Ms. Sally Jewell
Secretary
Department of the Interior
1849 C Street NW
Washington, DC 20240

Dear Ms. Jewell:

I understand it is the policy of the Department of the Interior to not permit the use or display of racist or insensitive logos on Federal land. In accordance with this policy and in recognition of your efforts to prevent the Redskins logo from being used or displayed at RFK Stadium, I ask for an immediate removal of the Trump logo from the scaffolding located just outside the Old Post Office building.

After Mr. Trump's hateful and insensitive remarks about the Latino communities that are integral to the District's success and diversity, the Trump logo perpetuates support for a man who proves he is undeserving. The logo is a painful reminder to all citizens of the District of Mr. Trump's comments and should not be on Federal land.

While the nation continues to struggle with the elimination of long-standing symbols of injustice, including the Confederate Flag, we, as the District of Columbia, must utilize our power to free ourselves of anything that doesn't belong here - including Mr. Trump's ignorance and ultimately, his business.

Sincerely,

Dear Secretary Jewell and Acting Administrator Roth:

Like you, we strongly believe the federal government has a responsibility to ensure that public lands are welcoming places—especially in our nation’s capital. In light of the deeply insulting comments that Donald Trump continues to direct at the Latino Community and at women, we write to request that you take action to prevent the Trump name from being prominently displayed at the hotel he is currently constructing at the center of Washington, DC.

Trump’s recent and repeated remarks disparaging women, Mexican-Americans, and other Latinos are hateful, divisive and completely inaccurate. We firmly believe this kind of repulsive speech has no place in our public discourse. As a result of these comments, the Trump name is now inextricably linked to the anti-immigrant, anti-Latino and anti-women sentiments that he continues to loudly and publically espouse.

As you know, Trump is currently constructing a hotel at the site of the Old Post Office building, located just steps from the National Mall and less than a mile from the Washington Monument, the United States Capitol and the White House. Once completed, the complex will sit on land leased from GSA while the historic building’s clock tower will continue to be managed by the National Park Service.

We understand that the Department of the Interior rightly prohibits the display of racist or insensitive emblems on lands it controls. In accordance with this policy and in keeping with the Department’s recent efforts to bar the Washington Redskins’ logo on public lands, we urge you to use all available authorities under current law to prevent the Trump name from being prominently displayed at the new hotel.

Congress of the United States
Washington, DC 20515

Thank you for your attention to this request. The Trump name and logo have come to serve as a divisive reminder of Donald Trump's reprehensible words. To allow his name to be conspicuously displayed at the heart of our nation's capital would send a message of exclusion and intolerance to millions of Latinos in the District and across the country, including workers at the site itself.

Ruben Gallego

Dear Mr. Gallego:

Thank you for your letter of August 13, 2015, to Secretary Sally Jewell and General Services Administration Administrator Denise Roth concerning the redevelopment of the Old Post Office building as a hotel by developer Trump Old Post Office, LLC, and, specifically, the developer's construction signage. Secretary Jewell has asked me to respond on her behalf.

As you know, the property was leased to the developer by the General Services Administration (GSA) in 2013. The terms and provisions of the lease governing its redevelopment are administered by the GSA.

The Department of the Interior has some limited review of the project related to the Federal Historic Preservation Tax Incentives Program, which is administered by the National Park Service (NPS), and to which the developer has applied. Pursuant to the program, the NPS has no review over temporary construction signage, and review of any permanent signage is limited to its design, size, number, location, and appearance solely as it relates to any impacts of the signage on the historic character and features of the property.

Thank you for your letter and sharing your concerns about the project. If you have any questions, please contact Mr. Brian Goeken at 202-354-2033 or Brian_Goeken@nps.gov. An identical letter has been sent to Representative Tony Cárdenas.

Dear Ms. Julka:

This is a request pursuant to the Freedom of Information Act for access to all emails sent by or to Secretary Jewell from July 18, 2016, through July 28, 2016, that mention Donald Trump or Hillary Clinton. Please note, however, that this request does not seek any "mass" emails received directly from a listserv (for example, news clippings).

Copied and pasted below is a Freedom of Information Act (FOIA) request from *Greenwire*. Please confirm receipt of this email. Thank you for your help.

