Ms. MacGregor: Congratulations on your appointment at DoI and for your successful roll out of the review of the five year plan at OTC this week. As the planning process begins we look forward to continuing the great working relationship that we have with BOEM. To that end, my Assistant Secretary of Defense for Readiness, Dr. Elizabeth Van Winkle, would like to meet with you to discuss how DoD can support the OCS lease sale planning process, and to talk about some of the challenges we face onshore with foreign investment on public lands. Please let me know if you're amenable to this meeting, and if so, we will work with the schedulers to set it up. Again, congratulations and we look forward to working with you on energy dominance. Best regards & V/R Fred

One surefire to make that come true is by taking a meeting with Daryl and me on CBP letter rulings! Is there any chance we could visit with you sometime in the next week or two to discuss our support for the revocation. One of our clients is a major offshore service provider and I am confident we have information that can be helpful to you and the Secretary as you consider the merits of the issue. You won't be surprised to hear that we disagree with the recent action to withdraw the proposed revocation, and I'm hoping you'll give us a chance to make the fact-based case as to why we oppose it. Thanks very much for your consideration and I hope we can visit soon. Adam Ingols Daryl Owen Associates, Inc. 309 Massachusetts Ave., NE Washington, DC 20002 202-393-7771 (office) (b) (6) (cell)
