

**Planning, Analysis, & Competitiveness (PAC) Subcommittee**  
**Friday, December 21, 2018**  
**11:00am-12:30pm EST**  
**Meeting Summary**

**WELCOME AND DOI UPDATE**

- Secretary Zinke will be resigning at the beginning of next year.
- Let RPC staff know if you are attending the January 31<sup>st</sup> RPC meeting, and the room block expires next week.
- Format will be the same at the RPC meeting with a sector meeting the day before the public meeting.
- The committee meeting will follow a similar format to previous meetings, and we will likely have a message from the Secretary's office at the start of the RPC meeting.
- The RPC needs recommendations 4 weeks before the meeting (January 3<sup>rd</sup>).
  - We will move up our January 4<sup>th</sup> call to January 2<sup>nd</sup> to vote on our recommendations.
- We are hopefully that we will have new members in place by the January meeting.

**WORKING GROUPS:**

*Coal*

- There was a white paper circulated to the committee on coal.
- The work group will not have a recommendation at the January meeting.
- Previous coal leasing process presentation that was given to the subcommittee, outlines how the process went from 3 years to 12 years. If the timing works the work group would like to elevate that presentation to the full RPC. (presentation would take 45 minutes)
- Would like time during the meeting to give updates on the topics they've been considering.

*Studies*

- Waiting for more information on IHS study.
- DOI may have information to share on the study in the January RPC meeting.

*Onshore*

- Draft has been circulated for the recommendation on notification for permit to drill, this is similar to the draft recommendation from the Denver meeting.

*Non Fossil Fuels/Renewable*

- One draft recommendation that has been circulated in the subcommittee regarding no longer allowing non-monetary offshore bidding credits.

*Offshore*

- ONRR provided data on offshore leasing with leases by water depth.
- May have one recommendation to provide to the work group by December 26<sup>th</sup>.

*Alaska*

- No updates at this time.

## **DISCUSSION/NEW BUSINESS**

- Next call will be January 2<sup>nd</sup>.

### **Attendees:**

Colin McKee, State of Wyoming
