Tuesday at 3:30 would be great! What's the best number to reach you at that time? And Kristine can plan to jump in on the call, too, to help with brainstorming.

Best,
Becky

Hi Becky,

That's completely understandable. It was a very last minute request so I knew it was a long shot. A phone call next week would be lovely! Would Tuesday at 3:30 work for you?

Warmly,
Elinor

Hi Elinor,

It's great to hear from you; thanks for reaching out! Regrettably, I'm swamped on Friday and can't meet, but am free next week for a meeting or call. Next Tuesday and Thursday afternoon are good, as well as any time on Wednesday. What works best for you?

Look forward to talking with you soon!

Best,
Becky

Hello Becky,

I hope you are doing well! I am working on planning a retreat here at DOI, and we would like to include some team building/trainings. I miss all of the wonderful trainings you hosted at Heritage. I think one of my favorites was the one that divided everyone into doers, innovators, problem solvers, and brain stormers. That was so much fun but still very applicable and helpful.

I would love to pick your brain about your experience with these. Do you have any time Friday morning, by any chance? The Secretary will be Out of the Office, and I could easily come to Heritage if you have time to talk with me about this. I know this is a last minute request, but if you are available I can't think of anyone better to go to for advice.

Warmly,
Elinor
