Hi Jamie,
Rusty Roddy, my colleague who is cced on this email, and I were looking to check in with you regarding the Secretary's participation in the DEPA Board of Directors event next Saturday. Most importantly, we wanted to check in to see if the event was still proceeding given the fire situation in Napa. If so, though, would you be available tomorrow to discuss the line-by-line and additional details for the day?

Thanks,
Caroline
