

**Planning, Analysis, & Competitiveness (PAC) Subcommittee**  
**Friday, March 29, 2019**  
**11:00am-12:30pm EST**  
**Meeting Summary**

**WELCOME AND DOI UPDATE**

- The Secretary of the Interior had his nomination hearing yesterday. There were no questions relating to the RPC.
- Following that, it is expected that the Secretary will consider different options and next steps for the RPC Charter, which expires at the end of April. In the meantime, thanks to everyone for their patience and continued hard work.
- It was asked what the direction of a new Charter may go, as of right now there isn't certain language.

**WORKING GROUP RECOMMENDATIONS:**

*Coal*

- The group hasn't met since the last meeting, a presentation will be circulated that could be given at the next RPC meeting.

*Studies*

- No update at this time.

*Onshore*

- No update at this time.

*Non Fossil Fuels/Renewable*

- Planning to meet with BLM to talk about the existing RPC recommendations.

*Offshore*

- Has not met since the last call. There was a discussion around the IHS market report recommended by this subcommittee. We will be looking at areas of interest from the report.

*Alaska*

- No update at this time.
