15 **SEC. 302. ADMINISTRATION OF WATERSHED MANAGEMENT**

16 **AREAS.**

17 (a) *PURPOSES.*—*The purposes of the Watershed Man-*  
18 *agement Areas are—*

19 (1) *to ensure the protection of the quality of*  
20 *water in the Watershed Management Areas;*

21 (2) *to allow visitors to enjoy the scenic, natural,*  
22 *cultural, recreational, and wildlife values of the Wa-*  
23 *tershed Management Areas;*

1           (3) to provide for the management, development,  
2           and use of drinking water within the Watershed Man-  
3           agement Areas;

4           (4) to allow for the reintroduction of beavers in  
5           appropriate Watershed Management Areas;

6           (5) to allow for reintroduction of native flora  
7           (land and aquatic), bird, fish and animal fauna in  
8           Watershed Management Areas;

9           (6) to provide for the restoration of watersheds  
10          and re-establish ecosystem health in areas damaged or  
11          threatened by insects, disease or prior land use; and

12          (7) to provide for the restoration of ecosystems  
13          damaged or threatened by overpopulation of any  
14          plant, aquatic or animal species.

15          (b) *MANAGEMENT.*—The Secretary shall manage the  
16          Watershed Management Areas—

17                 (1) in a manner consistent with the purposes de-  
18                 scribed in subsection (a); and

19                 (2) in accordance with—

20                         (A) the laws generally applicable to the Na-  
21                         tional Forest System;

22                         (B) this title; and

23                         (C) any other applicable law.

24          (c) *MANAGEMENT PLAN.*—

1           (1) *PLAN REQUIRED.*—Not later than two years  
2           after the date of enactment of this Act, the Secretary  
3           shall develop a management plan for the long-term  
4           management of each Watershed Management Area.

5           (2) *RECOMMENDATIONS AND CONSULTATION.*—  
6           The Secretary shall prepare the management plan in  
7           consultation and coordination with local and tribal  
8           governments, the public, and the Public Lands Initia-  
9           tive Planning and Implementation Advisory Council  
10          established under Division C of this Act. If the Sec-  
11          retary does not incorporate recommendations sub-  
12          mitted by the State, local governments, and Indian  
13          tribes into the management plans, the Secretary shall  
14          submit a written explanation before the effective date  
15          of the management plan to the House Committee on  
16          Natural Resources and Senate Committee on Agri-  
17          culture, Nutrition, and Forestry outlining the reasons  
18          for rejecting the recommendations.

19 **SEC. 303. GENERAL PROVISIONS.**

20          (a) *MOTORIZED VEHICLES.*—Except in cases in which  
21          motorized vehicles are needed for administrative purposes  
22          or to respond to an emergency, the use of motorized vehicles  
23          shall be permitted only on designated routes within the Wa-  
24          tershed Management Areas.

4                   (G) *The trailing of domestic livestock shall*  
5                   *continue and shall not be limited by the designa-*  
6                   *tion made under section 401.*

7                   (3) *UTAH DEPARTMENT OF AGRICULTURE AND*  
8                   *FOOD.—In instances in which historic grazing loca-*  
9                   *tions, access, or use is disputed by the grazing per-*  
10                  *mittee, data and information provided by the Utah*  
11                  *Department of Agriculture and Food shall be given*  
12                  *consideration by the Secretary to establish historic ac-*  
13                  *cess, locations, or use.*

14                  (e) *ADJACENT MANAGEMENT.—*

15                  (1) *IN GENERAL.—Nothing in this title creates a*  
16                  *protective perimeter or buffer zone around the Area.*

17                  (2) *ACTIVITIES OUTSIDE THE AREA.—The fact*  
18                  *that an activity or use on land outside the Area can*  
19                  *be seen, heard, felt or smelled within the Area shall*  
20                  *not preclude the activity or use outside the boundary*  
21                  *of the Area.*

