that failure to follow the regulations may result in the loss of solicitation privileges.

6.3.3. The installation commander, or designated representative, shall inquire into any alleged violations of this Instruction or of any questionable solicitation practices. The DD Form 2885, Personal Commercial Solicitation Evaluation, at Enclosure 5 is provided as a means to supervise solicitation activities on the installation. DD Form 2885 is available at the Department of Defense Forms Web site under DefenseLink, Publications.

6.4. Prohibited Practices. The following commercial solicitation practices shall be prohibited on all DoD installations:

6.4.1. Solicitation of recruits, trainees, and transient personnel in a group setting or "mass" audience and solicitation of any DoD personnel in a "captive" audience where attendance is not voluntary.

6.4.2. Making appointments with or soliciting military or DoD civilian personnel during their normally scheduled duty hours.

6.4.3. Soliciting in barracks, day rooms, unit areas, transient personnel housing, or other areas where the installation commander has prohibited solicitation.

6.4.4. Use of official military identification cards or DoD vehicle decals by active duty, retired, or reserve members of the Military Services to gain access to DoD installations for the purpose of soliciting. When entering the installation for the purpose of solicitation, solicitors with military identification cards and/or DoD vehicle decals must present documentation issued by the installation authorizing solicitation.

6.4.5. Procuring, attempting to procure, supplying, or attempting to supply non-public listings of DoD personnel for purposes of commercial solicitation, except for releases made in accordance with DoD Directive 5400.7 (Reference (f)).

6.4.6. Offering unfair, improper, or deceptive inducements to purchase or trade.

6.4.7. Using promotional incentives to facilitate transactions or to eliminate competition.

6.4.8. Using manipulative, deceptive, or fraudulent devices, schemes, or artifices, including misleading advertising and sales literature. All financial products, which contain insurance features, must clearly explain the insurance features of those products.

6.4.9. Using oral or written representations to suggest or give the appearance that the Department of Defense sponsors or endorses any particular company, its agents, or the goods, services, and commodities it sells.

6.4.10. DoD personnel making personal commercial solicitations or sales to DoD personnel who are junior in rank or grade, or to the family members of such personnel, except as authorized in Section 2-205 and 5-409 of the Joint Ethics Regulation, DoD 5500.7-R (Reference (g)).

6.4.11. Entering into any unauthorized or restricted area.

6.4.12. Using any portion of installation facilities, including quarters, as a showroom or store for the sale of goods or services, except as specifically authorized by DoD Directive 1330.17 and DoD Instructions 1015.10, 1000.15, and 1330.21 (References (h), (i), (j), and (k)). This does not apply to normal home enterprises that comply with applicable State and local laws and installation rules.

6.4.13. Soliciting door to door or without an appointment.

6.4.14. Unauthorized advertising of addresses or telephone numbers used in personal commercial solicitation activities conducted on the installation, or the use of official positions, titles, or organization names, for the purpose of personal commercial solicitation, except as authorized in Reference (g). Military grade and military service as part of an individual's name (e.g., Captain Smith, U.S. Marine Corps) may be used in the same manner as conventional titles, such as "Mr.", "Mrs.", or "Honorable."

6.4.15. Contacting DoD personnel by calling a government telephone, faxing to a government fax machine, or by sending e-mail to a government computer, unless a pre-existing relationship (i.e., the DoD member is a current client or requested to be contacted) exists between the parties and the DoD member has not asked for contact to be terminated.

6.5. Denial, Suspension, and Withdrawal of Installation Solicitation Privileges

6.5.1. The installation commander shall deny, suspend, or withdraw permission for a company and its agents to conduct commercial activities on the base if such action is in the best interests of the command. The grounds for taking these actions may include, but are not limited to, the following:

6.5.1.1. Failure to meet the licensing and other regulatory requirements prescribed in this Instruction, or violations of the State law where the installation is located. Commanders will request that appropriate State officials determine whether a company or agent violated State law.

6.5.1.2. Commission of any of the practices prohibited in paragraphs 6.2.6 and 6.4.

6.5.1.3. Substantiated complaints and/or adverse reports regarding the quality of goods, services, and/or commodities, and the manner in which they are offered for sale.

6.5.1.4. Knowing and willful violations of Pub. L. 90-321, "Truth in Lending Act" (Reference (l)).

6.5.1.5. Personal misconduct by a company's agent or representative while on the installation.

6.5.1.6. The possession of, and any attempt to obtain supplies of direct deposit forms, or any other form or device used by Military Departments to direct a Service member's pay to a third party, or possession or use of facsimiles thereof. This includes using or assisting in using a Service member's "MyPay" account or other similar internet medium for the purpose of establishing a direct deposit for the purchase of insurance or other investment product.

6.5.1.7. Failure to incorporate and abide by the Standards of Fairness policies contained in DoD Instruction 1344.9 (Reference (m)).

6.5.2. The installation commander may determine that circumstances dictate the immediate suspension of solicitation privileges while an investigation is conducted. Upon suspending solicitation privileges, the commander shall promptly inform the agent and the company the agent represents, in writing.

6.5.3. In suspending or withdrawing solicitation privileges, the installation commander shall determine whether to limit such action to the agent alone or extend it to the company the agent represents. This decision shall be based on the circumstances of the particular case, including, but not limited to, the nature of the violations, frequency of violations, the extent to which other agents of the company have engaged in such practices, and any other matters tending to show the culpability of an individual and the company.

6.5.4. If the investigation determines an agent or company does not possess a valid license or the agent, company, or product has failed to meet other State or Federal regulatory requirements, the installation commander shall immediately notify the appropriate regulatory authorities.

6.5.5. In a withdrawal action, the commander shall allow the individual or company an opportunity to show cause as to why the action should not be taken. To "show cause" means an opportunity must be given for the aggrieved party to present facts on an informal basis for the consideration of the installation commander or the commander's designee. The installation commander shall make a final decision regarding withdrawal based upon the entire record in each case. Installation commanders shall report concerns or complaints involving the quality or suitability of financial products or concerns or complaints involving marketing methods used to sell these products to the appropriate State and Federal regulatory authorities. Also, installation commanders shall report any suspension or withdrawal of insurance or securities products solicitation privileges to the appropriate State or Federal regulatory authorities.

6.5.6. The installation commander shall inform the Military Department concerned of any denial, suspension, withdrawal, or reinstatement of an agent or company's solicitation privileges and the Military Department shall inform the Office of the PDUSD(P&R), which will maintain a list of insurance and financial product companies and agents currently barred, banned, or otherwise limited from soliciting on any or all DoD installations. This list may be viewed at www.commanderspage.com. If warranted, the installation commander may recommend to the Military Department concerned that the action taken be extended to other DoD installations. The Military Department may extend the action to other military installations in the Military

Department. The PDUSD(P&R), following consultation with the Military Department concerned, may order the action extended to other Military Departments.

6.5.7. All suspensions or withdrawals of privileges may be permanent or for a set period of time. If for a set period, when that period expires, the individual or company may reapply for permission to solicit through the installation commander or Military Department originally imposing the restriction. The installation commander or Military Department reinstating permission to solicit shall notify the Office of the PDUSD(P&R) and appropriate State and Federal regulatory agencies when such suspensions or withdrawals are lifted.

6.5.8. The Secretaries of the Military Departments may direct the Armed Forces Disciplinary Control Boards in all geographical areas in which the grounds for withdrawal action have occurred to consider all applicable information and take action the Boards deem appropriate.

6.5.9. Nothing in this Instruction limits the authority of the installation commander or other appropriate authority from requesting or instituting other administrative and/or criminal action against any person, including those who violate the conditions and restrictions upon which installation entry is authorized.

6.6. Advertising and Commercial Sponsorship

6.6.1. The Department of Defense expects voluntary observance of the highest business ethics by commercial enterprises soliciting DoD personnel through advertisements in unofficial military publications when describing goods, services, commodities, and the terms of the sale (including guarantees, warranties, and the like).

6.6.2. The advertising of credit terms shall conform to the provisions of Reference (l) as implemented by Federal Reserve Board Regulation Z according to 12 CFR Section 226 (Reference (n)).

6.6.3. Solicitors may provide commercial sponsorship to DoD Morale, Welfare and Recreation programs or events according to Reference (i). However, sponsorship may not be used as a means to obtain personal contact information for any participant at these events without written permission from the individual participant. In addition, commercial sponsors may not use sponsorship to advertise products and/or services not specifically agreed to in the sponsorship agreement.

6.6.4. The installation commander may permit organizations to display sales literature in designated locations subject to command policies. In accordance with DoD 7000.14-R, Volume 7(a) (Reference (o)), distribution of competitive literature or forms by off-base banks and/or credit unions is prohibited on installations where an authorized on-base bank and/or credit union exists.

6.7. Educational Programs

6.7.1. The Military Departments shall develop and disseminate information and provide educational programs for members of the Military Services on their personal financial affairs, including such subjects as insurance, Government benefits, savings, budgeting, and other financial education and assistance requirements outlined in DoD Instruction 1342.27 (Reference (p)). The Military Departments shall ensure that all instructors are qualified as appropriate for the subject matter presented. The services of representatives of authorized on-base banks and credit unions may be used for this purpose. Under no circumstances shall commercial agents, including representatives of loan, finance, insurance, or investment companies, be used for this purpose. Presentations shall only be conducted at the express request of the installation commander.

6.7.2. The Military Departments shall also make qualified personnel and facilities available for individual counseling on loans and consumer credit transactions in order to encourage thrift and financial responsibility and promote a better understanding of the wise use of credit, as prescribed in DoD 7000.14-R, Volume 5, Chapter 34 (Reference (q)).

6.7.3. The Military Departments shall encourage military members to seek advice from a legal assistance officer, the installation financial counselor, their own lawyer, or a financial counselor, before making a substantial loan or credit commitment.

6.7.4. Each Military Department shall provide advice and guidance to DoD personnel who have a complaint under Reference (m) or who allege a criminal violation of its provisions, including referral to the appropriate regulatory agency for processing of the complaint.

6.7.5. Banks and credit unions operating on DoD installations are required to provide financial counseling services as an integral part of their financial services offerings under DoD Directive 1000.11 (Reference (r)). Representatives of and materials provided by authorized banks and/or credit unions located on military installations may be used to provide the educational programs and information required by this Instruction subject to the following conditions:

6.7.5.1. If the bank or credit union operating on a DoD installation sells insurance or securities or has any affiliation with a company that sells or markets insurance or other financial products, the installation commander shall consider that company's history of complying with this Instruction before authorizing the on-base financial institution to provide financial education.

6.7.5.2. All prospective educators must agree to use appropriate disclaimers in their presentations and on their other educational materials. The disclaimers must clearly indicate that they do not endorse or favor any commercial supplier, product, or service, or promote the services of a specific financial institution.

6.7.6. Use of other non-government organizations to provide financial education programs is limited as follows:

6.7.6.1. Under no circumstances shall commercial agents, including employees or representatives of commercial loan, finance, insurance, or investment companies, be used.

6.7.6.2. The limitation in subparagraph 6.7.6.1. does not apply to educational programs and information regarding the Survivor Benefits Program and other government benefits provided by tax-exempt organizations under section (c) of 26 U.S.C. 501 (Reference (s)) or by any organization providing such a benefit under a contract with the Government.

6.7.6.3. Educators from non-government, non-commercial organizations expert in personal financial affairs and their materials may, with appropriate disclaimers, provide the educational programs and information required by this Instruction if approved by a Presidentially-appointed, Senate-confirmed civilian official of the Military Department concerned. Presentations by approved organizations shall be conducted only at the express request of the installation commander. The following criteria shall be used when considering whether to permit a non-government, non-commercial organization to present an educational program or provide materials on personal financial affairs:

6.7.6.3.1. The organization must qualify as a tax-exempt organization under section (c)(3) or 1(c)(23) of Reference (s)).

6.7.6.3.2. If the organization has any affiliation with a company that sells or markets insurance or other financial products, the approval authority shall consider that company's history of complying with this Instruction.

6.7.6.3.3. All prospective educators must use appropriate disclaimers, in their presentations and on their other educational materials, which clearly indicate that they and the Department of Defense do not endorse or favor any commercial supplier, product, or service or promote the services of a specific financial institution.

7. INFORMATION REQUIREMENTS

The reporting requirements concerning the suspension or withdrawal of solicitation privileges have been assigned Report Control Symbol (RCS) DD-P&R(Q)2182 in accordance with DoD 8910.1-M (Reference (t)).

8. EFFECTIVE DATE

This Instruction is effective immediately.

E2. ENCLOSURE 2

DEFINITIONS

E2.1.1. Agent. An individual who receives remuneration as a salesperson or whose remuneration is dependent on volume of sales of a product or products. (Also, referred to as "commercial agent" or "producer"). In this Instruction, the term "agent" includes "general agent" unless the content clearly conveys a contrary intent.

E2.1.2. "Authorized" Bank and/or Credit Union. Bank and/or credit union selected by the installation commander through open competitive solicitation to provide exclusive on-base delivery of financial services to the installation under a written operating agreement.

E2.1.3. Banking Institution. An entity chartered by a State or the Federal Government to provide financial services.

E2.1.4. Commercial Sponsorship. The act of providing assistance, funding, goods, equipment (including fixed assets), or services to an MWR program or event by an individual, agency, association, company or corporation, or other entity (sponsor) for a specified (limited) period of time in return for public recognition or advertising promotions. Enclosure 9 of Reference (i) provides general policy governing commercial sponsorship.

E2.1.5. Credit Union. A cooperative nonprofit association, incorporated under the Credit Union Act (12 U.S.C. 1751 (Reference (u))), or similar state statute, for the purpose of encouraging thrift among its members and creating a source of credit at a fair and reasonable rate of interest.

E2.1.6. DoD Installation. For the purposes of this Instruction, any Federally owned, leased, or operated base, reservation, post, camp, building, or other facility to which DoD personnel are assigned for duty, including barracks, transient housing, and family quarters.

E2.1.7. DoD Personnel. For the purposes of this Instruction, all active duty officers (commissioned and warrant) and enlisted members of the Military Departments and all civilian employees, including nonappropriated fund employees and special Government employees, of the Department of Defense.

E2.1.8. Financial Services. Those services commonly associated with financial institutions in the United States, such as electronic banking (e.g., ATMs), in-store banking, checking, share and savings accounts, fund transfers, sale of official checks, money orders and travelers checks, loan services, safe deposit boxes, trust services, sale and redemption of U.S. Savings Bonds, and acceptance of utility payments and any other consumer-related banking services.

E2.1.10. Insurance Carrier. An insurance company issuing insurance through an association reinsuring or coinsuring such insurance.

E2.1.11. Insurance Product. A policy, annuity, or certificate of insurance issued by an insurer or evidence of insurance coverage issued by a self-insured association, including those with savings and investment features.

E2.1.12. Insurer. An entity licensed by the appropriate department to engage in the business of insurance.

E2.1.13. Military Services. See Joint Publication 1-02, "DoD Dictionary of Military and Associated Terms (Reference (e)).

E2.1.14. Normal Home Enterprises. Sales or services that are customarily conducted in a domestic setting and do not compete with an installation's officially sanctioned commerce.

E2.1.15. Personal Commercial Solicitation. Personal contact, to include meetings, meals, or telecommunications contact, for the purpose of seeking private business or trade.

E2.1.16. Securities. Mutual funds, stocks, bonds, or any product registered with the Securities and Exchange Commission except for any insurance or annuity product issued by a corporation subject to supervision by State insurance authorities.

E2.1.17. Suspension. Temporary termination of privileges pending completion of a commander's inquiry or investigation.

E2.1.18. Withdrawal. Termination of privileges for a set period of time following completion of a commander's inquiry or investigation.

E3. ENCLOSURE 3

LIFE INSURANCE PRODUCTS AND SECURITIES

E3.1. LIFE INSURANCE PRODUCT CONTENT PREREQUISITES

Companies must provide DoD personnel a written description for each product or service they intend to market to DoD personnel on DoD installations. These descriptions must be written in a manner that DoD personnel can easily understand, and fully disclose the fundamental nature of the policy. Companies must be able to demonstrate that each form to be used has been filed with and approved, where applicable, by the insurance department of the State where the installation is located. Insurance products marketed to DoD personnel on overseas installations must conform to the standards prescribed by the laws of the state where the company is incorporated.

E3.1.1. Insurance products, other than certificates or other evidence of insurance issued by a self-insured association, offered and sold worldwide to personnel on DoD installations, must:

E3.1.1.1. Comply with the insurance laws of the State or country in which the installation is located and the requirements of this Instruction.

E3.1.1.2. Contain no restrictions by reason of Military Service or military occupational specialty of the insured, unless such restrictions are clearly indicated on the face of the contract.

E3.1.1.3. Plainly indicate any extra premium charges imposed by reason of Military Service or military occupational specialty.

E3.1.1.4. Contain no variation in the amount of death benefit or premium based upon the length of time the contract has been in force, unless all such variations are clearly described in the contract.

E3.1.1.5. In plain and readily understandable language, and in type font at least as large as the font used for the majority of the policy, inform Service members of:

E3.1.1.5.1. The availability and cost of government subsidized Servicemen's Group Life Insurance.

E3.1.1.5.2. The address and phone number where consumer complaints are received by the State insurance commissioner for the State in which the insurance product is being sold.

E3.1.1.5.3. That the U.S. Government has in no way sanctioned, recommended, or encouraged the sale of the product being offered. With respect to the sale or solicitation of insurance on Federal land or facilities located outside the United States, insurance products must contain the address and phone number where consumer complaints are received by the State insurance commissioner for the State which has issued the agent a resident license or the company is domiciled, as applicable.

E3.1.2. To comply with subparagraphs E3.1.1.2., E3.1.1.3. and E3.1.1.4., an appropriate reference stamped on the first page of the contract shall draw the attention of the policyholder to any restrictions by reason of Military Service or military occupational specialty. The reference shall describe any extra premium charges and any variations in the amount of death benefit or premium based upon the length of time the contract has been in force.

E3.1.3. Variable life insurance products may be offered provided they meet the criteria of the appropriate insurance regulatory agency and the Securities and Exchange Commission.

E3.1.4. Insurance products shall not be marketed or sold disguised as investments. If there is a savings component to an insurance product, the agent shall provide the customer written documentation, which clearly explains how much of the premium goes to the savings component per year broken down over the life of the policy. This document must also show the total amount per year allocated to insurance premiums. The customer must be provided a copy of this document that is signed by the insurance agent.

E3.2. SALE OF SECURITIES

E3.2.1. All securities must be registered with the Securities and Exchange Commission.

E3.2.2. All sales of securities must comply with the appropriate Securities and Exchange Commission regulations.

E3.2.3. All securities representatives must apply to the commander of the installation on which they desire to solicit the sale of securities for permission to solicit.

E3.2.4. Where the accredited insurer's policy permits, an overseas accredited life insurance agent—if duly qualified to engage in security activities either as a registered representative of the National Association of Securities Dealers or as an associate of a broker or dealer registered with the Securities and Exchange Commission—may offer life insurance and securities for sale simultaneously. In cases of commingled sales, the allotment of pay for the purchase of securities cannot be made to the insurer.

E3.3. USE OF THE ALLOTMENT OF PAY SYSTEM

E3.3.1. Allotments of military pay for life insurance products shall be made in accordance with Reference (o).

E3.3.2. For personnel in pay grades E-4 and below, in order to obtain financial counseling, at least seven calendar days shall elapse between the signing of a life insurance application and the certification of a military pay allotment for any supplemental commercial life insurance. Installation Finance Officers are responsible for ensuring this seven-day cooling-off period is monitored and enforced. The purchaser's commanding officer may grant a waiver of the seven-day cooling-off period requirement for good cause, such as the purchaser's imminent deployment or permanent change of station.

E3.4. ASSOCIATIONS – GENERAL

The recent growth and general acceptability of quasi-military associations offering various insurance plans to military personnel are acknowledged. Some associations are not organized within the supervision of insurance laws of either a State or the Federal Government. While some are organized for profit, others function as nonprofit associations under Internal Revenue Service regulations. Regardless of the manner in which insurance is offered to members, the management of the association is responsible for complying fully with the policies contained in this Instruction.

E4. ENCLOSURE 4

THE OVERSEAS LIFE INSURANCE REGISTRATION PROGRAM

E4.1. REGISTRATION CRITERIA

E4.1.1. Initial Registration

E4.1.1.1. Insurers must demonstrate continuous successful operation in the life insurance business for a period of not less than 5 years on December 31 of the year preceding the date of filing the application.

E4.1.1.2. Insurers must be listed in Best's Life-Health Insurance Reports and be assigned a rating of B+ (Very Good) or better for the business year preceding the Government's fiscal year for which registration is sought.

E4.1.2. Re-registration

E4.1.2.1. Insurers must demonstrate continuous successful operation in the life insurance business, as described in paragraph E4.1.1.1.

E4.1.2.2. Insurers must retain a Best's rating of B+ or better, as described in subparagraph E4.1.1.2.

E4.1.2.3. Insurers must demonstrate a record of compliance with the policies found in this Instruction. .

E4.1.3. Waiver Provisions. Waivers of the initial registration or re-registration provisions shall be considered for those insurers demonstrating substantial compliance with the aforementioned criteria.

E4.2. APPLICATION INSTRUCTIONS

E4.2.1. Applications Filed Annually. Insurers must apply by June 30 of each year for solicitation privileges on overseas U.S. military installations for the next fiscal year beginning October 1. Applications e-mailed, faxed, or postmarked after June 30 shall not be considered.

E4.2.2. Application Prerequisites. A letter of application, signed by the President, Vice President, or designated official of the insurance company shall be forwarded to the Principal Deputy Under Secretary of Defense (Personnel and Readiness), Attention: Morale, Welfare and Recreation (MWR) Policy Directorate, 4000 Defense, Pentagon, Washington, DC 20301-4000. The registration criteria in paragraph E4.1.1. or E4.1.2., above, must be met to satisfy application prerequisites. The letter shall contain the information set forth below, submitted in the order listed. Where criteria are not applicable, the letter shall so state.

E4.2.2.1. The overseas Combatant Commands (e.g., U.S. European Command, U.S. Pacific Command, U.S. Central Command, and U.S. Southern Command) where the company presently solicits, or plans to solicit, on U.S. military installations.

E4.2.2.2. A statement that the company has complied with, or shall comply with, the applicable laws of the country or countries wherein it proposes to solicit. "Laws of the country" means all national, provincial, city, or county laws or ordinances of any country, as applicable.

E4.2.2.3. A statement that the products to be offered for sale conform to the standards prescribed in Enclosure 3 and contain only the standard provisions such as those prescribed by the laws of the State where the company's headquarters are located.

E4.2.2.4. A statement that the company shall assume full responsibility for the acts of its agents with respect to solicitation. If warranted, the number of agents may be limited by the overseas command concerned.

E4.2.2.5. A statement that the company shall only use agents who have been licensed by the appropriate State and registered by the overseas command concerned to sell to DoD personnel on DoD installations.

E4.2.2.6. Any explanatory or supplemental comments that shall assist in evaluating the application.

E4.2.2.7. If the Department of Defense requires facts or statistics beyond those normally involved in registration, the company shall make separate arrangements to provide them.

E4.2.2.8. A statement that the company's general agent and other registered agents are appointed in accordance with the prerequisites established in section E4.3.

E4.2.3. If a company is a life insurance company subsidiary, it must be registered separately on its own merits.

E4.3. AGENT REQUIREMENTS

The overseas Combatant Commanders shall apply the following principles in registering agents:

E4.3.1. An agent must possess a current State license. This requirement may be waived for a registered agent continuously residing and successfully selling life insurance in foreign areas, who, through no fault of his or her own, due to State law (or regulation) governing domicile requirements, or requiring that the agent's company be licensed to do business in that State, forfeits eligibility for a State license. The request for a waiver shall contain the name of the State or jurisdiction that would not renew the agent's license.

E4.3.2. General agents and agents may represent only one registered commercial insurance company. This principle may be waived by the overseas Combatant Commander if multiple representations are in the best interest of DoD personnel.

E4.3.3. An agent must have at least 1 year of successful life insurance underwriting experience in the United States or its territories, generally within the 5 years preceding the date of application, in order to be approved for overseas solicitation.

E4.3.4. The overseas Combatant Commanders may exercise further agent control procedures as necessary.

E4.3.5. An agent, once registered in an overseas area, may not change affiliation from the staff of one general agent to another and retain registration, unless the previous employer certifies in writing that the release is without justifiable prejudice. Overseas Combatant Commanders will have final authority to determine justifiable prejudice. Indebtedness of an agent to a previous employer is an example of justifiable prejudice.

E4.4. ANNOUNCEMENT OF REGISTRATION

E4.4.1. Registration by the Department of Defense upon annual applications of insurers shall be announced as soon as practicable by notice to each applicant and by a list released annually in September to the appropriate overseas Combatant Commanders. Approval does not constitute DoD endorsement of the insurer or its products. Any advertising by insurers or verbal representation by its agents, which suggests such endorsement, is prohibited.

E4.4.2. In the event registration is denied, specific reasons for the denial shall be provided to the applicant.

E4.4.2.1. The insurer shall have 30 days from the receipt of notification of denial of registration (sent certified mail, return receipt requested) in which to request reconsideration of the original decision. This request must be in writing and accompanied by substantiating data or information in rebuttal of the specific reasons upon which the denial was based.

E4.4.2.2. Action by the Office of the PDUSD(P&R) on a request for reconsideration is final.

E4.4.2.3. An applicant that is presently registered as an insurer shall have 90 calendar days from final action denying registration in which to close operations.

E4.4.3. Upon receiving an annual letter approving registration, each company shall send to the applicable overseas Combatant Commander a verified list of agents currently registered for overseas solicitation. Where applicable, the company shall also include the names and prior military affiliation of new agents for whom original registration and permission to solicit on base is requested. Insurers initially registered shall be furnished instructions by the Department of Defense for agent registration procedures in overseas areas.

E4.4.4. Material changes affecting the corporate status and financial condition of the company that occur during the fiscal year of registration must be reported to the MWR Policy Directorate at the address in paragraph E4.2.2 as they occur.

E4.4.4.1. The Office of the PDUSD(P&R) reserves the right to terminate registration if such material changes appear to substantially affect the financial and operational standards described in section E4.1. on which registration was based.

E4.4.4.2. Failure to report such material changes may result in termination of registration regardless of how it affects the standards.

E4.4.5. If an analysis of information furnished by the company indicates that unfavorable trends are developing that could adversely affect its future operations, the Office of the PDUSD(P&R) may, at its option, bring such matters to the attention of the company and request a statement as to what action, if any, is considered to deal with such unfavorable trends.

1. PURPOSE

This Instruction:

1.1. Implements Pub. L. No. 101-647, Section 231 (enclosure 3), and Pub. L. No. 102-190, Section 1094 (enclosure 4).

1.2. Requires procedures for existing and newly hired individuals and includes a review of personnel and security records to include a Federal Bureau of Investigation (FBI) fingerprint check and State Criminal History Repositories (SCHR) checks of residences listed on employment or certification applications.

1.3. Establishes policy, assigns responsibilities, and prescribes procedures for criminal history background checks for all existing and newly hired individuals involved in the provision of child care services as Federal employees, contractors, or in Federal facilities to children under the age of 18. The checks are required of all individuals in the Department of Defense involved in providing child care services defined in enclosure 3, and for policy reasons, those categories of individuals not

expressly governed by the statute.

1.4. Allows the Department of Defense to provisionally hire such individuals before the completion of a background check (enclosure 4). However, at all times while children are in the care of that individual, the child care provider must be within sight and under the supervision of a staff person whose background check has been successfully completed. Healthcare personnel shall comply with guidance provided in enclosure 5.

2. APPLICABILITY AND SCOPE

This Instruction:

2.1. Applies to the Office of the Secretary of Defense, the Military Departments, the Chairman of the Joint Chiefs of Staff and Unified and Specified Commands, the Inspector General of the Department of the Joint Staff, the Defense, the Defense Agencies, and the DoD Field Activities (hereafter referred to collectively as "the DoD Components").

2.2. Includes all individuals providing child care services to children in accordance with references (a) through (k).

3. DEFINITIONS

Terms used in this Instruction are defined in enclosure 2.

4. POLICY

It is DoD policy to:

4.1. Establish a standardized and comprehensive process for screening applicants for positions involving child care services on DoD installations and in DoD activities.

4.2. Provide fair, impartial, and equitable treatment before an individual may be deemed suitable to serve as an employee, a certified care provider, a specified volunteer position, or as an individual employed under contract in activities covered by this Instruction and references (a) through (k) by conducting a thorough review of all appropriate records as described herein.

4.3. Protect children by denying or removing from employment, contract, or volunteer status any applicant or current employee who is determined unsuitable to provide child care services because derogatory information is contained in a suitability investigation.

4.4. Ensure that an individual is advised of proposed disciplinary action, decertification, or refusal to hire by the hiring authority or designee if disqualifying derogatory information is contained in a suitability investigation. The individual is given the opportunity to challenge the accuracy and completeness of reported information.

4.5. Foster cooperation among the DoD Components, other Federal Agencies, State and county agencies, and other civilian authorities in conducting criminal history background checks.

5. RESPONSIBILITIES

5.1. The Assistant Secretary of Defense (Force Management and Personnel) shall:

5.1.1. Develop policy for conducting criminal history background checks on individuals seeking positions involving child care services.

5.1.2. Monitor compliance with this Instruction.

5.1.3. Coordinate oversight of criminal history background checks as specified under this Instruction.

5.2. The Heads of the DoD Components shall:

5.2.1. Develop procedures to ensure compliance with the requirements of this Instruction, in accordance with enclosure 6.

5.2.2. Provide oversight of process and procedures to conduct criminal history background checks to include assignment of proponenty.

5.2.3. Provide technical support and resources as required.

5.2.4. Coordinate participation of specific organizations within the DoD Component involved in the conduct of the checks.

5.2.5. Ensure that applicants and employees are made aware of their rights under DoD 5400.11-R (reference (a)) including the right to challenge accuracy of records.

5.2.6. Maintain the records of all individuals hired, certified, or employed under contract for positions that involve child care services for 2 years following termination of their service.

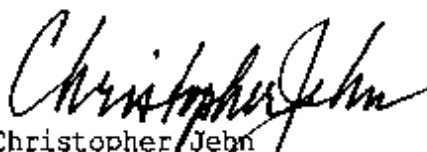

5.2.7. Establish a mechanism to evaluate all adverse information resulting from criminal history background checks, using the criteria in enclosure 7. Final suitability decisions are made by the DoD Component Head or designee.

6. PROCEDURES

The records of all existing employees and applicants for positions in child care services are reviewed by the Component designee according to the procedures prescribed in enclosure 6.

7. EFFECTIVE DATE AND IMPLEMENTATION

This Instruction is effective immediately. Forward two copies of implementing documents to the Assistant Secretary of Defense (Force Management and Personnel) within 120 days.

E2. ENCLOSURE 2

DEFINITIONS

E2.1.1. Appropriated Fund (APF) Employees. Personnel hired by DoD Components with appropriated funds as defined in the FPM, Chapter 731 (reference (b)). This includes temporary employees, 18 years old or older, who work with children.

E2.1.2. Care Provider. As defined in Pub. L. No. 101-647, Section 231 and Pub. L. No. 102-190, Section 1094 (enclosures 3 and 4). Providers included are current and prospective individuals hired with APF and nonappropriated funds (NAF) for education, treatment or healthcare, child care or youth activities, individuals employed under contract who work with children and those who are certified for care. Care providers are individuals working within programs that include alphabetically: Child Development Programs, DoD Dependents Schools, DoD-Operated or -Sponsored Activities, DoD Section 6 School Arrangements, Foster Care, Private Organizations on DoD Installations, and Youth Programs. Background checks are required for all civilian and military providers (except military healthcare providers) involved in child care services who have regular contact with children.

E2.1.3. Child. An unmarried person, whether natural child, adopted child, foster child, stepchild, or ward, who is a family member of a military member or DoD civilian or their spouse, and who is under the age of 18 years; or is incapable of self support because of a mental or physical incapacity and for whom treatment is authorized in a medical facility of the Military Services, as defined in DoD Directive 6400.1 (reference (d)).

E2.1.4. Child Abuse and/or Neglect. The physical injury, sexual maltreatment, emotional maltreatment, deprivation of necessities, or other maltreatment of a child. The term encompasses both acts and omissions on the part of a responsible person, as defined in reference (d).

E2.1.5. Child Care Services. DoD personnel and contractors who are involved in any of the following: "child protective services (including the investigation of child abuse and neglect reports), social services, health and mental health care, child (day) care, education (whether or not directly involved in teaching), foster care, residential care, recreational or rehabilitative programs, and detention, correctional, or treatment services," as defined in Pub. L. No.101-647, Section 231 (enclosure 3).

E2.1.6. Child Development Center (CDC). An installation facility or part of a facility used for child care operated under the oversight of Component's Child Development Programs (CDPs) and as defined in DoD Instruction 6060.2 (reference (e)).

E2.1.7. Child Development Programs (CDPs). Programs for dependents of DoD personnel provided in CDCs, family child care (FCC) homes, and alternative child care options. The care provided is on a full-day, part-day, or hourly basis. Care is designed to protect the health and safety of children and promote their physical, social, emotional, and intellectual development, as defined in reference (e).

E2.1.8. Child Sexual Abuse. Employment, use, persuasion, inducement, enticement, or coercion of any child to engage in, or having a child assist any other person to engage in, any sexually explicit conduct (or any simulation of such conduct) or the rape, molestation, prostitution, or any other such form of sexual exploitation of children, or incest with children. All sexual activity between an offender and a child, when the offender is in a position of power over the child, is considered sexual maltreatment, as defined in DoD Instruction 6400.2 (reference (f)).

E2.1.9. Criminal History Background Check. An investigation based on fingerprints and other identifying information obtained by a law enforcement officer conducted through the Federal Bureau of Investigation-Identification Division (FBI-ID) and SCHR of all States that an employee or prospective employee list as current and former residences on an employment application initiated through the personnel programs of the applicable Federal Agencies, as defined in Pub. L. No. 101-647 (enclosure 3) or through the personnel program of a given Government contractor.