To Whom It May Concern:

This is a request under the **Freedom of Information Act (FOIA)**.

I request copies of all records prepared for and/or distributed to any individuals affiliated with and/or employed by the transition team for Donald Trump, the 2016 Republican presidential nominee, from May 1, 2016 to the date that this FOIA request is processed.

I prefer to receive the response to this request in electronic form. If the response to this request exceeds more than 15 megabytes, please contact me in order to arrange another form of delivery other than email.

If possible, I would prefer to receive the largest number of records or documents in electronic form.

I am filing this FOIA request as a "representative of the news media" since I am a reporter for *Greenwire* – one of Environment & Energy Publishing's five daily online publications. This designation entitles me to a waiver of fees accumulated during the actual search and review process. Nevertheless, if your agency does determine that I should be charged for any part of this request, please contact me before estimated costs exceed \$25.

This request is made as part of news-gathering activity and is not for commercial use.

The information responsive to this FOIA request will contribute to the public's understanding of your agency and the government at large. This information is not in the public domain but once your agency responds to this FOIA request, it will be printed on our website, www.eenews.net, which has more than 40,000 unique visitors a day. We expect the information that is produced through this and other FOIA requests to serve as the basis for several articles that explain the government's actions and operations to the public. For more information about *Greenwire* and Environment & Energy Publishing, please refer to www.eenews.net.

FOIA requires that if part of a record is exempt from disclosure, you must redact and release all segregated parts. Please describe the deleted material in detail and specify the reasons for believing that the alleged statutory justification applies in this instance.

If my request is denied in whole or in part, please specify which exemption(s) is (are) claimed for each passage or whole document denied. In addition, please give the number of pages in each document and the total number of pages pertaining to this request and the dates of the documents withheld. Such statements will be helpful in deciding whether to appeal an adverse determination.

As required by FOIA, I look forward to hearing from your office within 20 days in response to this request.

If you have any questions about the nature or scope of this request, please call me at 202-446-0401 or email me at kbogardus@eenews.net.

Dear FOIA Officer:

This is a request under the Freedom of Information Act.

I hereby request all "briefing materials and information relating to the Presidential transition" prepared by the Department of Interior for the Trump administration's Agency Review Teams and incoming political appointees.

The Executive Order "Facilitation of a Presidential Transition" (May 6, 2016) established the Agency Transition Directors Council (ATDC). The Presidential Transition website says:

"In line with guidance from the ATDC, agencies prepare briefing materials and information relating to the Presidential transition for Agency Review Teams (also known as Agency Landing Teams), who will review briefing materials and meet with internal agency transition teams to better understand each agency and its current state of affairs. Briefing materials are prepared for two audiences: Agency Review Teams and incoming political appointees following the Inauguration."
<https://presidentialtransition.usa.gov/2016transitionactivities/>

According to this same website, these materials should have been finalized by your agency no later than November 1, 2016.

Further, I request that these files be sent to me in any digital formats in which they exist (PDF, Word, PowerPoint, etc.). Under the terms of the E-FOIA Amendments of 1996, Section 5, if a document exists in electronic format, it must be released in that format upon request.

This information will be made freely available online, and will not be used in a commercial manner. I agree to pay up to \$10 for this request. If it will be more than this, please notify me.

Thank you for your help.

Correspondence, memos, e-mails, grant applications and other documents to, from or involving the Trump Organization or other Trump-named entities between Jan. 1, 2010 and June 1, 2016.

OS-2016-00390

June 22, 2016

Any email or written correspondence between the U.S. Department of Interior and any companies owned by Donald Trump concerning any land use (i.e. golf course construction, hotel and property concerns) from 2006 to the present.

OS-2016-00392

July 29, 2016

All emails sent by or to Secretary Jewell from July 18, 2016, through July 28, 2016, that mention Donald Trump or Hillary Clinton. Please note, however, that this request does not seek any 'mass' emails received directly from a listserv (for example, news clippings)

OS-2015-00402

All Department of Interior records containing the name Donald Trump and/or the words Trump Organization ranging from January 1, 1980 to July 13, 2015.