22                  (f) *OUTFITTING AND GUIDE ACTIVITIES.—Commercial*  
23                  *services (including authorized outfitting and guide activi-*  
24                  *ties) within the Area are authorized to the extent necessary*  
25                  *to realize the recreational purposes of the Area.*

1           (g) *FISH AND WILDLIFE.*—*Nothing in this section af-*  
2 *fects the jurisdiction of the State of Utah with respect to*  
3 *the management of fish and wildlife on Federal land in the*  
4 *State, including the regulation of hunting, fishing, and*  
5 *trapping and use of helicopters to maintain healthy wildlife*  
6 *populations, within the Area.*

7           (h) *ACCESS.*—*The Secretary shall provide the owner*  
8 *of State or private property within the boundary of the*  
9 *Area.*

10          (i) *WILDLIFE WATER DEVELOPMENT PROJECTS.*—

12 *structures and facilities, for wildlife water development*  
13 *projects (including guzzlers) in the Area are authorized.*

14          (j) *WATER RIGHTS.*—

15                (1) *STATUTORY CONSTRUCTION.*—*Nothing in this*  
16 *title—*

17                        (A) *shall constitute either an express or im-*  
18 *plied reservation by the United States of any*  
19 *water rights with respect to the High Uintas*  
20 *Special Management Area;*

21                        (B) *affects any water rights in the State of*  
22 *Utah existing on the date of enactment of this*  
23 *Act;*

1                   (C) establishes a precedent with regard to  
2                   any future special management areas designa-  
3                   tions; or

4                   (D) shall restrict or prohibit the upstream  
5                   diversion of water rights held under Utah State  
6                   law.

7                   (2) UTAH WATER LAW.—The Secretary shall fol-  
8                   low the procedural and substantive requirements of  
9                   State law to obtain and hold any water rights not in  
10                  existence on the date of the enactment of this Act with  
11                  respect to the Area.

12                  (3) EFFECTS ON STATE WATER RIGHTS.—The  
13                  Secretary shall not take any action that adversely af-  
14                  fects—

15                         (A) any water rights granted by the State;

16                         (B) the authority of the State in adjudi-  
17                         cating water rights;

18                         (C) definitions established by the State with  
19                         respect to the term “beneficial use” or “priority  
20                         of rights”;

21                         (D) terms and conditions for groundwater  
22                         withdrawal;

23                         (E) the use of groundwater resources that  
24                         are in accordance with State law; or

1           (F) other rights or obligations of the State  
2 as established under State law.

3           (4) *EXISTING WATER INFRASTRUCTURE.*—

4           (A) Nothing in this title shall be construed  
5 to limit off-highway vehicle access and road  
6 maintenance by local municipalities, water dis-  
7 tricts or irrigation districts, for those mainte-  
8 nance activities necessary to guarantee the con-  
9 tinued viability of water resource facilities that  
10 currently exist or which may be necessary in the  
11 future to prevent the degradation of the water  
12 supply in the Area.

13           (B) Nothing in this title shall be construed  
14 to encumber, transfer, impair, or limit any  
15 water right, or recognized beneficial use, includ-  
16 ing access to, development, and use of livestock  
17 water rights as defined by State law.

18           (k) *PERMANENT ROAD CONSTRUCTION.*—After the date  
19 of enactment of this Act, except as necessary for administra-  
20 tive purposes or to respond to an emergency, the Secretary  
21 shall not construct any permanent road within the Area.

22           (l) *TEMPORARY ROAD CONSTRUCTION.*—The Secretary  
23 is authorized to construct temporary passenger vehicle roads  
24 for administrative or emergency purposes. The Secretary  
25 shall decommission any temporary road constructed under

1 *this subsection not later than 3 years after the date the road*  
2 *is constructed.*

3 *(m) USE OF OFF-HIGHWAY OR MOTORIZED VEHI-*  
4 *CLES.—Except as necessary to meet the minimum require-*  
5 *ments for the administration of the Area and to protect*  
6 *public health and safety, the use of off-highway vehicle or*  
7 *motorized vehicles is prohibited.*