E2.1.10. Defense Clearance and Investigations Index (DCII). The central Department of Defense record of investigative files and adjudicative actions such as clearances and access determinations, revocations, and denials concerning military, civilian, and contract personnel.

E2.1.11. DoD Dependents Schools (DoDDS). Schools operated by the Department of Defense for minor dependents of military members or DoD civilians assigned to duty in foreign countries, as defined in DoD Directive 1400.13 (reference (g)).

E2.1.12. DoD-Operated or -Sponsored Activity. A contracted entity authorized by appropriate DoD officials to perform child care, education, treatment, or

supervisory functions on DoD-controlled property (references (e), (g), (h), and (i)). Examples include but are not limited to CDPs, FCC Programs, Medical Treatment Facilities, DoDDS, DoD Section 6 Schools, and Youth Programs.

E2.1.13. DoD Section 6 Schools. The educational arrangements made for the provision of education to eligible dependent children by the Department of Defense under Pub. L. 81-874, Section 6, as defined in DoD Directive 1342.16 (reference (h)), in the Continental United States, Alaska, Hawaii, Puerto Rico, Wake Island, Guam, American Samoa, the Northern Mariana Islands, and the Virgin Islands.

E2.1.14. Family Child Care (FCC). Quarters-based child care provided in Government-owned or -leased quarters, in which care is provided on a regular basis for compensation, usually for more than 10 hours a week per child, to one or more (up to six) children, including the provider's own children under 8 years of age, as defined in reference (e).

E2.1.15. Foreign National Employees Overseas. Non-U.S. citizens hired by the Department of Defense for employment on an overseas installation.

E2.1.16. Foster Care. A voluntary or court-mandated program that provides 24-hour care and supportive services in a family home or group facility for children who cannot be properly cared for by their own family.

E2.1.17. Government-Contracted Care Providers. An individual or a group of individuals hired under a Government contract to provide instruction, child care services, healthcare, or youth services. FCC providers are not considered contracted Government employees for this Instruction.

E2.1.18. Healthcare Personnel. Personnel involved in the delivery of healthcare to children under the age of 18 on a frequent and regular basis. See enclosure 5. This may include:

E2.1.18.1. Medical and Dental Care Staff. Physicians, dentists, nurse practitioners, clinical social workers, clinical psychologists, physicians' assistants, physical therapists, and speech pathologists.

E2.1.18.2. Clinical Support Staff. Clinical providers not granted defined clinical privileges to include residents, registered nurses, licensed practical nurses, nursing assistants, play therapists, and technicians, as defined in DoD Directive 6025.11 (reference (i)).

E2.1.19. Installation Records Check (IRC). An investigation conducted through the records of all installations of an individual's identified residencies for the preceding 2 years before the date of the application. This record check shall include, at a minimum, police (base and/or military police, security office, or criminal investigators or local law enforcement) local files check, Drug and Alcohol Program, Family Housing, Medical Treatment Facility for Family Advocacy Program to include Service Central Registry records and mental health records, and any other record checks as appropriate, to the extent permitted by law.

E2.1.20. National Agency Check (NAC). As defined in DoD 5200.2-R (reference (c)).

E2.1.21. National Agency Check and Inquiries (NACI). As defined in the FPM, Chapters 731 and 736 (reference (b)).

E2.1.22. Nonappropriated Fund Instrumentalities (NAFI) Employees. Personnel hired by the DoD Components, compensated from NAFI funds as defined in DoD Directive 1015.1 (reference (j)). This includes temporary employees, 18 years old or older, who work with children.

E2.1.23. Private Organizations on DoD Installations. A nongovernmental entity authorized by the Department of Defense to perform child care, services, education, or supervisory functions with children on DoD-controlled property, as defined in DoD Instruction 1000.15 (reference (k)). Examples include religious groups and associations, such as scouts.

E2.1.24. Respite Care. Provides short-term child care and supportive services in a family home or group facility for children to relieve stress, prevent child abuse, and promote family unity for a parent, foster parent, guardian, or family member.

E2.1.25. Regular Contact. Responsible for a child or with access to children on a frequent basis as defined by the Component.

E2.1.26. Specified Volunteer Position. A position, designated by the DoD Component Head or designee, such as installation commander, requiring an installation record check because of the nature of the volunteer work in child care services.

E2.1.27. State Criminal History Repository (SCHR). The State's central record of investigative files. State information, including addresses, phone numbers, costs and remarks, is listed in enclosure 8.

E2.1.28. Supervision. Refers to having temporary responsibility for children in child care services, and temporary or permanent authority to exercise direction and control by an individual over an individual whose required background checks have been initiated but not completed.

E2.1.29. Temporary Employees. This category includes nonstatus appointments to a competitive service position for a specified period, not to exceed a year. This includes summer hires, student interns, and NAFI flexible category employees.

E2.1.30. Volunteer Activities. Activities where individuals offer assistance on an unpaid basis in child and youth programs or other activities on DoD installations. Examples include sports programs, religious programs, scouting programs, and preschools sponsored by private parent cooperatives or other associations conducted on the installation.

E2.1.31. Volunteers. Individuals who offer program assistance on an unpaid basis.

E2.1.32. Youth Programs. DoD-sponsored activities, events, services, opportunities, information, and individual assistance responsive to the recreational, developmental, social, psychological, and cultural needs of eligible children and youth. Includes before and after school programs as well as holiday and summer camps.

LAWS OF 101st CONG.—2nd SESS.

Nov. 29

CRIME CONTROL ACT OF 1990

P.L. 101-647
Sec. 231

**Subtitle E—Child Care Worker Employee
Background Checks**

42 USC 13041.

SEC. 231. REQUIREMENT FOR BACKGROUND CHECKS.

(a) **IN GENERAL.**—(1) Each agency of the Federal Government, and every facility operated by the Federal Government (or operated under contract with the Federal Government), that hires (or contracts for hire) individuals involved with the provision to children under the age of 18 of child care services shall assure that all existing and newly-hired employees undergo a criminal history background check. All existing staff shall receive such checks not later than 6 months after the date of enactment of this chapter, and no additional staff shall be hired without a check having been completed.

(2) For the purposes of this section, the term "child care services" means child protective services (including the investigation of child abuse and neglect reports), social services, health and mental health care, child (day) care, education (whether or not directly involved in teaching), foster care, residential care, recreational or rehabilitative programs, and detention, correctional, or treatment services.

(b) **CRIMINAL HISTORY CHECK.**—(1) A background check required by subsection (a) shall be—

(A) based on a set of the employee's fingerprints obtained by a law enforcement officer and on other identifying information;

(B) conducted through the Identification Division of the Federal Bureau of Investigation and through the State criminal history repositories of all States that an employee or prospective employee lists as current and former residences in an employment application; and

(C) initiated through the personnel programs of the applicable Federal agencies.

(2) The results of the background check shall be communicated to the employing agency.

(c) **APPLICABLE CRIMINAL HISTORIES.**—Any conviction for a sex crime, an offense involving a child victim, or a drug felony, may be ground for denying employment or for dismissal of an employee in any of the positions listed in subsection (a)(2). In the case of an incident in which an individual has been charged with one of those offenses, when the charge has not yet been disposed of, an employer may suspend an employee from having any contact with children while on the job until the case is resolved. Conviction of a crime other than a sex crime may be considered if it bears on an individual's fitness to have responsibility for the safety and well-being of children.

(d) **EMPLOYMENT APPLICATIONS.—**(1) Employment applications for individuals who are seeking work for an agency of the Federal Government, or for a facility or program operated by (or through contract with) the Federal Government, in any of the positions listed in subsection (a)(1), shall contain a question asking whether the individual has ever been arrested for or charged with a crime involving a child, and if so requiring a description of the disposition of the arrest or charge. An application shall state that it is being signed under penalty of perjury, with the applicable Federal punishment for perjury stated on the application.

(2) A Federal agency seeking a criminal history record check shall first obtain the signature of the employee or prospective employee indicating that the employee or prospective employee has been notified of the employer's obligation to require a record check as a condition of employment and the employee's right to obtain a copy of the criminal history report made available to the employing Federal agency and the right to challenge the accuracy and completeness of any information contained in the report.

(e) **ENCOURAGEMENT OF VOLUNTARY CRIMINAL HISTORY CHECKS FOR OTHERS WHO MAY HAVE CONTACT WITH CHILDREN.—**Federal agencies and facilities are encouraged to submit identifying information for criminal history checks on volunteers working in any of the positions listed in subsection (a) and on adult household members in places where child care or foster care services are being provided in a home.

(a) **EMPLOYMENT PENDING COMPLETION OF BACKGROUND CHECK.**—Section 231 of the Crime Control Act of 1990 (42 U.S.C. 13041) is amended—

- (1) in the second sentence of subsection (a)(1), by striking out “6 months after the date of enactment of this chapter, and no additional staff” and inserting in lieu thereof “May 29, 1991. Except as provided in subsection (b)(3), no additional staff”; and
- (2) in subsection (b), by adding at the end the following new paragraph:

“(3) An agency or facility described in subsection (a)(1) may hire a staff person provisionally prior to the completion of a background check if, at all times prior to receipt of the background check during which children are in the care of the person, the person is within the sight and under the supervision of a staff person with respect to whom a background check has been completed.”

(b) **ADDITIONAL SAFETY MEASURES FOR FEDERAL CHILD CARE SERVICE FACILITIES.**—It is the sense of Congress that each agency of the Federal Government, each facility operated by the Federal Government, and each facility operated under contract with the Federal Government, that provides child care services to children under the age of 18—

- (1) modify child care facilities to the extent necessary to ensure that, except for restrooms, there are no secluded areas not open to the general view of persons in such facilities;
- (2) provide for regular oversight of the management and operations of child care facilities by an agency official who is not directly in charge of the operation of the facility; and
- (3) to the maximum extent feasible allow parental access to children in child care facilities at all times.

MEMORANDUM FROM THE SECRETARY OF DEFENSE HEALTH AFFAIRS,
"CRIMINAL HISTORY BACKGROUND CHECKS ON HEALTHCARE
PERSONNEL"

HEALTH AFFAIRS

THE ASSISTANT SECRETARY OF DEFENSE
WASHINGTON, D. C. 20301-1200

APR 2 8 1992

MEMORANDUM FOR SECRETARY OF THE ARMY
SECRETARY OF THE NAVY
SECRETARY OF THE AIR FORCE

SUBJECT: Criminal History Background Checks on Child Health
Care Personnel

This memorandum clarifies procedures for Department of Defense (DoD) health care personnel relative to implementation of Public Law 101-647, Section 231, "Crime Control Act," November 29, 1990, as amended by section 1094 of Public Law 102-190.

These provisions were implemented within DoD by Assistant Secretary of Defense (Force Management & Personnel) (ASD(FM&P)) memorandum, dated March 6, 1992, Subject: "Criminal History Background Checks on Employees in Child Care Services" (copy attached). The ASD(FM&P) memorandum requires Federal Bureau of Investigation (FBI) fingerprint checks and State Criminal History Repositories (SCHR) checks of residences listed on employment applications for specific existing and newly hired health care personnel. Active duty military members are excluded from the requirements of the statutory provisions and the ASD(FM&P) memorandum. As explained in the ASD(FM&P) memorandum, health care personnel are defined as:

"Those personnel involved in the delivery of health care to children under the age of 18 on a frequent and regular basis. This may include: (1) Medical and Dental Care Staff: physicians, dentists, nurse practitioners, clinical social workers, clinical psychologists, physician assistants, physical therapists, and speech pathologists. (2) Clinical Support Staff: clinical providers not granted defined clinical privileges to include residents, registered nurses licensed practical nurses, nursing assistants, play therapists, and technicians."

Two provisions of the ASD(FM&P) memorandum, when applied to the medical setting, require additional Health Affairs guidance.

1. The ASD(FM&P) memorandum states that:

"DoD components may employ an individual pending completion of successful background checks. If an individual is so employed, at all times while children are in the care of that individual, he or she must be within sight and under the supervision of an individual whose background checks have been completed, with no derogatory reports."

Processing reports can take months. It is unlikely that Congress meant to create a situation that would potentially require two physicians to examine a patient or two nurses to give one medication to a child.

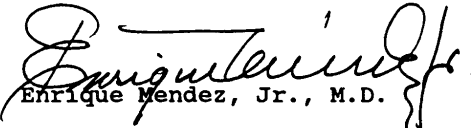

The DoD vigorously supports screening of health care workers involved in the delivery of health care to children under the age of 18 on a frequent and regular basis. Within the context of such medical care, line of sight supervision must be viewed through the prism of existing Medical Quality Assurance, Clinical Privileging, and Licensure Directives, which require pre-employment screens, enhanced surveillance of new employees and on-going monitoring of the performance of all health care providers. These programs are inherent to both quality medical care and patient safety and are adequate and equivalent mechanisms.

Therefore, pending completion of background checks, the Surgeons General shall require close clinical supervision and full compliance with existing DoD Directives, Instructions, and other guidance (issued by DoD and the Military Department concerned) on quality assurance, risk management, licensure, employee orientation, and credentials verification. These policies rely on process and judgment, and meet the intent of the "direct sight supervision" provision, affording local commanders a flexible and reasonable alternative.

2. Section 1094(b) of Public Law 102-190 provides that:

"It is the sense of Congress that each facility that provides childcare services to children under the age of 18 must modify child care facilities to the extent necessary that except for restrooms, there are no secluded areas not open to the general view of persons in such facilities."

This provision, which may be suitable for child development centers, is hortatory, not mandatory. Thus, the DoD must determine what effect to give it. Open areas in full view of the public eliminate patient privacy and, in some cases, are medically contraindicated. Thus, hospital commanders are not required to implement section 1094(b).

E6. ENCLOSURE 6

CRIMINAL HISTORY BACKGROUND CHECK PROCEDURES

This enclosure establishes the procedures for conducting criminal history background checks on existing and newly hired individuals required by Pub. L. No. 101-647, Section 231 and Pub. L. No. 102-190, Section 1094 (enclosures 3 and 4). Background checks are required for all civilian providers involved in child care services who have regular contact with children. The categories of providers include current and prospective individuals hired with APF and NAFI funds for education, treatment or healthcare, child care or youth activities, and individuals employed under contract involved in the provision of child care services. In addition to the mandates of enclosure 3, the Department of Defense requires that military members (except healthcare personnel), foster or respite care providers, FCC providers and family members, and specified volunteers shall have checks specified in sections E6.1. through E6.10. of this enclosure, below.

E6.1. Conducting Checks

Component designees shall notify existing and newly hired individuals and contractors of the requirement for a review of personnel and security records to include an FBI fingerprint check and SCHR checks of residences listed on employment and security applications.

E6.1.1. Fingerprint Check. Law enforcement personnel shall forward completed forms through channels to the Office of Personnel Management (OPM) or Defense Investigative Service (DIS) for processing of FBI fingerprint forms.

E6.1.2. State Criminal History Repository (SCHR) Check. DoD Installation-level personnel offices, in collaboration with law enforcement and security personnel, shall process State criminal history background checks for employment and shall ordinarily communicate in writing with each State identified in enclosure 8, providing full identifying information on each applicant and request confirmation that the individual has not been convicted in that State of a sex crime, an offense involving a child victim, a drug felony, or a violent crime. The DoD Component Heads may establish alternate procedures for conducting SCHR checks; e.g., a computerized, written, or telephonic check. The DoD Components are not required to wait longer

than 60 days from the date of the request for a response from the SCHR personnel before taking action on a particular application. Authorities will depend on FBI fingerprint check validation if States do not respond.

E6.1.3. Installation Record Checks (IRC). Consists of a local record check on an individual for a minimum of 2 years before the date of the application. This record check shall include, at a minimum, police (base and/or military police, security office, criminal investigators, or local law enforcement) local files checks, Drug and Alcohol Program, Family Housing, Medical Treatment Facility for Family Advocacy Program Service Central Registry records and mental health records, and any other record checks as appropriate to the extent permitted by law. A Service DCII may be conducted. The IRC shall be conducted by DoD Component personnel at the installation level. An IRC will be completed on individuals with a DoD affiliation such as living or working on an installation or is active duty member or family member. Individuals without DoD affiliation have no installation system of records to check and an IRC is not completed. Upon favorable completion of the IRC, an individual may be selected and provide child care services under line of sight supervision until the required background checks are completed.

E6.2. Applicants

E6.2.1. APF Applicants

E6.2.1.1. Except as otherwise provided in this subsection, the DoD Components shall process APF applicants using currently established procedures for completing background checks described in DoD 5400.11-R (reference (a)). APF applicants must complete a SF-171, "Application for Federal Employment," and attach a SF-87, "Fingerprint Chart," completed by a law enforcement officer; and a SF-85P, "Questionnaire for Public Trust Positions" (Annotate Block "B" with code 03), for conduct of a NACI. The package shall be forwarded to the OPM.

E6.2.1.2. The DoD Components shall assign responsibility for conducting the criminal history background checks through the SCHR to personnel offices working with law enforcement or investigative agencies. They shall conduct checks in all States that an employee or prospective employee lists as current and former residences in an employment or security application. It is deemed unnecessary to conduct checks before 18 years of age because juvenile records are unavailable. If no response is received from the State(s) within 60 days, determinations based upon the FBI report may be made. Responses received after this determination has been made must be provided to the determining authority.

E6.2.1.3. Under Pub. L. No. 102-190, Section 1094 (enclosure 4), the DoD Components may employ an individual pending completion of successful background checks described in Pub. L. No. 101-647, Section 231 (enclosure 3). If an individual is so employed, at all times while children are in the care of that individual, he or she must be within sight and under the supervision of an individual whose background checks have been completed, with no derogatory reports.

E6.2.1.4. Once it is clear that no derogatory information exists, line of sight supervision is terminated by the designee. If a derogatory report exists, Component personnel procedures shall prescribe appropriate action consistent with the criteria contained in this Instruction.

E6.2.2. NAFI Applicants

E6.2.2.1. Except as otherwise provided in this subsection, the DoD Components shall process NAFI applicants following established procedures for completing background checks. NAFI applicants must complete a DD Form 398-2 "Department of Defense National Agency Questionnaire," with reason for request identified as OTHER and annotated as CHILD CARE, and FD Form 258, "FBI Applicant Fingerprint Card." Fingerprints shall be taken by the local law enforcement organization personnel and together with the DD Form 398-2 shall be forwarded to: Defense Investigative Service, Personnel Investigations Center, P.O. Box 1083, Baltimore, MD 21203-1083.

E6.2.2.2. The DoD Components shall follow the procedures in the FPM, Chapter 731 and 736 (reference (b)) and above in subparagraphs E6.2.1.2., E6.2.1.3., and E6.2.1.4. to obtain fingerprints for the FBI, conduct criminal history background checks through the SCHR, and maintain employment of individuals pending the successful completion of the background checks.

E6.2.3. Foreign National Employees Overseas. Foreign national employees overseas, while not expressly included within the law, are subject to the following record checks or those equivalent in scope to checks conducted on U.S. citizens:

E6.2.3.1. Host-government law enforcement and security agency checks at the city, State (province), and national level, whenever permissible by the laws of the host government.

E6.2.3.2. Defense Central Investigative Index (DCII).

E6.2.3.3. FBI checks (when information exists regarding residence by the individual in the United States for 1 year or more since age 18).

E6.2.3.4. When permissible by the laws of the host government, host-government checks are requested directly by the employing Service or agency. As an alternative, the DoD Components may request that overseas Military Service investigative elements obtain appropriate host-government checks. Where host-nations' arrangements preclude comparable criminal history checks, foreign nationals will not be eligible for employment in child care services.

E6.2.4. Temporary Employees. This category includes summer hires, student interns, and NAFI flexible category employees. Background checks for these individuals are processed according to funding source; i.e., for APF employees (to OPM) or NAFI employees (to DIS). Installation-designated points of contact shall notify applicants of report disposition.

E6.2.5. Healthcare Personnel. This category includes civilian personnel involved in the delivery of healthcare (enclosure 5). Within the context of such medical care, line of sight supervision must be viewed through the prism of existing medical quality assurance, clinical privileging, and licensure directives, which require preemployment screens, enhanced surveillance of new employees, and on going monitoring of the performance of all healthcare providers. These programs are inherent to both quality medical care and patient safety and are adequate and equivalent mechanisms for the sight and supervision requirements in paragraphs E6.2.1.3. and E6.2.1.4. of this enclosure, above. It should be noted that these quality assurance programs are not sufficient in and of themselves under Pub. L. No. 101-647, Section 231 (enclosure 3). Therefore, the required FBI fingerprint check and the SCHR check must be completed as expeditiously as possible.

E6.3. Current Employees

All currently employed individuals covered by this Instruction shall have the FBI fingerprint and criminal history background check as described in Pub. L. No. 101-647, Section 231 (enclosure 3). If the results of such checks, to include the SCHR, cannot be confirmed through an examination of available local records, action shall be initiated in accordance with subsection E6.2.1., above, for APF employees and subsection E6.2.2., above, for NAFI employees, and with section E6.4., below, for individuals employed under contract. The SCHR checks are conducted in all cases in accordance with subsection E6.1.2., above. For the purposes of this Instruction, no

IRC is required for individuals employed before June 1991.

E6.4. Government Contract Employees

E6.4.1. Sponsoring activities are responsible for ensuring that the requirements in this Instruction are included in the statement of work for all child care programs to be contracted. The contracting officer is responsible for performing an action necessary to verify that services provided by the contractor conform to contract quality requirements. Component designees for requiring activities shall ensure that the statement of work, at a minimum:

E6.4.1.1. States that the contractor must ensure its employees have proper criminal history background checks as outlined in this Instruction.

E6.4.1.2. States that actual checks are performed by the Government.

E6.4.1.3. Includes procedures that the contractor must follow to obtain checks for its employees; for example, identify the office where employees report for processing, identify proper forms to be completed, etc. Also, identify the DoD Component for billing purposes, and identify the appropriate security point of contact or installation commander as the authorized recipient of background check results.

E6.4.1.4. States that employees may be permitted to work before completion of background checks, provided the employee is within sight of an individual who has successfully completed a background check.

E6.4.1.5. States that employees have the right to obtain a copy of the background check report, whom they should contact for the copy and whom to contact for procedures to challenge the accuracy and completeness of the information in the report.

E6.4.1.6. Requires that contractor employees who have previously received a background check must provide proof of the check or obtain a new one.

E6.4.2. Requirements for child care services must be submitted to the contracting officer sufficiently in advance of the required performance start date to provide time for obtaining background checks. Sponsoring activities' designees shall coordinate with the contracting officer as soon as possible after a requirement for child care services becomes known.

E6.4.3. Procedures for obtaining responses for background checks are the same as those for NAFI employees and response to derogatory information will occur through the appropriate designee and contractor. An IRC will be performed if the individual is a military member or family member, or has worked or lived on a military installation within 5 years.

E6.5. Other Providers

Criminal history background checks with the FBI and the States are not required. Duplication of previous background checks are not required for personnel where official records demonstrate that an adequate check has already been conducted. This category includes the following:

E6.5.1. Military Members. These are active duty individuals (other than healthcare personnel) who seek to provide child care services as part of a normal duty assignment or are involved during off-duty hours. For these members an IRC and a current security clearance meet the requirements of this Instruction. In the absence of a current security clearance, a name check of the DCII must be conducted. When military members are employed in an APF or a NAFI position they will abide by background check requirements listed in subsections E6.2.1. and E6.2.2., above.

E6.5.2. Foster and Respite Care Providers and Family Members. These are individuals who seek to provide foster care or respite child care within Government-owned or -leased quarters. The care provider, all other adults, and each child, age 12 and older, residing within the applicant's household must receive an IRC. In addition, the Component designee must also obtain a name check of the DCII on all adults.

E6.5.3. FCC Providers and Family Members. These are individuals who seek licensing to provide child care within Government-owned or -leased quarters. The care provider, all other adults, and each child, age 12 and older, residing within the applicant's household receive an IRC. In addition, the Component designee must obtain a name check of the DCII on all adults.

E6.5.4. Specified Volunteers. Installation commanders shall designate those positions that are determined to be "specified." Individuals working in specified volunteer positions will have an IRC check because of the nature of their work in child care services. The opportunity for contact may be extensive, frequent, or over a period of time. They include, but are not limited to, positions involving extensive

interaction alone, extended travel, and/or overnight activities with children. An IRC is required for volunteers who are active-duty, a family member, or a DoD civilian overseas. A volunteer is allowed to work upon completion of a favorable IRC. Background checks are not required for volunteers whose services will be of shorter duration than is required to perform the background checks and who are under line of sight supervision by an individual who has successfully completed a background check. The Components are required to provide additional implementing guidance.

E6.6. Employment Application Requirement

Pub. L. No. 101-647, Section 231 (enclosure 3) requires that each application for employment shall include a question asking whether the individual has ever been arrested for or charged with a crime involving a child, and, if so, requires a description of the disposition of the arrest or charge. The forms identified above in paragraphs E6.2.1.1. and E6.2.2.1. are signed by the applicant under penalty of perjury, with the applicable Federal punishment for perjury stated on the respective forms.

E6.6.1. An applicant's signature indicates an understanding of the employer's obligation to require a record check as a condition of employment. Information on background checks shall be maintained in accordance with applicable Component implementing regulations.

E6.6.2. Payment for the conduct of any criminal history background check is the responsibility of the requesting Service or Agency.

E6.6.3. The results of the background check are forwarded to the Component designee at the sending installation for appropriate action. A derogatory report would include, but not be limited to, the following applicable crimes: any charge or conviction for a sex crime, an offense involving a child victim, a substance abuse felony, or a violent crime.

E6.6.4. The hiring authority or designee is responsible for notifying the individual of a derogatory report. The individual may obtain a copy of the criminal history report and has the right to challenge the accuracy and completeness of any information contained in the report through the Privacy Program described in DoD 5400.11-R (reference (a)). The individual may provide information concerning positive mitigating factors for any adverse information presented.

E6.6.5. Employees whose criminal history background checks result in nonselection for employment or service shall be informed by the Component designee

of the right to an administrative appeal under reference (a). Under that Regulation, the individual may appeal with a specific request such as amendments to the records or request to file statement disagreeing with information in the record. If the employee's request for record information is refused, the individual is informed of his or her right to an administrative appeal. As appropriate, Component designees shall inform individuals of other avenues available to resolve matters of concern such as an administrative or negotiated grievance procedures. If the employee remains dissatisfied, he or she may seek a review. The Department of Defense recognizes the privacy interests and rights of all applicants and employees, and its own responsibility in ensuring a safe and secure environment for children within DoD activities or private organizations on DoD installations.

E6.7. Record Re-Verification

This procedure consists of an IRC and a DCII name check and is required by the Component designee at a minimum every 5 years for all employees providing child care services and covers the time period since the completion of the last background check. NAFI employees who change duty stations will complete a new investigation when considered for employment. A new investigation is required by the Department of Defense if a break in service results in a time-lapse of more than 2 years. FCC, foster care and respite care providers, and their family members will complete an IRC annually.

E6.8. Supervision

Refers to temporary responsibility for children in child care services, and relates to oversight for temporary or permanent authority to exercise direction and control by an individual over an individual whose required background checks have been initiated but not completed. Use of video equipment is acceptable provided it is monitored by an individual who has successfully completed a background check. Supervision procedures pending completion of background checks for healthcare personnel suggest that the Surgeons General shall require close clinical supervision and full compliance with existing DoD Directives, Instructions, and other guidance (issued by the Department of Defense and the Military Department concerned) on quality assurance, risk management, licensure, employee orientation, and credentials certification. These policies rely on process and judgment, and meet the intent of the "direct sight supervision" provision, affording local commanders a flexible and reasonable alternative.

E6.9. Programs

Requirements cover all DoD-operated activities and private organizations on DoD installations and include, but are not limited to:

E7. ENCLOSURE 7

CRITERIA FOR CRIMINAL HISTORY BACKGROUND CHECK DISQUALIFICATION

The ultimate decision to determine how to use information obtained from the criminal history background checks in selection for positions involving the care, treatment, supervision, or education of children must incorporate a common sense decision based upon all known facts. Adverse information is evaluated by the DoD Component Head or designee who is qualified at the appropriate level of command in interpreting criminal history background checks. All information of record both favorable and unfavorable will be assessed in terms of its relevance, recentness, and seriousness. Likewise, positive mitigating factors should be considered. Final suitability decisions shall be made by that commander or designee. Criteria that will result in disqualification of an applicant require careful screening of the data and include, but are not limited to, the following:

E7.1. Mandatory Disqualifying Criteria

Any conviction for a sexual offense, a drug felony, a violent crime, or a criminal offense involving a child or children.

E7.2. Discretionary Criteria

E7.2.1. Acts that may tend to indicate poor judgment, unreliability, or untrustworthiness in working with children.

E7.2.2. Any behavior; illness; or mental, physical, or emotional condition that in the opinion of a competent medical authority may cause a defect in judgment or reliability.

E7.2.3. Offenses involving assault, battery, or other abuse of a victim, regardless of age of the victim.

E7.2.4. Evidence or documentation of substance abuse dependency.

E7.2.5. Illegal or improper use, possession, or addiction to any controlled or

psychoactive substances, narcotic, cannabis, or other dangerous drug.

E7.2.6. Sexual acts, conduct, or behavior that, because of the circumstances in which they occur, may indicate untrustworthiness, unreliability, lack of judgment, or irresponsibility in working with children.

E7.2.7. A wide range of offenses such as arson, homicide, robbery, fraud, or any offense involving possession or use of a firearm.

E7.2.8. Evidence that the individual is a fugitive from justice.

E7.2.9. Evidence that the individual is an illegal alien who is not entitled to accept gainful employment for a position.

E7.2.10. A finding of negligence in a mishap causing death or serious injury to a child or dependent person entrusted to their care.

E7.3. Suitability Considerations

In making a determination of suitability, the evaluator shall consider the following additional factors to the extent that these examples are considered pertinent to the individual case:

E7.3.1. The kind of position for which the individual is applying or employed.

E7.3.2. The nature and seriousness of the conduct.

E7.3.3. The recentness of the conduct.

E7.3.4. The age of the individual at the time of the conduct.

E7.3.5. The circumstances surrounding the conduct.

E7.3.6. Contributing social or environmental conditions.

E7.3.7. The absence or presence of rehabilitation or efforts toward rehabilitation.

E7.3.8. The nexus of the arrests in regard to the job to be performed.

E7.4. Questions

E7.4.1. All applications, for each of the categories of individuals identified in enclosure 2, will include the following questions: "Have you ever been arrested for or charged with a crime involving a child? Have you ever been asked to resign because of or been decertified for a sexual offense?" And, if so, "provide a description of the case disposition." For FCC, foster care, and respite care providers, this question is asked of the applicant regarding all adults, and all children 12 years and older, who reside in the household.

E7.4.2. All applications shall state that the form is being signed under penalty of perjury. In addition, a false statement rendered by an employee may result in adverse action up to and including removal from Federal service.

E7.4.3. Evaluation of criminal history background checks is made and monitored by qualified personnel at the appropriate level designated by the Component. Final suitability decisions are made by the designee.

E8. ENCLOSURE 8
STATE INFORMATION

E8.1.1. All SCHR checks should be accompanied by the following:

E8.1.1.1. State form, if required. If no State form is required, the request should be on letterhead, beginning with the statement that the check is in accordance with Pub. L. No. 101-647 (enclosure 3). The request must include full identifying information, such as: Name, date of birth, social security number, complete addresses, etc.

E8.1.1.2. Fingerprint set if required. Some State laws require a fingerprint set either on a State form or forms used by the Agency.

E8.1.1.3. Release statement signed by the applicant or employee. If required by the State, the release must be notarized.

E8.1.1.4. Payment for the SCHR check.

1. PURPOSE

Pursuant to Reference (a), this Instruction:

1.1. Establishes, implements, and updates domestic abuse policies; identifies and assigns responsibilities for preventing and responding to domestic abuse; replaces and cancels References (b) through (d) and Under Secretary of Defense for Personnel and Readiness (USD(P&R)) Memorandum, "Policy for Implementation of Domestic Violence Misdemeanor Amendment to the Gun Control Act for Civilian Personnel" (Reference (e)); Under Secretary of Defense for Personnel and Readiness (USD(P&R)) Memorandum, "Domestic Abuse Victim Advocate Program" (Reference (f)); USD(P&R) Policy Memorandum, "Military Protective Orders (MPOs)" (Reference (g)); USD(P&R) Policy Memorandum, "Implementation of the Armed Forces Domestic Security Act," (Reference (h)); USD(P&R) Policy Memorandum, "Establishing Domestic Violence Memoranda of Understanding Between Military and Local Civilian Officials," (Reference (i)); Principal Deputy USD(P&R) Policy Memorandum, "Domestic Violence Prosecution Training," (Reference (j)); USD(P&R) Policy Memorandum, "Domestic Abuse Training for Chaplains," (Reference (k)); USD(P&R) Policy Memorandum,

“Domestic Abuse Response and Intervention Training for Commanding Officers and Senior Enlisted Personnel,” (Reference (l)); USD(P&R) Policy Memorandum, “Establishing Protocols for Law Enforcement and Command Responses to Domestic Violence Involving Military Members on Active Duty,” (Reference (m)); USD(P&R) Policy Memorandum, “Domestic Abuse Identification and Assessment Training for Health Care Providers,” (Reference (n)); and USD(P&R) Policy Memorandum, “Restricted Reporting Policy for Incidents of Domestic Abuse” (Reference (o)).

1.2. Provides guidance for implementing those policies in accordance with section 1562 of title 10, United States Code (U.S.C.) (Reference (p)), and section 534 of Public Law 103-337 (Reference (q)) through a coordinated community response involving multiple offices and agencies at military installations working in coordination with the surrounding civilian community.

2. APPLICABILITY AND SCOPE

2.1. This Instruction applies to the Office of the Secretary of Defense, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities in the Department of Defense (hereafter referred to collectively as the “DoD Components”). The term “Military Services,” as used herein, refers to the Army, the Navy, the Air Force, and the Marine Corps.

2.2. The provisions of this Instruction are not intended to change or otherwise modify regulations, including DoD Directives and Instructions, concerned with determining misconduct by individuals and the criminal or civil actions available to address such misconduct.