I certify to be true and correct to the best of my knowledge and belief that I am a credentialed reporter employed by The Associated Press. **Because this is a request by a member of the news media for records made in the public interest, I ask that you waive any search fees in accordance with § 552(a)(4)(A)(ii)(II).**

If the fee for retrieving or reproducing these records will exceed \$50, please notify me before filling this request. I can be reached at **(202) 641-9595** or by electronic mail at esullivan@ap.org.

I also request expedited processing for this request under 32 CFR 299.5 (f)(2).

My request for expedited processing meets criteria for demonstrating a “compelling need” for the following reasons that I certify to be true and correct to the best of my knowledge:

One, I am a credentialed member of the news media employed by The Associated Press who is primarily engaged in disseminating information.

Two, the records I am seeking are “urgently needed” to inform the public about an actual government activity in that the value of the information I am seeking will be lost if it is not released before the inauguration of President-elect Donald Trump in January 2017. Federal FOIA law and regulations afford expedited processing to those who demonstrate “an urgency to inform the public about an actual or alleged federal government activity.” My request should also generally be read in light of the holdings in *Al-Fayed*.

This request qualifies for expedited processing because it goes beyond “the public’s right to know about government activity generally” and instead seeks to provide urgent information of “actual government activity” to the American people about Trump.

The Associated Press, as the largest news wire service in the world with more than 1 billion readers, takes its duty to inform American citizens very seriously. The hard deadline of the inauguration elevates the importance of these records as does the type of government activity they involve. These records concern the important interaction between the president-elect and a key executive branch agency. The public has a need to know.

For these reasons, I respectfully request that these records be released on an expedited schedule. **As you know, you must make a determination about my request for expedited processing within 10 calendar days of receipt of this request.**

As you know, agencies must redact only what is necessary to protect exempt information and must explain the basis for any redactions. See *Georgacarakos v. FBI*, 908 F.Supp.2d 176, 186 (D.D.C. 2012). As well, please provide documents to me on a rolling basis, rather than waiting for my entire request to be processed before releasing documents.

As a reminder, the president has directed that the FOIA “be administered with a clear presumption: In the face of doubt, openness prevails.” Memorandum for the Heads of Executive Dep’ts and Agencies, 74 Fed. Reg. 15, 4683 (Jan. 26, 2009), emphasis added. This instruction is unambiguous: “All agencies should adopt a presumption in favor of disclosure, in order to renew their commitment to the principles embodied in the FOIA, and to usher in a new era of open government. The presumption of disclosure should be applied to all decisions involving the FOIA.” *Id.*

The Act, in § 552(a)(6), grants your office no more than twenty working days in which to respond to this request. See also *Oglesby v. U.S. Dep’t of Army*, 920 F.2d 57, 65 (D.C. Cir. 1990) (“Congress adopted the time limit provision in the FOIA in order to ‘contribute to the fuller and faster release of information, which is the basic objective of the Act.’” (quoting H.R. Rep. No. 93-876, March 5, 1974, reprinted (1974) U.S. Code Cong. & Ad. News 6267 at 6271)).

I certify that the information provided above is true and correct to the best of my knowledge and belief.

Thank you for your assistance. I look forward to your prompt reply. My contact information is below.

Dear Secretary Jewell and Acting Administrator Roth:

Like you, we strongly believe the federal government has a responsibility to ensure that public lands are welcoming places—especially in our nation’s capital. In light of the deeply insulting comments that Donald Trump continues to direct at the Latino Community and at women, we write to request that you take action to prevent the Trump name from being prominently displayed at the hotel he is currently constructing at the center of Washington, DC.

Trump’s recent and repeated remarks disparaging women, Mexican-Americans, and other Latinos are hateful, divisive and completely inaccurate. We firmly believe this kind of repulsive speech has no place in our public discourse. As a result of these comments, the Trump name is now inextricably linked to the anti-immigrant, anti-Latino and anti-women sentiments that he continues to loudly and publically espouse.

As you know, Trump is currently constructing a hotel at the site of the Old Post Office building, located just steps from the National Mall and less than a mile from the Washington Monument, the United States Capitol and the White House. Once completed, the complex will sit on land leased from GSA while the historic building’s clock tower will continue to be managed by the National Park Service.