8 *(n) COMMERCIAL TIMBER HARVESTING.—Commercial*  
9 *timber harvesting within the Area is prohibited.*

10 *(o) OVERSNOW VEHICLES.—The Secretary shall au-*  
11 *thorize the use of snowmobiles and other oversnow vehicles*  
12 *within the High Uintas Special Management Area when*  
13 *there is at least six inches of snow coverage.*

22 *Special Management Area.*

23 *(b) MAP AND LEGAL DESCRIPTION.—*

24 *(1) IN GENERAL.—Two years after the date of*  
25 *enactment of this Act, the Secretary shall file a map*

1        *and legal description of the Little West Fork Blacks*  
2        *Fork Special Management Area with the Committee*  
3        *on Natural Resources of the House of Representatives*  
4        *and the Committee on Agriculture, Nutrition, and*  
5        *Forestry of the Senate.*

6            (2) *EFFECT.*—*The map and legal description*  
7        *prepared under paragraph (1) shall have the same*  
8        *force and effect as if included in this title, except that*  
9        *the Secretary may correct minor errors in the map or*  
10       *legal description provided that prior to any modifica-*  
11       *tions, clerical or typographical changes, these changes*  
12       *are reported to the State of Utah and the affected*  
13       *county.*

14           (3) *PUBLIC AVAILABILITY.*—*A copy of the map*  
15        *and legal description shall be on file and available for*  
16        *public inspection in the appropriate offices of the*  
17        *United States Forest Service.*

13           (c) *MANAGEMENT PLAN.*—

14                   (1) *PLAN REQUIRED.*—*Not later than two years*  
15 *after the date of enactment of this Act, the Secretary*  
16 *shall develop a management plan for the long-term*  
17 *management of the Little West Fork Blacks Fork Spe-*  
18 *cial Management Area.*

19                   (2) *RECOMMENDATIONS AND CONSULTATION.*—

20 *The Secretary shall prepare the management plan in*  
21 *consultation and coordination with local and tribal*  
22 *governments, the public, and the Public Lands Initia-*  
23 *tive Planning and Implementation Advisory Council*  
24 *established under Division C of this Act. If the Sec-*  
25 *retary does not incorporate recommendations sub-*

1        *mitted by the State, local governments, and Indian*  
2        *tribes into the management plans, the Secretary shall*  
3        *submit a written explanation before the effective date*  
4        *of the management plan to the House Committee on*  
5        *Natural Resources and Senate Committee on Agri-*  
6        *culture, Nutrition, and Forestry outlining the reasons*  
7        *for rejecting the recommendations of the State, local*  
8        *governments and tribes.*

9        *(d) USES.—The Secretary shall allow only such uses*  
10       *of the special management area that would further the pur-*  
11       *poses outlined in subsection (a) and the following:*

12            *(1) Include skiing, biking, hiking, fishing, hunt-*

7           **MONUMENT**

8           **SEC. 601. JURASSIC NATIONAL MONUMENT.**

9           (a) *PURPOSES.*—To conserve, interpret, and enhance  
10          for the benefit of present and future generations paleontolog-  
11          ical, scientific, educational, and recreational resources,  
12          there is established in Emery County, Utah, subject to valid  
13          existing rights, the Jurassic National Monument (herein-  
14          after referred to in this title as the “Monument”).

15          (b) *ESTABLISHMENT.*—The Monument shall consist of  
16          approximately 867 acres of Federal land in Emery County,  
17          Utah as generally depicted on the map entitled Utah PLI  
18          Park and Monument Map dated June 24, 2016, to be known  
19          as the Jurassic National Monument and to be managed by  
20          the Bureau of Land Management.