2.3. This Instruction does not create any rights enforceable by any person, organization, or other entity in an administrative proceeding or at law or equity. Failure on the part of personnel to comply with any aspect of these guidelines shall not create any rights or privileges in the persons referenced and shall not operate to provide a defense or other remedy in any proceeding arising under this protocol. This guidance is intended only to improve the internal administration of the Department of Defense.

3. DEFINITIONS

Terms used in the Instruction are defined in Enclosure 2.

4. POLICY

It is DoD policy to:

4.1. Prevent and eliminate domestic abuse in the Department of Defense.

4.2. Provide for the safety of victims; hold abusers appropriately accountable for their behavior; and coordinate the response to domestic abuse with the local community.

5. RESPONSIBILITIES

5.1. The USD(P&R) shall:

5.1.1. Develop and maintain this Instruction and ensure compliance.

5.1.2. Collaborate with the Military Departments to establish procedures and programs consistent with this Instruction.

5.1.3. Maintain a central DoD database of domestic violence incidents that implements the requirements of section 1562 of Reference (p).

5.1.4. Program, budget, and allocate funds and other resources to meet the policy objectives of this Instruction.

5.2. The Deputy ~~Under Assistant~~ Secretary of Defense (Military Community and Family Policy) (D~~U~~ASD(MC&FP)), under the USD(P&R), shall:

5.2.1. Issue standardized guidelines to the Secretaries of the Military Departments for developing a coordinated approach to addressing domestic abuse. These guidelines shall be designed to meet local needs and issued after consultation with healthcare and social programs and law enforcement and criminal investigative organizations serving DoD personnel and their families.

5.2.2. Provide guidance and technical assistance to the Military Departments and the DoD Components in addressing domestic abuse and facilitating the identification and resolution of inter-Component issues and concerns.

5.2.3. Collaborate with Federal and State Agencies that address domestic abuse and serve on related Federal committees and advisory groups.

5.2.4. Review annual reports of fatality reviews submitted by the Military Departments.

5.2.5. Convene an annual DoD Fatality Review Summit to respond to the findings and recommendations of the Military Departments' fatality review teams.

5.2.6. Monitor compliance with this Instruction and periodically evaluate the DoD response to domestic abuse in collaboration with organizations herein.

5.3. The Inspector General of the Department of Defense shall:

5.3.1. Develop policy for DoD criminal investigative organizations and oversee their investigations of domestic violence.

5.3.2. Oversee domestic violence training in the DoD investigative and law enforcement communities.

5.3.3. Collaborate with the Office of the USD(P&R) as necessary on domestic violence matters.

5.4. The Secretaries of the Military Departments and the Directors of the Defense Agencies and DoD Field Activities shall notify the D~~U~~ASD(MC&FP) of any DoD-related fatalities known or suspected to result from an act of domestic violence, child abuse, or suicide related to an act of domestic violence or child abuse, using DD Form 2901, "Child Abuse or Domestic Violence Related Fatality Notification."

5.5. The Secretaries of the Military Departments shall also:

5.5.1. Establish policies and programs consistent with the procedures outlined in section 6 and ensure implementation, monitoring, and evaluation at all levels of military command.

5.5.2. Program, budget, and allocate funds and other resources to meet the policy objectives of this Instruction.

5.5.3. Provide annual education and training to key personnel on the policies and procedures in this Instruction.

5.5.4. Establish regulations implementing a restricted reporting policy for victims of domestic abuse consistent with Enclosure 3.

5.5.5. Establish guidance for commanders and law enforcement, in accordance with paragraphs 6.1. and 6.2., to help reduce the incidence and severity of domestic violence through prompt and effective law enforcement investigation and command action.

5.5.6. To implement sections 4061, 6036, and 9061 of Reference (p), establish multidisciplinary fatality review teams and provide appropriate training for their members, and establish procedures for conducting annual reviews of fatalities known or suspected to result from an act of domestic violence, child abuse, or suicide related to an act of domestic violence or child abuse.

5.5.7. Submit an annual report of fatality reviews conducted within the Military Department to the D~~U~~ASD(MC&FP) through appropriate proponent offices for domestic violence and child abuse policy.

5.5.8. Issue regulations specifying that persons subject to the Uniform Code of Military Justice (UCMJ) (Chapter 47 of Reference (p)) comply with civilian and military orders of protection and that failure to comply may result in prosecution under the UCMJ.

5.5.9. Implement the Domestic Violence Amendment to the Gun Control Act in accordance with sections 922(d)(9) and 922(g)(9) of title 18, U.S.C. (Reference (r)), as directed in paragraph 6.1.4.

5.5.9.1. Periodically inform military and civilian personnel of the Domestic Violence Amendment to the Gun Control Act (Reference (r)), its consequences, and the requirements as described in paragraph 6.1.4.

5.5.9.2. Issue regulations governing how completed DD Forms 2760, "Qualification to Possess Firearms or Ammunition," are to be filed and maintained to ensure they are retrievable if needed. (See paragraph 6.1.4.)

5.5.9.3. Issue policies and procedures to ensure compliance with the Domestic Violence Amendment to the Gun Control Act (Reference (r)) with respect to privately owned firearms under Government control or permitted in Government quarters.

5.5.9.4. Issue policies and procedures governing the transfer of firearms and ammunition to individuals in morale, welfare, and recreation activities and other Government-sponsored or sanctioned activities.

6. PROCEDURES

6.1. Commanders' Role in Responding to Domestic Abuse. Commanders have a vital role in the coordinated community response to domestic abuse. Senior Enlisted Personnel serving in advisory roles to commanders should also be familiar with the requirements of this section.

6.1.1. Commanders shall:

6.1.1.1. Ensure that the alleged military abusers are held accountable for their conduct through appropriate disposition under the UCMJ (Chapter 47 of Reference (p)) and/or administrative regulations, as appropriate.

6.1.1.2. Respond to reports of domestic abuse as they would to credible reports of any other crime and ensure that victims are informed of services available.

6.1.1.3. Beginning with unit-level commanders closest to the accused, be familiar with the responsibilities delineated in section 6.1. If necessary, he/she shall involve his/her next higher superior officer in the chain of command.

6.1.1.4. Ensure that the restricted reporting policy procedures for victims of domestic abuse are fully implemented at the installation level. (See Enclosure 3.)

6.1.1.5. Refer any incident of domestic abuse reported or discovered independent of law enforcement to military law enforcement or the appropriate criminal investigative

organization for possible investigation in accordance with DoD Instruction 5505.03, "Initiation of Investigations by Military Criminal Investigative Organizations" (Reference (s)).

6.1.1.6. Counsel a military suspect about his/her alleged misconduct, but only after referring the incident of domestic abuse to law enforcement for investigation and consulting with the judge advocate general about providing the military suspect his/her Article 31 rights under the UCMJ (Chapter 47 of Reference (p)).

6.1.1.7. Ensure that the victim, alleged abuser, and family members of the victim who are eligible for treatment in a military medical facility (including those eligible on a fee-paying basis) are aware of appropriate medical, mental health, and other assessments, treatment, and referrals, recognizing the needs of a culturally diverse population, including needs for interpreter or translation services.

6.1.1.8. Ensure that those individuals who are not eligible to receive such services and treatment are referred to the appropriate civilian office, agency, or organization for services and treatment

6.1.1.9. Ensure safe housing has been secured for the victim as needed.

6.1.1.9.1. The preference is to remove the alleged abuser from the home when the parties must be separated to safeguard the victim.

6.1.1.9.2. If necessary, the alleged abuser will be directed to find alternative housing.

6.1.1.10. Cooperate in making the alleged abuser available to be served with a civilian protection order (CPO) as needed and consistent with service regulations. Obtain a copy of the protection order and review it with the servicing legal office.

6.1.1.11. If the alleged abuser is a civilian:

6.1.1.11.1. Consider requesting the installation/garrison commander to bar the individual from the installation.

6.1.1.11.2. Refer the alleged abuser to the appropriate criminal investigative organization for possible investigation.

6.1.1.11.3. Consult with the servicing civilian personnel office and the servicing legal office when the alleged abuser is a U.S. civil service employee who may be subject to disciplinary action.

6.1.1.12. Provide the victim with information about the Family Advocacy Program (FAP), victim advocate services, legal services, DoD Directive 1030.01 (Reference (t)), DoD Instruction 1342.24 (Reference (u)), and Principal Deputy Under Secretary of Defense for

Personnel and Readiness Policy Memorandum, "Duration of Payment for Transitional Compensation for Abused Dependents," (Reference (v)), as appropriate.

6.1.1.13. Ensure that victim advocacy is provided within a coordinated community response. (See paragraph 6.4.)

6.1.1.14. Ensure that victims of domestic abuse, living on or off the installation, have access to victim advocacy services in accordance with this Instruction 24 hours a day through either personal or telephonic contact; that such services include both immediate and ongoing information and referral assistance; safety planning (see paragraph 6.4.2.6.), and support services; that victims shall be actively involved in all aspects of the development of their safety and service plans; and that victims can make decisions regarding their safety and welfare, including refusal of victim advocacy services.

6.1.1.15. In consultation with FAP staff, ensure a safety plan is prepared and in place, and monitor the victim's safety.

6.1.1.16. Review each law enforcement investigative report with the servicing legal office to determine appropriate disposition. The commander shall make this determination independent of any clinical determination by the FAP committee as to whether this incident shall be entered into the DoD Component FAP registry of substantiated domestic abuse incidents.

6.1.1.17. Document, as appropriate, that a Service member engaged in conduct that is a dependent-abuse offense when referring such action for court martial and when initiating action to administratively separate, voluntarily or involuntarily, the Service member from active duty so that the family members may apply for transitional compensation benefits (Reference (u)).

6.1.1.18. Consult FAP staff to determine if an alleged abuser is a suitable candidate for clinical intervention services and his/her level of danger to the victim and others.

6.1.1.19. If the Service member is to be returned from deployment early for disciplinary or civilian legal procedures or for relaxation and recreation, regardless of when the abuse occurred, the unit commander shall ensure that the commander at the home station is notified in advance of the early return so that safety precautions can be planned and implemented in consultation with FAP. If the Service member is to be returned from deployment upon the regular schedule for return, the commander at the home station shall ensure that the FAP has planned and coordinated safety precautions.

6.1.1.20. Consult personnel officials to determine if Temporary Duty or Permanent Change of Station (PCS) orders that interfere with completion of any directed intervention services should be canceled or delayed. When Temporary Duty or PCS cannot be canceled or delayed, coordinate efforts with the gaining installation to ensure continuity of services with the FAP/victim advocate, and others regarding intervention for both the alleged abuser and the victim.

6.1.1.21. Document and report command actions through installation law enforcement officials according to DoD Directive 7730.47 (Reference (w)) and DoD 7730.47-M (Reference (x)).

6.1.1.22. Ensure protection of all persons alleged or known to be at risk from domestic abuse by issuing and enforcing an appropriate military protection order (MPO) that is coordinated with those civilian authorities that enforce the protection orders issued by civilian courts. (See paragraph 6.1.2.)

6.1.2. MPOs. A commander:

6.1.2.1. Shall issue and monitor compliance with an MPO when necessary to safeguard a victim, quell a disturbance, and maintain good order and discipline while a victim has time to pursue a protection order through a civilian court, or to support an existing CPO.

6.1.2.2. May issue an MPO to an active duty member only to prohibit the member from contacting or communicating with the protected person or members of the protected person's family or household and to direct the member to take specific actions that support, or are in furtherance of, the prohibition.

6.1.2.3. May use DD Form 2873, "Military Protective Order" to issue an MPO and shall provide copies of the signed MPO to the Service member who is the subject of the order, the Service member's local personnel file, and to the protected person (or the custodial parent of the protected person if the protected person is a child.)

6.1.2.4. Shall tailor the terms of the MPO to meet the specific needs of an individual victim.

6.1.2.5. May issue an MPO even if a CPO has already been issued by a judge or magistrate.

6.1.2.5.1. A commander may issue an MPO that is applicable to locations beyond the jurisdiction of the court that issued a CPO, including locations outside of the United States.

6.1.2.5.2. The terms of the MPO should not contradict the terms of a CPO.

6.1.2.5.3. A commander may issue an MPO with terms that are more restrictive than those in the CPO to which the member is subject.

6.1.2.6. May enforce an MPO whether the Service member is on or off of the installation. Violations may be prosecuted under Article 90 of the UCMJ, for Willfully Disobeying a Superior Commissioned Officer or under Article 92, for Failure to Obey Order or Regulation or under Article 134, for conduct prejudiced to good order and discipline in the Armed Forces or of a nature to bring discredit upon the Armed Forces (Chapter 47 of Reference (p)).

6.1.2.7. Should contact the gaining command and recommend that the gaining command issue a new MPO when the Service member is transferred to a new command and an MPO is still necessary to protect the victim(s).

6.1.3. The Armed Forces Domestic Security Act

6.1.3.1. Pursuant to the Armed Forces Domestic Security Act (section 1561(a) of Reference (p)), commanders and installation law enforcement personnel shall take all reasonable measures necessary to ensure that a CPO is given full force and effect on all DoD installations within the jurisdiction of the court that issued such order.

6.1.3.2. A commander may establish procedures for registering a CPO on a DoD installation, but failure to register the order shall not be reason for a commander, having knowledge of the order, to fail to give it full force and effect.

6.1.3.3. All persons who are subject to a CPO shall comply with the provisions and requirements of such order whenever present on a military installation.

6.1.3.3.1. Active duty Service members failing to comply with a CPO may be subject to administrative and/or disciplinary action under the UCMJ (Chapter 47 of Reference (p)).

6.1.3.3.2. Civilians failing to comply with a CPO, including DoD civilian employees, may be barred from the installation. DoD civilian employees may also be subject to appropriate administrative or disciplinary action in appropriate circumstances. Prior to taking administrative or disciplinary action, supervisors should consult the servicing legal and civilian personnel offices.

6.1.3.4. Any person who violates a CPO while on a military installation is subject to the imposition of sanctions by the court issuing the order.

6.1.4. Domestic Violence Misdemeanor (Lautenberg) Amendment to the Gun Control Act. The following provides procedures for implementing the Lautenberg Amendment to the Gun Control Act (Reference (r)) with regard to both military and civilian personnel.

6.1.4.1. The amendment makes it a felony for any person to sell or otherwise dispose of firearms or ammunition to any person he or she knows or has reasonable cause to believe has been convicted of a “misdemeanor crime of domestic violence.”

6.1.4.2. The amendment prohibits anyone who has been convicted of a misdemeanor crime of domestic violence from shipping or transporting in interstate or foreign commerce, or possessing in or affecting commerce, any firearm or ammunition; or receiving any firearm or ammunition which has been shipped or transported in interstate or foreign commerce. In addition to the Gun Control Act prohibiting anyone convicted of a felony from buying or possessing a firearm, the Lautenberg Amendment additionally prohibits any person convicted of a misdemeanor crime of domestic violence from buying or possessing a firearm.

6.1.4.3. Although the amendment only applies to misdemeanor crimes of domestic violence, it is DoD policy that a “qualifying conviction” also includes a conviction for a “crime of domestic violence” tried by general or special court-martial which otherwise meets the definition of a misdemeanor crime of domestic violence. See Enclosure 2 for the definition of qualifying conviction as used in this Instruction.

6.1.4.3.1. As a matter of DoD policy, a conviction for an offense meeting the definition of a “felony crime of domestic violence” adjudged on or after November 27, 2002 - the date at which the USD(P&R) policy was first issued as a directive-type memorandum (References (d) and (e)) - shall also be considered a qualifying conviction.

6.1.4.3.2. The term “qualifying conviction” does not include summary court-martial conviction, imposition of nonjudicial punishment under Article 15 of the UCMJ (Chapter 47 of Reference (p)), or deferred prosecutions or similar alternative dispositions in civilian courts. The term also does not include a determination by a FAP committee that this incident shall be entered into the DoD Component FAP registry of substantiated child abuse and domestic abuse incidents.

6.1.4.4. The Department of Defense does not construe the amendment to apply to major military weapon systems or “crew served” military weapons and ammunition (e.g., tanks, missiles, aircraft).

6.1.4.5. The actions required by the DoD implementing procedures as described in paragraphs 6.1.4.5.1. and 6.1.4.5.2. also apply outside United States territory.

6.1.4.5.1. Implementing Guidance for Military Personnel. Military personnel shall be periodically informed of the Domestic Violence Amendment to the Gun Control Act (Reference (r)) and the implementation procedures described in paragraphs 6.1.4.5.1.1. through 6.1.4.5.1.9..

6.1.4.5.1.1. Information provided shall include notice that personnel have an affirmative, continuing obligation to inform commanders or supervisors if they have, or later obtain, a qualifying conviction.

6.1.4.5.1.2. Information provided shall also direct that the revised DD Form 2760, which states that any statements made on the form will not be used in prosecution for violating the Gun Control Act (Reference (r)), is available.

6.1.4.5.1.3. All DoD Components shall post notices about the Domestic Violence Amendment and the procedures for implementation in all facilities in which Government firearms or ammunition are stored, issued, disposed of, and transported.

6.1.4.5.1.4. If in implementing this policy, a Military Department chooses to require that all or some of its military personnel certify whether or not they have a qualifying conviction, the DD Form 2760 shall be used for such certifications.

6.1.4.5.1.4.1. Even if certification is not required, DD Form 2760 shall be made available for use by those personnel who come forward to report a qualifying conviction in compliance with their obligation to do so.

6.1.4.5.1.4.2. Use of this form and the protections it affords have been approved in accordance with DoD Directive 5525.7 (Reference (y)).

6.1.4.5.1.5. Military Departments' procedures otherwise used to discover whether an applicant for military service has a qualifying conviction for a crime of domestic violence shall continue in effect. Individuals with a qualifying conviction shall not be granted a waiver for entrance into military service.

6.1.4.5.1.6. In the case of all members found to have a qualifying conviction, appropriate authority will immediately retrieve all government-issued firearms and ammunition, suspend his/her authority to possess government-issued firearms or ammunition, and advise them to dispose of their privately owned firearms and ammunitions lawfully. These actions shall also be taken if there is reasonable cause to believe a military member has a qualifying conviction.

6.1.4.5.1.7. Consistent with applicable laws and regulations, the Military Departments may promulgate regulations governing permanent adverse personnel actions, including separation, that may be taken with respect to Service members who have a qualifying conviction.

6.1.4.5.1.7.1. Separation of military personnel shall comply with existing statutory military retirement sanctuaries (sections 1176(a), 637(a)(5), 580(a)(4)(C), 12646(e)(1), and 12686 of Reference (p)).

6.1.4.5.1.7.2. A Service member in any of these sanctuaries who has a qualifying conviction and would otherwise be separated under Military Department regulations shall be given meaningful duties that do not involve access to firearms or ammunition until such member is retired upon first attaining eligibility for retirement.

6.1.4.5.1.8. DoD Components may afford military personnel who have a qualifying conviction a reasonable time to obtain an expungement or pardon of the qualifying conviction. If time is granted to a Service member for this purpose, however, DoD Components shall retrieve all Government-owned or issued firearms and ammunition and suspend the Service member's authority to possess firearms and ammunition until an expungement or pardon is obtained.

6.1.4.5.1.9. If a completed security clearance investigation reveals that a military member has a qualifying conviction, the investigation shall be referred to the requesting DoD Component for action consistent with this Instruction.

6.1.4.5.2. Implementing Guidance for DoD Civilian Personnel. The procedures in paragraphs 6.1.4.5.2.1. through 6.1.4.5.2.13. apply to all DoD appropriated and

nonappropriated fund civilian employees (section 2105 of 5, U.S.C. (Reference (z)), including employees working outside United States territory. It does not apply to foreign nationals employed overseas directly or indirectly by the Department of Defense.

6.1.4.5.2.1. Implementation of the procedures with respect to employees represented by unions shall be accomplished consistent with any labor relations obligations.

6.1.4.5.2.2. Each DoD Component shall identify all DoD civilian employment positions that include duties, activities, or responsibilities covered by the Gun Control Act, including selling or disposing of firearms and ammunitions or receiving, possessing, shipping, or transporting any firearm or ammunition in or affecting interstate or foreign commerce (Reference (r)) (hereafter referred to as “covered positions”). A data element identifying covered and non-covered positions was placed in the legacy Defense Civilian Personnel Data System (DCPDS) in the November 1998 release.

6.1.4.5.2.3. No DoD Component shall employ or retain in a covered position a civilian employee, including a nonappropriated fund employee, whom Component personnel know, or have reasonable cause to believe, has a qualifying conviction.

6.1.4.5.2.4. Each Component shall implement a program to inform its personnel in covered positions of the Domestic Violence Amendment to the Gun Control Act (Reference (r)), its consequences, and the procedures and policy in this Instruction.

6.1.4.5.2.4.1. Information provided shall include notice that personnel in covered positions have an affirmative, continuing obligation to inform their supervisors if they have, or later obtain, a qualifying conviction.

6.1.4.5.2.4.2. Information provided shall also direct that the revised DD Form 2760, which states that any statements made on the form will not be used in prosecution for violating the Gun Control Act (Reference (r)), is available.

6.1.4.5.2.4.3. DoD Components shall also post notices about the Domestic Violence Amendment and the following procedures for implementation in all facilities where firearms or ammunition is stored, issued, disposed of, and transported.

6.1.4.5.2.5. If in implementing this policy, a DoD Component chooses to require that all or some of its covered personnel certify that they do or do not have a qualifying conviction, the DD Form 2760 shall be used for such certifications.

6.1.4.5.2.5.1. Even if certification is not required, DD Form 2760 shall be made available for use by those personnel who come forward to report a qualifying conviction in compliance with their obligation to do so.

6.1.4.5.2.5.2. The form shall be filed on the left side of the employee’s personnel folder.

6.1.4.5.2.6. Each DoD Component shall retrieve Government-issued firearms and ammunition from any DoD employee in a covered position found to have a qualifying conviction and shall suspend the employee's authority to possess firearms or ammunition. Such action shall also be taken if there is reasonable cause to believe a civilian employee in a covered position has a qualifying conviction.

6.1.4.5.2.7. The absence of a qualifying conviction shall be made a condition of employment for all covered positions.

6.1.4.5.2.8. No individual who has a qualifying conviction may be assigned or detailed into a covered position.

6.1.4.5.2.9. Notice must be provided to individuals applying for covered positions of the prohibition prior to employment in covered positions. Notification shall include an appropriate statement on a vacancy announcement for a covered position.

6.1.4.5.2.10. Individuals may be required to certify on a DD Form 2760 that they do not have a qualifying conviction before selection for, or appointment to, a covered position.

6.1.4.5.2.11. Personnel actions involving incumbents of covered positions having qualifying convictions may be taken in accordance with applicable law, regulations, collective bargaining agreements, and this Instruction. Such personnel actions may include redesigning a position so that it no longer is a covered position, reassigning an employee with a qualifying conviction, or taking an adverse action (e.g., a reduction in grade or removal).

6.1.4.5.2.12. A DoD Component may afford an employee found to have a qualifying conviction a reasonable time to obtain an expungement or pardon of the conviction. During this time, however, the Components shall retrieve all Government-owned or issued firearms and ammunition and suspend the employee's authority to possess Government-owned or issued firearms and ammunition until an expungement or pardon is obtained.

6.1.4.5.2.13. When initiating a security clearance or suitability investigation on an applicant for, or an incumbent of, a covered position, each DoD Component shall identify the covered position on the request for investigation. If the completed investigation reveals a qualifying conviction, the investigation shall be referred to the requesting DoD Component for an employment suitability determination.

6.1.5. Establishing Memoranda of Understanding. Commanders shall ensure military criminal investigative and law enforcement organizations and legal officials establish formal memorandums of understanding (MOUs), or include in existing MOUs with their counterparts in the local community, procedures for improving information sharing on domestic abuse investigations, arrests, and prosecutions involving military personnel. The information in this section may be adapted to address additional areas of military-civil cooperation to further enhance the coordinated community response to domestic abuse.

6.1.5.1. MOUs between the installation and local civilian agencies/offices may be used to strengthen and formalize procedures for dealing with domestic abuse incidents that occur on or off the installation.

6.1.5.2. MOUs should be crafted to address issues specific to an installation and the communities surrounding it; there are, however, several issues that MOUs should address:

6.1.5.2.1. A general statement of the purpose of the MOU.

6.1.5.2.2. An explanation of jurisdictional issues that affect respective responsibilities on and off the installation.

6.1.5.2.3. Procedures for exchanging information regarding domestic abuse incidents involving active duty Service members and their family members.

6.1.5.2.4. Designation of the title of the installation office recipient of information from the local civilian office.

6.1.5.2.5. An understanding with regard the use of facilities

6.1.5.2.6. Meetings between the offices to review cases and MOU procedures.

6.1.5.3. Sample MOUs for use between installation criminal investigative and law enforcement organizations and legal officials, and their counterparts in the local community, are at Enclosures 4 and 5.

6.2. Law Enforcement's Role in Responding to Domestic Violence. As part of the coordinated community response to domestic abuse, law enforcement and military criminal investigative personnel shall be responsible for investigating reports of domestic violence and assembling evidence indicating whether or not an act, attempted act, or threatened act of non-accidental physical force has occurred, by whom and against whom, and the impact the act has had on the victim in terms of actual or potential physical injury or the fear it creates. Law enforcement personnel shall respond to reports of domestic violence as they would to credible reports of any other crime and shall ensure that victims are informed of available domestic abuse services. This section provides sample protocols for first responders that may be used as guidance in establishing appropriate military law enforcement or military criminal investigative organization responses to domestic violence.

6.2.1. The law enforcement or criminal investigative officer should attempt to elicit from the dispatcher all relevant information pertaining to the incident.

6.2.2. Responding law enforcement personnel should approach the scene of a domestic violence incident as one of high risk.

6.2.3. Upon arrival, law enforcement personnel should identify themselves, explain their presence, and request entry to investigate the call. If refused entry, law enforcement personnel should be persistent and seek appropriate legal advice if forced entry is contemplated.

6.2.4. Once inside, law enforcement personnel should establish control by:

6.2.4.1. Identifying potential weapons in the surroundings.

6.2.4.2. Separating the victim and the alleged suspect.

6.2.4.3. Restraining, detaining, or apprehending the alleged suspect as needed.

6.2.4.4. Assessing injuries, administering first aid, or notifying emergency medical services.

6.2.4.5. Inquiring about the alleged incident.

6.2.4.6. Identifying all occupants and witnesses on the premises.

6.2.4.7. Separating occupants and witnesses from the victim and the alleged suspect and keeping them out of hearing range.

6.2.5. Once control has been established, law enforcement personnel should:

6.2.5.1. Interview the victim and alleged suspect as fully as circumstances allow.

6.2.5.2. To the extent possible, attempt to determine the presence of risk factors as outlined in paragraph 6.6.2.

6.2.5.3. Inquire about any history of abuse or existing protective orders.

6.2.5.4. Fully investigate all alleged violations of protective orders.

6.2.5.5. Encourage the victim to seek a medical examination and arrange transport as needed.

6.2.5.6. Inquire about injuries that are concealed by clothing or otherwise not readily apparent.

6.2.5.7. Advise the victim to contact law enforcement and arrange for photographs to be taken of other injuries that become apparent in the days following the incident (bruises, for example, might appear several hours after the incident occurred or the following day).

6.2.6. Law enforcement personnel shall immediately notify FAP of the incident to prompt a thorough risk assessment and safety planning.

6.2.7. If the alleged suspect has fled the scene, attempt to get information about potential whereabouts.

6.2.8. Law enforcement personnel should interview any witnesses as fully and as soon as circumstances allow.

6.2.9. Law enforcement personnel should interview children in a manner appropriate to their age and apparent developmental level.

6.2.10. Law enforcement personnel should collect and preserve all physical evidence reasonably necessary to establish what took place, including photographic evidence substantiating the victim's injuries and crime scene, and evidentiary articles, such as weapons or torn/bloodied articles of clothing.

6.2.11. Law enforcement personnel should follow established law enforcement procedures pertaining to apprehension (for military personnel) and detention (for civilians). Law enforcement personnel should:

6.2.11.1. Comply with training on whether advisement of rights under the 5th Amendment of the Constitution of the United States (Reference (aa)) or Article 31 of the UCMJ (Chapter 47 of Reference (p)) is required.

6.2.11.2. Detain and turn over civilian suspects to DoD or local law enforcement personnel having arrest authority for further disposition.

6.2.11.3. Comply with any applicable MOUs in terms of information sharing and cooperating with civilian law enforcement agencies. (See paragraph 6.1.5.)

6.2.12. Law enforcement personnel should seek appropriate legal advice if seizure of firearms not directly tied to the incident is contemplated. (See paragraph 6.1.2. pertaining to MPOs and paragraph 6.1.4. pertaining to the Lautenberg Amendment to the Gun Control Act.)

6.2.13. If the victim has a CPO, law enforcement personnel shall take all reasonable measures necessary to ensure that a CPO is given full force and effect. (See paragraph 6.1.3. on the Armed Forces Domestic Security Act.)

6.2.13.1. An installation may have procedures in place for registering a CPO, but failure to register the order shall not be reason for law enforcement personnel, having knowledge of the order, to fail to give it full force and effect.

6.2.13.2. Law enforcement personnel shall cooperate with civilian law enforcement agencies to ensure that alleged violations of CPOs are investigated.

6.2.14. If apprehension or detention is not authorized, law enforcement personnel should explain to the victim the reasons why apprehension or detention is not going to occur.

6.2.15. Whether or not apprehension or detention occurs, law enforcement personnel should not leave the scene of the incident until the situation is fully under control and the likelihood of further violence has been eliminated.

6.2.15.1. Law enforcement personnel shall inform the victim of the availability of local shelter facilities, services offered through FAP, victim advocate and other domestic abuse services, and procedures for obtaining a protective order.

6.2.15.2. If the victim desires to take advantage of the shelter option, law enforcement personnel are obliged to stand by as belongings are gathered for the stay at the shelter and to arrange transport to the shelter, as needed.

6.2.16. Law enforcement personnel shall promptly complete a detailed written report of the investigation and forward a copy to the alleged suspect's commander or when the alleged suspect is a civilian, to the local law enforcement authorities in accordance with local law enforcement requirements and procedures.

6.3. Judge Advocate's (JA) Role in Responding to Domestic Violence. As part of the coordinated community response to domestic abuse, JAs have an integral role in ensuring that victims are protected from further harm and advising commanders concerning the appropriate disposition of domestic violence offenses. JAs assigned defense counsel responsibilities should receive training appropriate for their role.

6.3.1. Available Services. JAs must ensure that victims are informed of services available to victims of domestic violence, such as the Victim Witness Assistance Program (Reference (t)) and the Transitional Compensation Program (Reference (u)).

6.3.2. Response to Domestic Violence Allegations. JAs are responsible for providing timely, informed advice to commanders regarding the response to domestic violence allegations. When advising the responsible commander regarding their response to incidents of domestic abuse, JAs shall consult with FAP and victim advocates when considering lethality risk factors. (See paragraph 6.6.2.)

6.3.3. Issuance of MPOs. JAs are responsible for advising commanders, when requested, regarding the appropriateness of issuing an MPO against an alleged military abuser. (See paragraph 6.1.2.)

6.3.4. Armed Forces Domestic Security Act. JAs shall advise the responsible commander and law enforcement personnel regarding the implications of the Armed Forces Domestic Security Act (section 1561(a) of Reference (p)). (See paragraph 6.1.3.)

6.3.5. The Domestic Violence Misdemeanor Amendment (Lautenberg) to the Gun Control Act. JAs shall advise the responsible commander and law enforcement personnel in all matters relating to the Domestic Violence Misdemeanor Amendment (Lautenberg) to the Gun Control Act (Reference (r)). (See paragraph 6.1.4.)

6.3.6. Negotiating MOUs with Civilian Offices and Agencies. SJAs shall advise the responsible commander regarding the appropriate scope and content of MOUs with civilian law enforcement agencies and district attorney's offices. (See paragraph 6.1.5.)

6.3.7. Prosecution of Domestic Violence Cases. When prosecuting domestic violence cases, JAs are responsible for working with command, law enforcement, victim advocates and others.

6.3.7.1. JAs shall advise the responsible commander of the appropriate and effective response to domestic violence, taking into account the results of risk assessments conducted by FAP and/or victim advocates. (See paragraph 6.6.2.)

6.3.7.2. JAs shall advise law enforcement personnel, as appropriate, regarding scene investigation and evidence gathering to facilitate successful prosecution of domestic violence incidents, and the appropriate scope and content of law enforcement reports of domestic violence incidents.

6.3.8. JAs shall advise health care providers, victim advocates and victim advocate supervisors on whether an exception to restricted reporting exists.

6.4. Victim Advocacy

6.4.1. General Requirements

6.4.1.1. Execution of victim advocate duties must be conducted in a manner consistent with the victim's election of restricted or unrestricted reporting.

6.4.1.2. Victims of domestic abuse who are eligible to receive military medical treatment, including those eligible on a fee-paying basis, shall have access to both immediate and ongoing victim advocacy services.

6.4.1.3. Victims who are not eligible to receive military medical treatment shall be offered FAP assessment and safety planning services and referral to civilian support services for all follow-on care.

6.4.1.4. If copies of safety plans are retained by victim advocates, they shall be kept by the victims' name or personnel identifier in an appropriate Privacy Act system of records in accordance with DoDD 5400.11 and D 5400.11-R (References (ab) and (ac)).

6.4.2. Advocacy to Individual Victims – Initial Response and Safety Planning. The domestic abuse victim advocate shall:

6.4.2.1. Ensure that the victim understands that communication with the victim advocate is voluntary.

6.4.2.2. Inform the victim of both restricted and unrestricted reporting options pursuant to Enclosure 3 of this Instruction.