We understand that the Department of the Interior rightly prohibits the display of racist or insensitive emblems on lands it controls. In accordance with this policy and in keeping with the Department’s recent efforts to bar the Washington Redskins’ logo on public lands, we urge you to use all available authorities under current law to prevent the Trump name from being prominently displayed at the new hotel.

Congress of the United States
Washington, DC 20515

Thank you for your attention to this request. The Trump name and logo have come to serve as a divisive reminder of Donald Trump's reprehensible words. To allow his name to be conspicuously displayed at the heart of our nation's capital would send a message of exclusion and intolerance to millions of Latinos in the District and across the country, including workers at the site itself.

Sincerely,

Ruben Gallego

Dear Mr. Gallego:

Thank you for your letter of August 13, 2015, to Secretary Sally Jewell and General Services Administration Administrator Denise Roth concerning the redevelopment of the Old Post Office building as a hotel by developer Trump Old Post Office, LLC, and, specifically, the developer's construction signage. Secretary Jewell has asked me to respond on her behalf.

As you know, the property was leased to the developer by the General Services Administration (GSA) in 2013. The terms and provisions of the lease governing its redevelopment are administered by the GSA.

The Department of the Interior has some limited review of the project related to the Federal Historic Preservation Tax Incentives Program, which is administered by the National Park Service (NPS), and to which the developer has applied. Pursuant to the program, the NPS has no review over temporary construction signage, and review of any permanent signage is limited to its design, size, number, location, and appearance solely as it relates to any impacts of the signage on the historic character and features of the property.

Thank you for your letter and sharing your concerns about the project. If you have any questions, please contact Mr. Brian Goeken at 202-354-2033 or Brian_Goeken@nps.gov. An identical letter has been sent to Representative Tony Cárdenas.

Dear Ms. Jewell:

I understand it is the policy of the Department of the Interior to not permit the use or display of racist or insensitive logos on Federal land. In accordance with this policy and in recognition of your efforts to prevent the Redskins logo from being used or displayed at RFK Stadium, I ask for an immediate removal of the Trump logo from the scaffolding located just outside the Old Post Office building.

After Mr. Trump's hateful and insensitive remarks about the Latino communities that are integral to the District's success and diversity, the Trump logo perpetuates support for a man who proves he is undeserving. The logo is a painful reminder to all citizens of the District of Mr. Trump's comments and should not be on Federal land.

While the nation continues to struggle with the elimination of long-standing symbols of injustice, including the Confederate Flag, we, as the District of Columbia, must utilize our power to free ourselves of anything that doesn't belong here - including Mr. Trump's ignorance and ultimately, his business.

Sincerely,

Copied and pasted below is a Freedom of Information Act (FOIA) request from *Greenwire*. Please confirm receipt of this email. Thank you for your help.

To Whom It May Concern:

This is a request under the **Freedom of Information Act (FOIA)**.

I request copies of all records prepared for and/or distributed to any individuals affiliated with and/or employed by the transition team for President-elect Donald Trump from May 1, 2016 to the date that this FOIA request is processed.

I prefer to receive the response to this request in electronic form. If the response to this request exceeds more than 15 megabytes, please contact me in order to arrange another form of delivery other than email.

If possible, I would prefer to receive the largest number of records or documents in electronic form.

I am filing this FOIA request as a "representative of the news media" since I am a reporter for *Greenwire* – one of Environment & Energy Publishing's five daily online publications. This designation entitles me to a waiver of fees accumulated during the actual search and review process. Nevertheless, if your agency does determine that I should be charged for any part of this request, please contact me before estimated costs exceed \$25.

This request is made as part of news-gathering activity and is not for commercial use.

The information responsive to this FOIA request will contribute to the public's understanding of your agency and the government at large. This information is not in the public domain but once your agency responds to this FOIA request, it will be printed on our website, www.eenews.net, which has more than 40,000 unique visitors a day. We expect the information that is produced through this and other FOIA requests to serve as the basis for several articles that explain the government's actions and operations to the public. For more information about *Greenwire* and Environment & Energy Publishing, please refer to www.eenews.net.

FOIA requires that if part of a record is exempt from disclosure, you must redact and release all segregated parts. Please describe the deleted material in detail and specify the reasons for believing that the alleged statutory justification applies in this instance.