21          (c) *MAP AND LEGAL DESCRIPTION.*—

22                  (1) *IN GENERAL.*—As soon as practicable after  
23          the date of enactment of this Act, the Secretary of the  
24          Interior (hereinafter in this title referred to as the  
25          “Secretary”) shall submit to the Committee on Nat-

1 *ural Resources of the House of Representatives and*  
2 *the Committee on Energy and Natural Resources of*  
3 *the Senate a map and legal description of the Monu-*  
4 *ment.*

5 *(2) EFFECT.—The map and legal description*  
6 *prepared under paragraph (1) shall have the same*  
7 *force and effect as if included in this section, except*  
8 *that the Secretary may correct minor errors in the*  
9 *map or legal description provided that prior to any*  
10 *modifications, clerical or typographical changes, these*  
11 *changes are reported to the State of Utah and the af-*  
12 *ected county.*

13 *(3) PUBLIC AVAILABILITY.—A copy of the map*  
14 *and legal description shall be on file and available for*  
15 *public inspection in the appropriate offices of the Bu-*  
16 *reau of Land Management.*

17 *(d) ACQUISITION OF LAND.—*

18 *(1) IN GENERAL.—The Secretary may acquire*  
19 *land or interests in land within the boundaries of the*  
20 *Monument only by donation, exchange, transfer from*  
21 *another agency, or purchase from a willing seller.*

22 *(2) LAND EXCHANGE.—At the request of the*  
23 *State, not later than two years after the date of enact-*  
24 *ment of this Act, the Secretary shall complete ex-*

1        *changes for State land located within the boundaries*  
2        *of the Monument designated by this title.*

3            (3) *NO CONDEMNATION.*—*Within the Monument*  
4        *designated by this section the use of eminent domain*  
5        *or condemnation shall be prohibited.*

6            (e) *WITHDRAWALS.*—*Subject to valid existing rights,*  
7        *any Federal land within the Monument or any land or in-*  
8        *terest in land that is acquired by the United States for in-*  
9        *clusion in the Monument after the date of enactment of this*  
10       *section is withdrawn from—*

11           (1) *all forms of entry, appropriation, and dis-*  
12        *posal under the public land laws;*

16        *thermal leasing laws, and minerals materials laws.*

17           (f) *MANAGEMENT PLAN.*—

18           (1) *PLAN REQUIRED.*—*As soon as practicable*  
19        *after the date of enactment of this Act, the Secretary*  
20        *shall develop a comprehensive management plan for*  
21        *the long-term management of the Monument, includ-*  
22        *ing consideration of enhanced transportation routes,*  
23        *outdoor recreation planning, and promotion of sci-*  
24        *entific research.*

1           (2) *RECOMMENDATIONS AND CONSULTATION.*—*In*  
2           *developing the management plan required under*  
3           *paragraph (1), the Secretary shall consult with ap-*  
4           *propriate State, local, and tribal government entities,*  
5           *members of the public, and the Public Lands Initia-*  
6           *tive Planning and Implementation Advisory Council*  
7           *established under Division C of this Act. If the Sec-*  
8           *retary does not incorporate recommendations sub-*  
9           *mitted by the State, local governments, and Indian*  
10          *tribes into the management plans, the Secretary shall*  
11          *submit a written explanation before the effective date*  
12          *of the management plan to the House Committee on*  
13          *Natural Resources and Senate Committee on Energy*  
14          *and Natural Resources outlining the reasons for re-*  
15          *jecting the recommendations of the State, local gov-*

19 *under section 801, the grazing of livestock established before*  
20 *the date of enactment of this Act shall continue subject to*  
21 *reasonable regulations as prescribed by the Secretary.*

22 (1) *PROTECTION OF EXISTING USES.*—*Existing*  
23 *livestock grazing shall continue in accordance with*  
24 *the following guidelines:*

## 111

1           (A) There shall be no reductions of grazing  
2           in the Area designated by this title simply be-  
3           cause the Area is, or has been designated by this  
4           title.

5           (B) The number of livestock permitted to  
6           graze in the Area designated by this title shall  
7           continue at approximate stocking levels pre-  
8           scribed in the grazing permit that existed on  
9           January 1, 2016, and additional or suspended  
10          Animal Unit Months shall be authorized to graze  
11          as range conditions allow or if range treatments  
12          improve conditions. Animal Unit Months shall  
13          only be diminished as a result of revisions in the  
14          normal grazing and land management planning  
15          and policy setting process.