6.4.2.3. Ascertain the victim's immediate needs.

6.4.2.4. Encourage the victim to seek medical consultation/examination.

6.4.2.5. Assess the situation for imminent danger of life-threatening physical harm to the victim or another person, considering the existence and frequency of the risk factors in section 6.6.2. If law enforcement has been involved, they should be consulted to determine the presence of the risk factors in section 6.6.2. If imminent danger of life-threatening physical harm to the victim or another person exists, the victim advocate shall immediately consult with a health care provider. If a victim has elected the restricted reporting option (see Enclosure 3 of this Instruction), command or law enforcement will still be notified if, based on the assessment, there is a good faith belief that there is a serious and imminent threat to the health or safety of the victim or another person.

6.4.2.6. Discuss an initial safety plan and, with the active participation of the victim, develop a plan in accordance with the safety plan, DD Form 2893, "Victim Advocate Safety Plan." Ensure that the victim understands that establishing a written safety plan is voluntary. All victims, including victims who are not eligible for military medical care, shall be provided a copy of the initial safety plan. A copy of the safety plan shall be retained by the victim advocate only when the victim is eligible for military medical care and will continue to see the advocate. In all other instances, a copy shall not be retained. The victim advocate shall inform a victim whose plan is retained by the victim advocate that the plan will be kept in a record and where the record will be located. The victim advocate shall also inform the victim that the purpose of maintaining a record is to enable the victim and the victim advocate to continue their discussion of the victim's safety, to develop the safety plan more fully, and to record services provided to the victim.

6.4.2.6.1. Victim advocates shall attempt to periodically review the victim's safety plan with the victim.

6.4.2.6.2 Prior to closure of the victim advocacy case file, the victim advocate shall attempt to assess the victim's need for additional or ongoing safety measures or clinical case staffing.

6.4.2.7. Ensure victims are aware of the legal actions available to promote their safety.

6.4.2.8. Offer victims information, as appropriate, regarding local resources for immediate safety and long-term protection and support; workplace safety; housing; childcare; legal services; clinical resources; medical services; chaplain resources; transitional compensation; and other military and civilian support services.

6.4.2.9. Facilitate victim contact with military and civilian resources, as appropriate, including shelter and safe housing resources.

6.4.3. Advocacy to Individual Victims – Ongoing Assistance. The domestic abuse victim advocate shall:

6.4.3.1. Ensure that FAP, law enforcement, and the command are aware of the victim's safety plan if the victim has elected the unrestricted reporting option.

6.4.3.2. Maintain follow-up contact with the victim as appropriate.

6.4.3.3. Develop a safety plan with the victim, if one has not already been completed, and review it periodically with the victim. (See section 6.4.2.)

6.4.3.4. Support the victim in decision making by providing relevant information and discussing available options.

6.4.3.5. Assist the victim with prioritizing actions and establishing short- and long-term goals.

6.4.3.6. Support the victim in advocating on her or his own behalf.

6.4.3.7. Provide the victim comprehensive information and referral on relevant local military and civilian resources, the National Domestic Violence Hotline (1-800-799-SAFE) and Military OneSource (1-800-342-9647).

6.4.3.8. Assist the victim in gaining access to service providers and victim support resources that can help the victim explore future options and prioritize actions.

6.4.3.9. Assist the victim in contacting appropriate military and civilian legal offices for personal legal advice and assistance specific to the victim's circumstances or case, including the filing for CPOs or MPOs. The victim advocate shall not provide legal advice.

6.4.3.10. Consult and work with the Victim/Witness Liaison assigned when the military is involved in the investigation or disposition of an offense punishable under the UCMJ in accordance with Victim and Witness Assistance Procedures (Reference (ad)).

6.4.3.11. Advise the victim of FAP clinical resources.

6.4.3.12. Advise the victim of the impact of domestic abuse on children and offer referrals for assessments of the physical and mental health of involved children.

6.4.3.13. Accompany the victim to appointments and civilian and military court proceedings, as appropriate and when requested by the victim.

6.4.3.14. Provide the victim's spouse with basic information about the Transitional Compensation Program if the active duty abuser is being or may be separated from the Service due to dependent abuse and refer the victim to the Victim/Witness Liaison.

6.4.3.15. When a victim spouse decides to relocate away from the active duty abuser, provide the victim with basic information and eligibility requirements pertaining to the shipment of household goods and a vehicle at government expense according to section 406(h) of title 37 U.S.C. (Reference (ae)).

6.4.4. FAP meetings. The victim advocate shall:

6.4.4.1. Attend and participate in those portions of FAP meetings in which supportive services (including safety) and clinical treatment for the domestic abuse victim, and for any children living in the victim's home, are discussed, and only when the victim has given a signed authorization. Such meetings include FAP clinical case consultation meetings.

6.4.4.2. Collaborate with other providers of supportive services and clinical treatment to the domestic abuse victim, and for any children living in the victim's home, to ensure that the needs of the victim and such children are met.

6.4.4.3. Only disclose information pertaining to the victim to such victim, and pertaining to any children living in the victim's home to the non-abusing parent of any such children, in accordance with Reference (ac) and DoD Component implementing guidance.

6.4.4.4. Not attend those portions of FAP meetings in which assessment and clinical treatment for the alleged abuser are discussed.

6.4.5. Systems Advocacy. All domestic abuse responders shall promote a coordinated community response for the prevention of domestic abuse and for intervention when domestic abuse occurs. As a systems advocate, the victim advocate shall promote a coordinated community response for the prevention of domestic abuse and for intervention when domestic abuse occurs. However, these functions should not occur at the expense of providing direct service and support to victims. As a systems advocate, the victim advocate shall:

6.4.5.1. In collaboration with the victim advocate supervisor and FAP, conduct an ongoing assessment of the consistency and effectiveness of the Domestic Abuse Victim Advocate Program at the victim advocate's installation.

6.4.5.2. Collaborate with other agencies and activities to improve system response to, and support of, victims.

6.4.5.3. Advocate for victim services that involve the victim in the decision-making process.

6.4.5.4. Collaborate with military and civilian law enforcement and criminal investigative units in the establishment of protocol and procedures to ensure: (1) notification of

the victim advocate when such units are notified of a domestic abuse incident; (2) collaboration on safety planning and safety measures; and (3) ongoing training of military and civilian law enforcement personnel on the victim advocate's role.

6.4.5.5. Collaborate with the DoD-sponsored Medical Treatment Facility (MTF) and Dental Treatment Facility (DTF) in the establishment of protocol and procedures to ensure notification of a victim advocate for all incidents of suspected or reported domestic abuse, and the provision of ongoing training of medical/dental facility personnel on the victim advocate role.

6.4.5.6. Establish liaison with FAP intervention and prevention staff.

6.4.5.7. Establish liaison with civilian victim resources.

6.4.5.8. Actively participate as a member of the installation Family Advocacy Committee (FAC) in the development, implementation, and evaluation of installation domestic abuse policies and procedures, including MOUs, victim services contracts, and Inter-Service Support Agreements.

6.4.6. Education/Training and Public Awareness. Education, training, and public awareness are important victim advocate functions. However, these functions should not occur at the expense of providing direct service and support to victims. The victim advocate shall:

6.4.6.1. Assist in educating command and installation personnel on domestic abuse and victim advocate services.

6.4.6.2. Provide briefings on victim advocacy services to active duty personnel, the civilian spouses of active duty personnel, and DoD civilians when the latter are eligible to receive military medical treatment.

6.4.6.3. Assist in training military first responders, including law enforcement and MTF/DTF personnel, command personnel, and chaplains.

6.4.6.4. Assist in training civilian service providers about military victim issues, resources, and services.

6.4.6.5. Participate in developing and implementing public awareness campaigns on victim rights and advocacy services.

6.4.6.6. Assist in planning events for National Domestic Violence Awareness Month.

6.4.6.7. As authorized by his/her supervisor or commander, participate in private sector domestic abuse councils.

6.5. Health Care Provider's (HCP) Role in Responding to Domestic Abuse. HCPs have a critical role in identifying and assessing victims of domestic abuse. They may be the first

individuals to come into contact with a victim after a domestic abuse incident. It is essential that all health care providers understand domestic abuse and are aware of their role in responding to and reporting incidents.

6.5.1. Screening

6.5.1.1. Prior to screening, the health care provider must inform the patient of the limits of confidentiality, to include the Restricted Reporting policy at Enclosure 3, and of all reporting requirements, to include state laws and DoD and Service regulations, and must make all required reports.

6.5.1.2. Adult patients and parents/caregivers of children in pediatric care should be asked about current and past domestic abuse victimization if during screening, the provider suspects abuse.

6.5.1.3. HCPs should screen patients in private, without any friend, relative, spouse, child (unless under the age of 3) or partner in the room. Appropriate safety measures must be considered if the HCP believes the alleged abuser is present.

6.5.1.4. Interpreters (not relatives or friends of the patients) should be used whenever necessary and appropriate.

6.5.1.5. If a patient reports no current or past abuse, but the HCP has reason to believe that abuse may be occurring, the health care provider shall provide the patient with basic information about resources on the installation or in the civilian community.

6.5.2. Assessment.

6.5.2.1. The initial assessment shall occur immediately following a disclosure of domestic abuse and shall be repeated or expanded upon during follow-up appointments.

6.5.2.2. When a patient discloses current abuse, the assessment should include, at a minimum, relevant risk factors in paragraph 6.6.2. Additionally, the HCP should ask the patient if the alleged abuser is in the MTF and the extent to which his/her physical/mental health is impacted by the abuse.

6.5.2.3. HCPs shall determine if the patient has already reported the abuse to an official agency and/or has made a restricted report to a specified individual.

6.5.3. Intervention. HCPs should provide basic referrals for patients to appropriate services, such as FAP, victim advocacy services, the National Domestic Violence Hotline (1-800-799-SAFE) and Military OneSource (1-800-342-9647).

6.5.4. Documentation

6.5.4.1. Documentation should be completed by a health care provider who is authorized to record information in patient records. Documentation should include:

6.5.4.1.1. Patient statements, recorded to accurately reflect the patient's own words.

6.5.4.1.2. Relevant history, including current and past incidents of abuse and their effects on the patient's health.

6.5.4.1.3. Detailed results of physical examinations, both described in writing and noted accurately on a body map.

6.5.4.1.4. Photographs when possible and with the consent of the patient.

6.5.4.1.5. Results of any laboratory or diagnostic procedures.

6.5.4.1.6. Results of assessment, intervention, and referrals.

6.5.4.1.7. Patient's selection of a reporting option.

6.5.4.2. If the patient does not disclose domestic abuse, the HCP shall document in the record that screening was conducted but the patient disclosed no abuse. If the provider suspects abuse even though the patient did not so disclose, the provider should document those concerns in the medical record (e.g., "physical findings are not congruent with history or description," "patient presents with indicators of domestic abuse") and also document any physical findings suggesting domestic abuse. Notifications in such instances should be made in accordance with DoD and Military Service policy.

6.6. FAP Responsibilities. In accordance with DoDD 6400.1, DoD 6400.1-M, and DoD 6400.1-M-1 (References (af), (ag), and (ah)), the FAP shall have primary responsibility for public awareness and education programs in the military community, for ensuring that each reported incident is assessed for risk of further domestic abuse, for ensuring that victims of domestic abuse receive a clinical assessment and supportive services, as appropriate, and for ensuring that domestic abusers receive a clinical assessment, treatment as appropriate, and ongoing treatment monitoring.

6.6.1. In conducting public awareness and education programs in the military community, the FAP shall coordinate with local civilian domestic abuse programs and with national and state civilian domestic abuse public awareness and education programs, modifying informational materials as appropriate for the military community.

6.6.2. Each incident of domestic abuse shall be assessed for risk whether or not violence was used in the incident in question. Risk assessment should include at a minimum, the existence and frequency of the following risk factors:

6.6.2.1. Access to the victim.

6.6.2.2. Victimization patterns have increased in severity or frequency.

6.6.2.3. Alleged abuser has threatened, attempted, or has a plan to kill the victim or his/her children.

6.6.2.4. Alleged abuser has threatened, attempted, or has a plan to commit suicide.

6.6.2.5. Alleged abuser has strangled the victim.

6.6.2.6. Alleged abuser has used a weapon, threatened to use a weapon, or has access to a weapon that may be used against the victim.

6.6.2.7. Victim has sustained serious injury during the abusive incidents.

6.6.2.8. History of law enforcement involvement regarding domestic abuse or other criminal behavior.

6.6.2.9. Victim has a restraining order or protection order against the alleged abuser.

6.6.2.10. Violation of a protection order by alleged abuser.

6.6.2.11. Victim is estranged, separated, or attempting to separate from the alleged abuser. Does he/she have a place to go?

6.6.2.12. Alleged abuser has stalked the victim.

6.6.2.13. Alleged abuser exhibits obsessive behavior, extreme jealousy, extreme dominance, rage, agitation, or instability.

6.6.2.14. History of drug or alcohol abuse.

6.6.2.15. Alleged abuser has forced sex on the victim.

6.6.2.16. Alleged abuser isolates the victim.

6.6.3. Clinical assessment and supportive services shall be offered to victims of domestic abuse on a voluntary basis. The FAP shall provide the victim with basic information about FAP and the availability of victim advocacy services on the installation or in the civilian community.

6.6.4. FAP shall conduct clinical assessments of alleged domestic abusers or make appropriate referrals for assessment by civilian providers.

6.6.5. If, as a result of the clinical assessment and the commander's disciplinary action or the outcome of civilian criminal proceedings, it is appropriate to provide treatment to the alleged domestic abuser, FAP shall provide appropriate treatment in accordance with FAP guidelines or make appropriate referrals for clinical treatment by civilian providers.

6.6.6. To the extent possible, FAP shall monitor the treatment of the alleged abuser and shall promptly report violations of treatment rules to the commander or the appropriate civilian authority.

6.6.7. To the extent possible, FAP shall ensure that at periodic intervals both the victim and the alleged abuser are assessed to determine the risk of re-abuse.

6.7. Chaplains. Chaplains provide unique services to the military community and to victims and alleged abusers in domestic abuse situations.

6.7.1. Victims and alleged abusers are entitled to the protections of privileged communications with a chaplain that may be protected under the Military Rules of Evidence or applicable statutes and regulations. The restricted reporting policy (see Enclosure 3) is in addition to the current protections afforded privileged communications with a chaplain under the UCMJ, and does not alter or affect those protections.

6.7.2. In recognition of this special relationship, chaplains shall be trained on the policies and procedures in this Instruction as well as military Service-specific domestic abuse policies and privileged communications.

6.7.3. Upon learning of an incident of domestic abuse, chaplains shall provide basic referrals to appropriate services, such as FAP, victim advocacy services, the National Domestic Violence Hotline (1-800-799-SAFE) and Military OneSource (1-800-342-9647).

6.8. Continuous monitoring. Clinical treatment of a person who committed domestic abuse cannot by itself ensure that domestic abuse will cease. A coordinated community approach to continuous monitoring of an abuser is required to reduce the risk of further domestic abuse. Continuous monitoring is the collective responsibility of commanders, FAP clinicians, military law enforcement personnel, installation SJAs, victim advocates, chaplains, HCPs and numerous civilian community agencies, including criminal and family court judges, court probation officials, victim witness liaisons, domestic abuse treatment providers, child protective services agencies, and battered women's shelters.

6.9. Fatality Notification and Fatality Review

6.9.1. Notification of DoD-Related Fatalities. The Military Departments and Defense Agencies/DoD Field Activities shall notify the D~~U~~ASD(MC&FP) of any DoD-related fatality known or suspected to have resulted from an act of domestic violence, child abuse, or suicide related to an act of domestic violence or child abuse.

6.9.1.1. Information concerning such fatalities shall be submitted on DD Form 2901 ~~by fax at the number provided~~ as directed on the form.

6.9.1.1.1. Information contained on DD Form 2901 must be coordinated with the criminal investigative organization or law enforcement agency having jurisdiction over the investigation prior to submission.

6.9.1.1.2. The name of the victim(s) and alleged abuser(s) shall not be included in item 25 of DD Form 2901.

6.9.1.2. The ~~DU~~ASD(MC&FP) shall retain the information in items 1 through 8 of DD Form 2901 for 2 calendar years after receipt. This information will be used to ascertain whether the appropriate Military Department has conducted the required fatality review. All remaining items on DD Form 2901 will be retained for 2 weeks after receipt to ensure that the appropriate Military Department has documented the fatality for future fatality reviews.

6.9.2. Review of DoD-Related Fatalities. The Military Departments shall conduct multidisciplinary, impartial reviews of each fatality known or suspected to have resulted from an act of domestic violence, child abuse, or suicide related to an act of domestic violence or child abuse. A fatality shall only be reviewed under this Instruction when all criminal proceedings have been completed.

6.9.2.1. Each Military Department shall establish and train a fatality review team.

6.9.2.1.1. The team shall be multidisciplinary, with representatives from organizations responsible for intervening with victims and abusers. At a minimum, FAP, the medical treatment facility, the SJA, law enforcement, and criminal investigative organization shall be represented.

6.9.2.1.2. The team may include appropriate civilian representatives. In such case it shall comply with the requirements of DoD Directive 5105.4 (Reference (ai)).

6.9.2.2. The team shall meet regularly in closed sessions to review fatalities for the purpose of identifying trends and patterns that may assist in developing policy recommendations that promote more effective prevention efforts and earlier and more effective interventions.

6.9.2.2.1. Team operating procedures shall be flexible enough to accommodate informal approaches that facilitate the team's work, including meeting on an ad hoc basis, dispensing with routine meeting minutes, and conducting preliminary reviews without benefit of key information (i.e., police report, autopsy report, or record of trial).

6.9.2.2.2. The team shall conduct a system review of each identified case by determining which organizations had contact with the deceased; what services, if any, were offered; the quality of those services; the timeline of these critical events; and whether better or different services might have prevented the death of the deceased.

6.9.2.2.3. Fatality review teams shall:

6.9.2.2.3.1. Comply with the requirements of Reference (ac) and any state law that protects the confidentiality of the identities of individuals; and

6.9.2.2.3.2. Protect the confidentiality of the deliberations and internal team documents pursuant to DoD 5400.7-R (Reference (aj)) or under any relevant state law.

6.9.2.3. Each Military Department, through its proponent offices for domestic violence and child abuse, shall forward an “Annual Report Of Fatalities” to the ~~DU~~ASD(MC&FP). The report shall, at a minimum, include:

6.9.2.3.1. An executive summary;

6.9.2.3.2. Information on:

6.9.2.3.2.1. The victims’ sex, age, race/ethnicity, pay grade (if applicable), injuries, autopsy findings, household/family information (without identifying data), and significant medical and mental health history;

6.9.2.3.2.2. Manner of death: the legal classification, whether natural, suicide, homicide, accidental or undetermined;

6.9.2.3.2.3. The assailants’ sex, age, race/ethnicity, pay grade (if applicable), and household/family information (without identifying data), prior police record, restraining order violations, and significant medical and mental health history;

6.9.2.3.2.4. Whether there had been previous violence between the victim and assailant or a previous suicide attempt, and if so, a description of such previous violence or suicide attempt;

6.9.2.3.3. Policies and practices reviewed as a result of the fatality;

6.9.2.3.4. SJA verified military and/or civilian legal dispositions of cases involving homicide;

6.9.2.3.5. System interventions and failures, if any, within the Department of Defense;

6.9.2.3.6. A discussion of significant findings; and

6.9.2.3.7. Recommendations for systemic changes, if any, within the respective Military Department.

6.9.2.4. The annual report shall be due 24 months following the end of the fiscal year in which fatalities that are the subject of the report occur, and have a due date of September 30.

6.9.2.5. Within 12 months of receiving the initial fatality review reports, and annually thereafter, the D~~U~~ASD(MC&FP) shall conduct a DoD fatality review summit to respond to the findings and recommendations from the Military fatality review teams.

7. TRAINING

In addition to providing education and training to key personnel on the policies and procedures in this Instruction, the Secretaries of the Military Departments shall provide periodic, mandatory training on the topics provided in paragraphs 7.1 through 7.5 to all military personnel. To the extent possible, education and awareness activities should also target family members. The Military Departments will determine the appropriate staff to deliver this training and the venue.

- 7.1. Dynamics of domestic abuse.
- 7.2. DoD policy and Military Service-specific domestic abuse policies and procedures.
- 7.3. Common misconceptions associated with domestic abuse.
- 7.4. Beliefs, attitudes and cultural issues associated with domestic abuse.
- 7.5. Military and civilian domestic abuse resources.

8. INFORMATION REQUIREMENTS

8.1. The annual report to the USD(P&R) of domestic violence and child abuse fatality reviews referred to in paragraph 6.9.2. has been assigned Report Control Symbol (RCS) DD-P&R(A)2175.

8.2. The reports to the D~~U~~ASD(MC&FP) of DoD-related fatalities due to domestic violence or child abuse referred to in paragraph 6.9.1. have been assigned RCS DD-P&R(Q)2052.

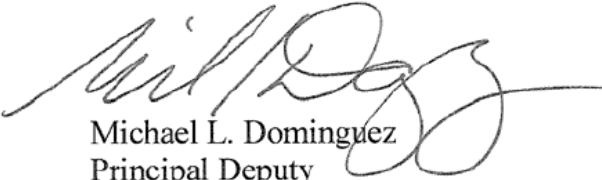

8.3. Reporting instructions and data elements for the “DoD Domestic Violence Database” referred to in paragraph 5.1.3. are contained in DoD 7730.47-M (Reference (x)). The information requirements for such data has been assigned RCS DD-P&R(M)1973 under DoD Directive 7730.47 (Reference (w)).

8.4. These reporting requirements have been assigned according to DoD 8910.1-M (Reference (ak)).

8.5. The Safety Plan referred to in this Instruction is exempt from licensing according to paragraph C4.4.2 of Reference (ak).

9. EFFECTIVE DATE

This Instruction is effective immediately.

E2. ENCLOSURE 2

DEFINITIONS

E2.1. Adult. For the purposes of this Instruction, an adult is a person who has either attained the age of 18 years of age or is married.

E2.2. Advocacy Services. Services that are offered to victims of domestic abuse with the goal of increasing victim safety and autonomy. Services shall include, but not necessarily be limited to, responding to victims' emergency and ongoing safety concerns and needs, providing information about programs and services available to victims and their children in both the civilian and military communities, and providing victims with ongoing support and referrals.

E2.3. Ammunition. For purposes of this Instruction with regard to implementing the Domestic Violence Amendment to the Gun Control Act (Reference (r)), the term "ammunition" means ammunition or cartridge cases, primers, bullets, or propellant powder designed for use in any firearm. However, it does not include ammunition for major military weapon systems or "crew served" military weapons systems.

E2.4. Categories of Support Available. Victims of domestic abuse who are eligible to receive military medical treatment, to include on a fee-paying basis, shall have access to both immediate and ongoing victim advocacy services. This support includes treatment and services at military treatment facilities and TRICARE services, as well as all services listed in this Instruction. Other victims are eligible for services consistent with their status.

E2.5. Child Abuse. The physical or sexual abuse, emotional abuse, or neglect of a child by a parent, guardian, foster parent, or by a caregiver, whether the caregiver is intrafamilial or extrafamilial, under circumstances indicating the child's welfare is harmed or threatened. Such acts by a sibling, other family member, or other person shall be deemed to be child abuse only when the individual is providing care under express or implied agreement with the parent, guardian, or foster parent.

E2.6. Civilian Protection Order. For the purposes of this instruction in implementation of the Armed Forces Domestic Security Act, a CPO includes any injunction or other order issued for the purpose of preventing violent or threatening acts or harassment against, or contact or communication with or physical proximity to, another person, including any temporary or final order issued by a civil and criminal court (other than a support or child custody order issued pursuant to State divorce and child custody laws, except to the extent that such an order is entitled to full faith and credit under other Federal law) whether obtained by filing an independent action or as a pendente lite order in another proceedings so long as any civil order was issued in response to a complaint, petition, or motion filed by or on behalf of a person seeking protection.

E2.7. Covered Communication. For the purposes of restricted reporting, an oral, written or electronic communication of personally identifiable information related to a domestic abuse

incident made by a victim to the victim advocate, the supervisor of victim advocates, or to a healthcare provider, for the purposes of receiving medical care or information, referral to service providers, advice, or safety planning. It includes a record relating to such a communication (including statements, notations or reports) but does not include statistical data that does not identify an individual.

E2.8. Crime of Domestic Violence. For purposes of this Instruction with regard to implementing the Domestic Violence Amendment to the Gun Control Act (Reference (r)), the term “crime of domestic violence” means an offense that has as its factual basis, the use or attempted use of physical force, or threatened use of a deadly weapon; committed by a current or former spouse, parent, or guardian of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, parent, or guardian, or by a person similarly situated to a spouse, parent or guardian of the victims.

E2.9. Destructive device. For purposes of this Instruction with regard to implementing the Domestic Violence Amendment to the Gun Control Act (Reference (r)), the term “destructive device” means (a) any explosive, incendiary, or poison gas bomb, grenade, mine, or any such rocket having a propellant charge of more than four ounces, or any such missile having an explosive or incendiary charge of more than one-quarter ounce, or any device similar to any of the devices described in the preceding clauses; (b) any type of weapon by whatever name known which will, or which may be readily converted to, expel a projectile by the action of an explosive or other propellant, and which has any barrel with a bore of more than one-half inch in diameter; and (c) any combination of parts either designed or intended for use in converting any device into any destructive device described in (a) or (b) and from which a destructive device may be readily assembled. Provided, however, that the term “destructive device” shall not include any device which is neither designed nor redesigned for use as a weapon nor shall include any device, although originally designed as a weapon, which is redesigned for use as a signaling, pyrotechnic, line throwing, safety, or similar device.

E2.10. Dispose. For purposes of this Instruction with regard to implementing the Domestic Violence Amendment to the Gun Control Act (Reference (r)), the term “dispose” means to exercise control over, to direct or to assign for use, or to alienate, bargain away, bestow, convey, exchange, give away, or transfer by authority.

E2.11. DoD Civilian Employee. An employee of the Department of Defense who is a U.S. citizen and paid from appropriated, non-appropriated, revolving, or trust funds. The terms “civilian employee” and “employee” do not include military personnel.

E2.12. DoD-related Fatality. The death of

E2.12.1. A member of a Military Department on active duty;

E2.12.2. A current or former dependent of a member of a Military Department on active duty; or

E2.12.3. A current or former intimate partner who has a child in common or has shared a common domicile with a member of a Military Department on active duty.

E2.13. Domestic Abuse. Domestic violence or a pattern of behavior resulting in emotional/psychological abuse, economic control, and/or interference with personal liberty that is directed toward a person ~~of the opposite sex~~ who is:

E2.13.1. A current or former spouse.

E2.13.2. A person with whom the abuser shares a child in common; or

E2.13.3. A current or former intimate partner with whom the abuser shares or has shared a common domicile.

E2.14. Domestic Violence. An offense under the United States Code, the Uniform Code of Military Justice, or State law involving the use, attempted use, or threatened use of force or violence against a person ~~of the opposite sex~~, or a violation of a lawful order issued for the protection of a person ~~of the opposite sex~~, who is:

E2.14.1. A current or former spouse.

E2.14.2. A person with whom the abuser shares a child in common; or

E2.14.3. A current or former intimate partner with whom the abuser shares or has shared a common domicile.

E2.15. Family Advocacy Committee (FAC). The policy making, coordination, recommending, and overseeing body for the installation FAP.

E2.16. Family Advocacy Program (FAP). A program designed to address prevention, identification, evaluation, treatment, rehabilitation, follow-up, and reporting of family violence. FAPs consist of coordinated efforts designed to prevent and intervene in cases of family distress, and to promote healthy family life.

E2.17. Felony crime of domestic violence. For purposes of this Instruction with regard to implementing the Domestic Violence Amendment to the Gun Control Act (Reference (r)), the term “felony crime of domestic violence” is a “crime of domestic violence” that is classified as a felony under State or Federal law (generally, a crime punishable by a term of imprisonment that exceeds one year).

E2.18. Firearm. For purposes of this Instruction with regard to implementing the Domestic Violence Amendment to the Gun Control Act (Reference (r)), the term “firearm” means (a) any weapon (including a starter gun) which will, or is designed to, or may readily be converted to, expel a projectile by the action of an explosive; (b) the frame or receiver of any such weapon; and (c) any firearm muffler or firearm silencer; or (d) any destructive device. However, it does

not include major military weapons systems or “crew served” military weapons (tanks, missiles, aircraft).

E2.19. Health care provider. Those individuals who are employed or assigned as healthcare professionals, or are credentialed to provide health care services (including clinical social workers), at a military medical or military dental treatment facility, or a military family support center, or who provide such care at a deployed location or in an official capacity. This term includes military personnel, DoD civilian employees or DoD contractor personnel.

E2.20. Homicide. The killing of one person by another, whether lawfully or unlawfully. When death is determined to be homicide, it is a death that results from intentional or grossly reckless behavior of another person or persons. The term is not synonymous with murder or other crimes, which is a legal determination. The term includes both criminal actions and excusable incidents (e.g., self-defense, law enforcement, and combat actions).

E2.21. Interstate or foreign commerce. For purposes of this Instruction with regard to implementing the Domestic Violence Amendment to the Gun Control Act (Reference (r)), the term “interstate or foreign commerce” includes commerce between any place in a state and any place outside of that state, or within any possession of the United States or the District of Columbia, but such term does not include commerce between places within the same state but through any place outside of that state.

E2.22. Misdemeanor crime of domestic violence. For purposes of this Instruction with regard to implementing the Domestic Violence Amendment to the Gun Control Act (Reference (r)), the term “misdemeanor crime of domestic violence” is a “crime of domestic violence” that is classified as a misdemeanor under State or Federal law (generally, a crime punishable by a maximum term of imprisonment that is one year or less).

E2.23. Possession. For purposes of this Instruction with regard to implementing the Domestic Violence Amendment to the Gun Control Act (Reference (r)), the term “possession” includes both “active possession” and “constructive possession,” whether authorized or unauthorized. Active possession of a firearm or ammunition exists when the firearm or ammunition is in the immediate possession of the person. Constructive possession exists when a person does not have actual possession but instead knowingly has the power and at a given time to exercise dominion and control over the firearm or ammunition, either directly or through others. Possession need not be exclusive but may be joint with others.

E2.24. Qualifying Conviction. For purposes of this Instruction with regard to implementing the Domestic Violence Amendment to the Gun Control Act (Reference (r)), the term “qualifying conviction” applies to any of the following:

E2.24.1. A State or Federal conviction for a misdemeanor crime of domestic violence.

E2.24.2. A State or Federal conviction for a felony crime of domestic violence adjudged on or after November 27, 2002, as first established by USD(P&R) Directive-Type Memorandum (References (d) and (e)).

E2.24.3. Any general or special court-martial conviction for a Uniform Code of Military Justice offense that otherwise meets the elements of a crime of domestic violence, even though not classified as a misdemeanor or felony.

A person shall not be considered to have a qualifying conviction unless the convicted offender was represented by counsel, or knowingly and intelligently waived the right to counsel and, if entitled to have the case tried by jury or before court-members, the case was actually tried by a jury or court members or the person knowingly and intelligently waived the right to have the case tried by a jury or court members, and;

A person shall not be considered to have a qualifying conviction if the conviction has been expunged or set aside, or the convicted offender has been pardoned for the offense or had civil rights restored, unless the pardon, expungement, or restoration of civil rights provides that the person may not ship, transport, possess, or receive firearms.

E2.25. Reasonable cause. For purposes of this Instruction with regard to implementing the Domestic Violence Amendment to the Gun Control Act (Reference (r)), the term “reasonable cause” means that there is reliable information that a reasonable, prudent person would rely on which makes it more likely than not that the individual has a qualifying conviction.

E2.26. Receive. For purposes of this Instruction with regard to implementing the Domestic Violence Amendment to the Gun Control Act (Reference (r)), the term “receive” means to obtain, to take, to accept, to acquire, or to come into possession of.

E2.27. Restricted reporting. A process allowing an adult victim of domestic abuse, who is eligible to receive military medical treatment, including civilians and contractors who are eligible to receive military healthcare outside the Continental United States on a reimbursable basis, the option of reporting an incident of domestic abuse to a specified individual without initiating the investigative process or notification to the victim’s or alleged offender’s commander. Additional explanation and guidance is provided in Enclosure 3.

E2.28. Safety Planning. A process whereby a victim advocate, working with a domestic abuse victim, creates a plan, tailored to that victim’s needs, concerns, and situation, that will help increase the victim’s safety and help the victim to prepare for, and potentially avoid, future violence.

E2.29. Ship. For purposes of this Instruction with regard to implementing the Domestic Violence Amendment to the Gun Control Act (Reference (r)), the term “ship” means the transportation, or the effecting of transportation, without limitation as to the means or facilities used or with respect to the person to whom any shipment is made.

E2.30. Suicide related to an act of domestic violence or child abuse. A person’s intentional taking of his or her own life; (1) that is known or is reasonably suggested by the circumstances to have some connection with an act of domestic violence or child abuse he or she recently committed; or (2) that is known or is reasonably suggested by the circumstances to have some

connection with a recent act of domestic violence or child abuse in a DoD-related context in which he or she was the victim.

E2.31. Transport. For purposes of this Instruction with regard to implementing the Domestic Violence Amendment to the Gun Control Act (Reference (r)), the term “transport” means to move, convey, carry, by any means, or to deliver or receive for the purpose of movement or conveyance.

E2.32. Unrestricted reporting. A process allowing a victim of domestic abuse to report an incident using current reporting channels, e.g. chain of command, law enforcement or criminal investigative organization, and Family Advocacy Program for clinical intervention. Additional explanation and guidance is provided in Enclosure 3.

E2.33. Victim Advocate. An employee of the Department of Defense, a civilian working under contract for the Department of Defense, or a civilian providing services by means of a formal memorandum of understanding between a military installation and a local victim advocacy service agency, whose role is to provide safety planning services and comprehensive assistance and liaison to and for victims of domestic abuse, and to educate personnel on the installation regarding the most effective responses to domestic abuse on behalf of victims and at-risk family members. The advocate may also be a volunteer military member, a volunteer civilian employee of the Military Department, or staff assigned as collateral duty.

E2.34. Victim and Witness Assistance Program (VWAP). A program established by References (t) and (ad) that assists victims and witnesses of crimes punishable under the Uniform Code of Military Justice from initial contact with the program through investigation, prosecution, and confinement.