If my request is denied in whole or in part, please specify which exemption(s) is (are) claimed for each passage or whole document denied. In addition, please give the number of pages in each document and the total number of pages pertaining to this request and the dates of the documents withheld. Such statements will be helpful in deciding whether to appeal an adverse determination.

As required by FOIA, I look forward to hearing from your office within 20 days in response to this request.

If you have any questions about the nature or scope of this request, please call me at 202-446-0401 or email me at kbogardus@eenews.net.

Thank you for your consideration of this request.

RE: Freedom of Information Act request

Expedited processing requested

Nov. 11, 2015

Dear FOIA Officer:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of the following records maintained by your agency:

- All correspondence to or from Rudy Giuliani, the former New York City mayor, presidential candidate and supporter of President-elect Donald Trump.

The time frame for this request is Jan. 1, 2010, through the present, Nov. 11, 2016.

This request covers paper and electronic records, including but not limited to emails, email attachments, Portable Document Files and Microsoft Excel spreadsheets.

If possible, I request that these files be provided to me in electronic format.

I certify to be true and correct to the best of my knowledge and belief that I am a credentialed reporter employed by The Associated Press. **Because this is a request by a member of the news media for records made in the public interest, I ask that you waive any search fees in accordance with § 552(a)(4)(A)(ii)(II).**

If the fee for retrieving or reproducing these records will exceed \$50, please notify me before filling this request. I can be reached at **(202) 641-9405** or by electronic mail at sbraun@ap.org

I also request expedited processing for this request under 32 CFR 299.5 (f)(2).

My request for expedited processing meets criteria for demonstrating a “compelling need” for the following reasons that I certify to be true and correct to the best of my knowledge:

One, I am a credentialed member of the news media employed by The Associated Press who is primarily engaged in disseminating information.

Two, the records I am seeking are “urgently needed” to inform the public about an actual government activity in that the value of the information I am seeking will be lost if it is not released before the inauguration of President-elect Donald Trump in January 2017. Federal FOIA law and regulations afford expedited processing to those who demonstrate “an urgency to inform the public about an actual or alleged federal government activity.” My request should also generally be read in light of the holdings in *Al-Fayed*.

This request qualifies for expedited processing because it goes beyond “the public’s right to know about government activity generally” and instead seeks to provide urgent information of “actual government activity” to the American people about Rudy Giuliani, who is being considered for important roles in the executive branch.

The Associated Press, as the largest news wire service in the world with more than 1 billion readers, takes its duty to inform American citizens very seriously. The hard deadline of the

inauguration elevates the importance of these records as does the type of government activity they involve. These records concern the important interaction between an influential U.S. politician and a key executive branch agency. The public has a need to know about those interactions in order to judge the qualifications of Mr. Giuliani as he is possibly put forward for important cabinet-level positions.

For these reasons, I respectfully request that these records be released on an expedited schedule. **As you know, you must make a determination about my request for expedited processing within 10 calendars days of receipt of this request.**

As you know, agencies must redact only what is necessary to protect exempt information and must explain the basis for any redactions. See *Georgacarakos v. FBI*, 908 F.Supp.2d 176, 186 (D.D.C. 2012). As well, please provide documents to me on a rolling basis, rather than waiting for my entire request to be processed before releasing documents.

As a reminder, the president has directed that the FOIA “be administered with a clear presumption: In the face of doubt, openness prevails.” Memorandum for the Heads of Executive Dep’ts and Agencies, 74 Fed. Reg. 15, 4683 (Jan. 26, 2009), emphasis added. This instruction is unambiguous: “All agencies should adopt a presumption in favor of disclosure, in order to renew their commitment to the principles embodied in the FOIA, and to usher in a new era of open government. The presumption of disclosure should be applied to all decisions involving the FOIA.” *Id.*

The Act, in § 552(a)(6), grants your office no more than twenty working days in which to respond to this request. See also *Oglesby v. U.S. Dep’t of Army*, 920 F.2d 57, 65 (D.C. Rep. No. 93-876, March 5, 1974, reprinted (1974) U.S. Code Cong. & Ad. News 6267 at 6271)).

I certify that the information provided above is true and correct to the best of my knowledge and belief.