16          (C) The maintenance of existing grazing  
17          supporting facilities in the Area prior to its des-  
18          ignated by this title (including fences, placement  
19          of salt and minerals, line cabins, water wells  
20          and pipelines, stock tanks and ponds), shall con-  
21          tinue. Such maintenance may include the use of  
22          off-highway vehicles or mechanized tools and  
23          equipment.

24          (D) The construction of new grazing im-  
25          provements or replacement of deteriorated facili-

1 *ties in the Area designated by this title is au-*  
2 *thorized if in accordance with the applicable*  
3 *land management plan.*

4 *(E) The use of off-highway vehicles for*  
5 *emergency purposes such as care of sick animals*  
6 *or the placement of feed and water in emergency*  
7 *situations is authorized by the applicable graz-*  
8 *ing permit holder or an employee or agent there-*  
9 *of.*

10 *(F) Access to historic and traditional water*  
11 *sources for the purpose of watering livestock shall*

16               **ESTS.**

17       (a) *IN GENERAL.*—*If the State offers to convey to the*  
18       *United States title to the non-Federal land, the Secretary*  
19       *shall, subject to the provisions of this title—*

20               (1) *accept the offer; and*

21               (2) *on receipt of the right, title, and interest of*  
22       *the State in and to the non-Federal land, convey to*  
23       *the State all right, title, and interest of the United*  
24       *States in and to the Federal land.*

1           **(b) VALID EXISTING RIGHTS.**—*The exchange author-*  
2 *ized under subsection (a) shall be subject to valid existing*  
3 *rights.*

4           **(c) COSTS.**—*Costs of the land exchange shall be allo-*  
5 *cated in accordance with section 206(f)(2)(B) of the Federal*  
6 *Land Policy and Management Act of 1976 (43 U.S.C.*  
7 *1716(f)(2)(B)).*

8           **(d) TITLE APPROVAL.**—*Title to the Federal land and*  
9 *non-Federal land to be exchanged under this section shall*  
10 *be in a form acceptable to the Secretary and the State.*

11           **(e) RESERVATION OF INTEREST IN POTASH.**—

12                   **(1)** *With respect to Federal land that contains*  
13 *potash resources, the Secretary shall reserve an inter-*  
14 *est in all potash resources.*

15                   **(2)** *The interest reserved by the United States*  
16 *under paragraph (1) shall consist of—*

17                           **(A)** *50 percent of any bonus bid or other*  
18 *payment received by the State as consideration*  
19 *for securing any lease or authorization to de-*  
20 *velop potash resources;*

21                           **(B)** *50 percent of the amount that would*  
22 *have been received by the Federal Government*  
23 *under the royalty rate applicable on July 1,*  
24 *2015, if the potash resources had been retained*  
25 *in Federal ownership; and*

1                   (C) 50 percent of any other payment re-  
2                   ceived by the State pursuant to any lease or au-  
3                   thorization to develop the potash resources.

4                   (3) Upon receipt of any funds from potash leas-  
5                   ing and development on lands in which the Secretary  
6                   has reserved an interest, the State shall pay the Sec-  
7                   retary amounts attributable to the reserved interest of  
8                   the United States in accordance with paragraph (4).

9                   (4)(A) Any amounts due under paragraph (3)  
10                  shall be paid by the State to the United States not  
11                  less than quarterly.

12                  (B) The State may deduct an administrative fee  
13                  of three per cent from all payments due to the United  
14                  States under paragraph (2).

15                  (5) NO OBLIGATION TO LEASE.—The State shall  
16                  not be obligated to lease or otherwise develop potash  
17                  resources in which the United States retains an inter-  
18                  est under this subsection.