E3. ENCLOSURE 3

RESTRICTED REPORTING FOR INCIDENTS OF DOMESTIC ABUSE

E3.1. Victims of domestic abuse shall be protected, treated with dignity and respect, and provided support, advocacy, and care. DoD policy also strongly supports effective command awareness and prevention programs, and law enforcement and criminal justice activities that will maximize accountability and prosecution, as appropriate, of perpetrators of domestic abuse. To achieve these dual objectives, DoD policy prefers that personnel report suspected domestic abuse incidents promptly to activate both victims' services and accountability actions. However, a requirement that all domestic abuse incidents be reported can represent a barrier for victims hoping to gain access to medical and victim advocacy services without command or law enforcement involvement. The Department of Defense recognizes the potential impact of restricted reporting on investigations and a commander's ability to hold perpetrators accountable, and this policy decision presents the judgment that such risks have been carefully considered but were outweighed by the overall interest in providing domestic abuse victims this form of support.

E3.2. This enclosure provides guidelines for restricted reporting of incidents of domestic abuse, as defined in Enclosure 2, and implements regulations required by section 585 of Public Law 106-65 (Reference (al)). The magnitude of this change requires extensive, in-depth training for DoD personnel and specialized training for commanders, senior enlisted personnel, victim advocates, criminal investigators, law enforcement personnel, FAP personnel, chaplains, healthcare providers, and legal personnel.

E3.3. Restricted reporting is limited to adult victims of domestic abuse. Restricted reporting is defined in Enclosure 2.

E3.4. Domestic abuse often goes unreported in society at large. Although the victim's decision to report the incident is a crucial step toward holding the offender accountable following a domestic abuse incident, it can have potential serious consequences for the safety and welfare of the victim and other family members. When domestic abuse is reported to military and/or civilian authorities who fail to take appropriate action, the abuse may recur and escalate. In the military community, a victim is usually concerned that reporting will have immediate repercussions on the military career of the family-member offender, and thus affect the family's financial welfare. The result is that this potential impact may often deter the victim from seeking care at all or reporting the domestic abuse incident. Commanders have a responsibility to ensure community safety and due process of law, but they must also recognize the importance of protecting the safety and well-being of victims and other family members. A system that affords victims access to medical and victim advocacy services without immediate command or law enforcement involvement may encourage victims to feel more comfortable and safe about reporting domestic abuse.

E3.5. In order to address these competing interests, adult victims of domestic abuse incidents will now have two reporting options: unrestricted reporting and restricted reporting. Regardless of whether the victim elects restricted or unrestricted reporting, confidentiality of medical information will be maintained in accordance with DoD 6025.18-R (Reference (am)).

E3.5.1. Unrestricted Reporting. Victims of domestic abuse who want to pursue an official command or criminal investigation of an incident should use current reporting channels, e.g., chain of command, FAP, or law enforcement. Upon notification of a reported domestic abuse incident, victim advocacy services and FAP clinical services will be offered to the victim. Additionally, at the victim's request, the healthcare provider, in coordination with criminal investigators, shall conduct any forensic medical examination deemed appropriate. Details regarding the incident will be limited to only those personnel who have a legitimate need to know.

E3.5.2. Restricted Reporting

E3.5.2.1. In cases where an adult victim instead elects restricted reporting, and discloses information to either a victim advocate, victim advocate supervisor or healthcare provider, the victim advocate, victim advocate supervisor and healthcare provider may not disclose covered communications, as defined in Enclosure 2, to either the victim's or offender's commander or to law enforcement either within or outside the Department of Defense, except as provided in the exceptions in E.3.5.3. To the extent that Sexual Assault Response Coordinators are assigned domestic abuse responsibilities, they may have access to domestic abuse restricted reporting information.

E3.5.2.2. For purposes of command responsibility and the gathering of accurate data, the victim advocate or his/her supervisor is responsible for reporting information concerning domestic abuse incidents, without information that could reasonably lead to personal identification of the victim or alleged offender, to command officials at the next FAC meeting following receipt of information about the alleged domestic abuse incident, or as directed by the commander responsible for convening the FAC. This will give the commander a clearer picture as to the number and type of domestic abuse incidents within their command, and enhance the commander's ability to provide an environment that is safe and contributes to the well-being and mission-readiness of all of its Service members.

E3.5.2.3. Restricted reporting is intended to give adult victims additional time, while benefiting from receiving relevant information and support, to make more informed decisions about reporting the domestic abuse incident to the appropriate commander. A victim who receives appropriate care and treatment, and is provided an opportunity to make an informed decision about reporting to law enforcement or command and the possibility of a criminal investigation, is more likely to develop increased trust that his or her needs are of primary concern, and therefore decide to report the domestic abuse incident to the appropriate commander or law enforcement.

E3.5.2.4. Restricted reporting allows an adult victim of domestic abuse to disclose the details of his or her abuse to specifically identified individuals and receive medical treatment and

victim advocacy services without requiring that notice be provided to the alleged offender's commander, or to the criminal investigative organization. Victims of domestic abuse who desire restricted reporting under this policy must report the abuse to one of the following specified individuals:

E3.5.2.4.1. A victim advocate;

E3.5.2.4.2. A healthcare provider, as defined in Enclosure 2; or

E3.5.2.4.3. The supervisor of a victim advocate.

E3.5.2.5. The supervisor of a victim advocate will assure the assignment of a victim advocate to assist the victim.

E3.5.2.6. HCPs will initiate the appropriate care and treatment, and will report the domestic abuse only to a victim advocate or his/her supervisor, unless otherwise permitted by this Instruction or required for any of the reasons enumerated in section E3.5.3. Additionally, in connection with an incident of domestic abuse, at the victim's discretion/request, the HCP, if appropriately trained and/or supervised, shall conduct any forensic medical examination deemed appropriate. The forensic component includes gathering information from the victim for the medical forensic history, an examination, documentation of biological and physical findings, collection of evidence from the victim, and follow-up as needed to document additional evidence. The HCP will transfer the forensic evidence, via proper evidence chain of custody procedures, to an activity designated by the Secretary of the Military Service to receive that evidence.

E3.5.2.6.1. In the absence of a DoD HCP trained to conduct an examination of this nature, the victim will be appropriately referred for the forensic medical examination.

E3.5.2.6.2. If the victim elects to receive medical care at a civilian facility, regulations governing the release of medical information at that facility apply. To the extent possible, victims should be aware of this.

E3.5.2.7. If the victim advocate is the first contact with the victim, he/she will notify his or her supervisor as soon as possible. The victim advocate will contact the victim and provide the victim accurate information about the process of restricted reporting, as compared to unrestricted reporting, and victim advocacy services.

E3.5.2.8. The victim will acknowledge in writing his or her understanding that restricted reporting may limit the government's ability to prosecute the alleged offender in a domestic abuse incident and an understanding of the reasons DoD policy favors unrestricted reporting.

E3.5.2.9. Consistent with current policy regarding privileged communications, victims may also report the abuse to a chaplain. Although a report to a chaplain is not a restricted report under this policy, it is a communication that may be protected under the Military Rules of Evidence or applicable statutes and regulations. The restricted reporting process does not affect

any privilege recognized under the Military Rules of Evidence. This restricted reporting policy is in addition to the current protections afforded privileged communications under the UCMJ, and does not alter or affect those protections.

E3.5.3. Exceptions to Confidentiality and Restricted Reporting and Limitations on Use

E3.5.3.1. In cases in which a victim elects restricted reporting, the prohibition on disclosing covered communications to the following persons or entities will be suspended when disclosure would be for the following reasons:

E3.5.3.1.1. Named individuals when disclosure is authorized by the victim in writing.

E3.5.3.1.2. Command officials or law enforcement when necessary to prevent or lessen a serious and imminent threat to the health or safety of the victim or another person.

E3.5.3.1.3. FAP and any other agencies authorized by law to receive reports of child abuse or neglect when, as a result of the victim's disclosure, the victim advocate or healthcare provider has a reasonable belief that child abuse has also occurred. However, disclosure will be limited only to information related to the child abuse.

E3.5.3.1.4. Disability Retirement Boards and officials when disclosure by a healthcare provider is required for fitness for duty for disability retirement determinations, limited to only that information which is necessary to process the disability retirement determination.

E3.5.3.1.5. Supervisors of the victim advocate or healthcare provider when disclosure is required for the supervision of direct victim treatment or services.

E3.5.3.1.6. Military or civilian courts of competent jurisdiction when a military, Federal, or State judge issues a subpoena or order for the covered communications to be presented to the court or to other officials or entities when the judge orders such disclosure.

E3.5.3.1.7. To other officials or entities when required by Federal or State statute or applicable U. S. international agreement.

E3.5.3.2. Healthcare providers may also convey to the victim's commander, if applicable, information on any possible adverse duty impact related to an active duty victim's medical condition and prognosis in accordance with DoD 6025.18-R (Reference (am)). Such circumstances, however, do not otherwise warrant an exception to policy, and therefore the specific details of the domestic abuse incident will still be treated as covered communication and may not be disclosed.

E3.5.3.3. If the victim advocate or healthcare provider believes that disclosure is warranted or required pursuant to one of the exceptions, when time permits, the victim advocate or healthcare provider shall first consult with his or her supervisor and servicing legal office or staff judge advocate prior to disclosure. When there is uncertainty or disagreement on whether

an exception applies, the matter will be brought to the attention of the installation commander for decision.

E3.5.3.4. The victim advocate or healthcare provider must also make every reasonable effort to provide the affected victim advance notice of the intention to disclose a covered communication, with a description of the information to be disclosed, the basis for disclosure, and the individual, group, or agency to which it will be disclosed. The disclosure will be limited to information necessary to satisfy the purpose of the disclosure in the event the disclosure is made under the authority of one of the stated exceptions. Further disclosure will not be made unless the domestic abuse victim authorizes the disclosure in writing.

E3.5.4. Improper disclosure of covered communications, improper release of medical information, and other violations of this policy are prohibited and may result in discipline under the UCMJ, loss of privileges, and/or other adverse personnel or administrative actions.

E3.5.5. In the event that information about a domestic abuse incident is disclosed to the commander or FAP, from a source independent of the restricted reporting avenues, law enforcement or the appropriate criminal investigative organization shall also be notified. FAP shall intervene with the family and conduct all appropriate assessments and provide all appropriate treatment. Additionally, a victim's disclosure of his or her domestic abuse to persons other than those covered by this policy may result in an investigation of the allegations by law enforcement and clinical intervention from FAP. Consistent with current policy, commanders acquiring information under these circumstances about a domestic abuse incident shall immediately notify law enforcement and FAP.

E3.6. This policy does not create any actionable rights for the alleged offender or the victim, nor constitute a grant of immunity for any actionable conduct by the alleged offender or the victim, nor create any form of evidentiary or testimonial privilege. Covered communications that have been disclosed to persons other than those specified to receive them under the protections of this restricted reporting policy, even if disclosed improperly or inadvertently, may be used in administrative, non-judicial, or judicial disciplinary proceedings.

E4. ENCLOSURE 4

SAMPLE MEMORANDUM OF UNDERSTANDING BETWEEN THE INSTALLATION
LAW ENFORCEMENT OFFICE AND LOCAL CIVILIAN LAW ENFORCEMENT
AGENCIES

**(INSTALLATION) Installation Law Enforcement Office and
(CITY, COUNTY, or STATE) Law Enforcement Agency**

1. **PURPOSE:** To establish written procedures concerning the exchange of information, case investigation, cases involving civilian alleged offenders, jurisdiction and coordination of efforts and assets between the (INSTALLATION) Installation Law Enforcement Office and (CITY, COUNTY, or STATE) Law Enforcement Agency in domestic abuse cases involving active duty military personnel and their family members.
2. **GENERAL:** This Memorandum of Understanding (MOU) does not create additional jurisdiction or limit or modify existing jurisdiction vested in the parties. This MOU is intended exclusively to provide guidance and documents an agreement for general support between the (INSTALLATION) Installation Law Enforcement Office and (CITY, COUNTY, or STATE) Law Enforcement Agency. Nothing contained herein creates or extends any right, privilege, or benefit to any person or entity. (See United States v. Caceres, 440 U.S. 741, 1979.)
 - A. **[Insert paragraph here defining response and investigation jurisdiction for the (INSTALLATION) Installation Law Enforcement Office and (CITY, COUNTY, or STATE) Law Enforcement Agency.]**
3. **RESPONSIBILITIES:**
 - A. **The (CITY, COUNTY, or STATE) Law Enforcement Agency agrees to perform the following actions:**
 - (1) When responding to or investigating domestic abuse cases, the (CITY, COUNTY, or STATE) Law Enforcement Agency will ascertain whether the alleged offender is an active duty Service member. If the alleged offender is an active duty Service member, and subject to (2) below, the responding officer(s) will note on the top of the incident/investigation report "Copy to the (INSTALLATION) Installation Law Enforcement" and the designated Records personnel will ensure the copy is forwarded.
 - (2) When responding to or investigating domestic abuse cases, the (CITY, COUNTY, or STATE) Law Enforcement Agency will ascertain whether the victim is an active duty Service member. If the victim is an active duty Service member, the responding officer(s) will seek the victim's consent to forward a copy of the

incident/investigation report to the (INSTALLATION) Law Enforcement Office so that it can be provided to the victim's commander. If the victim so consents, the responding officer(s) will note on the top of the incident/investigation report "Copy to the (INSTALLATION) Installation Law Enforcement Office" and the designated Records personnel will ensure the copy is forwarded. If the victim does not consent, the responding officer(s) shall note in the body of the incident/investigation report that the victim did not consent to forwarding the report to the Installation Law Enforcement Office and shall not direct Records personnel to forward the report.

- (3) When the (CITY, COUNTY, or STATE) Law Enforcement Agency receives a copy of a temporary or permanent civilian protection order (CPO) issued by a court of competent jurisdiction, the responding officer(s) will ascertain whether the alleged offender is an active duty Service member. If the alleged offender is an active Service member, and subject to (4) below, the responding officer(s) will note on the top of the CPO "Copy to the (INSTALLATION) Installation Law Enforcement Office" and the designated Records personnel will ensure the copy is forwarded. **[This paragraph may not be necessary if the installation has an MOU with the local court specifying that the court will forward copies of such CPOs to the installation.]**
- (4) When the (CITY, COUNTY, or STATE) Law Enforcement Agency receives a copy of a temporary or permanent civilian protection order (CPO), the responding officer(s) will ascertain whether the victim is an active duty Service member. If the victim is an active duty Service member, the responding officer(s) will seek the victim's consent to forward a copy of the CPO to the (INSTALLATION) Installation Law Enforcement Office. If the victim so consents, the responding officer(s) will note on the top of the CPO "Copy to the (INSTALLATION) Installation Law Enforcement Office" and the designated Records personnel will ensure the copy is forwarded. If the victim does not consent, the responding officer(s) shall not request that a copy of the CPO be forward to the Installation Law Enforcement Office.
- (5) The (CITY, COUNTY, or STATE) Law Enforcement Agency shall designate an employee from Records who will be directly responsible for forwarding copies of incident/investigation reports and CPOs to the (INSTALLATION) Installation Law Enforcement Office when directed to do so by notations at the top of the reports or CPOs. The employee shall also be responsible for receiving and processing of MPOs forwarded from the (INSTALLATION) Installation Law Enforcement Office.
- (6) When the (CITY, COUNTY, or STATE) Law Enforcement Agency becomes aware of a violation of a term or provision of a Military Protective Order (MPO), the responding officer(s) shall notify the designated representative from the (INSTALLATION) Installation Law Enforcement Office of the violation.

- (7) The (CITY, COUNTY, or STATE) Law Enforcement Agency shall provide the (INSTALLATION) Installation Law Enforcement Office with an area for Installation Law Enforcement investigators to conduct interviews of active duty Service members and their family members who are involved in domestic abuse incidents.
- (8) The (CITY, COUNTY, or STATE) Law Enforcement Agency will, when appropriate, conduct joint investigations with the (INSTALLATION) Installation Law Enforcement Office if incidents of domestic abuse involve active duty Service members and their family members.
- (9) When the victim in a domestic abuse incident has been identified as an active duty Service member or a Service member's family member, the (CITY, COUNTY, or STATE) Law Enforcement Agency responding officer(s) shall provide the victim with basic information, acquired from the Installation Law Enforcement Office (below), about installation resources available to domestic abuse victims.
- (10) As new law enforcement officers begin duty with the (CITY, COUNTY, or STATE) Law Enforcement Agency, their immediate supervisor will provide them with copies of this MOU and basic instruction for effectuating the provisions of this MOU.

B. The (INSTALLATION) Installation Law Enforcement Office agrees to perform the following actions:

- (1) The (INSTALLATION) Installation Law Enforcement Office shall designate an individual to act as liaison to the (CITY, COUNTY, or STATE) Law Enforcement Agency and to receive copies of incident/investigation reports stemming from an incident occurring off of the installation and CPOs involving active duty Service members and their family members.
- (2) Upon receipt of a copy of an incident/investigation report stemming from incidents occurring off of the installation or a CPO involving an active duty Service member and his/her family member, the (INSTALLATION) Installation Law Enforcement Office shall immediately notify the Service member's commander.
- (3) When the (INSTALLATION) Installation Law Enforcement Office receives a copy of an MPO issued by a Service member's commander, and if that Service member is living off of the installation, the (INSTALLATION) Installation Law Enforcement office shall forward a copy of the MPO to the (CITY, COUNTY, or STATE) Law Enforcement Agency with jurisdiction over the area in which the Service member resides.
- (4) The (INSTALLATION) Installation Law Enforcement Office shall provide the (CITY, STATE, OR COUNTY) Police Department with an area for Police

Department officers or investigators to conduct interviews of active duty Service members and their family members who are involved in domestic abuse incidents.

- (5) The (INSTALLATION) Installation Law Enforcement office will, when appropriate, conduct joint investigations with the (CITY, COUNTY, or STATE) Law Enforcement Agency if incidents of domestic abuse involve active duty Service members and their family members.
- (6) The (INSTALLATION) Installation Law Enforcement Office will assist the (CITY, COUNTY, or STATE) Law Enforcement Agency when investigating cases that occurred off base by providing information such as medical records, service records, and incident/investigation reports from incidents occurring under the jurisdiction of the Installation Law Enforcement Office in accordance with the provisions of the Privacy Act, 5 USC 552a.
- (7) The (INSTALLATION) Installation Law Enforcement Office shall provide the (CITY, COUNTY, or STATE) Law Enforcement Agency with basic information, in the form of quick reference cards or brochures, about installation resources available to domestic abuse victims.
- (8) **[Insert a paragraph here stating proper installation procedure for responding to domestic abuse incidents occurring on the installation involving civilian alleged offenders.]**
- (9) As new personnel begin duty with the (INSTALLATION) Installation Law Enforcement office, their immediate supervisor will provide them with copies of this MOU and basic instructions on implementing the provisions of this MOU.

4. EFFECTIVE ADMINISTRATION AND EXECUTION OF THIS MOU:

- A. This MOU shall be reviewed annually and shall remain in full force and effect until specifically abrogated by one of the parties to this agreement with sixty (60) days notice to the other party.
- B. Effective execution of this agreement can only be achieved through continuing communication and dialog between the parties. It is the intent of this MOU that channels of communication will be used to resolve questions, misunderstandings or complaints that may arise that are not specifically addressed in this MOU.
- C. Personnel from the (INSTALLATION) Installation Law Enforcement Office and from the (CITY, COUNTY, or STATE) Law Enforcement Agency shall meet, as necessary and appropriate, to discuss open cases involving active duty Service members and to share information regarding reciprocal investigations.

E5. ENCLOSURE 5

SAMPLE MEMORANDUM OF UNDERSTANDING BETWEEN THE INSTALLATION
STAFF JUDGE ADVOCATE AND THE LOCAL DISTRICT ATTORNEY'S OFFICE

**(INSTALLATION) Staff Judge Advocate (SJA) and
(COUNTY/CITY) District Attorney's (DA) Office**

1. **PURPOSE:** To establish written procedures concerning the exchange of information, case investigation and prosecution, and coordination of efforts and assets between the (INSTALLATION) SJA and the (COUNTY/CITY) DA in domestic abuse cases involving active duty military personnel assigned to the (INSTALLATION) and their family members.

2. **GENERAL:** This Memorandum of Understanding (MOU) does not create additional jurisdiction or limit or modify existing jurisdiction vested in the parties. This MOU is intended exclusively to provide guidance documenting an agreement for general support between the (INSTALLATION) SJA and the (COUNTY/CITY) DA. Nothing contained herein creates or extends any right, privilege, or benefit to any person or entity. (See United States v. Caceres, 440 U.S. 741, 1979).
 - A. **[Insert paragraph here defining jurisdiction for both the (INSTALLATION) SJA and (COUNTY/CITY) DA.]**

3. **RESPONSIBILITIES:**
 - A. **The (COUNTY/CITY) DA agrees to perform the following actions:**
 - (1) When the victim in a domestic abuse incident has been identified as an active duty Service member or a family member of such a member, the (COUNTY/CITY) DA shall provide the victim with basic information, acquired from the Installation SJA (below), about (INSTALLATION) resources available to domestic abuse victims.
 - (2) When investigating or prosecuting domestic abuse cases, the (COUNTY/CITY) District Attorney (DA) shall determine whether the alleged offender is an active duty Service member assigned to (INSTALLATION). If the alleged offender is an active duty member assigned to (INSTALLATION), the DA shall contact the (INSTALLATION) SJA to inform the SJA of the pending investigation or prosecution. Upon request, the DA shall forward copies of relevant police reports, civil protection orders, and any orders specifying pre-trial conditions to the SJA.
 - (3) When investigating a domestic abuse case involving an active duty member assigned to (INSTALLATION) who is alleged to be the offender, the DA shall

consult with the SJA with respect to prosecution of the individual under the appropriate state law or under the Uniform Code of Military Justice (UCMJ).

- (4) During the course of the DA's investigation or prosecution of a crime of domestic abuse allegedly committed by an active duty Service member assigned to (INSTALLATION), the DA shall keep the SJA informed of the status of the case through regular contacts. The DA shall notify the SJA specifically of any changes in confinement status or pre-trial release conditions.
- (5) When, after consultation, the SJA and the DA have determined that the alleged offender will be subject to procedures under the UCMJ, the DA shall cooperate during the investigation and disciplinary action to the greatest extent possible by sharing information and facilitating the interviewing of witnesses.
- (6) As new attorneys begin working in the (COUNTY/CITY) DA, their immediate supervisor will provide them with copies of this MOU and basic instruction for executing the provisions of this MOU.

B. The (INSTALLATION) SJA agrees to perform the following actions:

- (1) The (INSTALLATION) SJA shall provide the (COUNTY/CITY) DA with basic information, in the form of quick reference cards or brochures, about installation resources available to domestic abuse victims.
- (2) When investigating a domestic abuse case involving an active duty member assigned to (INSTALLATION) who is alleged to be the offender, the SJA shall, in cases where the state has jurisdiction, consult with the local DA to determine whether the individual will be prosecuted under the appropriate state law or whether the command will pursue disciplinary action under the UCMJ.
- (3) Upon request, the SJA shall forward copies of relevant police incident reports and military protection orders to the DA.
- (4) When, after consultation, the DA and the SJA have decided that the alleged offender will be prosecuted under state law, the SJA shall cooperate during the investigation and prosecution to the greatest extent possible by sharing information and facilitating the interviewing of witnesses.
- (5) As new personnel begin duty with the (INSTALLATION) SJA, their immediate supervisor will provide them with copies of this MOU and basic instructions on executing the provisions of this MOU.

4. EFFECTIVE ADMINISTRATION AND EXECUTION OF THIS MOU:

- A. This MOU shall be reviewed annually and shall remain in full force and effect until specifically abrogated by one of the parties to this agreement with sixty (60) days notice to the other party.
- B. Effective execution of this agreement can only be achieved through continuing communication and dialog between the parties. It is the intent of this MOU that communication will be used to resolve questions, misunderstandings or complaints that may arise that are not specifically addressed in this MOU.
- C. Personnel from the (INSTALLATION) SJA and from the (COUNTY/CITY) DA's Office shall meet, as necessary and appropriate, to discuss open cases involving active duty Service members and to review and revise provisions of this MOU.

RESPONSIBILITIES

1. UNDER SECRETARY OF DEFENSE FOR PERSONNEL AND READINESS (USD(P&R)). The USD(P&R) shall:

- a. Develop and maintain this Instruction and ensure DoD Component compliance with its policies.
- b. Collaborate with the Military Departments to establish procedures and programs consistent with this Instruction.
- c. Program, budget, and allocate funds and other resources to meet the policy objectives of this Instruction.
- d. Ensure that information on military and civilian mental health research and programs is exchanged among the Department of Defense and the Military Services.

2. DEPUTY ~~UNDER ASSISTANT~~ SECRETARY OF DEFENSE FOR MILITARY COMMUNITY AND FAMILY POLICY (~~DUSD-DASD~~(MC&FP)). The ~~DUSD~~ ~~DASD~~(MC&FP), under the authority, direction, and control of the USD(P&R), shall:

- a. Provide through Military OneSource (MOS) and the Military and Family Life Consultant (MFLC) Program, non-medical, brief counseling support to augment counseling provided by the Active and Reserve Components.
- b. Provide, through MOS and the MFLC Program, personal financial counselors to augment personal financial planning and counseling provided by the Active force and Reserve Components.
- c. Provide guidance and technical assistance to the DoD Components in addressing counseling initiatives.
- d. Collaborate with the DoD Components and Federal and State agencies that address counseling; serve on related Federal committees and advisory groups.
- e. Promote general awareness of counseling programs among the DoD Components.
- f. Monitor compliance with this Instruction and periodically evaluate DoD counseling programs in collaboration with the organizations mentioned in this Instruction.

3. ASSISTANT SECRETARY OF DEFENSE FOR RESERVE AFFAIRS (ASD(RA)). The ASD(RA), under the authority, direction, and control of the USD(P&R), shall collaborate with the Military Departments and the USD(P&R) to establish procedures and programs consistent with this Instruction.

4. SECRETARIES OF THE MILITARY DEPARTMENTS. The Secretaries of the Military Departments shall:

a. Establish policies and programs consistent with the procedures outlined in section 6 of Enclosure 3 and ensure implementation, monitoring, and evaluation at all levels of military command.

b. Program, budget, and allocate funds and other resources to meet the policy objectives of this Instruction.

c. Provide annual education and training to key personnel on the policies and procedures in this Instruction.

d. Ensure leadership oversight at all levels of implementation.

ENCLOSURE 3

PROCEDURES

1. MOS AND MFLC PROGRAMS. MOS and MFLC Program counselors provide non-medical, short-term, solution-focused counseling and briefings for circumstances amenable to brief intervention, including but not limited to stress and anger management, grief and loss, the deployment cycle, parent-child relationships, couples communication, marital issues, relationships, and relocations based on the needs of the community being served. The counseling approach is psycho-educational, which helps participants learn to anticipate and resolve challenges associated with the military lifestyle. This non-medical support is aimed at preventing the development or exacerbation of mental health conditions that may detract from military and family readiness.

a. MOS and MFLC Programs shall implement privacy and confidentiality policies to promote participation and reduce stigma, except to meet legal obligations or to prevent harm to self or others.

(1) Information disclosed to MOS and MFLC Program counselors shall be kept confidential, except to meet legal obligations or to prevent harm to self or others. (See Glossary for definitions of “legal obligation” and “harm to self or others.”)

(2) MOS and MFLC Program counselors are not authorized to receive a domestic abuse or sexual assault restricted report. If the person receiving counseling requests restricted reporting pursuant to domestic abuse or sexual assault, the MOS and MFLC Program counselors shall transfer the person to a specified individual who is authorized to receive a restricted report in the respective Military Service according to DoD Instruction (*DoDI*) 6400.06 (Reference (*bc*)) and DoDD 6495.01 (Reference (*ed*)).

(3) At a minimum, any personally identifiable information recorded by MOS and MFLC Program counselors is subject to section 552a of title 5, United States Code (U.S.C.) (Reference (*de*), commonly referred to as the “Privacy Act of 1974”) and DoD 5400.11-R (Reference (*ef*)); however, because MOS and the MFLC Program are not healthcare programs, this information may not be subject to DoD ~~DI~~ 6025.18 (Reference (*fg*)).

(4) At a minimum, this confidentiality statement shall be provided to all eligible individuals seeking counseling services pursuant to this Instruction: “Information you provide to me or other counselors will be kept confidential, except to meet legal obligations or to prevent harm to self or others. Legal obligations include requirements of law and DoD or military regulations. Harm to self or others includes suicidal thought or intent, a desire to harm oneself, domestic violence, child abuse or neglect, violence against any person, and any present or future illegal activity.”

b. MOS and MFLC Program counselors do not provide clinical therapy. Situations requiring clinical therapy such as those meeting the diagnostic criteria found in American Psychiatric

Association Manual (Reference (~~g~~*h*)) shall be referred to a military medical treatment facility, TRICARE, or other providers of professional mental healthcare.

c. MOS and MFLC Program counselors providing direct non-medical counseling support shall have at least a Masters degree from an accredited graduate program in a mental health-related field such as social work, psychology, marriage and family therapy, or counseling; a valid unrestricted counseling license or certification from a State, the District of Columbia, a U.S. Commonwealth, or a U.S. Territory that grants authority to provide counseling services as an independent practitioner in their respective fields; and demonstrated current counseling competence preceding their employment with MOS or the MFLC program.

d. MOS services are provided face-to-face (continental United States (CONUS) only) to individuals, couples, families, and groups, and telephonically or over the Internet to individuals worldwide. MOS services may be accessed 24 hours a day, 7 days a week using the toll free number 1-800-342-9647 or on the Internet at <http://www.militaryonesource.com>. Eligible participants may receive twelve non-medical counseling sessions per person per issue.

(1) Face-to-face non-medical counseling is provided using a nationwide network of affiliate providers who have been screened by MOS to assure they meet the requirements of paragraph 1.c. of this enclosure.

(2) In addition to non-medical counseling support, MOS provides personalized assistance with special-needs family members, child care, relocation, health and wellness, translation services, and more.

e. The MFLC Program provides worldwide non-medical counseling support in accordance with these service delivery options:

(1) Rotational. Rotational non-medical counseling support in which MFLC Program counselors travel to designated areas to provide temporary support is available to the active force in and outside CONUS to augment counseling services provided by the Military Departments. Service delivery may occur on or off military installations. Non-medical counseling is provided face-to-face, to individuals, couples, families, and groups. Rotations may not exceed 90 days. Requests for rotational support must be submitted through the appropriate designated Military Service headquarters points of contact to the Office of the ~~DUSD-DASD~~(MC&FP).

(2) On-Demand. On-demand non-medical counseling support is provided to the Reserve Components for mobilization, deployment, and reunion activities. Units and commands may request on-demand support by completing a request form at <http://jfsap.mhf.dod.mil/request>. Requests are submitted through the appropriate Reserve Component chain of command to the Office of the ~~DUSD DASD~~(MC&FP). On-demand support may also be requested by calling toll free 1-888-256-9920.

(3) Full-Time. MFLC Programs may provide full time non-medical counseling support for special projects such as legislatively or DoD-mandated programs.

f. Additional information on the MFLC program may be found at <http://www.militaryhomefront.dod.mil/service/counseling>.

2. PERSONAL FINANCIAL COUNSELING. Personal financial counselors assist with issues including, but not limited to, developing saving and investing strategies, spending plans, understanding military benefits, purchasing a home, debt management, taxes, and financial emergencies. Circumstances requiring legal assistance shall be referred accordingly. Financial counselors shall operate in accordance with DoD/~~Instruction~~ 1342.27 (Reference (~~h~~)).

a. Personal financial management is a baseline service in all DoD family centers (DoD/~~Instruction~~ 1342.22 (Reference (~~i~~))).

b. MOS financial counselors are available face-to-face or by phone at 1-800-342-9647.

c. MFLC Program financial counselors provide face-to-face support in accordance with the rotational and on-demand service delivery options contained in paragraphs 1.e.(1) and 1.e.(2) of this enclosure and may be requested using procedures contained in those paragraphs.

d. Members of the Active force and Reserve Components may utilize the State and Territory Transition Assistance Advisors to access information about local financial counseling resources.

e. Service members covered by this Instruction who are returning from and departing for service on active duty abroad shall be advised on actions to take to prevent or forestall mortgage foreclosures including, but not limited to, credit counseling, home mortgage counseling, and such other counseling and information appropriate for this purpose (Public Law 110-289 (Reference (~~j~~))). They will also be provided, in writing, notice about the appropriate provisions of sections 501-596 of title 50, U.S.C. (Reference (~~k~~)), commonly known as the "Servicemember's Civil Relief Act". All members covered by this Instruction shall be advised on actions to forestall mortgage foreclosures in accordance with section 1 of this enclosure.

3. FAMILY CENTERS. Reference (~~i~~) governs family centers.

a. Family centers provide baseline services and may, without releasing DoD Components of their obligations to perform functions required by statute or DoD policy, provide other support programs including but not limited to non-medical counseling for individuals, couples, and families.

b. Family center staff providing non-medical counseling shall meet the criteria in paragraph 1.c. of this enclosure and criteria established by the respective Military Departments.

c. Contact information for DoD family centers may be found at <http://www.militaryinstallations.dod.mil>.

4. CHAPLAINS. Authorized personnel counseled by military chaplains in a manner intended to be confidential, and made either as a formal act of religion or as a matter of conscience, shall be entitled to the protections of privileged communication as delineated under military rules of evidence (section 836 of title 10, U.S.C. (Reference (~~4m~~))), applicable statutes, regulations, and service policies. Chaplains may provide counseling to individuals, couples, families, and groups. Authorized personnel may request chaplain counseling services through direct contact or via appropriate Service protocols.

5. FAMILY ADVOCACY PROGRAM (FAP). DoD Directive 6400.1 (Reference (~~4m~~)) governs the FAP.

a. FAP addresses family violence in military families through prevention, early identification, and intervention.

b. FAP provides support for victims and treatment for abusers, to include clinical therapy, marital therapy, and support groups.

c. Contact information for DoD FAPs may be found at <http://www.militaryinstallations.dod.mil>.

