

**Planning, Analysis, & Competitiveness (PAC) Subcommittee**  
**Friday, November 9, 2018**  
**11:00am-12:30pm EST**  
**Meeting Summary**

**WELCOME AND DOI UPDATE**

- The DFO and chairman will be meeting to talk 2019 priorities and go over the recommendations along with progress today. To date we have received 29 recommendations many of which there has been action taken on them.
- Nomination period has closed, lots of nominations have come in and we will be making a recommendation to the Secretaries office for his consideration.
- Well will be asking for recommendations 4 weeks before the meeting.

**WORKING GROUP RECOMMENDATIONS:**

***Coal***

- Looking at a number of large policy issues including permitting.
- The National Coal Council that has a study urging the government to create more export space on federal land. We will be looking at how we might be able to elevate that.

***Studies***

- Waiting for more information on IHS study.

***Onshore***

- We will be looking at the Wilderness Society recommendations for consideration.

***Non Fossil Fuels/Renewable***

- Next call scheduled for Monday afternoon.

***Offshore***

- No updates at this time.

***Alaska***

- Transitioning in a new Governor.

**DISCUSSION/NEW BUSINESS**

We will cancel the November 23<sup>rd</sup> call, next call December 7<sup>th</sup>.