19                  (f) RESERVATION OF WELLBORE INTEREST IN OIL  
20                  AND GAS.—

21                  (1) The Secretary shall reserve a wellbore inter-  
22                  est in each oil and gas well on Federal land that has  
23                  been determined by the Secretary to be capable of pro-  
24                  duction in paying quantities as of the date of convey-  
25                  ance.

1           (2) *The wellbore interest reserved to the United*  
2 *States under paragraph (1) shall consist of the*  
3 *amount of all royalties attributable to an oil and gas*  
4 *well located on Federal land as of the date of convey-*  
5 *ance.*

6           (3) *Upon receipt of any funds attributable to the*  
7 *reserved wellbore interest of the United States, the*  
8 *State shall pay the Secretary all such amounts in ac-*  
9 *cordance with paragraph (4).*

10           (4)(A) *Any amounts due under paragraph (2)*  
11 *shall be paid by the State to the United States not*  
12 *less than quarterly.*

13           (B) *The State may deduct an administrative fee*  
14 *of three per cent from all payments due to the United*  
15 *States under paragraph (2).*

16           (5) *The reserved wellbore interests of the United*  
17 *States in oil and gas under this section shall auto-*  
18 *matically terminate on the date that is 10 years after*  
19 *the enactment of this Act.*

20           (6) *The United States shall share all revenue re-*  
21 *ceived with respect to its reserved wellbore mineral in-*  
22 *terest in oil and gas with the State in accordance*  
23 *with section 35(a) of the Mineral Leasing Act (30*  
24 *U.S.C. 191(a)).*

## 123

3                   users; and

4                   (v) off-highway vehicle singletrack and  
5                   doubletrack options where feasible.

6                   (3) MAP.—A map that depicts the Trail shall be  
7                   on file and available for public inspection in the ap-  
8                   propriate offices of the Bureau of Land Management.

9 **SEC. 903. MANAGEMENT.**

10                  (a) IN GENERAL.—The Secretary shall manage future  
11                  designated routes on the Trail in a manner that—

12                   (1) is consistent with section 902; and

13                   (2) does not interfere with private property or  
14                  water rights.

15                  (b) CLOSURE.—The Secretary, in consultation with  
16                  the State and the County, may temporarily close or perma-  
17                  nently reroute, subject to subsection (c), a route on the Trail  
18                  if the Secretary determines that—

19                   (1) the route is significantly damaging des-  
20                  ignated critical habitat or cultural resources;

21                   (2) the route threatens public safety;

22                   (3) closure of the route is necessary to repair  
23                  damage to the Trail; or

24                   (4) closure of the route is necessary to repair re-  
25                  source damage.

1           (c) *REROUTING.*—Portions of the route that are tempo-  
2 rarily closed may be permanently rerouted by utilizing a  
3 previously closed route or constructing a new route.

4           (d) *NOTICE.*—The Secretary shall provide information  
5 to the public regarding any designated routes on the Trail  
6 that are open, have been relocated, or are temporarily closed  
7 through—

8                 (1) *use of appropriate signage within the Trail;*

9                 *and*

10                (2) *use of the Internet and Web resources.*

11           (e) *NO EFFECT ON NON-FEDERAL LAND OR INTER-*  
12 *ESTS IN NON-FEDERAL LAND.*—Nothing in this title affects  
13 ownership, management, or other rights relating to non-  
14 Federal land or interests in non-Federal land.

15           (f) *ADDITIONAL ROUTE CONSTRUCTION.*—

16                 (1) *FEASIBILITY STUDY.*—Not later than 180  
17 days after the date of enactment of this Act, the Sec-  
18 retary shall study the feasibility and public interest  
19 in constructing new routes as part of the Trail to fur-  
20 ther off-highway vehicle recreational opportunities.

21                 (2) *CONSTRUCTION.*—

22                         (A) *CONSTRUCTION AUTHORIZED.*—If the  
23 Secretary determines that the construction of a  
24 route on the Trail is feasible, construction is au-  
25 thorized.