6. MILITARY HEALTH SYSTEM (MHS). The MHS ensures delivery of world-class healthcare to all DoD Service members, retirees, and their families. The MHS provides non-medical counseling and clinical therapy at military medical treatment facilities (MTFs) and through TRICARE.

a. MTFs are the primary source of specialty mental healthcare for military personnel. Services may include clinical therapy for mental health conditions, such as post traumatic stress disorder, major depression, and conditions found in Reference (~~gh~~). They also provide non-medical counseling for issues related to work, school, or family.

b. Active duty Service members seeking mental healthcare through the TRICARE network must obtain a referral from their military medical support office or their primary care provider.

c. Dependents may receive up to eight outpatient non-medical or clinical therapy treatment sessions per year from a TRICARE network mental healthcare provider without prior authorization. The mental healthcare provider must seek authorization from the TRICARE contractor for additional visits.

d. Reserve Component members and their families may also be eligible for non-medical counseling and clinical therapy through TRICARE in accordance with chapter 55 and section 1145 of Reference (~~4m~~).

e. The MHS mental health provider shall provide a copy of the Military Health System Notice of Privacy Practices, available at <http://www.tricare.osd.mil/tmaprivacy>, to patients upon intake for their initial care.

7. SEXUAL ASSAULT PREVENTION AND RESPONSE (SAPR). Reference (*ed*) and DoDI **Instruction** 6495.02 (Reference (*no*)) govern sexual assault prevention and response.

a. SAPR allows for care and services to be delivered to victims of sexual assault. Service member victims may make either a restricted report or an unrestricted report and may receive treatment and services pursuant to Reference (*no*).

b. Only individuals specified in Reference (*ed*) may receive restricted reports.

c. Additional information about DoD and Military Service SAPR policies may be obtained at <http://www.sapr.mil> or by calling the Sexual Assault Prevention and Response Office at 703-696-9422.

GLOSSARY

DEFINITIONS

Unless otherwise noted, these terms and their definitions are for the purpose of this Instruction.

child abuse. Defined in Reference (~~mn~~).

clinical therapy. Therapy provided for circumstances amenable to long-term therapeutic intervention by a clinical provider. Clinical therapy may be provided to individuals, couples, and families. Issues such as post traumatic stress disorder, depression, traumatic brain injury, drug and alcohol abuse, child and spouse abuse, suicidal ideation, or conditions meeting the diagnostic criteria found in Reference (~~gh~~) may be addressed in clinical therapy. This definition is not intended to limit the authority of the Military Departments to grant privileges to clinical providers modifying this scope of care consistent with current Military Department policy.

domestic abuse. Defined in Reference (~~bc~~).

family center. Defined in Reference (~~ij~~).

family member. Defined in Reference (~~ij~~).

FAP. Defined in Reference (~~mn~~).

financial planning and counseling. Defined in Reference (~~hi~~).

harm to others. Includes circumstances indicating a danger of domestic violence, child abuse or neglect; violence against any person; or present or other future illegal activity.

harm to self. Includes circumstances indicating suicidal thought, intent, or a desire to harm oneself. For Service members this includes any expression of past or present illegal use of controlled substances while on active duty.

legal obligations. Uses and disclosures of information that are required by Federal law, applicable State law, applicable host-nation law outside the United States, or DoD or Military Service regulations and similar issuances.

non-medical counseling. Short term, non-therapeutic counseling that is not appropriate for individuals needing clinical therapy. Non-medical counseling is supportive in nature and addresses general conditions of living, life skills, improving relationships at home and at work, stress management, adjustment issues (such as those related to returning from a deployment), marital problems, parenting, and grief and loss. This definition is not intended to limit the authority of the Military Departments to grant privileges to clinical providers modifying this scope of care consistent with current Military Department policy.

psycho-education. A means to educate people through counseling, trainings, or activities addressing topics including but not limited to those listed in the definition of non-medical counseling in this Glossary. Psycho-education helps people learn to anticipate and resolve challenges, make informed decisions, communicate effectively, develop coping and self-management skills, and may help prevent the development or exacerbation of mental health conditions that may detract from military and family readiness.

restricted reporting

Defined in Reference (*bc*) as it applies to adult victims of domestic abuse who are eligible to receive military medical treatment, including civilians and contractors who are eligible to receive military healthcare outside CONUS on a reimbursable basis.

Defined in Reference (*ed*) as it applies to Service members who report or disclose being victims of sexual assault.

Duty to Warn

The Military and Family Life Consultant (MFLC) Program provides confidential non-medical counseling to Service Members and their families. Information disclosed to MFLCs shall be kept confidential, except to meet legal obligations or to prevent harm to self or others.

MFLC Program counselors are not authorized to receive a domestic abuse or sexual assault restricted report. If the person receiving counseling requests restricted reporting pursuant to domestic abuse or sexual assault, the MOS and MFLC Program counselors shall transfer the person to a specified individual who is authorized to receive a restricted report in the respective Military Service according to DoD Instruction 6400.06, "Domestic Abuse Involving DoD Military and Certain Affiliated Personnel," August 21, 2007 (incorporating changes, September 20, 2011) and DoD Directive 6495.01, "Sexual Assault Prevention and Response (SAPR) Program," January 23, 2012.

Notification:

At a minimum, this confidentiality statement shall be provided to all eligible individuals seeking counseling services:

"Information you provide to me or other counselors will be kept confidential, except to meet legal obligations or to prevent harm to self or others. Legal obligations include requirements of law and DoD or military regulations. Harm to self or others includes suicidal thought or intent, a desire to harm oneself, domestic violence, child abuse or neglect, violence against any person, and any present or future illegal activity."

Reporting process:

Harm to self or others, a desire to harm oneself, domestic violence, child abuse or neglect, violence against any person, and any present or future illegal activity will be reported to the appropriate installation POC. The MFLC must personally report suspected child abuse/neglect to the local child protective services agency to meet the requirements of state and federal law and must report suspected domestic abuse and child abuse/neglect to the nearest installation's Family Advocacy Program. The MFLC is not responsible for determining the veracity of the report or the seriousness of the incident and will facilitate a warm handoff of the affected individual to the POC. The POC will be responsible for verifying that the incident is reported to the appropriate reporting agency in accordance with installation protocol. The POC is responsible for completing agency specific incident reports.

The respective installation POC will advise the MFLC of installation-specific reporting requirements. MFLCs are required to inform their respective installation POC and immediate supervisor of each report and the action taken.

The CYB-MFLC must notify the Contractor supervisor as soon as possible.

DoD Subcontracting Goals

For additional information regarding the program goals and statistics for the Department of Defense (DOD), please visit the following website:

<http://www.acq.osd.mil/osbp/statistics/goals.htm>

Ability One

The DoD strongly supports the AbilityOne Program (formerly the Javits-Wagner-O'Day Program). The mission of the AbilityOne Program is to help people who are blind or have other severe disabilities find employment through nonprofit agencies that contract with the Federal Government. The regulations for purchasing goods and services from the AbilityOne Program may be found in FAR Subpart 8.7. The DOD goal for Ability One is 1%. For additional information concerning this program, please see the following link:

<http://www.abilityone.gov/jwod/index.html>

Veteran-Owned Small Business (VOSB)

The eligibility requirements to participate in this program include: Small Business, veteran-owned as defined in 38 USC 101(2), $\geq 51\%$ owned by ≥ 1 veterans, AND management & daily business operations controlled by ≥ 1 veterans. The DOD goal for VOSB is 3.0%.

Service-Disabled Veteran-Owned Small Business (SD-VOSB)

The eligibility requirements a small business concern must meet to participate in this program include: Small Business, veteran-owned, $\geq 51\%$ owned by ≥ 1 service-disabled veterans, AND management & daily business operations controlled by ≥ 1 service-disabled veterans OR in the case of veteran with permanent & severe disability, the spouse or permanent caregiver of such veteran, AND with 0% - 100% service-connected disability as defined in 38 USC 101(16) & documented on DD 214 or equivalent. The DOD goal for SD-VOSB is 3.0%.

This goal is not a subset of the VOSB goal and should be treated separately.

Small Business (SB)

Located in the U.S., organized for profit, including affiliates is independently owned & operated, not dominant in the field of operations in which it is bidding on Government contracts, AND meets Small Business Administration (SBA) size standards included in the solicitation. The size standard is based upon the North American Industrial Classification System (NAICS) assigned to the specific procurement dependent upon product/service purchased. DFARS 252.219-7003 also includes subcontracts awarded to workshops approved by the Committee for Purchase from People Who Are Blind or Severely Disabled under Javits-Wagner-O'Day Act (JWOD) (41 USC 46-48) and 10 U.S.C 241d and Section 9077 of P.L. 102-396. The DOD goal for SB is 32%. This goal of 32% is the cumulative total of all small business concerns.

Woman-owned Small Business (WOSB)

Small Business, at least 51% owned by ≥ 1 women, AND management & daily business operations controlled by ≥ 1 women. The DOD goal for WOSB is 5.0%.

Historically Underutilized Business Zone (HUBZone)

Small Business, owned & controlled 51% or more by ≥ 1 United States citizens, AND SBA-certified as a HUBZone concern (principal office located in an economically-distressed HUBZone area AND $\geq 35\%$ of employees live in any designated HUBZone). The DOD goal for HUBZone is 3.0%.

Small Disadvantaged Business (SDB)

Small Business unconditionally owned & controlled by ≥ 1 socially & economically disadvantaged individuals who are in good character & citizens of the U.S. and SBA-certified. DFARS 252.219-7003, SDB includes:

- Historically Black Colleges & Universities / Minority Institutions (HBCU/MI) - (except for a Commercial Subcontracting Plan). HBCU is an accredited institution established before 1964 whose principal mission is education of black Americans. MIs are institutions meeting the requirements of the Higher Education Act of 1965 and Hispanic-serving institutions defined at 20 USC 1059. This includes any nonprofit research institution that was an integral part of such a college or university before 11/14/1986. The Secretary of Education must designate HBCUs/MIs. A list can be located at <http://www.ed.gov/about/offices/list/ocr/edlite-minorityinst.html>
- Work performed on Indian lands or joint venture with Indian tribe / tribally-owned corporation & meets requirements of 10 USC 2323a.
- Subcontracts awarded by a mentor firm, under the DoD Pilot Mentor-Protégé Program, to (1) protégé firms which are qualified organizations employing severely handicapped and (2) former protégé firms that meet the criteria in Section 831(g)(4) of P.L 101-510 (not more than 2 times SBA-specified maximum size & previous mentor-protégé agreement was not terminated for cause). The DOD goal for SDB is 5.0%.

GLOSSARY

Section I

GENERAL

1. Purpose. This regulation establishes policies and procedures for the designation of corporations and individuals as Invited Contractors (ICs) and Technical Representatives (TRs) who work in support of the United States (U.S.) Armed Forces or other armed forces in the Republic of Korea (ROK) under the Unified Command receiving logistics support from the U.S. Armed Forces under the U.S.-ROK Status of Forces Agreement (SOFA) and applicable U.S. regulations. ICs and TRs will be managed IAW the SOFA and applicable U.S. regulations. This regulation applies in armistice, contingency and war.

2. References. References are located in Appendix A.

3. Explanation of Abbreviations and Terms. Abbreviations used in this regulation are explained in the glossary.

4. Overview.

a. The U.S. – ROK SOFA Article XV, ICs, defines an IC as “a person(s), including (a) corporations organized under the laws of the United States, (b) their employees who are ordinarily resident in the U.S., and (c) the dependents of the foregoing, present in the ROK solely for the purpose of executing contracts with the U.S. for the benefit of the U.S. Armed Forces or other armed forces in the ROK.”

b. In order for a U.S. contractor (defined as a corporation organized under the laws of the United States) to legally perform contracts for the U.S. Armed Forces in Korea, it must either obtain formal approval from the U.S. Representative to the U.S.-Republic of Korea (U.S.-ROK) Joint Committee under the U.S.-ROK SOFA as set out in this regulation (i.e., designation as an IC or TR), or obtain requisite business licenses directly from the ROK government and conduct business IAW all applicable ROK laws, including rules and policies regarding labor and taxation. Any non-Korean business entity that performs under U.S. contract for the benefit of the U.S. Armed Forces or other armed forces in the ROK and fails to obtain IC/TR designation or applicable ROK government business licenses is in violation of the U.S.-ROK SOFA and Korean Law. Note: Only IC/TR designated contractors can qualify for USFK logistics support.

c. The U.S. Representative to the SOFA Joint Committee designates ICs and TRs IAW the provisions of SOFA Articles XV and I, respectively. IC designations shall be made upon consultation with the ROK Government and both IC and TR designations shall be restricted to cases where performance by a Korean firm is not practical due to--

- (1) Security considerations,
- (2) The technical qualifications of the contractor involved,
- (3) The unavailability of materials or services required by U.S. standards, or

(4) Limitations of U.S. law.

d. The U.S. Representative to the SOFA Joint Committee designates TRs IAW the provisions of the Commerce Subcommittee recommendation concerning TRs approved by the Joint Committee, at the 14th SOFA Joint Committee meeting on September 14, 1967, and as amended at 171st Joint Committee meeting on June 26, 1992, and further amended at the 180th Joint Committee on April 2, 2001.

5. Policy.

a. The U.S. Government (including USFK) has the obligation to comply with the provisions of the U.S.– ROK SOFA, an international agreement as described in the Federal Acquisition Regulation, Part 25, including provisions regarding use of contractors in support of U.S. Armed Forces in Korea. Accordingly, the U.S. and USFK may provide SOFA status and support only to contractors meeting the IC or TR status criteria IAW the U.S.-ROK SOFA and this regulation.

b. USFK policy mandates the use of local contractors in the ROK whenever possible for procurement. U.S. Government Contracting Officers shall request approval to use U.S. contractors when at least one of the four conditions listed in Section I, paragraph 3.c. is met. In the event no Korean or U.S. contractors are available, ROK consent may be sought to use a Third-Country National (TCN) contractor IAW the U.S.-ROK SOFA and this regulation.

c. Contracts that include a requirement for performance in the ROK shall include a specific clause that addresses requirements and obligations of the U.S-ROK SOFA (“SOFA clause”). Contracts that include a requirement for performance in other than peacetime or armistice (e.g., contingency, wartime, etc.) shall contain appropriate clauses and/or Statement of Work (SOW) requirements consistent with Department of Defense (DOD) and USFK policy. Failure to include appropriate contract requirements is a basis for denying SOFA status. Sample SOFA and contingency clauses are provided in Appendix B. While these sample clauses are not prescriptive, substantially similar clauses must be incorporated into contracts before SOFA designation will be granted. Additional information on contingency contract requirements may be found in the publications listed in Appendix A.

d. The Assistant Chief of Staff (ACS), Acquisition Management, USFK (FKAQ) is charged with the management and oversight of the IC and TR program.

6. Invited Contractor (IC)/Technical Representative (TR) Designation Order of Precedence.

a. The following hierarchy of source documents governs the requirements for the designation of ICs/TRs for SOFA status:

First: The U.S.-ROK SOFA.

Second: U.S. Law/Federal Acquisition Regulation.

Third: DOD and USFK Regulations.

b. Any conflict between this or any other U.S. regulation and a contract's terms and conditions will be resolved by reference to the pertinent source documents in the order listed in Section I, paragraph 5.a., above.

Section II

INVITED CONTRACTORS (ICs), TECHNICAL REPRESENTATIVES (TRs) AND THE U.S. – ROK STATUS OF FORCES AGREEMENT (SOFA)

7. General. U.S. contractors selected to execute contracts in support of the U.S. Armed Forces in Korea shall only enter Korea to perform contractual obligations IAW the terms and conditions of their respective contract(s). The requirement to include SOFA and (if warranted) contingency clauses cannot be over-emphasized. The USFK ACofS, Acquisition Management (FKAQ), as the U.S. Chairman of the Commerce Subcommittee under the U.S.-ROK SOFA Joint Committee, is charged with the management and oversight of the overall IC and TR program for the U.S. Representative to the SOFA Joint Committee. Additionally, FKAQ is delegated authority to designate individual employees and their dependents status as ICs and TRs.

8. Invited Contractor Designation

a. Designation of the specific contract(s) to be performed in Korea is the first step in the SOFA designation process for ICs. Contracting Officers initiate the designation process by submitting a request to FKAQ IAW Appendix D, Figure D-1. Designation will only take place following a consultation with the ROK and the resolution of any issues arising from that consultation. Once the contract is designated, the IC, in coordination with the USFK SA, will obtain individual SOFA status for all contract employees and dependents supporting contract performance in the ROK.

b. SOFA designation affords the IC and its employees certain legal benefits under the U.S.-ROK SOFA. SOFA status is a precondition for USFK logistics support for the contractor and its employees and their dependents. Granting logistics support to ICs is a unilateral right of USFK. A contract or subcontract shall not require logistics support privileges to be extended to IC as a condition for performance in Korea.

c. U.S. contractors may be designated as ICs under Article XV of the SOFA only if--

(1) The Contracting Officer justifies in writing to FKAQ that ROK contractors cannot satisfy the requirement due to one of the conditions listed in Section I, paragraph 3.c.

(2) The contractor is organized under the laws of the U.S.

(3) The contractor is in Korea solely for the purpose of executing contracts with the U.S. for the benefit of the U.S. Armed Forces.

(4) The contractor is not engaged in any business or activity in the ROK other than pertaining to the U.S. Armed Forces or other armed forces in the ROK under the Unified Command receiving logistics support from the U.S. Armed Forces.

d. The employees of properly designated IC may be designated as ICs if--

(1) Their company and contract has been properly designated IAW the U.S.-ROK SOFA;

(2) They are ordinarily resident in the U.S., FKAQ will determine ordinary resident status. The glossary contains ordinary resident in the U.S. definition.

(3) Such employees are present in the ROK solely to perform under the terms and conditions of their SOFA designated contract and are not engaged in other business in Korea.

e. For contractors, SOFA status shall be automatically withdrawn upon completion or termination of the contract. For Contractor personnel, SOFA status shall be automatically withdrawn upon thirty days after SOFA termination of subject contract. Furthermore, SOFA status will be withdrawn if companies or their employees and/or dependents engage in any other business activities not pertaining to USFK, engage in illegal practices, or violate USFK policy.

f. SOFA status and logistics support shall not be provided to salespersons, marketing representatives, consultants, and others not directly performing works to satisfy a contract requirement in support of U.S. Armed Forces in Korea.

9. Technical Representative Designation

a. TR designation is very limited under the definitions agreed to by the U.S.- ROK SOFA Joint Committee. The Contracting Officer or SA will consult with FKAQ prior to requesting this designation. The U.S. Representative to the SOFA Joint Committee designates TRs under Article I of the SOFA. Contracting Officers or the SA commander/chief initiates the designation process by submitting a request to FKAQ IAW Appendix D, figure D-1.

b. SOFA designation affords the TR certain legal benefits under the U.S.-ROK SOFA. SOFA status is a precondition for USFK logistics support for TRs and their dependents. Granting logistics support to TRs is a unilateral right of USFK determined by the SA IAW USFK policy. A contract shall not require logistics support privileges to be extended to TR as a condition for performance in Korea.

c. If the US Government does not have privity of contract with potential TR designated personnel, before the TR designation can be extended, the subject personnel must execute a memorandum of agreement to abide by the terms of the ROK-US SOFA.

10. SOFA Benefits for ICs and TRs. SOFA “status” refers to those categories of personnel subject to the provisions of the U.S.-ROK SOFA. SOFA status provides certain legal benefits for designated personnel and also establishes an obligation for them to comply with the terms of the SOFA. SOFA benefits normally comprise the following:

- a. Entry into the ROK IAW the provisions of SOFA Article VIII.
- b. Access and movement, as provided for in SOFA Article X, paragraph 2.
- c. Exemption from customs duties and other such charges provided for in SOFA Article IX, paragraph 3, for members of the U.S. Armed Forces, the civilian component, and their dependents.
- d. The use of U.S. military postal facilities provided for in SOFA Article XX.
- e. The use of utilities and services IAW those priorities, conditions, rates or tariffs accorded the U.S. Armed Forces by SOFA Article VI.
- f. Exemption from the laws and regulations of the ROK with respect to terms and conditions of employment, and licensing and registration of businesses and corporations. However, U.S. contractors directly hiring Korean national employees must comply with USFK Reg 690-1 and other applicable USFK regulations concerning the employment of local nationals.
- g. Exemption from ROK taxation on the holding, use, transfer by death, or transfer to persons or agencies entitled to tax exemption under the SOFA, of movable property, tangible or intangible, the presence of which in the ROK is due solely to the temporary presence of these persons in the ROK, provided that such exemption shall not apply to property held for the purpose of investment or the conduct of other business in the ROK or to any intangible property registered in the ROK.
- h. Exemption from ROK income and corporate taxes on any income derived under a contract with the U.S. for the benefit of USFK in connection with the construction, maintenance or operation of any of the facilities or areas covered by the SOFA.
- i. The protections of SOFA Article XXII, Criminal Jurisdiction, paragraphs 5, 7(b), and 9, and the related Agreed Minutes and Understandings on Implementation, although the authorities of the ROK have the right to exercise jurisdiction over U.S. contractors, their employees and their dependents for offenses committed in the ROK and punishable by ROK law.

11. Processing Requests for SOFA Designation

- a. Processing a request for IC designation.

(1) The contracting office and SA shall coordinate solicitation requirements prior to initiating a request for SOFA designation. The Contracting Officer and the SA shall evaluate all requirements for U.S. Armed Forces in Korea for performance by local firms before soliciting contractors in the U.S. The Contracting Officer will sign a written memorandum citing the applicable condition(s) of SOFA Article XV (see Section I, paragraph 3.c. of this regulation) that prevents the use of local firms. Include this memorandum in the request package (see Appendix D, Fig D-1) to FKAQ for SOFA designation for the contract not later than 45 days prior to the date work is scheduled to commence in the ROK. With the designation request memorandum

(Fig D-1), include a copy of the signature page of the applicable contract/modification that incorporates the “SOFA” clause (and contingency clause, if required) and a copy of the Statement of Work (SOW)/Performance Work Statement (PWS) to FKAQ. FKAQ will determine if the request meets the conditions of SOFA Article XV and USFK policy before processing the request IAW the U.S.-ROK SOFA and established Joint Committee procedures for consultation and designation. Failure to provide all requested information will delay processing.

(2) If a request for SOFA designation is submitted in the contract pre-award stage, the Contracting Officer shall sign and forward a Post-Award Coordination Memorandum to FKAQ upon contract award. SOFA designation can not be completed until notification of the contract award is received by FKAQ. (See Appendix D, Fig D-2).

(3) Each U.S. contract shall have a separate SOFA designation. Contract options, delivery orders, and task orders do not require separate designation if their period of performance was covered by the original contract designation period. Any actions that result in a new basic contract number or change in company name (e.g. novation) shall be designated separately. Typically, contracts will only receive SOFA designation for the total period of funded performance in the ROK. Contracts containing options will only receive SOFA designation for the funded base/option period. Once options are exercised, Contracting Officers may request SOFA designation extensions. Multi-year contracts may receive multi-year SOFA designation. However, evidence of multi-year funding must be included in the SOFA designation request.

b. Processing a Request for TR Designation.

(1) The TR designation is limited by agreement of the U.S.-ROK SOFA Joint Committee to individuals who serve in three basic capacities--

(a) Special individual instructors or technical advisors: Such individuals might be dispatched to USFK to provide technical training, evaluation, installation or maintenance and inspection of complex military equipment or systems. Such training is often involved during the initial fielding of new equipment and systems and is provided by the equipment or system manufacturer. These individual trainers typically do not fall under any direct contractual obligation with the U.S. Government. See Section II, paragraph 3c. for more information.

(b) Individual medical and dental service personnel hired by USFK directly under a “personal services contract” in lieu of direct government employment, which by the express terms or administration of the contract, makes the individual contractor appear, in effect, as an employee of the U.S. Government. Such personal services contractors fill voids in military and civilian component manning by providing personal medical and dental services to USFK personnel.

(c) Special individual vendor representatives provided by major U.S. manufacturers to insure commissaries and exchanges in the ROK are properly stocked with American-style products and to act as the interface between U.S. commissaries and exchanges and U.S. suppliers

of U.S. products. Such individuals are not under any contractual obligation to the U.S. Defense Commissary Agency or USFK.

(2) The Contracting Officer or the head of the SA shall submit a request for SOFA designation to FKAQ citing the applicable condition above, including an explanation of how the proposed TR meets the conditions of the citation (see Appendix D, Fig D-1) not later than 45 days prior to the date work is scheduled to commence in the ROK. With the designation request memorandum (Fig D-1), include a copy of the signature page of the applicable contract/modification that incorporates the “SOFA” clause (as applicable to paragraphs 5. b. (1) i. & ii. above) and a copy of the Statement of Work (SOW)/Performance Work Statement (PWS) to FKAQ. Failure to provide all requested information will delay processing. FKAQ will determine if the request meets the conditions previously outlined before processing the request IAW the U.S.-ROK SOFA and established Joint Committee procedures.

c. Processing Individual Contractor Employees and Dependents for SOFA Status (ICs and TRs).

(1) Concurrent with the request for SOFA designation, the SA will appoint a RO for the contract and submit an RO Appointment Memorandum to FKAQ (see Appendix D, Fig. D-3). The RO will be the USFK focal point for verifying SOFA status entitlements and coordinating any logistics support for contractor employees and their authorized dependents.

(2) SOFA status and logistics support authorization shall be verified for all individual employees and authorized dependents. The SA shall send a Letter of Accreditation to FKAQ listing all contract employees and dependents to be designated and their authorized USFK provided logistics support (see Appendix D, Fig. D-4). Additionally, the RO, with assistance from the contractor, will prepare a USFK Form 700-19A-R-E (Invited Contractor and Technical Representative Personnel Data Report), (see Appendix C). Submit the form to FKAQ for approval. The USFK Form 700-19A-R-E is necessary to apply for base access media (Identification Card (ID)), SOFA status, and to receive any authorized, available logistics support. FKAQ may require contractor personnel to demonstrate their residence and citizenship by presenting their passport for review. Also, Contractor personnel may be required to complete a USFK Form 700-19B-R-E, Application for Dependency Determination, US IC/TR (see Appendix D, Fig D-11) when claiming certain dependents (i.e., parents, parent-in-laws, stepchild, adopted child, or child ward) and provide source documentation as required (i.e. birth certificates, divorce/custody decrees, marriage certificates, etc). Dependents identified as Designated Country Personnel (DCP) shall provide a copy of their DCP approval in accordance with USFK Reg. 190-7 when submitting the USFK Form 700-19A-R-E. The Letter of Accreditation and USFK Form(s) 700-19A-R-E shall be transmitted to FKAQ within 5 workdays of the arrival of any IC employees/dependents in Korea. Dependency determinations and DCP approval may require detailed analysis by USFK personnel and may delay USFK Form 700-19A-R-E approval. A current (90 days old or less) Provost Marshal Office (PMO) check and Ration Control check are required in addition to the USFK Form 700-19A-R-E and Letter of Accreditation when submitting for renewal or change in data. Incomplete or late receipt of this information will delay individual employees/dependents SOFA designation and receipt of USFK provided logistics support.

(3) Article XV of the SOFA prohibits ICs and their dependents from engaging in business activities in the ROK. Ordinary employment by IC dependents with USFK is not considered a business activity; ordinary employment by IC dependents on the ROK economy is considered a business activity. The use of SOFA benefits for conducting business in the ROK other than in direct support of the designated contract is strictly prohibited. Any FKAQ determined violation will result in immediate termination of status of that individual under the SOFA and forfeiture of ID cards, ration control plates and all rights and privileges previously granted. If the sponsor loses his/her status, the status of any dependents shall also be terminated.

(4) The SA (via the RO) will determine the available logistics support to be provided to contractor employees and eligible dependents IAW the SOFA and USFK regulations. The employee will use the signed USFK Form 700-19A-R-E in conjunction with other applicable documents to receive the approved logistics support. The SA shall ensure all IC/TR employees comply with applicable provisions of USFK Regulation 350-2 *Theater Specific Required Training for all Arriving Personnel and Units Assigned to, Rotating to, or in Temporary Duty Status to USFK*.

(5) The RO is responsible for all supporting documents for contractor employees and their authorized dependents while in Korea including processing requirements for logistics support. See Section III, paragraph 4 for details on all RO duties.

(6) If a company receives SOFA designation but some/all of their employees are not eligible for SOFA status (i.e. the employees are Korean nationals), the employees may still perform work in the ROK without SOFA benefits or logistics support.

12. Termination and Withdrawal of SOFA Status. IC or TR designation shall be withdrawn by USFK under the following circumstances:

a. For Invited Contractors/Technical Representatives business entities, upon contract expiration date (as noted on the USFK Form 700-19A-R-E). For IC/TR employees, thirty days after contract expiration date; or

b. Determination the contractor or a contractor's employee/employee's dependents engaged in business activities in the ROK other than those designated by the U.S. Representative to the SOFA Joint Committee; or

c. Determination the contractor or a contractor's employee/employee's dependents engaged in practices illegal in the ROK, or in violation of the SOFA, or in violation of USFK regulations and policies.

d. USFK/FKAQ is responsible for processing all IC/TR terminations. USFK/FKAQ maintains the unilateral right to terminate IC/TR status upon sufficient evidence that contractor employees/dependents have engaged in practices illegal in the ROK, in violation of the SOFA and/or in violation of USFK regulations or policies.

13. Non-US Citizen Employees of Designated United States ICs

a. **ICs.** Non-US citizen employees of U.S.-ICs who ordinarily reside in the U.S. may qualify for SOFA status. Qualified employees may receive SOFA status and logistics support. Non-U.S. citizen employees of U.S. ICs who are not ordinarily resident in the U.S. do not qualify for SOFA status.

b. **TRs.** Non-US citizen TRs who are not ordinarily resident of Korea, possessing certain skills not available from U.S. or Korean sources may be designated TRs solely for the purpose of employment by U.S. Armed Forces in Korea. In addition to explaining how the employee meets the definition of TR, the Contracting Officer or head of the SA shall demonstrate that the skills required for contract performance are not available from ROK or U.S. sources. FKAQ approved Non-US citizen TRs receive the same SOFA benefits and logistics support as U.S. citizen TRs.

14. Requests for SOFA Designation for Third-Country Contractor Firms

a. Third-country contractor firms may be designated ICs under the SOFA. IAW Article XV of the SOFA, the Contracting Officer's request shall demonstrate a significant advantage for ROK-U.S. mutual defense by utilizing a third-country contractor in lieu of a ROK or U.S. firm. IC requests for third-country contractors must be submitted to the ROK government for consideration prior to designation.

b. IAW Article XV of the SOFA, the U.S. Armed Forces may bring into the ROK, with SOFA status but without SOFA benefits, third-country contractor employees possessing special skills not available from the Korean labor force. Request to FKAQ shall clearly demonstrate the special skills required for contract performance are not available in the Korean labor force. Individual logistics support from U.S. Armed Forces is not available for third-country employees of third-country corporations. Such employees are eligible only for a USFK facilities/post pass with no logistics support privileges.

15. Subcontractors. Subcontractors and their employees/dependents are covered under the umbrella of the prime contractor for purposes of SOFA status for any work performed in Korea supporting the prime contractor's contractual obligation. Subcontractor corporations performing in Korea shall be identified in the prime contractor's request for IC designation. ROs shall ensure USFK Forms 700-19A-R-E and letters of accreditation reference the appropriate prime contractor and subcontractor(s) name and shall list all subcontractor employees and dependents. Subcontractors must meet the same criteria as prime contractors set forth in this regulation to receive SOFA benefits and logistics support. Contracting officers will coordinate changes in subcontractors with FKAQ.

16. U.S.-Korean Joint Ventures. Only U.S.-Korean Joint Ventures established for the sole purpose of performing work for U.S. Armed Forces in Korea may qualify for SOFA status. Only the U.S. partner and its qualifying employees in the Joint Venture will be IC designated, eligible for SOFA benefits and USFK logistics support

Section III

DUTIES AND RESPONSIBILITIES

17. U.S. Government Contracting Offices. The provisions of the U.S.-ROK SOFA supersede domestic law for both the ROK and the U.S. (See 17 UST 1677, TIAS 6127, or 674 UNTS 163.) All U.S. contracting offices awarding and administering contracts to be performed in the ROK in support of U.S. Armed Forces shall conform to the provisions of the U.S.-ROK SOFA and this regulation. Before awarding any contract for work to be performed in the ROK for the benefit of the U.S. Armed Forces, the contracting office awarding the contract shall coordinate with FKAQ and the USFK SA IAW the Federal Acquisition Regulation sub-Part 25.8, and the requirements listed in this regulation. Failure to coordinate may result in a refusal to allow the contractor to enter the ROK with the proper SOFA visa, delays in contract performance, and/or no logistics support for the contractor, its employees and dependents. U.S. or Third Country (TC) contractors working in the ROK without proper designation; or in the case of TC contractors, without proper immigration status, are in direct violation of the U.S.-ROK SOFA and ROK law and are subject to prosecution by ROK authorities.

18. Contracting Officers.

a. Pre-solicitation coordination with FKAQ.

(1) The Contracting Officer shall submit a request for SOFA designation memorandum to FKAQ upon identifying a contract requirement for performance in the ROK. Along with the designation request memorandum (Fig D-1), include a copy of the solicitation/amendment that incorporates the "SOFA" clause and a copy of the Statement of Work (SOW)/Performance Work Statement (PWS) to FKAQ. The request shall be submitted to FKAQ at least 45 days before the scheduled contract performance in the ROK. See Appendix D, Fig. D-1 for a sample request memorandum. Direct questions concerning this procedure to FKAQ (see Appendix E for FKAQ contact information).

(2) The Contracting Officer shall appoint a SA in Korea to coordinate contractor logistics support requirements and ensure all IC/TR employees comply with applicable USFK regulations and policies, especially provisions of USFK Regulation 350-2 *Theater Specific Required Training for all Arriving Personnel and Units Assigned to, Rotating to, or in Temporary Duty Status to USFK*. All IC/TR theater training requirements should be completed prior to or immediately after IC/TR employee arrival in Korea.

