That's cool you get to travel with the boss! Me and Hoffman were strictly scheduling.

Are you from MT?

Things are WAY less crazy and less stressful in the private world! Highly recommend it when you are ready to make the jump!

Thanks again so much for Aaron's email.

Things are busy per usual--my boss is all about "boots on the ground" so we're traveling near constantly. Good times! I did get to sneak away for vacation while he was also on personal vacation so that was nice. Are things more or less crazy in the private sector world?

Thank you!!! How are things in your world? Did you get some downtime during August?

I hope Emily Hoffman at DoL has been easy to work with ;)

Hi Caroline-

Sorry to bother you but quick question- can you send me Aaron Thiele's email address?

Not sure if you will remember but we emailed a bit earlier this year- I was Dir. Of Scheduling for Acosta but I accepted a job in the private sector last month.

Appreciate a response and again sorry to bother! Know how busy you are.

Thank you!