187

1                   (B) *USE OF VOLUNTEER SERVICES AND*  
2                   *CONTRIBUTIONS.—A route on the Trail may be*  
3                   *constructed under this subsection through the ac-*  
4                   *ceptance of volunteer services and contributions*  
5                   *from non-Federal sources to eliminate the need*  
6                   *for Federal expenditures to construct the route.*

7                   (3) *COMPLIANCE.—In carrying out this sub-*  
8                   *section, the Secretary shall comply with—*

9                               (A) *the Federal Land Policy and Manage-*  
10                              *ment Act of 1976 (43 U.S.C. 1701 et seq.);*

8 *United States Forest Service.*

9 **SEC. 104. ADMINISTRATION OF BEAR EARS NATIONAL CON-**  
10 **SERVATION AREA.**

11 *(a) PURPOSES.—In accordance with this title, the Fed-*  
12 *eral Land Policy and Management Act of 1976 (43 U.S.C.*  
13 *1701 et seq.), and other applicable laws, the relevant Sec-*  
14 *retary shall manage the Bears Ears National Conservation*  
15 *Area (hereinafter referred to as ‘Bears Ears’) in a manner*  
16 *that—*

17 *(1) protects, conserves, and enhances the unique*  
18 *and nationally important historic, cultural, scientific,*  
19 *scenic, recreational, archaeological, natural, and edu-*  
20 *cational resources of Bears Ears;*

21 *(2) encourages cooperative and innovative man-*  
22 *agement practices between resource managers, private*  
23 *landowners, and the public in Bears Ears;*

24 *(3) recognizes and maintains historic uses of*  
25 *Bears Ears;*

1           (4) *provides for traditional access by indigenous*  
2           *persons for culturally significant subsistence, includ-*

4 *cies interested tribes and Pueblos that trace their culture*  
5 *and heritage to the lands within the Bears Ears in accord-*  
6 *ance with the National Environmental Policy Act (42*  
7 *U.S.C. 4321 et seq.).*

8 **SEC. 107. BEARS EARS TRIBAL COMMISSION.**

9       *(a) CREATION OF COMMISSION.—In preparing the*  
10 *management plan under section 104(b) for the Bears Ears,*  
11 *the Secretary of the Interior and the Secretary of Agri-*  
12 *culture shall create a Commission consisting of tribal rep-*  
13 *resentatives and Federal agency staff, in recognition of the*  
14 *importance of tribal participation to the care and manage-*  
15 *ment of the Bear Ears' natural and cultural resources.*

16       *(b) APPOINTMENT AND TERM.—The Secretary of the*  
17 *Interior and the Secretary of Agriculture shall appoint for*  
18 *a term of five years beginning on the date of appointment—*

19               *(1) three Federal members, one each from the*  
20               *Bureau of Land Management, the National Park*  
21               *Service, and the United States Forest Service; and*

22               *(2) no more than seven elected officers of tribal*  
23               *governments or their designated employees.*

24       *(c) REQUIREMENTS.—The Secretary of the Interior*  
25 *and the Secretary of Agriculture shall select tribal members*  
26 *of the Commission who demonstrate—*

1           (1) a historical or geographical connection to the  
2           objects and lands of the Bears Ears;

3           (2) relevant traditional knowledge; and

4           (3) the ability to contribute to the management  
5           of the Bears Ears.

6           (d) DUTIES.—The Commission shall provide informa-  
7           tion and proposals as needed to integrate the tribes' tradi-  
8           tional knowledge and special expertise where relevant to the  
9           care and management of the Bears Ears' natural and cul-  
10          tural resources, including in the development of the man-  
11          agement plan developed under section 104(b) of this title.  
12          The Secretary of the Interior and the Secretary of Agri-  
13          culture shall carefully consider these proposals, and may  
14          use all applicable federal authorities to ensure that the  
15          management plan and management decisions incorporate,  
16          as appropriate, the information and proposals provided  
17          from the Commission. Such input from the Commission  
18          may include, but need not be limited to:

19               (1) Protections for and use of sacred sites;

20               (2) Cultural and educational programming;