(3) The Contracting Officer shall ensure all SOFA related contract clauses, including applicable clauses in Appendix B (or similar clauses) of this regulation, are included in both the solicitation and the awarded contract or through contract modification if original contract has been executed.

(4) The Contracting Officer will provide an information copy of the pre-solicitation request for SOFA status to the USFK SA.

b. Logistics Support coordination. The Contracting Officer shall coordinate the applicability and availability of USFK provided logistics support (corporate and individual) for contractors with the USFK SA prior to contract award. The USFK SA must coordinate any USFK provided logistics support with all cognizant installation administration officials/offices. Logistics support is provided on an “as available” basis. USFK shall not be contractually bound to provide logistics support to contractors or contractor personnel. Contingency and/or wartime requirements shall include logistics support coordination for applicable contract requirements.

c. Post-award coordination. The Contracting Officer shall provide the information shown in the sample Post-Award Coordination Memorandum (see Appendix D, Fig D-2) to FKAQ, at least 10 workdays prior to the contractor beginning performance in the ROK.

d. Contract clauses/requirements. Contracts that include a requirement for performance in the ROK, shall include a specific clause that addresses requirements and obligations of the U.S.-ROK SOFA (“SOFA clause” see Appendix B, Table B-1). A Wartime Contingency Clause and/or contingency contract requirements substantially similar to those set out in Appendix B, Table B-2 shall be included in contracts requiring continued performance during wartime or contingency conditions. Government contracting officers will ensure compliance with all applicable federal acquisition regulations and policy, including the inclusion of FAR clause 52.222-50, Combating Trafficking in Persons in all non-commercial services contracts. Finally, all Army service contracts supporting Eighth US Army must contain Contractor Manpower Reporting language as mandated by the Secretary of the Army. As part of the SOFA designation request memorandum, contracting officers must verify subject contracts contain such language.

e. Extensions of performance period or follow-on contracts. Contracting Officers shall notify and provide a copy the contract extension modification to FKAQ at least 30 calendar days prior to expiration of the current contract to ensure no break in SOFA status. A copy of the contract extension modification must be submitted to FKAQ prior to SOFA status extension. Contracting Officers shall submit a request for contract designation for follow-on contracts awarded under a different contract number.

19. United States Forces Korea (USFK) Sponsoring Agency (SA).

a. General.

(1) The USFK SA is the DOD organization located in the ROK designated to ensure the IC or TR is provided with logistics support. In many cases the SA is also the contract requiring activity. The Contracting Officer shall, when possible, designate the SA during the pre-solicitation phase of the contracting cycle.

(2) The SA provides, or as necessary, terminates authorized logistics support to the ICs/TRs, monitors the conduct of contractor personnel, and immediately notifies FKAQ of all changes in status.

(3) The SA shall designate a DOD military member or DOD employee as the RO to act on behalf of the SA. The RO shall be an E5 or above, if military, GS-07 or above, if civilian. The RO is directly responsible for administering appropriate logistics support for SOFA contractors during contract performance in the ROK. See Section III, paragraph 4 of this regulation for RO responsibilities.

b. SA duties. When a USFK unit or agency is notified by a contracting office that it has been appointed as a SA, the SA will--

(1) Communicate directly with the contracting office and provide a POC to the Contracting Officer.

(2) Validate the availability of logistics support (both corporate and individual) that is stipulated in the terms of the solicitation or contract.

(3) Provide the contracting office with information concerning security, access and training requirements pertaining to the area of contract performance.

(4) Coordinate any special contract requirements, particularly contingency requirements, if included in the contract.

(5) Ensure all IC/TR employees comply with applicable provisions of USFK regulations and policies, especially USFK Regulation 350-2 *Theater Specific Required Training for all Arriving Personnel and Units Assigned to, Rotating to, or in Temporary Duty Status to USFK*. All IC/TR theater training requirements should be completed prior to or immediately after IC/TR employee arrival in Korea.

(6) Notify FKAQ and the Contracting Officer in the event any contractor employee fails to comply with any contract contingency requirement (e.g., EEC physical, etc.)

(7) Appoint RO(s) in writing for each contract. Provide a copy of the RO Appointment Memorandum to FKAQ and appointee. See Appendix D, Fig D-3 for a sample RO Appointment Memorandum. Update RO appointments, as needed, to ensure duties are performed for the entire contract period of performance in Korea.

(8) Include non-emergency essential contractor employees and dependents and emergency essential contractor employees' dependents in USFK's Noncombatant Evacuation Operation (NEO) planning.

(9) Include contractor operations in agency contingency planning including life support and force protection IAW USFK policy. For instance, see Army FM 100-21 for additional planning considerations.

(10) Advise FKAQ of planned contractor wartime operating locations for each emergency-essential contractor employee.

20. Responsible Officer (RO).

a. General.

(1) The SA's RO ensures appropriate logistics support is provided to their ICs/TRs. Duties include determining available logistics support and assisting the employees and eligible dependents in obtaining support. The RO and the SA are jointly responsible for all contractor logistics support documents and must ensure issued items (Government Furnished Property or "GFP") are returned to the appropriate offices when no longer authorized. The RO should be geographically and functionally situated to enable direct personal contact with contractor employees. The RO may be the same person as the contracting officer's representative (COR) or contracting officer's technical representative (COTR) but must be a Government employee (military/civilian). Multiple ROs may be appointed for the same contract depending on the number of contractor employees and the dispersal of geographic locations.

(2) RO functions include but are not limited to--

(a) Certification of SOFA status eligibility by reviewing all employee(s)/dependent(s) documents and submitting completed USFK Form 700-19A-R-E to FKAQ.

(b) Coordination with FKAQ and property custodian (if applicable) for previously approved logistics support and administer such support for the contractor and authorized individual employees and dependents.

(c) Preparation of Letters of Accreditation for contractor personnel. (See Appendix D, Fig. D-4 for a sample Letter of Accreditation.)

(d) Assisting contractor employees in obtaining all authorized, available logistics support.

(e) Ensuring contractor employees out-process properly, to include collecting all logistics support documents (ID cards, Ration Control Plates (RCP), SOFA vehicle license plates, etc.), and GFP and returning them to the appropriate offices. Indicate completion by closing out each contractor employee's USFK Form 700-19A-R-E and returning the original to FKAQ.

(f) Ensuring coordination, and where appropriate, initiation of administrative action in reported instances involving violations of SOFA status privileges or misconduct on the part of IC/TR personnel and their dependents. See paragraph 4.j below.

b. USFK Form 700-19A-R-E (formerly, USFK Form 175-R).

(1) The RO will provide each contractor employee a USFK Form 700-19A-R-E. Each completed form must be submitted to FKAQ and approved prior to contractor employee performance in the Republic of Korea. Contractors shall assist the RO in completing the form.

(2) The USFK Form 700-19A-R-E is valid only for the funded period of performance of the contract as reported by the Contracting Officer during the designation process plus an additional thirty days—for employee administrative out-processing. Initial issue of logistics support documents (ID cards, RCPs, vehicle registration, etc.) and GFP must be completed within 30 calendar days of FKAQ's verification date. (Note: The “Estimated Date of Departure from Korea” entered into USFK Form 700-19A-R-E will be the contract completion date plus 30 days.)

(3) Prior to submitting the USFK Form 700-19A-R-E to FKAQ, the RO shall--

(a) Ensure Parts I and II are properly completed.

(b) Request Provost Marshal background and Ration Control checks for contractor personnel and dependents for any USFK Form 700-19A-R-E change of data (e.g., employment under a new contractor or contract period of performance is extended). Submission of requests for ration control and Provost Marshal checks may be submitted in memorandum format when USFK Forms 217 and 237 are in use. New arrivals do not require these documents. However, FKAQ may require a copy of the employee’s passport to verify new arrival status. See Appendix D, Figs D-5 and D-6 for sample memorandums. Previous PMO or RCP violations may result in the denial of logistics support. Provost Marshal background and RCP checks are valid for 90 calendar days from date of issuance.

(c) Certify that all information is correct by signing the form as the RO.

(d) Include a copy of the Letter of Accreditation with the USFK Form 700-19A-R-E.

(e) Provide the form to FKAQ for processing.

(4) After FKAQ stamps and signs the USFK Form 700-19A-R-E, the RO will--

(a) Submit changes in data to FKAQ on a new USFK Form 700-19A-R-E, along with required documents.

(b) Retain one copy of the original and any changes and provide one copy to the contractor employee.

(c) Assist the contractor in obtaining authorized, available logistics support.

(d) If an employee changes employment from one contract to another contract or from one contractor to another contractor, the RO must close out the original USFK Form 700-19A-R-E by completing Part IV and submitting it to FKAQ. A new USFK Form 700-19A-R-E shall be submitted to FKAQ with new employment information for contractor personnel remaining in the ROK. FKAQ will not process changes in employment status until the RO completes Part IV of the original USFK Form 700-19A-R-E.

c. ROK Visa and SOFA Verification.

(1) The RO shall ensure all incoming contractor personnel and their dependents remaining in the ROK for more than 30 days have the appropriate ROK Multiple Entry Permit Visa and a SOFA verification stamp entered into the employee/dependent passport per USFK Reg 1-54.

(2) The RO shall provide USFK FL 1EK (HQ United States Forces Korea SOFA Card) to all incoming contractor employees and their dependents.

d. Government provided Identification (ID) cards. The RO shall assist authorized contractor employees and dependents with obtaining ID cards. A copy of the endorsed USFK Form 700-19A-R-E must be attached to the contractor's application when submitted to the ID card issuing office.

e. Ration Control Plates (RCPs).

(1) The RO will assist the contractor employees/dependents in obtaining a RCP.

(2) An RCP check is not required for new arrivals in the ROK. The RO will request a RCP check for contractor personnel and dependents when the USFK Form 700-19A-R-E is changed (see sample memorandum in Appendix D, Fig D-6). If previous violations of ration control regulations and rules are identified, ration privileges or other logistics support may be denied. RCP checks are valid for 90 days from date of issuance.

f. Vehicles and Driver's Licenses.

(1) Company Vehicles. The RO shall review and approve/disapprove all company requests to import and/or register company vehicles required for the execution of contract obligations. The RO shall consider the quantity and types of vehicles requested. Approval must be obtained before importation or local purchase and registration. The RO will ensure that ownership documents, importation or exportation, registration, and disposition of company-owned vehicles are undertaken IAW USFK Reg 190-1.

(2) Privately Owned Vehicles (POVs). USFK registration of POVs is a privilege subject to USFK approval. The RO will approve all individual employee requests to import and register a POV. The RO should use USFK criteria for approvals; for example, junior grades usually are not permitted to import or register vehicles. The RO will ensure that POV ownership documents, importation or exportation, registration, and disposition as well as individual licensing are undertaken IAW USFK Reg 190-1.

(3) All contractor employees/dependents must have either a Korean driver's license or a valid international driver's license to legally drive on Korean roads, and must have a USFK driver's license to legally drive on USFK installations. Contractor employees/dependents will first obtain a Korean driver's license or a valid international driver's license prior to obtaining a USFK driver's license.

g. Dependent Education. The RO shall assist contractor employees/dependents with Department of Defense Dependent School (DODDS) enrollment. Enrollment in a tuition-paying basis is a privilege subject to eligibility, availability and approval. The contractor will prepare memorandums, if necessary, to the Director of DODDS in Korea in order to validate the enrollment status of contractor employee dependents. See Appendix D, Fig D-7 for a sample memorandum.

h. Out-processing and discharged employees.

(1) The RO shall complete Part IV of the USFK Form 700-19A-R-E verifying that all out-processing contractor employees/dependents--

(a) Turn in all USFK ID cards to proper issuing authorities.

(b) Turn in all RCPs to proper issuing authorities per USFK Reg 60-1.

(c) Properly close out motor vehicle registration by turning in decals, plates, related paperwork, and make proper disposition of such vehicles.

(d) Out processes from USFK agencies providing SOFA benefits and logistics support privileges (such as post offices, libraries, banks, credit unions, social clubs, etc.).

(2) The RO shall notify the USFK Provost Marshal (FKPM-S), whenever IC employees and TRs are discharged from their employment or otherwise denied access to USFK installations. (See sample memorandums in Appendix D, Fig D-8 and D-9).

(a) Verification of employment report. The RO will verify contractor employee/dependents employment status and submit a report to FKAQ as required by FKAQ (see Appendix D, Fig D-10). The RO shall compare current USFK Forms 700-19A-R-E to the contractor's employment records. If the employee is no longer working for the company or has departed the ROK, the RO will ensure the original USFK Form 700-19A-R-E is closed out and returned to FKAQ within 10 business days.

j. Violations of SOFA status or privileges. The RO will assist with any administrative action for all reported contractor logistics support, administrative, or criminal SOFA violations IAW the procedures listed below. All contractor violations will be reported to FKAQ immediately. Each RO will consult with FKAQ about appropriate responses to violations and report all actions taken against ICs and TR personnel and/or their dependents.

(1) If FKAQ receives a law enforcement report or other report of derogatory information concerning a contractor, contractor employee or dependent, FKAQ will send a copy of the report to the RO with a request for action and/or explanation. Upon receiving this request, the RO will—

(a) Investigate the circumstances surrounding the report.

(b) Take immediate corrective action. If a report pertains to a violation of the USFK Ration Control System (USFK Reg 60-1), the RO must take immediate, suitable action. Depending on the severity of the violation some examples of corrective action might include--

1. First-time offense - probation or a suspension of logistics support privileges for a period of time (e.g., three months).
2. Second offense - a longer suspension of logistics support privileges (e.g., six months).
3. Third offense - permanent suspension of logistics support privileges.
4. If the violation is extreme, such as black marketing, then a one-year suspension or permanent revocation of logistics support privileges may be immediately justified.

(2) The RO shall confiscate all ID cards, RCPs and SOFA vehicle license plates when corrective action includes a suspension or revocation of privileges. The RO may request law enforcement assistance in confiscating these items. The RO may authorize a post pass (see USFK Reg 190-7) in lieu of a confiscated individual ID card unless installation access is also denied.

(3) Suspicion of the conduct of business activities in the ROK other than for the U.S. Armed Forces shall be reported immediately to FKAQ.

(4) For other reported violations, such as criminal activity or violations of regulation, the RO, acting on behalf of the SA, will assess the circumstances surrounding the reported violation and take appropriate action similar to paragraph 4.j. above.

(5) If necessary, the RO will consult with the appropriate USFK law enforcement, judge advocate, base or garrison/Area commander and cognizant contracting officer for advice and counsel to determine appropriate disposition.

(6) The RO may also recommend to FKAQ that action be taken to withdraw SOFA status for a contractor or for a specific employee/dependent for a severe violation. If SOFA status is withdrawn, all logistics support privileges for the individual and his/her dependents will automatically terminate. Since dependents derive their status from their sponsor, if an employee's SOFA status is withdrawn, all dependents will also have their SOFA status withdrawn. Once withdrawn for cause, SOFA status is not usually reinstated.

(7) Notify FKAQ, in writing, of all administrative actions taken.

21. Invited Contractor/Technical Representative. IC/TR responsibilities include but are not limited to--

a. Assisting the RO in processing contractor employees and dependents for logistics support privileges.

b. Assisting the RO in verifying employment status for the semi-annual verification of employment reports to FKAQ.

c. Notifying the RO whenever any condition set out on their employees' USFK Form 700-19A-R-E changes.

d. Notifying the RO whenever their SOFA designated employees are discharged from their employment or otherwise denied access to USFK installations per USFK Reg 190-7.

e. Along with its employees and dependents, complying with USFK Reg 190-1 when operating company and POVs on all U.S. military installations in the ROK.

(Note: All contractor employees/dependents must have either a Korean driver's license or a valid international driver's license to legally drive on Korean roads, and must have a USFK driver's license to legally drive on USFK installations. Contractor employees/dependents will first obtain a Korean driver's license or a valid international driver's license prior to obtaining a USFK driver's license.)

f. Except for contractor air crews flying Air Mobility Command missions, all U.S. contractors performing work on USAF classified contracts will report to the nearest Security Forces Information Security Section for the geographical area where the contract is to be performed to receive information concerning local security requirements.

g. Ensuring its employees complete administrative tasks to out-process and depart the Republic of Korea no later than the estimated date of departure from Korea date as listed on the USFK Form 700-19A-R-E.

h. Ensuring all IC/TR employees comply with applicable provisions of USFK regulations and policies, especially USFK Regulation 350-2 *Theater Specific Required Training for all Arriving Personnel and Units Assigned to, Rotating to, or in Temporary Duty Status to USFK*.

i. Contractors shall comply with all USFK regulations, policies and procedures.

22. USFK Assistant Chief of Staff, Acquisition Management (FKAQ)

a. FKAQ will provide information and assistance on the implementation and execution of the procedures described in this regulation to all USFK commands, contracting officers, and all requiring and sponsoring activities, in and outside the ROK. FKAQ, in coordination with the U.S. SOFA Secretariat, will establish policy and guidance which implements the provision of the U.S.-ROK SOFA as it pertains to ICs and TRs.

b. FKAQ will review requests for contract designation against the prerequisites of the SOFA for IC and TR status.

(1) FKAQ, in coordination with appropriate USFK staff elements, will determine if the proposed contract qualifies for SOFA status and advise the contracting office of its findings or any action being taken.

(2) FKAQ will notify the contracting office and the SA of the SOFA designation and advise on administrative and logistics support responsibilities required by the SOFA and this regulation.

c. FKAQ will initiate actions to withdraw SOFA status upon determination that a SOFA or regulatory violation has occurred.

d. FKAQ will process and provide the original stamped USFK Form 700-19A-R-E to the SA, RO or Invited Contractor/Technical Representative. All other forms submitted to FKAQ will not be returned. Paper copies will not be furnished by FKAQ.

Section IV LOGISTICS SUPPORT

23. Policy.

a. Corporate and individual logistics support may be provided to USFK ICs and TRs only IAW the U.S.-ROK SOFA, USFK regulations, and subject to availability. However, under no circumstances can a contract grant access privileges that are broader than USFK regulations or the U.S.-ROK SOFA.

b. USFK will not provide logistics support to contractors in the ROK unless such contractors are eligible for SOFA status.

c. The USFK SAs have overall responsibility for obtaining and/or providing logistics support for ICs and TRs. (See Section III for responsibilities of the SA and the RO.)

d. Full logistics support may be provided only to full-time contractor employees of properly designated ICs and TRs. Waivers for less than full-time employment may be submitted to FKAQ for approval.

e. Logistics support is a privilege provided by USFK and is not a contractual right. Purchases in the Post Exchange or Base Exchange, commissary, and class VI store are subject to quantity limitations under a computerized ration control system. Over-purchases or other violations of USFK regulations by contractor employees and dependents may result in the loss of logistics support and SOFA status.

24. Government Provided Logistics Support, Corporate. Specific logistics support provided to a specific IC or TR (corporate/company entity) must be coordinated between the Contracting Officer and the USFK SA. The SA must agree to provide specific logistics support prior to the contractor's arrival in the ROK. Examples include use of military postal facilities for official

corporate/company mail, office space, telephones, company fuel purchases, the number and type of company owned vehicles authorized to be registered, etc.

25. Government Provided Logistics Support, Employee

a. Contractor employees and their dependents may be provided logistics support IAW the U.S. - ROK SOFA, USFK regulations and subject to availability. To be authorized logistics support from USFK, a dependent must be a lawful dependent of the contractor employee (see Glossary for definitions) and be living in Korea with the employee. See Tables 4-1 and 4-2 for examples of available logistics support.

b. Some specific logistics support will be provided on a space available and/or reimbursable basis. If logistics support is provided on a reimbursable basis, contractor personnel and their dependents will be required to pay prevailing rates or fees for the logistics support received.

c. Eligibility for support for SOFA designated contractor employees and their dependents will be classified in one of the following three categories:

(1) **Full Logistics Support** – A full-time contractor employee who is a U.S. citizen or a non-U.S. citizen with a U.S. green card, has ordinarily resident in the U.S. status, and employed in a full-time paid status with a period of performance greater than 179 days qualifies for full logistics support. Dependents of such full-time contractor employees may also receive full logistics support. (See Table 4-1) All contractor employees and their dependents authorized full logistics support will receive ID cards and RCPs. Local hires meeting the criteria, above, are eligible for full logistics support.

(2) **Individual Logistics Support** – A full-time contractor employee who is a U.S. citizen or a non-U.S. citizen with a U.S. green card, has ordinarily resident in the U.S. status, and employed in a full-time paid status with a period of performance of 179 days or less qualifies for individual logistics support. Local hires meeting the criteria, above, are eligible for individual logistics support. Additionally, contractor employees meeting the criteria the full logistics support (as stated in Section IV, paragraph 3.b.(1), above) but whose dependents do not meet the requirements for dependents of civilian local hires set out in USFK Reg 60-1, may be eligible for individual logistics support and not full logistics support.

(3) **No Support** - While SOFA status may be granted to third-country national employees and to part-time contractor employees, no logistics support is authorized for part-time contractor employees or their dependents. Part-time is paid status of less than 40 hours per week.

26. Academic Institution/Transition Services Personnel

a. This section applies only to academic institution instructors, training center managers, test examiners, military occupational specialty/vocational instructors and transition program providers. All other employees of contracted academic institutions will use the criteria in Section IV, paragraph 3 for determining logistics support.

b. Full-time academic institution instructors (as defined in the contract with the academic institution) may receive full logistics support. Part-time instructors may receive logistics support on a case-by-case basis as determined by FKAQ in coordination with the Contracting Officer and SA.

c. Learning center managers, test examiners, military occupational specialty/vocational instructors, and transition program providers locally hired are considered full-time employees if working 20 hours or more per week for the purposes of determining logistics support as set out in Section IV, paragraph 3.

27. Identification (ID) Cards

a. All SOFA-designated contractor employees residing in the ROK for 30 days or more will be issued a U.S. ID card. Contractor employees with wartime or contingency performance requirements specified in the IC's contract will be issued ID cards identifying the employee as being subject to the Geneva Convention. SOFA designated contractor employees remaining in the ROK for fewer than 30 days will be issued a USFK 37EK (Auto)(USFK Pass/ID-Employee). Dependents of such contractor employees issued the USFK 37EK (Auto) are not authorized any U.S. Government ID card and will not be issued a USFK 37EK (Auto).

b. SOFA-designated IC employees and dependents issued an ID card will have authorized logistics support (subject to Section IV, Paragraph 3 above), such as access to military exchanges, commissaries, morale, welfare and recreation facilities, etc., annotated in the appropriate place on the ID card. Grade or rank equivalents will not be specified on the ID card for IC employees or dependents. A DD Form 1173 (Uniformed Services Identification and Privilege Card) without any privileges annotated may be issued to SOFA-designated contractor employees and dependents not authorized logistics support but who are provided status under the SOFA.

c. SOFA-designated contractors performing duties in the ROK for less than 30 days shall be issued a USFK 37EK (Auto) Post Pass. The USFK 37EK (Auto) does not entitle the bearer to duty-free goods. Contractors issued a USFK 37EK (Auto) require a passport or valid U.S. Driver's License, orders, and USFK Form 43-3 (USFK Temporary RCP) to access duty free-goods and MWR facilities IAW USFK Reg 60-1. SOFA-designated contractors performing duties in the ROK for less than two weeks do not require a temporary RCP. Access to facilities requiring RCPs can be accomplished by providing an ID card and stamped/signed USFK Form 700-19A-R-E.

d. ID card requirements for IC/TR personnel discussed in this section are separate and distinct from any other contract-specific or work-site specific identification requirements placed upon contractor personnel (IC/TR or otherwise) performing contracts in support of USFK.

Table 4-1
Full Logistics Support Privileges

Contractor employees and authorized dependents, meeting the criteria set out in this regulation may be provided all of the logistics support listed below if properly authorized, on a space-available basis unless specifically excluded by the terms of their U.S. Government contract.

1. SOFA immigration status and SOFA visa for contractor employee and lawful dependents.
2. Duty-free importation privileges IAW the SOFA and USFK regulations.
3. ID Card.
4. USFK Form 73 (USFK Ration Control Plate).
5. Full Post Exchange (PX) or Base Exchange (BX) privileges.
6. Full commissary privileges.
7. Full Class VI store privileges (alcoholic beverage package store).
8. Purchase of gasoline and petroleum, oil and lubricant products at PX or BX facilities.
9. Military postal service privileges (APO and FPO).
10. Military banking and credit union privileges.
11. Motor vehicle operator's permit.
12. Registration of one POV per family.
13. Registration of pets.
14. Medical services on a reimbursable basis.
15. Dental services for emergency care only on a reimbursable basis.
16. Mortuary services on a reimbursable basis.
17. Access to Department of Defense Dependent Schools IAW current policy.
18. Continuing education programs on a space available basis.
19. Officers, noncommissioned officers, and enlisted members clubs subject to local policies.
20. Morale, welfare, and recreation facilities.
21. Use of Armed Forces Recreation center facilities on a space available basis.
22. Legal assistance on a space available basis.
23. Billeting and messing facilities (remote sites only, space available basis).
24. Housing referral services (limited to translation assistance and explanation of host country rental laws and utility and telephone services).
25. NEO registration of employees and dependents are authorized.

Table 4-2
Individual Logistics Support Privileges

Contractor employees meeting the criteria set out in this regulation may be provided all of the logistics support listed below if properly authorized, on a space-available basis unless specifically excluded by the terms of their U.S. Government contract.

1. SOFA immigration status and a SOFA visa for contractor employee and lawful dependents.
2. Duty free importation privileges IAW SOFA and USFK regulations.
3. ID Card.
4. USFK Form 73 (USFK Ration Control Plate) (family size--1).
5. Post or Base Exchange privileges (family size--1).
6. Commissary privileges (family size--1).
7. Class VI store privileges (family size--1).
8. Purchase of gasoline and POL products at PX or BX facilities (employee only).
9. Military postal service privileges (APO and FPO) (includes dependents).
10. Military banking and credit union privileges (includes dependents).
11. Motor vehicle operator's permit (employee only).
12. Registration of one POV per family.
13. Registration of pets (employee only).
14. Routine medical services on a reimbursable basis (employee only).
15. Emergency medical and dental services on a reimbursable basis (includes dependents).
16. Mortuary services on a reimbursable basis (includes dependents).
17. Continuing education programs on a space available basis (employee only).
18. Officer, NCO, enlisted member clubs subject to local policies (employee only).
19. Morale, welfare, and recreation facilities (employee only).
20. Armed forces recreation center facilities on a space available basis (employee only).
21. Legal assistance on a space available basis (employee only).
22. Billeting and messing facilities (remote sites only, space available basis) (employee only).
23. Housing referral services (limited to translation assistance and explanation of host country rental laws and utility and telephone services) (employee only).
24. NEO registration of employees and dependents are authorized (includes dependents).

CONTRACT CLAUSES/REQUIREMENTS

Table B-1. SOFA CONTRACT CLAUSE. The clause shown in table B-1 or substantially similar clause shall be placed in each solicitation and/or awarded contract that requires SOFA status under the U.S.-ROK SOFA.

Table B-2. CONTINGENCY CONDITIONS CLAUSE. The clause shown in table B-2, or substantially similar clause shall be placed in each solicitation and/or awarded contract that requires IC or TR status under the U.S.-ROK SOFA and is required to be performed under contingency conditions.

Table B-1
SOFA Contract Clause

**INVITED CONTRACTOR OR TECHNICAL REPRESENTATIVE STATUS
UNDER U.S. - REPUBLIC OF KOREA (ROK)**

Invited Contractor (IC) and Technical Representative (TR) status shall be governed by the U.S.-ROK Status of Forces Agreement (SOFA) as implemented by United States Forces Korea (USFK) Reg 700-19, which can be found under the “publications” tab on the US Forces Korea homepage <http://www.usfk.mil>

(a) Definitions. As used in this clause—

“U.S. – ROK Status of Forces Agreement” (SOFA) means the Mutual Defense Treaty between the Republic of Korea and the U.S. of America, Regarding Facilities and Areas and the Status of U.S. Armed Forces in the Republic of Korea, as amended

“Combatant Commander” means the commander of a unified or specified combatant command established in accordance with 10 U.S.C. 161. In Korea, the Combatant Commander is the Commander, United States Pacific Command.

“United States Forces Korea” (USFK) means the subordinate unified command through which US forces would be sent to the Combined Forces Command fighting components.

“Commander, United States Forces Korea” (COMUSK) means the commander of all U.S. forces present in Korea. In the Republic of Korea, COMUSK also serves as Commander, Combined Forces Command (CDR CFC) and Commander, United Nations Command (CDR UNC).

“USFK, Assistant Chief of Staff, Acquisition Management” (USFK/FKAQ) means the principal staff office to USFK for all acquisition matters and administrator of the U.S.-ROK SOFA as applied to US and Third Country contractors under the Invited Contractor (IC) and Technical Representative (TR) Program (USFK Reg 700-19).

“Responsible Officer (RO)” means a senior DOD employee (such as a military E5 and above or civilian GS-7 and above), appointed by the USFK Sponsoring Agency (SA), who is directly responsible for determining and administering appropriate logistics support for IC/TRs during contract performance in the ROK.

(b) IC or TR status under the SOFA is subject to the written approval of USFK, Assistant Chief of Staff, Acquisition Management (FKAQ), Unit #15237, APO AP 96205-5237.

(c) The contracting officer will coordinate with HQ USFK/FKAQ, IAW FAR 25.8, and USFK Reg 700-19. FKAQ will determine the appropriate contractor status under the SOFA and notify the contracting officer of that determination.

(Continued)

Table B-1 (Cont)

SOFA Contract Clause

(d) Subject to the above determination, the contractor, including its employees and lawful dependents, may be accorded such privileges and exemptions under conditions and limitations as specified in the SOFA and USFK Reg 700-19. These privileges and exemptions may be furnished during the performance period of the contract, subject to their availability and continued SOFA status. Logistics support privileges are provided on an as-available basis to properly authorized individuals. Some logistics support may be issued as Government Furnished Property or transferred on a reimbursable basis.

(e) The contractor warrants and shall ensure that collectively, and individually, its officials and employees performing under this contract will not perform any contract, service, or other business activity in the ROK, except under U.S. Government contracts and that performance is IAW the SOFA.

(f) The contractor's direct employment of any Korean-National labor for performance of this contract shall be governed by ROK labor law and USFK regulation(s) pertaining to the direct employment and personnel administration of Korean National personnel.

(g) The authorities of the ROK have the right to exercise jurisdiction over invited contractors and technical representatives, including contractor officials, employees and their dependents, for offenses committed in the ROK and punishable by the laws of the ROK. In recognition of the role of such persons in the defense of the ROK, they will be subject to the provisions of Article XXII, SOFA, related Agreed Minutes and Understandings. In those cases in which the authorities of the ROK decide not to exercise jurisdiction, they shall notify the U.S. military authorities as soon as possible. Upon such notification, the military authorities will have the right to exercise jurisdiction as is conferred by the laws of the U.S.

(h) Invited contractors and technical representatives agree to cooperate fully with the USFK Sponsoring Agency (SA) and Responsible Officer (RO) on all matters pertaining to logistics support and theater training requirements. Contractors will provide the assigned SA prompt and accurate reports of changes in employee status as required by USFK Reg 700-19.

(i) Theater Specific Training. Training Requirements for IC/TR personnel shall be conducted in accordance with USFK Reg 350-2 Theater Specific Required Training for all Arriving Personnel and Units Assigned to, Rotating to, or in Temporary Duty Status to USFK. IC/TR personnel shall comply with requirements of USFK Reg 350-2.

(j) Except for contractor air crews flying Air Mobility Command missions, all U.S. contractors performing work on USAF classified contracts will report to the nearest Security Forces Information Security Section for the geographical area where the contract is to be performed to receive information concerning local security requirements.

(k) Invited Contractor and Technical Representative status may be withdrawn by USFK/FKAQ upon:

(1) Completion or termination of the contract.

(Continued)

Table B-1 (Cont)
SOFA Contract Clause

(2) Determination that the contractor or its employees are engaged in business activities in the ROK other than those pertaining to U.S. armed forces.

(3) Determination that the contractor or its employees are engaged in practices in contravention to Korean law or USFK regulations.

(l) It is agreed that the withdrawal of invited contractor or technical representative status, or the withdrawal of, or failure to provide any of the privileges associated therewith by the U.S. and USFK, shall not constitute grounds for excusable delay by the contractor in the performance of the contract and will not justify or excuse the contractor defaulting in the performance of this contract. Furthermore, it is agreed that withdrawal of SOFA status for reasons outlined in USFK Reg 700-19, Section II, paragraph 6 shall not serve as a basis for the contractor filing any claims against the U.S. or USFK. Under no circumstance shall the withdrawal of SOFA Status or privileges be considered or construed as a breach of contract by the U.S. Government.

(m) Support.

(1) Unless the terms and conditions of this contract place the responsibility with another party, the COMUSK will develop a security plan to provide protection, through military means, of Contractor personnel engaged in the theater of operations when sufficient or legitimate civilian authority does not exist.

(2)(i) All Contractor personnel engaged in the theater of operations are authorized resuscitative care, stabilization, hospitalization at level III military treatment facilities, and assistance with patient movement in emergencies where loss of life, limb, or eyesight could occur. Hospitalization will be limited to stabilization and short-term medical treatment with an emphasis on return to duty or placement in the patient movement system.

(ii) When the Government provides medical or emergency dental treatment or transportation of Contractor personnel to a selected civilian facility, the Contractor shall ensure that the Government is reimbursed for any costs associated with such treatment or transportation.

(iii) Medical or dental care beyond this standard is not authorized unless specified elsewhere in this contract.

(3) Unless specified elsewhere in this contract, the Contractor is responsible for all other support required for its personnel engaged in the theater of operations under this contract.

