Power Company of Wyoming discussion Solar & Wind fee structure

Where: Room 6151

Calendar: Linda Thurn

Who:

Yolando Mack-Thompson, Timothy Nigborowicz, Kathleen Benedetto, Vincent Devito, Linda Thurn, Gisella Ojeda-dodds

Description:

On Thu, Jul 27, 2017 at 2:30 PM, Jenkins, Amelia (WAS-CAS) wrote: Vincent and Kathy - Attached is comment letter representatives from Power Company of Wyoming shared with Secretary Zinke when they met in Colorado. During the conversation they believe the Secretary mentioned following up with Vincent which is the purpose of my outreach. I also left a voicemail. In short, a new leasing (and associated fee structure) was retroactively applied to a number of solar and wind projects approved for construction on federal lands. We are seeing to clarify that the regulation only applies to prospective projects as was the stated intention of the regulation. I'm happy to flood you with additional information but the attached comment letter summarizes the issue. In addition, we are currently working with a Senate Republican office to address this issue as part of the energy bill poised to move in the Senate. I recognize that the likelihood of the bill coming up prior to the August recess is small but there are some time sensitive issues - such as a potential CBO evaluation - that would be helpful to brief you on. Can we please set up a time to meet or have a call on this? Thank you, in advance, for your attention to this request. Eastern. Dial-in information and a list of expected state attendees as of today is included further below. The Coalition is looking forward to hosting you and hearing the latest on offshore conventional and renewable energy activities at DOI. In terms of specific topics, there is also interest in learning more about how state input on access to new and existing areas and revenue-sharing will be factored in as the new leasing plan is further developed. With the call slated to last one hour, would allotting 15-20 minutes for a DOI briefing and another 20-25 minutes for open discussion/Q&A with gubernatorial staff work for you all? Please let us know if you have any questions or if any additional information would be helpful.
