Description:

I am emailing to follow up on a non-transferable complimentary invitation to the Environmental Law Institute's 2018 Award Dinner sent to you either by mail or email over the course of the past two months. The Dinner will honor Lisa Jackson, Apple's Vice President of Environment, Policy and Social Initiatives. The Dinner will be held on October 23, 2018 at the Omni Shoreham Hotel in Washington, D.C. Registration will begin at 5:00 p.m., with a pre-dinner reception beginning at 5:30, and dinner to follow at 7:30 p.m. Attendance at ELI's Award Dinner has not been prohibited in the past by ethical guidance from United States government departments; however, please consult as appropriate within your State agency prior to accepting this invitation. Should ethics rules or conflict of interest policies require you to pay, you may send a check (payable to the Environmental Law Institute) to 1730 M Street, NW, Suite 700, Washington, D.C. 20036 in the amount of \$200 to cover the actual value of the discounted government/academic/nonprofit rate ticket. We hope you'll be able to join us for Washington's premier annual event for environmental professionals from around the country. We kindly ask that you RSVP as soon as possible to this email or to Melodie DeMulling, Director of Development at demulling@eli.org or 202-939-3808 regarding your availability to attend the Award Dinner. Sincerely, Campbell Knobloch

Description:

Hosted by the Office of the Assistant Secretary for Water & Science -contact Bill Lukas or Kerry Rae for more information:Congress mandated that an independent scientific review panel provideprogress reports on Everglades restoration efforts. The NationalAcademies of Science most recent report, Progress Toward Restoring theEverglades: The Seventh Biennial Review, 2018, will be released onOctober 17. Stephanie Johnson, study director for the National Academies project, will present key findings and lessons learned overthe course of the seven reviews.National Academies of Sciences, Engineering and Medicine's FourteenYears of Reviews of Everglades Restoration ProgressThe Comprehensive Everglades Restoration Plan (CERP) was approved byCongress in 2000 as a multibillion dollar, multidecadal plan with 68projects to restore the South Florida ecosystem, which includesEverglades, Biscayne Bay, and Big Cypress National Parks, A.R.M.Loxahatchee National Wildlife Refuge, and Miccosukee and Seminole Tribelands. Congress also mandated that an independent scientific reviewpanel provide biennial reports of progress, and since 2004, theNational Academies have convened committees of experts, who volunteertheir time to this endeavor. In addition to reviews of restorationprogress and monitoring, each biennial report examines 1-3 focal issuesthat the committee judges are impacting restoration progress or arelikely to impact progress in the near future. These reports have hadimportant impacts on the trajectory of the restoration, includingproviding the impetus for the Central Everglades Planning Project. Thecommittee's seventh report, Progress Toward Restoring the Everglades:The Seventh Biennial Review, 2018, will be publicly released on October17th. Stephanie Johnson, study director for the project, will providean overview of the 2018 report and key findings and lessons learnedover the course of the seven reviews.<http://nas-sites.org/cisrerp/>.

Hi Joe, I hope all is well. I'm writing today to request a meeting with you for a group of Alaskan Native leaders that will be in Washington on November 13 and 14 to discuss issues related to the Pebble Mine. The group, many you know, will include: Brad Angasan, Alaska Peninsula Corporation Ventura Samaniego, Kijik Corporation Lisa Reimers, Iliamna Development Corporation Sue Anelon, Iliamna Natives Limited Chasity Anelon, Pebble Employee/ Iliamna Resident Rhiannon Nanalook, Pebble Employee/ Iliamna Resident Shannon Johnson, South Central foundation Clinic & Lake and Peninsula School Board And Peter Robertson, SVP, Pebble Partnership. This group will be meeting with the Alaska delegation, with other members and staff in Congress, and with representatives of the Administration. I'm hoping we can find some time for this group on one of those two days. Let me know if that might work, or if you need anything else from me. Best wishes, Richard Pombo Gavel Resources | www.gavelresources.com

Description:

Tracie and Joe, We would like to request a meeting with Joe to discuss the Army's interest in developing federal gas on two military installations in Oklahoma by relying on BLM's existing authorities. Kate has had prior interest in the Ft. Knox gas development, so she might be interested in this as well, but I leave that to your office to decide. We're interested in inviting Brian Steed from BLM and anyone else he would like to include. From SOL, we'd like to include Marcella Burke, Richard McNeer, Chris Rhymes, Ben Vaccaro, and me. Ben will need to call in. Is there any possibility that we could meet next Wednesday at 11:30 am? If not then, could we meet the following week on Monday afternoon or Tuesday afternoon (November 19-20)?