(n) Compliance with laws and regulations. The Contractor shall comply with, and shall ensure that its personnel supporting U.S Armed Forces in the Republic of Korea as specified in paragraph (b)(1) of this clause are familiar with and comply with, all applicable—

Included in this list are force protection advisories, health advisories, area (i.e. "off-limits"), prostitution and human trafficking and curfew restrictions.
- (o) Vehicle or equipment licenses. IAW USFK Regulation 190-1, Contractor personnel shall possess the required licenses to operate all vehicles or equipment necessary to perform the contract in the theater of operations. All contractor employees/dependents must have either a Korean driver's license or a valid international driver's license to legally drive on Korean roads, and must have a USFK driver's license to legally drive on USFK installations. Contractor employees/dependents will first obtain a Korean driver's license or a valid international driver's license then obtain a USFK driver's license.
- (p) Evacuation.
- (1) If the COMUSK orders a non-mandatory or mandatory evacuation of some or all personnel, the Government will provide assistance, to the extent available, to United States and third country national contractor personnel.
 - (2) Non-combatant Evacuation Operations (NEO).
 - (i) The contractor shall designate a representative to provide contractor personnel and dependents information to the servicing NEO warden as required by direction of the Responsible Officer.
 - (ii) If contract period of performance in the Republic of Korea is greater than six months, non emergency essential contractor personnel and all IC/TR dependents shall participate in at least one USFK sponsored NEO exercise per year.
- (q) Next of kin notification and personnel recovery.
- (1) The Contractor shall be responsible for notification of the employee-designated next of kin in the event an employee dies, requires evacuation due to an injury, or is missing, captured, or abducted.
 - (2) In the case of missing, captured, or abducted contractor personnel, the Government will assist in personnel recovery actions in accordance with DOD Directive 2310.2, Personnel Recovery.
 - (3) IC/TR personnel shall accomplish Personnel Recovery/Survival, Evasion, Resistance and Escape (PR/SERE) training in accordance with USFK Reg 525-40, Personnel Recovery

Table B-2

Contingency Conditions Clause

**CONTINUANCE OF PERFORMANCE DURING ANY STATE OF EMERGENCY
IN THE REPUBLIC OF KOREA (ROK)**

Invited Contractor (IC) and Technical Representative (TR) status shall be governed by the U.S.-ROK Status of Forces Agreement (SOFA) as implemented by United States Forces Korea (USFK) Reg 700-19, which can be found under the “publications” tab on the US Forces Korea homepage <http://www.usfk.mil>

(a) Definitions. As used in this clause—

“U.S. – ROK Status of Forces Agreement” (SOFA) means the Mutual Defense Treaty between the Republic of Korea and the U.S. of America, Regarding Facilities and Areas and the Status of U.S. Armed Forces in the Republic of Korea, as amended

“Combatant Commander” means the commander of a unified or specified combatant command established in accordance with 10 U.S.C. 161. In Korea, the Combatant Commander is the Commander, United States Pacific Command.

“United States Forces Korea” (USFK) means the subordinate unified command through which US forces would be sent to the Combined Forces Command fighting components.

COMUSK means the commander of all U.S. forces present in Korea. In the Republic of Korea, COMUSK also serves as Commander, Combined Forces Command (CDR CFC) and Commander, United Nations Command (CDR UNC).

“USFK, Assistant Chief of Staff, Acquisition Management” (USFK/FKAQ) means the principal staff office to USFK for all acquisition matters and administrator of the U.S.-ROK SOFA as applied to US and Third Country contractors under the Invited Contractor (IC) and Technical Representative (TR) Program (USFK Reg 700-19).

“Responsible Officer” (RO) means A senior DOD employee (such as a military E5 and above or civilian GS-7 and above), appointed by the USFK Sponsoring Agency (SA), who is directly responsible for determining and administering appropriate logistics support for IC/TRs during contract performance in the ROK.

“Theater of operations” means an area defined by the combatant commander for the conduct or support of specified operations.

“Uniform Code of Military Justice” means 10 U.S.C. Chapter 47

(b) General.

(1) This clause applies when contractor personnel deploy with or otherwise provide support in the theater of operations (specifically, the Korean Theater of Operations) to U.S. military forces deployed/located outside the United States in—

(Continued)

Table B-2 (Cont)

Contingency Conditions Clause

(i) Contingency operations;

(ii) Humanitarian or peacekeeping operations; or

(iii) Other military operations or exercises designated by the Combatant Commander.

(2) Contract performance in support of U.S. military forces may require work in dangerous or austere conditions. The Contractor accepts the risks associated with required contract performance in such operations. The contractor will require all its employees to acknowledge in writing that they understand the danger, stress, physical hardships and field living conditions that are possible if the employee deploys in support of military operations.

(3) Contractor personnel are not combatants and shall not undertake any role that would jeopardize their status. Contractor personnel shall not use force or otherwise directly participate in acts likely to cause actual harm to enemy armed forces.

(c) Support.

(1) Unless the terms and conditions of this contract place the responsibility with another party, the COMUSK will develop a security plan to provide protection, through military means, of Contractor personnel engaged in the theater of operations when sufficient or legitimate civilian authority does not exist.

(2)(i) All Contractor personnel engaged in the theater of operations are authorized resuscitative care, stabilization, hospitalization at level III military treatment facilities, and assistance with patient movement in emergencies where loss of life, limb, or eyesight could occur. Hospitalization will be limited to stabilization and short-term medical treatment with an emphasis on return to duty or placement in the patient movement system.

(ii) When the Government provides medical treatment or transportation of Contractor personnel to a selected civilian facility, the Contractor shall ensure that the Government is reimbursed for any costs associated with such treatment or transportation.

(iii) Medical or dental care beyond this standard is not authorized unless specified elsewhere in this contract.

(3) Unless specified elsewhere in this contract, the Contractor is responsible for all other support required for its personnel engaged in the theater of operations under this contract.

(d) Compliance with laws and regulations. The Contractor shall comply with, and shall ensure that its personnel supporting U.S Armed Forces in the Republic of Korea as specified in paragraph (b)(1) of this clause are familiar with and comply with, all applicable—

(1) United States, host country, and third country national laws;

(i) The Military Extraterritorial Jurisdiction Act may apply to contractor personnel if contractor personnel commit crimes outside the United States.

(Continued)

Table B-2 (Cont)
Contingency Conditions Clause

- (ii) Under the War Crimes Act, United States citizens (including contractor personnel) who commit war crimes may be subject to federal criminal jurisdiction.
- (iii) When Congress formally declares war, contractor personnel authorized to accompany the force may be subject to the Uniform Code of Military Justice.
- (2) Treaties and international agreements;
- (3) United States regulations, directives, instructions, policies, and procedures; and
- (4) Orders, directives, and instructions issued by the COMUSK relating to force protection, security, health, safety, or relations and interaction with local nationals. Included in this list are force protection advisories, health advisories, area (i.e. “off-limits”), prostitution and human trafficking and curfew restrictions.
- (e) Pre-deployment/departure requirements. The Contractor shall ensure that the following requirements are met prior to deploying/locating personnel in support of U.S. military forces in the Republic of Korea. Specific requirements for each category may be specified in the statement of work or elsewhere in the contract.
- (1) All required security and background checks are complete and acceptable.
- (2) All contractor personnel meet the minimum medical screening requirements and have received all required immunizations as specified in the contract. In the Republic of Korea, all contractor employees subject to this clause shall comply with the same DoD immunization requirements applicable to Emergency Essential DoD civilians—INCLUDING ANTHRAX IMMUNIZATION. The Government will provide, at no cost to the Contractor, any Korean theater-specific immunizations and/or medications not available to the general public.
- (3) Contractor personnel have all necessary passports, visas, and other documents required to enter and exit a theater of operations and have a Geneva Conventions identification card from the deployment center or CONUS personnel office—if, applicable.
- (4) Country and theater clearance is obtained for contractor personnel. Clearance requirements are in DOD Directive 4500.54, Official Temporary Duty Abroad, DOD 4500.54-G, DOD Foreign Clearance Guide, and USFK Reg 1-40, United States Forces Korea Travel Clearance Guide. Contractor personnel are considered non-DOD personnel traveling under DOD sponsorship.
- (f) Processing and departure points. Deployed contractor personnel shall—
- (1) Under contingency conditions or under other conditions as specified by the Contracting Officer, process through the deployment center designated in the contract, prior to deploying. The deployment center will conduct deployment processing to ensure visibility and accountability of contractor personnel and to ensure that all deployment requirements are met;

(Continued)

Table B-2 (Cont)

Contingency Conditions Clause

(2) Use the point of departure and transportation mode directed by the Contracting Officer; and

(3) If processing through a deployment center, process through a Joint Reception Center (JRC) upon arrival at the deployed location. The JRC will validate personnel accountability, ensure that specific theater of operations entrance requirements are met, and brief contractor personnel on theater-specific policies and procedures.

(g) Personnel data list.

(1) The Contractor shall establish and maintain with the designated Government official a current list of all contractor personnel that deploy with or otherwise provide support in the theater of operations to U.S. military forces as specified in paragraph (b)(1) of this clause. The Synchronized Predeployment and Operational Tracker (SPOT) is the designated automated system to use for this effort. This accountability requirement is separate and distinct from the personnel accountability requirement listed in the U.S.–ROK SOFA’s Invited Contractor/Technical Representative Program (as promulgated in USFK Regulation 700-19).

(2) The Contractor shall ensure that all employees on the list have a current DD Form 93, Record of Emergency Data Card, on file with both the Contractor and the designated Government official.

(h) Contractor personnel.

(1) The Contracting Officer may direct the Contractor, at its own expense, to remove and replace any contractor personnel who jeopardize or interfere with mission accomplishment or who fail to comply with or violate applicable requirements of this clause. Contractors shall replace designated personnel within 72 hours, or at the Contracting Officer’s direction. Such action may be taken at the Government’s discretion without prejudice to its rights under any other provision of this contract, including the Termination for Default clause.

(2) The Contractor shall have a plan on file showing how the Contractor would replace employees who are unavailable for deployment or who need to be replaced during deployment. The Contractor shall keep this plan current and shall provide a copy to the Contracting Officer and USFK Sponsoring Agency (see USFK Reg 700-19) upon request. The plan shall—

(i) Identify all personnel who are subject to U.S. or Republic of Korea military mobilization;

(ii) Identify any exemptions thereto;

(iii) Detail how the position would be filled if the individual were mobilized; and

(iv) Identify all personnel who occupy a position that the Contracting Officer has designated as mission essential.

(i) Military clothing and protective equipment.

(Continued)

Table B-2 (Cont)

Contingency Conditions Clause

(1) Contractor personnel supporting a force deployed outside the United States as specified in paragraph (b)(1) of this clause are prohibited from wearing military clothing unless specifically authorized in writing by the COMUSK. If authorized to wear military clothing, contractor personnel must wear distinctive patches, arm bands, nametags, or headgear, in order to be distinguishable from military personnel, consistent with force protection measures and the Geneva Conventions.

(2) Contractor personnel may wear military-unique organizational clothing and individual equipment (OCIE) required for safety and security, such as ballistic, nuclear, biological, or chemical protective clothing.

(3) The deployment center, the Combatant Commander, or the Sponsoring Agency shall issue OCIE and shall provide training, if necessary, to ensure the safety and security of contractor personnel.

(4) The Contractor shall ensure that all issued OCIE is returned to the point of issue, unless otherwise directed by the Contracting Officer.

(j) Weapons.

(1) If the Contractor requests that its personnel performing in the theater of operations be authorized to carry weapons, the request shall be made through the Contracting Officer to the COMUSK. The COMUSK will determine whether to authorize in-theater contractor personnel to carry weapons and what weapons will be allowed.

(2) The Contractor shall ensure that its personnel who are authorized to carry weapons—

(i) Are adequately trained;

(ii) Are not barred from possession of a firearm by 18 U.S.C. 922; and

(iii) Adhere to all guidance and orders issued by the COMUSK regarding possession, use, safety, and accountability of weapons and ammunition.

(iv) The use of deadly force by persons subject to this clause shall be made only in self-defense, except:

(v) Persons subject to this clause who primarily provide private security are authorized to use deadly force only as defined in the terms and conditions of this contract in accordance with USFK regulations and policies (especially, USFK Regulation 190-50).

(vi) Liability for the use of any weapon by persons subject to this clause is solely the responsibility of the individual person and the contractor.

(3) Upon redeployment or revocation by the COMUSK of the Contractor's authorization to issue firearms, the Contractor shall ensure that all Government-issued weapons and unexpended ammunition are returned as directed by the Contracting Officer.

Table B-2 (Cont)

Contingency Conditions Clause

(k) Evacuation.

(1) In the event of a non-mandatory evacuation order, unless authorized in writing by the Contracting Officer, the Contractor shall maintain personnel on location sufficient to meet obligations under this contract.

(l) Theater Specific Training. Training Requirements for IC/TR personnel shall be conducted in accordance with USFK Reg 350-2 Theater Specific Required Training for all Arriving Personnel and Units Assigned to, Rotating to, or in Temporary Duty Status to USFK.

(m) USFK Responsible Officer (RO). The USFK appointed RO will ensure all IC/TR personnel complete all applicable training as outlined in this clause.

(n) Changes. In addition to the changes otherwise authorized by the Changes clause of this contract, the Contracting Officer may, at any time, by written order identified as a change order, make changes in Government-furnished facilities, equipment, material, services, or site. Any change order issued in accordance with this paragraph shall be subject to the provisions of the Changes clause of this contract.

(o) Subcontracts. The Contractor shall incorporate the substance of this clause, including this paragraph, in all subcontracts that require subcontractor personnel to be available to deploy with or otherwise provide support in the theater of operations to U.S. military forces deployed/stationed outside the United States in—

(1) Contingency operations;

(2) Humanitarian or peacekeeping operations; or

(3) Other military operations or exercises designated by the Combatant Commander.

(p) The Contracting Officer will discern any additional GFE, GFP or logistical support necessary to facilitate the performance of the enhanced requirement or necessary for the protection of contractor personnel. These items will be furnished to the Contractor at the sole discretion of the Contracting Officer and may be provided only on a reimbursable basis.

Section II.
TERMS

Academic Institution Instructor. Instructor for a major college or university such as Central Texas College or University of Maryland. Academic institution instructors normally teach subjects that receive college credit.

Contingency Operation. Is designated by the Secretary of Defense as an operation in which members of the armed forces are or may become involved in military actions, operations, or hostilities against an enemy of the United States or against an opposing military force; or results in the call or order to, or retention on, active duty of members of the uniformed services under section 688, 12301 (a), 12302, 12304, 12305, or 12406 of 10 U.S.C, chapter 15, or any other provision of law during a war or during a national emergency declared by the President or Congress.

Contracting Office. The U.S. Government office responsible for soliciting bids or proposals from bidders or offerors; awarding contracts; administering contracts; and/or terminating contracts.

Contracting Officer. A person with the authority to enter into, administer, and/or terminate contracts and make related determinations and findings. The term includes certain authorized representatives of the contracting officer acting within the limits of their authority as delegated by the contracting officer. A contracting officer is appointed in writing through a warrant (SF 1402) by the Head of the Contracting Activity (HCA) or through a person delegated authority by the HCA (i.e. Principal Assistant Responsible for Contracting (PARC)).

Contractor. An individual, company, corporation, or other business entity that enters into a contractual relationship with the U.S. Government to provide supplies, services or construction at agreed-upon prices or rates. Sometimes referred to as a vendor.

Dependents. Persons including--

- a. Lawful spouse.
- b. Unmarried children who are under 21 years of age, including legally adopted children and stepchildren.
- c. Children 21 years of age and older who are in fact dependent on the principal for over half of their support provided they
 - (1) are incapable of self-support because of a mental or physical incapacity that existed before age 21 or

(2) have not passed their 23rd birthday and are enrolled full-time in an approved institute of higher learning.

d. Parents (legal supporting documents maybe required), including father, mother, stepparents, and parents by adoption who are in fact dependent for over half of their support and reside in the employee's household.

Full Logistics Support– A full-time contractor employee who is ordinarily resident in the U.S. in a full-time paid status working 40 hours or more each week under a contract with a period of performance greater than 179 days. Dependents of such full-time contractor employees may also receive full logistics support. (See Table 4-1). All contractor employees and their dependents authorized full logistics support will receive ID cards and RCPs. Local hires meeting the criteria, above, and have transportation agreements to return to the U.S. are generally considered ordinarily resident in the U.S. and eligible for full logistics support.

Full-Time Employee. To be considered full-time, a contractor employee must be in a full-time paid status working 40 hours or more each week. Employees of education institutions, which fall in the Special Category for Education Contracts, will only be considered full-time if official employment records filed at the home office of the university, college, or institution clearly show that said employees are in fact in a full-time paid status. (Note: Certification of full-time paid status must be provided by the Human Resources Manager of the university, college or educational institution and will not be accepted from local extension offices.)

Individual Logistics Support. A full-time contractor employee who is ordinarily resident in the U.S. in a full-time paid status working 40 hours or more each week under a contract with a period of performance of 179 days or less. Additionally, contractor employees meeting the criteria, above, but whose dependents do not meet the requirements for dependents of civilian local hires set out in USFK Reg 60-1, may be eligible for individual sponsorship.

Invited Contractor (IC). Persons, including (a) corporations organized under the laws of the U.S., (b) their employees who are *ordinarily resident in the U.S.* and, (c) the dependents of the foregoing who are *present* in the Republic of Korea *solely* for the purpose of executing contracts with the U.S. for the benefit of the U.S. armed forces. Such contractors must be formally designated by the U.S. in accordance with Article XV of the U.S.-ROK Status of Forces Agreement (SOFA) and established procedures and protocols. Designation as an IC will only take place following consultation with the Government of the Republic of Korea and shall be restricted to cases (contracts) where open competitive bidding is not practical due to (1) security considerations; (2) the technical qualifications of the contractor involved; (3) the unavailability of materials or services required by U.S. standards; or (4) limitations of U.S. law.

Joint Committee Under the U.S.-ROK SOFA. The bilateral committee established in compliance with SOFA Article XXVIII as a means for consultation between the U.S. and ROK governments on all matters requiring mutual consultation regarding implementation of the SOFA.

Joint Venture. The term used when a U.S. company teams with a Korean firm. Only the U.S. partner in the joint venture may be eligible for SOFA status.

Local Hire. An employee hired from the local, in-country pool of U.S. citizens and non-U.S. citizens with a U.S. green card who can meet the prerequisites for IC status in that they can prove that they are: 1) a U.S. citizen or a non-U.S. citizen with a U.S. green card; and, 2) ordinarily resident in the U.S.

Local National (LN) Hire. A Korean national (KN) employee. A LN hired in support of an IC obligation to USFK does not qualify for any status, rights or privileges under SOFA.

Logistics Support. Benefits provided to authorized employees and dependents for their sustained logistics needs while in Korea. Items provided include ID cards and RCPs, which allows use of military exchanges, commissaries, social clubs, and NAF MWR activities etc (see Chapter 4 for detailed listings of benefits and privileges).

Ordinary Resident of U.S. A person who normally lives in the U.S. To meet this definition, an individual must normally maintain a residence in the U.S., receive their mail there, and have their household goods at their U.S. residence, etc. (Note: “Ordinarily resident” is not identical to “legal residence” even though a person may be “ordinarily resident” at his place of “legal residence”. The term “ordinarily resident” refers to the place where a person is actually living in other than a transient or temporary capacity at the time of hire. Where one is “ordinarily resident” is a question of fact and law. Normally it is straightforward and can be determined by looking at where one is physically domiciled at the time of hiring.)

Ordinarily Resident in ROK. A person who normally lives in the Republic of Korea. For example, a U.S. citizen who is currently and has been residing continuously in the ROK in a non-SOFA status for a period of over one year.

Part-Time Employee. An IC employee is considered to be a part-time employee if that employee is in a part-time paid status working less than 40 hours each week. Employees of education institutions, which fall in the Special Category for Education Contracts, who do not have a certification of full-time employment from the Human Resources Manager of the university, college, or institution will be considered as part-time employees.

Responsible Officer (RO). A senior DOD employee (such as a military E5 and above or civilian GS-7 and above), appointed by the SA, who is directly responsible for determining and administering appropriate logistics support for IC/TRs during contract performance in the ROK. The RO will assist IC/TR employees and dependents in processing forms to obtain authorized logistics support. They will monitor and control contractor logistics support. In many instances, the RO can be the same person as the Contracting Officer’s Representative (COR).

Status of Forces Agreement (SOFA). The international agreement between the U.S. of America and the Republic of Korea envisaged by Article IV of the U.S.-ROK Mutual Defense Treaty. The SOFA was signed on 9 July 1966 and became effective on 9 February 1967. The term “U.S.-ROK SOFA” includes the original Agreement, and its Agreed Minutes and Understandings, as amended. Numerous implementing agreements may be found in the Official Minutes of the SOFA Joint Committee established by Article XXVIII, SOFA. (“SOFA” is the abbreviated term for the “Agreement Under Article IV of the Mutual Defense Treaty Between the United States of America and the Republic of Korea Regarding Facilities and Areas and the Status of U.S. Armed Forces in the Republic of Korea”.)

SOFA Status. The categories of those persons, defined in Articles I and XV of the SOFA, provided status and protection under the SOFA. For purposes of this regulation, properly designated ICs and their approved employees and dependents whose presence in Korea (and by default whose travel to Korea) is solely attributed to the performance of contracts with or for the U.S. armed forces in Korea may qualify for status and protection under the SOFA. SOFA status for purposes of complying with ROK government laws regarding immigration and the control of aliens may be extended to full-time and part-time, properly and legally designated IC employees and designated and approved dependents. SOFA

status for immigration purposes does not automatically provide or authorize the extension of privileges and logistics support.

Sponsoring Agency (SA). A DOD organization located in the ROK that has been designated by a contracting officer to be responsible for an IC or TR while they perform work in the ROK. The SA is usually the requiring activity and is physically closest to the work being performed. The SA is ultimately responsible for determining and authorizing available logistics support for IC/TR contractor employees and their dependents.

Subcontractor. A company or individual that enters into a legal contract to perform work for another contractor. If the U.S. government awards a contract to a company or individual, then that contractor is called a Prime Contractor. If the Prime Contractor then awards a contract to another company or individual to perform part of their work on the U.S. government contract, the resultant contract is called a subcontract. Normally, the U.S. government does not have any legal relationship (privity) with subcontractors. However, the U.S. Government may have oversight through the Prime Contractor and may monitor the subcontractor's performance.

Technical Representative. The TR designation is limited by agreement of the U.S.-ROK SOFA Joint Committee to individuals who serve in three basic capacities:

a. Special individual instructors or technical advisors: Such individuals might be dispatched to USFK to provide technical training, evaluation, installation or maintenance and inspection of complex military equipment or systems. Such training is often involved during the initial fielding of new equipment and systems and is provided by the equipment or system manufacturer. These individual trainers are not contractors nor under any direct contractual obligations to the U.S. Department of Defense or USFK.

b. Individual medical and dental service personnel hired by USFK directly under a "personal services contract" in lieu of direct government employment, which by the express terms or administration of the contract, makes the individual contractor appear, in effect, as an employee of the U.S. government. Such personal services contractors fill voids in military and civilian component manning by providing personal medical and dental services to USFK personnel.

c. Special individual vendor representatives provided by major U.S. manufacturers to insure our commissaries and exchanges in the Pacific Command are properly stocked with the American-style products and to act as the interface between U.S. commissaries and exchanges and U.S. suppliers of U.S. products. Such individuals are not under any contractual obligation to the U.S. Defense Commissary Agency or USFK.

Third-Country Nationals. Citizens of countries other than the United States of America or the Republic of Korea.

U.S. Representative to the SOFA Joint Committee. The Deputy Commander, USFK, appointed in accordance with SOFA Article XXVIII by the U.S. Ambassador to Korea.

Child and Youth Behavioral (CYB)

Standard Operating Procedures (SOPs)

I. Background and Purpose

1. The Office of the Deputy Under Secretary of Defense for Military Community and Family Policy (ODUSD (MC&FP)) established the Military and Family Life Consultant (MFLC) program to provide private and confidential non-medical, short term, situational, problem-solving and financial counseling services to augment existing military support services. This non-medical counseling support is available to the active and Reserve component and their families as well as civilian employees serving overseas and their family members. This non-medical counseling is designed to address issues that occur across the military lifestyle and help service members and their families cope with the normal reactions to the stressful/adverse situations created by deployments and reintegration. The counseling approach is psychoeducational which helps participants learn to anticipate and resolve challenges associated with the military lifestyle. Support is aimed at preventing the development or exacerbation of mental health conditions that may detract from military and family readiness.
2. The CYB-MFLC Program utilizes professional, licensed and credentialed counselors to support and augment installation Child and Youth Programs (CYP), Department of Defense Education Activity (DoDEA) schools, local education agencies (LEA), DoDEA/CYP summer programs, National Military Family Association Operation Purple Camps, Guard/Reserve Camps, and Operation Military Kids Camps.
3. The ODUSD (MC&FP) centrally manages the MFLC contract.

II. POC Responsibilities

1. Organizations receiving CYB-MFLC support will appoint a POC for each location where consultants provide services, with the installation CYP POC serving as the lead when multiple POCs are designated. For summer camps, the Camp Director is usually designated as the POC.
2. Review all MFLC guidance to include this SOP, the MFLC Operational Guide, and the duty-to-warn protocol. The POC should communicate to families and staff the role of the CYB-MFLC. Questions about the program will be directed to the POC and Service Headquarters as appropriate. The ODUSD (MC&FP) will be engaged as needed.
3. If applicable, coordinate MFLC access onto military installations. The POC will maintain contact and coordinate with the Regional and Service Headquarters CYP POC, Contractor representative, DoDEA representative and ODUSD (MC&FP) (as appropriate) to address issues that cannot be resolved locally.
4. Serve as the liaison for all community contact and coordination for the CYB-MFLC. The POC will ensure that a variety of logistical and communications activities are in place for the CYB-MFLC. These logistical and communication activities include but are not limited to the following:
 - a. Installation Access (if applicable): CYB-MFLC(s) are sponsored by CYP POCs who will ensure that the CYB-MFLC can access installation facilities. In most situations, CYB-MFLC(s) will not need a Common Access Card (CAC). Alternate ways of assisting CYB-

MFLCs in obtaining installation access is preferred. It may be necessary to move consultants from one location to another. It is necessary to ensure documentation provides access to all potential locations.

- b. Community Briefings – within 72 hours of arriving, CYB-MFLCs should receive relevant briefings from appropriate staff.
- c. Community Orientation

Orientation to the installation; demographics, mission, and history of the installation

- Drivers' orientation with road signs and general advice and information
 - Force Protection briefings and information about appropriate conduct on and off the installation
 - Installation and regional awareness. What is occurring, what may occur while the CYB-MFLC is there
 - Local cultural customs, courtesies, holidays, social interactions, and maps
 - The CYB-MFLC will meet agency representatives as needed and must have contact information to be able to make referrals, as appropriate. This is critical since the consultants **will not** engage in clinical therapy while on site and must be able to refer appropriately to military and civilian resources
5. Logistics and space – The POC will work with the CYB-MFLC to identify space in the local CYP, DoDEA, or LEA facilities. The POC should provide access to the local DSN telephone, a computer, and email if possible.
 6. Work hours – The POC will coordinate and guide the work schedule with the CYB-MFLC. The normal work schedule for the CYB-MFLC is 40 hours per week. Consultant hours will be flexible to meet the needs of the organization and families, which may include evenings and weekends as needed for training, field trips, meeting with families, and general outreach. If the CYB-MFLC's day is divided between CYP, DoDEA and/or LEA and special circumstances arise that would require them to extend their hours in one program (eg: all day field trip), thus reducing the number of hours spent in the other program, the POCs are responsible for guiding the CYB-MFLC's schedule. A portion of the work day will be used to complete activity forms.
 7. Contractor supervisors are responsible for ensuring that CYB-MFLCs work required hours. POCs will sign CYB-MFLC time sheets confirming their work schedule.
 8. Consultants must be briefed on CYP, DoDEA, and LEA procedures and protocols. Concerns will be addressed by the designated POC.
 9. Parental Notification & Consent for CYB-MFLC Services: CYP, DoDEA, LEA, and Summer camp POCs are responsible for informing parents of the CYB-MFLC and their respective role. A letter template will be provided by ODUSD (MC&FP), which can be modified to fit the military service and the installation. The content regarding the role of the CYB-MFLC may not change. Parents must acknowledge, in writing, the availability of CYB-MFLC support and whether or not their child may receive assistance by a CYB-MFLC.

10. Service Headquarters staff and POCs will keep the Contractor representative and ODUSD (MC&FP) apprised of curricula/materials available for consultant utilization. DoD must review and approve curricula/materials prior to consultant utilization.

11. The following information applies to summer programs only:

The POC and the CYB-MFLC will each complete a Hotwash/Program Summary. If the CYB-MFLC is working in both the CYP and DoDEA, two hotwashes should be submitted to ODUSD (MC&FP), the Service Headquarters, DoDEA, and contractor POCs. The purpose of the hotwash is to identify successes, challenges, and recommendations for the program. The Hotwash/Program Summary should be completed by the end of the summer program.

III. Reporting Procedures

1. Domestic abuse, child abuse/neglect, potential harm to self and others, or other duty to warn situations will be reported to the appropriate CYP, DoDEA, or LEA POC. The CYB-MFLC must personally report suspected child abuse/neglect to the local child protective services agency to meet the requirements of state and federal law and must report suspected domestic abuse and child abuse/neglect to the nearest installation's Family Advocacy Program. The CYB-MFLC is not responsible for determining the veracity of the report or the seriousness of the incident and will facilitate a warm handoff of the affected individual to the POC. The POC will be responsible for verifying that the incident is reported to the appropriate reporting agency in accordance with installation protocol but is not authorized to screen reports of suspected child abuse/neglect or domestic abuse in lieu of the CYB-MFLC making the report. The POC is responsible for completing agency specific incident reports.
2. The CYB-MFLC must notify the contractor supervisor about duty to warn situations as soon as possible.

IV. CYB-MFLC Roles and Responsibilities

1. CYB-MFLCs provide non-medical counseling support to children and youth up to age 18 in groups or individually and may:
 - a. Observe, participate, and engage in activities with children/youth
 - b. Provide direct interventions with children.
 - c. Model behavioral management techniques and provide feedback to staff
 - d. Be available to staff to discuss interactions and other concerns
 - e. Outreach to parents when they drop off and pick up children
 - f. Facilitate psycho-educational groups
 - g. Conduct trainings for staff and parents
2. CYB-MFLCs provide support on topics including but not limited to identifying feelings, problem solving, bullying, conflict resolution, self esteem, coping with deployment and reunification, transition and moving, sibling/parental relationships, managing anger, time management, separation from parent(s), **and divorce.**
3. **At no time will a consultant meet individually with a child without being in line of sight with a CYP, DoDEA, LEA, camp employee and/or parent.**

4. With the exception of mandatory federal and military reporting requirements (i.e., child abuse, domestic violence, and other duty to warn situations) direct services provided by consultants are private and confidential to encourage the widest level of participation. No counseling records of contact with military members or their families are maintained. Consultants may document activity in military counseling or medical records and may not enter information in military data bases.
5. If the CYB-MFLC is visiting a FCC home, a CYP staff person who is not the FCC provider must accompany the CYB-MFLC. CYB-MFLCs shall not be members of CDC or FCC inspection teams.
6. The CYB-MFLC may not participate in the Special Needs Assessment Process (SNAP); however the CYB-MFLC may be introduced as an additional resource for the parent(s)/guardian(s). CYB-MFLCs may assist in coaching, guiding, and supporting behavioral interventions resulting from the SNAP.
7. Consultants **MAY NOT** provide therapy services or formal critical incident/stress debriefings, but may assist with grief and loss support.
8. CYB-MFLCs are required to complete training on military prior to beginning an assignment.
9. The CYB-MFLC is not authorized to speak to the media/press without specific approval from the ODUSD (MC&FP).
10. CYB-MFLCs will have at least a Masters degree in a mental health related field, be licensed in a state or territory to practice independently, and undergo a background check.
11. The CYB-MFLC may not transport any child or family member in any vehicle.
12. CYB-MFLCs shall not engage in political discussions concerning military policy. CYB-MFLCs must remain focused on providing support.
13. CYB-MFLCs shall not engage in self-promotion that may be perceived as promoting an outside business interest.

V. Contractor Responsibilities

1. Once an installation is confirmed to receive CYB-MFLC support the contractor will complete staffing action within two weeks of the beginning of the program. The contractor will communicate regularly with ODUSD (MC&FP), the Service Headquarters staff, and installation POC regarding staffing status.
2. The Contractor will forward at the earliest possible date, the name of the CYB-MFLC, contact information, and date of arrival to Service Headquarters and installation POCs. The contractor will provide to the POC information necessary to obtain installation access for the CYB-MFLC

3. The contractor will provide the CYB-MFLC(s) with:
 - a. The CYB-MFLC SOP
 - b. Training on Military Culture and sensitivity
 - c. Orientation explaining the parameters of the program, the prohibition on providing clinical therapy, the scope of support services and programs, and the referral process. Restricted Reporting and Duty-to-Warn procedures. (The CYP, DoDEA, and/or LEA POC may provide site specific policy on this issue.)
 - d. Standardized training presentations and guidance on Service, DoDEA, LEA or camp requested trainings. All presentations must be approved by the ODUSD (MC&FP) prior to use
 - e. Specific Service and installation information
 - f. Supervision plan
 - g. Training on required documents such as Activity Forms
4. The contractor assigns a CYB-MFLC supervisor who will provide weekly supervision during the consultant's assignment. The contractor will keep the Service Headquarters POC and ODUSD (MC & FP) apprised of program progress and status
5. The contractor Program Director will provide support in managing all consultants.
6. The contractor will provide a summary utilization report at the end of the summer.

VI. Conflict Resolution

If conflicts occur between the CYB-MFLC and service personnel, family members, commanders, or community agency staff, the CYB-MFLC will not engage past point of conflict. Conflicts must be brought to attention of the CYP, DoDEA, LEA, or camp POC for resolution. Under no circumstances will a consultant attempt, past an initial discussion, to resolve any conflict.

If possible, conflicts should be resolved locally. If a conflict cannot be resolved locally, the POC consults their leadership and Service Headquarters as needed. The ODUSD (MC & FP) and Contractor will be kept apprised of conflicts that are not able to be resolved locally. The CYB-MFLC may be removed from their assignment with ODUSD (MC&FP) approval.
