WELCOME AND ROLL CALL

Welcome

- Introduce new non-voting subject matter experts to represent the public interest in an effort to help bring additional representation from that sector.
- Meeting summary from the February RPC meeting will be publicly released early to mid-next week. If any errors or edits are noticed, please reach out to RPC@ios.doi.gov.
- Any recommendations need to be considered and voted on by early May for June meeting.

WORKING GROUP UPDATES AND RECOMMENDATIONS

Onshore Oil & Gas Workgroup

- We will be meeting again on April 9th.
- We will be looking at the high level recommendations and working on the supporting documentation to support those recommendations.

Offshore Oil & Gas Workgroup

- No recent workgroup meeting but there have been discussions through email.
- Discussion topics include lease block size and looking at offshore burdens.
- We would enjoy having new members to the work group either from the new public interest folks or other PAC members.

Alaska Specific Workgroup

- Should be meeting next week for a meeting.
- We would welcome additional members as it is currently a small group.

Coal Workgroup

- The group will be looking at areas of efficiency to reduce the time for concept to shovel.
 - Potential topics could be looking at revenue generated from production to satisfy the bonus payment.

Non-Fossil and Renewables Workgroup

- We will be meeting on Monday of next week.
- At the upcoming meeting we will be exploring all the possible topics.

Studies Workgroup

- No update given but meeting regularly.

BRIEFING TOPIC

- As we've done in the past if there is a topic of interest let the Co-Directors and RPC staff know and we will add it to the agenda.

NEXT STEPS

- The Friday, April 13th meeting is canceled so members have more work group time.
- May 9th is the deadline for recommendations to be submitted to the RPC.