Description:

Alan Mintz Thu, Nov 8, 1:53 PM (6 days ago) to me Yes. That date andtime should work for us. Unless I hear otherwise from you, Jaime Matyasand I will plan to be at Joe Balash's office on Tuesday, November 27, at 11 a.m. Until recently, I served on the Board of Directors of theStudent Conservation Association (SCA), a group that has supportedyoung people for the past 60 years by providing opportunities to highschool, college and post graduate students to work on public landsthroughout the country, including on many units of the Bureau of Land Management (BLM) over the years. Jaime Matyas, the SCA President andCEO, and I would greatly appreciate an opportunity to meet with JoeBalash at his convenience to provide Joe with a brief introduction tothe SCA and the important work that the organization has done with the BLM. Jaime and I are available to meet with Joe at his convenience theweek of November 26 if he is going to be in town. If so, just let meknow what date(s) and time(s) might work best for him. If not, we alsohave some availability the following week (the week of December 3).Please let me know what might work best for Joe. I look forward toseeing you and Joe then. In the meantime, I hope that you and yourfamily have a wonderful Thanksgiving. Thanks, as always, for your timeand consideration. Alan L. Description:

On December 6, the USGS plans to announce a new geologic-based assessment of undiscovered, technically recoverable continuous oil and gas resources for the Wolfcamp Shale and Bone Spring Formation of the Delaware Basin, Permian Basin Province, of west Texas and southeast New Mexico. The announcement will include links to a USGS Fact Sheet and data release. In 2016, the USGS released an assessment for the Wolfcamp Shale in the Midland Basin portion of the Permian Basin Province, which is the largest assessment of continuous oil that the USGS has ever announced. A news release is planned.

Description:

poc: Jodi Pearl email: gwichinsteering18@gmail.com Hope all is well. I am the Executive Director of the Gwich'in Steering Committee and am writing to request a meeting to discuss the fate of the Coastal Plain of the Arctic Refuge. The Gwich'in consider the Coastal Plain 'the sacred place where life begins.' As you know, the 2017 Tax Act placed the Coastal Plain of the Refuge under BLM's jurisdiction. I will be in Washington, DC on Dec. 10-12, 2018, and would like to meet with CEQ to discuss both the proposed seismic testing of the Coastal Plain, and the potential lease sales in Spring 2019.

Description:

This is a follow-up to previous meetings with BLM, the Solicitor's Office, and BLM regarding a potential precedent setting federal land management model. The Owyhee Basin Stewardship Coalition (OBSC) is comprised of ranchers and local business people in Malheur County, Oregon. Several members of the OBSC would like to discuss their proposal with appropriate DOI officials. No actions sought. The meeting is an intro to the principals of the OBSC and is intended to provide a briefing on this innovative approach to Western collaboration on public land use. This proposal would create a model approach to primarily BLM lands within Malheur Country, Oregon. It would create a mechanism for local control with the focus on health of public lands.

Once we receive the completed form and it is cleared by our ethics office I would be happy to help schedule a meeting. Thanks Gareth ----- Forwarded message -----
From: Chase Adams Date: Tue, Dec 11, 2018 at 2:26 PM Subject: [EXTERNAL] American Sheep Industry Meeting To: david_bernhardt@ios.doi.gov Cc: timothy_williams@ios.doi.gov Deputy Secretary Bernhardt, Wanted to reach out and see if there might be an opportunity to meet late this week or sometime next week. One of our requests to the Secretary, was that the department reevaluate BLM policy 1730 as it relates to domestic and bighorn sheep. I understand that perhaps the agency is reviewing that document and wanted to see if there was an opportunity to visit further. I am not sure that the timing is ideal, but wanted to make the request. My schedule is fairly open on Friday or anytime the week of Dec. 17. Appreciate the consideration, CA Chase Adams Senior Policy and Information Director American Sheep Industry Association (202) 815-1411

Description:

Senner, Stanley Nov 8, 2018, 4:57 PM (15 hours ago) to me Joe, That should be fine, and I will get it on our calendars. If that date starts to look in doubt for Mr. Balash, we can talk about alternatives. Thanks, Stan Stan: I'd be happy to meet with you. While I am currently available on the 12th, my travel schedule could change for that particular week. I am supposed to be in D.C. for the rest of November. Also, you correctly copied my assistant Tracie on this, but she is currently out of the office so I have copied Joe Hayes to help find a day with 60 minutes for you. Joe On Thu, Nov 8, 2018 at 2:07 PM Senner, Stanley wrote: Dear Mr. Balash This message is to request a meeting with you to discuss the National Petroleum Reserve-Alaska and a possible revision of the Integrated Activity Plan. Focus of the meeting would be waterfowl, shorebirds and other birdlife, especially in the Teshekpuk Lake area. This meeting would follow up a conversation you had in Alaska with Susan Culliney, policy director for Audubon's state office in Alaska. In addition to me, participants would be Nick Wiley, Chief Conservation Officer at Ducks Unlimited, and David O'Neill, Chief Conservation Officer at the National Audubon Society. I am Vice President for Bird Conservation at Audubon and a former, long-time Alaska resident. Please let me know if you are able to meet with us. I already need to be in DC on Wednesday, December 12, and I am wondering if you have availability for 60 minutes that day? If not on the 12th, perhaps you can suggest other dates in November or December that potentially are open for you. Thank you for your consideration of this request. Best wishes, Stan Senner Vice President, Bird Conservation 406.926.2811 National Audubon Society 700 SW Higgins Avenue, Suite 104 Missoula, Montana 59803 www.audubon.org
